

The Illuminati

They the Shadow Government, the Global Elite who are working to usher in the NWO (New World Order). They are an occult – practitioner (a person engaged in the practice of a profession, occupation). They have been around for thousands of years. They are the super wealthy and they stand above the law. They have money which leads to power and control over life & death of others and themselves.

They control world affairs, by [masterminding](#) events and planting agents in [government](#) and [corporations](#), in order to gain political power and influence and to establish a [New World Order](#). The Illuminati lurk in the shadows and pull the strings and levers of power in dozens of novels, movies, television shows, comics, video games and music videos, newspapers, radio and media.

Their power lies in the occult, (magic rituals) and in economy - money creates power. The Illuminati own all the International banks, the oil-businesses, the most powerful businesses of industry and trade, they infiltrate politics and education and they own most governments - or at the very least control them. They even own Hollywood and the Music Industry.

The Illuminati have "six disciplines of training" within their Family. These are:

1. Military
2. Government
3. Spiritual
4. Scholarship
5. Leadership
6. Science

Wes Penre is a researcher, journalist, the owner of the domain [Illuminati News](#) and is the publisher of the same. He has been researching Globalization and the New World Order and exposed the big players behind the scenes for more than a decade now.

One thing I want to make clear here is that any person can join a secret society if you are accepted, but no one can join the Illuminati. You are born into it and have to be of the right bloodline. Greedy and evil people join their agenda for power and money, but they can't join the Illuminati itself. Important distinction. Reminds me of the Old Testament Levites who were the priests and only they could serve in the temple, but only the seed of Aaron could enter the Holy of Holies. Ex.: 28:43

They are about slavery and dictatorship. They want a One World Government so that they can rule and have their "man" in power. They manipulate by blackmale because they place people in power who if they step out of line they can use their past to control them.

The Elite that controls the societies and the Illuminati are occultists and black magicians. They say their God is Lucifer, "*The Light Bearer*", and by occult practices they manipulate and influence the masses. Although branches of the Illuminati are Gnostic in nature and claim to acknowledge Lucifer as the Head of the Game, even that seems to be a deception. With time and after years of research, I've come to understand that Lucifer is *not* equivalent to Satan, but they are two different entities. It doesn't matter if you and I believe in this or not, as long as they do. And they take it very seriously.

Pastor Tim Thompson was explaining to me that in the occult world there is a difference between satan and lucifer. satan is viewed as weak and cursed. So the really serious members of the occult worship lucifer and they are ruthless and will do all kinds of vile and horrible things. Satan was the cursed one, the weak one, the one who was defeated. But remember lucifer is the one who came against God, he also caused humans to fall, he was adored and considered very beautiful and was very powerful. So when a person claims to worship the devil right away law enforcement want to know what they mean because people who worship satan are many times self styled satanist but those that worship lucifer are most likely part of a huge network that have no mercy or compassion.

From the occult, science, mind control and Intelligence have developed. By taking over the [Movie Industry](#), the [Record companies](#), and by their control of the Fine Arts, they know how to influence the teenagers to dance to their tune and accept their kind of reality. This makes sense if you look at what kind of "entertainment" we are enforced to enjoy. If you doubt it, just look at what influence the modern music has on the kids; it's not uplifting and doesn't have love and compassion as its end product. It promotes darkness, not light. And I am talking about the overall effect, not individual artists, whom on rare occasions may release something positive.

In fact, the music the teenagers have to listen to is often totally without quality and lead many of them into "robotism", apathy, violence and drugs. It's also used for mind control. Real quality music is rejected by the big record companies in favor for those with lack of talent. Since Black Sabbath in the beginning of the 70:s and the Rolling Stones before them, Satanism (magic and black magic) has been promoted through the music industry. Many groups followed on the same track and have always been Hard Sale and heavily promoted and distributed. Ozzy Osbourne is still going strong as is his buddy, Marilyn Manson. Some people dispute that Black Sabbath were into Black Magic, but were actually singing about God and condemning Satan. This is of course not true, but a playing with words. It doesn't matter how you present the lyrics when the vibration of the music is dark and gloomy. Tony Iommi, the guitar player in Black Sabbath, tuned down his guitar to create this low vibration in their music, something that the later Heavy Metal and Death Metal Industry adopted big time. Geezer Butler, bass player in Black Sabbath and the one who wrote most lyrics, admitted in public that Black Sabbath were into black magic.

Hollywood, is also controlled and created by the [Jewish branch of the Illuminati](#) and the Mafia (same Masters). The "E.T"-movies, Dooms Day films and catastrophe-movies all align with the purpose to influence us in certain directions. Occult movies have also been made popular by Walt Disney and others to influence our children. All to prepare for days to come. Still, for those with eyes to see and ears to hear, there is a lot to learn from the Hollywood movies. The Brotherhood loves to put the truth out there in plain sight in form of symbolism and coded messages. Those with the knowledge to interpret it will be able to get the message. The rest of the population only see an entertaining movie played out in front of them. They miss the whole point.

The 13 families are as follows: This information has come from some who have left the order.

1. [Astor](#)
2. [Bundy](#)
3. [Collins](#)
4. [DuPont](#)
5. [Freeman](#)
6. [Kennedy](#)
7. [Li](#) (Chinese)
8. [Onassis](#)
9. [Rockefeller](#)
10. [Rothschild](#)
11. [Russell](#)
12. [van Duyn](#)
13. [Merovingian](#) (European Royal Families)

These are mostly men from 13 wealthiest families of the world. They have been protecting this bloodline and trying to keep it as pure as possible. It goes back 1000's of years – inbreeding.

The following families are also interconnected with those above:

1. [Reynolds](#)
2. [Disney](#)
3. [Krupp](#)
4. [McDonald](#)

All the families above can be studied in much more detail in Fritz Springmeier's excellent book: "[Bloodlines of the Illuminati](#)".

The Secret Societies have been present in the history of man for a very long time. It all started thousands and thousands of years ago with the "[Brotherhood of the Snake](#)", a secret society that goes back all the way to the time of Garden of Eden and old Sumer.

George Carlin, the late comedian, described it very well when he talked about an Exclusive Club ruling over us, and we are not in it. Don't think for a second that people who have reached the top in society, whether it is in science, politics, music and art, Hollywood, banking or whatnot, have done so merely because they were smart, had talent and/or high intelligence. No, they had access to hidden information that common people don't have access to. Einstein, Ford, Carnegie, Clinton, Bush, Obama - the list goes on - they all had help from one secret society or another.

Secret societies are also called Brotherhoods for a reason. Once you become a member you swear allegiance to the Brotherhood and promise to serve them before ANYTHING else. This is very important to understand, because it means that the President of the United States swore an allegiance to serve the Brotherhood BEFORE he serves the country. The Brotherhood owns him and ultimately decides what he should or shouldn't do. You are in the hands of the higher rank members of the

secret society you're signed up with, and this becomes more obvious the higher up their ladder you climb.

Usually, "common" people are welcome to apply for membership in secret societies and are sometimes accepted, but 98% or so are just "foot people", a face outwards toward the society and never reach the top, where the true secret knowledge is taught for the "worthy". Therefore, it's just smoke and mirrors for most members, and on the surface the secret societies serve as charity organizations, or help organizations to show the world that they are indeed benevolent and there is nothing to fear. It's a perfect front, but now that front is breaking more and more as the real truth about these societies comes out in the open.

Research points in the direction that an "Alien Agenda" is on the Government's table as one among many other options to ring in a One World Government and a One World Dictator. They want to create an 'outside threat', a fake Alien Invasion, so that the countries of this world will be willing to unite as ONE, to fight the 'threat' from outer space. If this succeeds, the Illuminati Goal is completed. This is what we are getting prepared for in mass media right now, where they report more UFO sightings than perhaps ever before. Although there is evidence of ET societies visiting us on this planet, both benevolent and malevolent in nature, their agendas are not what I am talking about here. The UFOs people see are a mix of both government vehicles and alien ships, but if there is an alien threat being presented by the government (including holograms of spaceships in the sky) we are not talking about an alien invasion, but an attempt to scare the world population into uniting so they can ring in the final step of their World Order once and for all.

They have been patiently moving toward their goal for 1000's of years. They want to bring industrialized nations down. They want a socialist government so that they can control the people. They want to even all nations out. They want depopulation by spreading viruses, having wars etc. because they can control less people easier.

They invented the different religions and sects and cults so man would be busy doing something else instead of looking into what the Brotherhood *actually* was doing. They put themselves in charge of the churches to entrap people and to spread conflicts between different belief systems. Most wars throughout history, like most people know, have been religious wars.

Freemasonry is intermingled in the illuminati even if you don't realize it is an occult. At the top they are doing human sacrifice and lucifer is their god.

The Abrahamic God is the essence of evil and the greatest enemy humanity will ever face. There can be no pardon for this monster. This Torture God must reign or die. Will you join the plot to kill the apex predator that preys on humanity?

Don't worship God. BECOME GOD! When everyone is part of a Society of the Divine, a Community of Gods, there will be no more human slaves on their knees to an invisible Sky God who exercises his

power not through being real but through being imagined to be real. When it comes to religion, perception IS reality.

The Illuminati are hyperrationalists. Our task is to bring about a New World Order, a Second Enlightenment, a true and permanent Age of Reason.

Someone I went to high school with had a post on her page about the pope. They were saying how they really liked having a pope they could relate to spiritually and were so happy that he was going to be leading us into the enlightenment period.

Psalm 53:1 – The fool has said in his heart, There is no God. Corrupt are they, and have done abominable iniquity there is none that does good.

The only thing that can defeat the Elite is a United People. So, the primary task of the Elite is to utterly atomize society so that they are never confronted by Unity, but only by an infinity of competing, conflicting human atoms that have zero in common and no mutual bond to fight for. Capitalism/ consumerism has created a world of monsters of self-interest without any bonds to their fellow human beings. The cult of the individual takes as its greatest enemy the "Collective". Cui Bono? The Elite will never be toppled by greedy, selfish individuals, only by the brave, strong, principled Collective, representing the General Will of the People. But the Elite have demonized the Collective and now people just want to stay in, eat junk food, play video games, use their smart-phones incessantly, stare at screens and fantasize about being celebrities and having a "Wonderful Life".
FACEBOOK

This is a totally fake, phony, fraudulent world, full of manufactured consumers whose primary consumption is their own propaganda, their own narcissism. These people would never do anything for anyone else. It's "all about me ... because I'm worth it." It's all about looking after No. 1. It's all about "I" and never about "We". It's always about "me" and never about "us". It's all about "every man for himself" rather than "we're all in this together." Rather than "All for One, and One for All", it's about "me, me, me ... and ___ you!" It's all about celebrating the culture of total selfishness that has led to our world being ruled by the most selfish people you can get - the psychopaths.

Young people follow the lives of celebrities as though they are morality plays. They form their moral code based on what they see celebrities doing. They are obsessed with the "stars" and their paraphernalia, just as people were once obsessed with saints and their relics.

II Tim.3:2-5 – loving your own self - selfies

Faith has never done a single thing for humanity. Knowledge has done everything. It's extraordinary that people imagine that you can become "enlightened" by knowing nothing at all about mathematics, science, technology, engineering and computing. How dumb would you have to be to imagine that being stupid takes you closer to divinity? Landing men on somewhere other than the earth is humanity's greatest practical achievement thus far. Its next task is to land men on heaven (!) by building the chariots of the gods (starships).

Prov.1:7 – The fear of the LORD is the beginning of knowledge: but fools despise wisdom and instruction.

Heb.11:6 – But without faith it is impossible to please Him: for he that cometh to God must believe that He is, and that He is a rewarder of them that diligently seek Him.

Everyone wants money. Everyone worships money. Everyone wants MORE money, even those who already have more than they know what to do with. Everyone lusts after money. They desire it above all other things because it's the gateway to all other things. Money is the supreme gateway drug - the gateway to everything - and that makes it the Ultimate Drug.

In the Islamic world, religious faith is still prized more highly than money. Muslims would die for their faith. It's unthinkable that Christians would die for theirs. Christians would, however, die fighting to protect their property and wealth, thus showing who their real God is (and it isn't Christ!).

I agree with him on this last point. Christians hang on to their pagan things and will fight you over them. Muslims laugh at Christians who think they are living holy in all of their filth.

It's time to start again. It's time for Hyperborea. We are the Hyperboreans, we are the Faustians, we are the Prometheans. We take not only the fire of the gods, but the knowledge and secrets of the gods. Who are we? We are the Illuminati. Let there be Light!

Please keep in mind, though, that sometimes, on a top level, the Global Elite play both sides. They pretend to be in opposition, when in fact two groups fighting each other are just two sides of the same coin. Anything to keep the conflict and the confusion going, so we don't look at things they want to stay hidden – it's called distractions. More often than not, the lower level members of any given group have no idea whom they are really working for, and most group members are good, but deceived, people. It's the top of the Pyramid that we should be truly concerned about. The rest of the people just have to wake up to whom they are actually supporting. (Bengazi, school shooting conspiracy etc.)

World War I and II were both attempts to take over. After the Second World War people were so tired of all the killing that they welcomed the United Nations when it was founded. The official policy of the UN was to safeguard the peace, so nothing like WW II would ever happen again. But indeed the UN was another important front organization for the Illuminati, to unite the countries of the world into one.

The secret societies and the Illuminati believe in the power of symbols. The world is full of their magic- and black magic symbols. However, we are so used to seeing them everywhere that we don't even think about them. The Illuminati believe that the more symbols around, the more magic power to them. The insignia of the Illuminati and the New World Order is the "Pyramid with the All-Seeing-Eye", which you can study on the back of the U.S. [One Dollar Bill](#) (some years ago this symbol was also on a series of stamps released from the Vatican). The All-Seeing-Eye is the Eye of Horus, which is

the same as the Eye of Lucifer, and goes back to the Egyptian era. Other symbols are: skull & cross bones, 5 pointed stars, roaring lion, covering one eye, etc.

Careful analysis of the seal discloses a mass of occult and Masonic symbols chief among them, the so-called American Eagle. ... the American eagle upon the Great Seal is but a conventionalised phoenix..."

On the first illuminati I was speaking of earlier they have a picture of a skull and cross bones and around it it says: in hoc signo vinces which means: In this sign you will conquer or in this conquer. This has been twisted by satan to fit his agenda because it was originally a sign of a cross that Constantine saw with that same message and it led him to legalize and embrace Christianity even though it was mixed with paganism.

Another important agent for the malevolent Illuminati was Freemason Cecil Rhodes, who in the 19th Century tried to build a One World Government with the British Empire on top. This agenda was sponsored by the Rothschild's and it was also Rhodes who created the Round Table, a secret society in itself, named after King Arthur's Round Table, where the Brotherhood Elite is gathering to plot up to this day.

The way to control the masses is through mind control and occult power, used with the intent to manipulate. This also means that the occult idea of reality will be planted into the society through Media, music, Hollywood and otherwise (currently happening on a daily basis).

"Masonry makes no profession of Christianity. but looks forward to the time when the labor of our ancient brethren shall be symbolized by the erection of a spiritual temple.. in which there shall be but one altar and one worship; one common altar of Masonry on which the Veda, Shatra, Sade, Zeda-Avesta, Koran and the Holy Bible shall at who's shrine the Hindu, the Persian, the Assyrian, the Chaldean, the Egyptian, the Chinese, the Mohammedan, the Jew and the Christian may kneel."

["The Kentucky Monitor" Fellowcraft Degree p. 95]

If your wife child, or friend should ask you anything about your invitation - as for instance, if your clothes were taken off, if you were blind folded, if you had a rope tied around you neck, etc, you must conceal.. hence of course you must deliberately lie about it. It is part of your obligation ..

" [Ibid p. 74]

Reminds me of "Eyes Wide Shut"

" .. in willful violation whereof may I incur the fearful penalty of having my eyeballs pierced to thru center with a three edged blade, my feet flayed and forced to walk the hot sands upon the sterile shores of the red sea until the flaming Sun shall strike with a livid plague, and my Allah the god of Arab, Moslem and Mohammedan, the god of our fathers, support me to the entire fulfillment of the same."

[from the oath of obligation, Ancient Arabic Order of the Nobles of the Mystic Shrine] ("Shriners")

The United Nations is nothing else but the World police for the Illuminati, founded to be able to step in and take military control over a country or a region which is countering the Agenda. Don't think it is a coincidence that the Temple of Understanding is positioned in the UN headquarters.

The Rothschild's have invested plenty of money into the Environmental Movement to counter the nuclear-power industry, which wanted to build up its own free energy through nuclear power.

National independency and sovereignty are things the Illuminati are up against. And when the oil resources come to an end, the nuclear power will replace the oil, and therefore the Rothschild's have bought 80% of the world assets of Uranium. This way they will have world control over energy, which means it will never be free ...

'There exists in the world today, and has existed for thousands of years, a body of enlightened humans united in what might be termed, an Order of the Quest. It is composed of those whose intellectual and spiritual perceptions have revealed to them that civilization has secret destiny.

The outcome of this 'secret destiny' is a World Order ruled by a King with supernatural powers.

This King was descended of a divine race; that is, he belonged to the Order of the Illumined for those who come to a state of wisdom then belong to a family of heroes-perfected human beings.'

Manly P. Hall 33° Mason, The Secret Destiny of America^[2]

The Trilateral Commission controls through the CFR members the whole U.S. economy, politics, military, oil, energy and media lobbies. The members are chairmen of different companies, bankers, real estate agents, economists, scientists, lawyers, publishers, politicians, union leaders, presidents of Foundations and newspaper columnists.

Some of the people who are open about being in this group are: Madonna- baphomet, Kanye West & Jayzee making the pyramid with their hands, Beyonce having an alter ego is a demon, Oprah supports new age, Katy Perry, George Bush Sr., George Bush Jr., John Kerry etc.

Rev.13:4-18

Matt.:12:30_- He that is not with Me is against Me; and he that gathereth not with Me scattereth abroad.
