

PROPHECY – JEWS back to ISRAEL and DROUGHT in 2015

Let's talk about some prophetic things that are happening right now. Jesus expects His bride to be alert and watching the signs of the times. He told us to watch and pray. We must study our Word to be able to see what is happening around us and how it plugs right in to the Bible.

Jeremiah 16:15-16 – I will fish and hunt them back

Jeremiah 30:3, 7 – For, lo, the days come, saith the LORD, that I will bring again the captivity of My people Israel and Judah, saith the LORD: and I will cause them to return to the land that I gave to their fathers, and they shall possess it. 7. Alas! For that day is great, so that none is like it: it is even the time of Jacob's trouble; but he shall be saved out of it.

Ezekiel 36:24 - For I will take you from among the heathen (nations), and gather you out of all countries, and will bring you into your own land.

Other verses regarding the Jews coming home to Israel: Jeremiah 31:8, Ezekiel 11:16-17.

The AP [reports this week](#) (June of 2014) that Jews in France are fleeing by the thousands to return to their ancestral home of Israel, and Jerusalem it's capital. More than 5,000 are on track to leave this year, the most since after the Six-Day War in 1967. Well more than half of the world's Jewish population now live in Israel, according to the [Jewish Agency](#).

In March of 2013, the [Daily Mail reported](#) that for the first time in Israel's modern existence, there were more Jews in Israel than anywhere else, including the United States. Census statistics revealed that Israel's total population has reached eight million, with the surge in the Jewish community thought to have been fueled by returning members of the diaspora.

In 2010, Prime Minister Benjamin Netanyahu declared that the [prophecies of Ezekiel 37 have been fulfilled](http://www.nowtheendbegins.com) with the regathering of Israel. Netanyahu said that “Jews sprouted new branches and grew deep roots. Dry bones became covered with flesh, a spirit filled them, and they lived and stood on their own feet, as Ezekiel prophesied”.

How will they be fished and hunted and brought back?

Sunday, Israeli Prime Minister Benjamin Netanyahu called for Jews to return home to Israel after a Jewish man was killed at Copenhagen's main synagogue.

In a statement to the Jewish community, Netanyahu said *"To the Jews of Europe and to the Jews of the world I say that Israel is waiting for you with open arms."*

"Israel is your home. We are preparing and calling for the absorption of mass immigration from Europe," Netanyahu said in a statement, repeating a similar call after attacks by jihadists in Paris last month when four Jews were among the dead.

"Extremist Islamic terrorism has struck Europe again... Jews have been murdered again on European soil only because they were Jews," Netanyahu said in the statement.

The Israeli prime minister said his government was to adopt a \$45 million (39.5 million euro) plan "to encourage the absorption of immigrants from France, Belgium and Ukraine".

HUNTING THE JEWS BACK:

Anti-semitism is on the rise. We are seeing more and more violence against the Jews.

Headline: **Hunted** Cartoonist: Danish Police Underestimated Terror Threat. The 68-year-old cartoonist believed to have been the target of the shooting emerged unharmed after a gunman fired off dozens of rounds, killing a documentary film maker and injuring three police officers. He later attacked the Copenhagen synagogue where he murdered a Jewish man standing guard outside. This happened this February. This is believed to be linked to the Charlie Hebdo shootings due to drawings of Muhammed which is forbidden in islam.

Hostages were killed in a shooting in a Paris kosher grocery store. January of this year. The shooting at the satirical newspaper Charlie Hebdo left 12 dead in Paris just this year.

Last year there was a protest march in Paris against Israel's fight against Palestinian violence. During this protest hundreds were trapped in a synagogue after being attacked by demonstrators they were finally freed.

Anti-Semitic incidents in the U.K. are at an all-time high, with reports of violence, property damage, abuse and threats against members of Britain's Jewish population in 2014 more than double what they were the year before.

More than 7,000 French Jews migrated to Israel in 2014, double the number from the year before. After the attacks in January in Paris that killed 17 people, including four Jews in a kosher supermarket, Israel is expecting an even larger influx.

Sao Paulo Drought:

It should be the rainy season. Instead Sao Paulo state is experiencing a third consecutive year with soaring temperatures and rainfall patterns well below historic records. The main water reservoirs are operating at their lowest capacity.

Sao Paulo metropolitan area, is seen in May

Simple calculations indicate that given the current level of consumption versus the predicted raining patterns there is only enough water on the system to last four to six months. That means the water could run out before the next rainy season starts in November. State officials recently announced a potential rationing program of five days without water and two days with, in case the February and March rains do not refill the reservoirs.

www.theguardian.com

I heard one report that stated this water rationing could affect about 20 million people.

Lack of rain has hurt corn and cotton crops, left cattle and goats to starve to death in dry pastures and wiped some 30 percent off sugar cane production in the region responsible for 10 percent of Brazil's cane output.

Thousands of subsistence farmers have seen their livelihoods wither away in recent months as animal carcasses lie abandoned in some areas that have seen almost no rain in two years.

"We are experiencing the worst drought in 50 years, with consequences that could be compared to a violent earthquake," Eduardo Salles, agriculture secretary in the northeastern state of Bahia, said in an emailed statement.

Religion practiced in Brazil – Candomblé (Catholicism is big there also)

It is an [oral tradition](#) and therefore has no holy scripture.^[1] Practitioners of Candomblé believe in a Supreme Creator called [Oludumaré](#), who is served by lesser deities, which are called [Orishas](#).^{[1][a]} Candomblé practitioners believe that every practitioner has their own tutelary orisha which controls his or her destiny and acts as a protector.^[1] Music and dance are important parts of Candomblé ceremonies, since the dances enable worshippers to become possessed by the orishas.^[1] The rituals also involve offerings from the [mineral](#), [vegetable](#), and [animal kingdoms](#). There is no concept of good or bad in Candomblé; each person is required to fulfil his or her destiny to the fullest, regardless of what that is.

CALIFORNIA DROUGHT:

California is possibly looking at entering their 4th year of a major drought. They are facing possible water rationing. Animals are dying due to finding water in dried up rivers and lakes and drinking the algae infested waters that are now poisonous and dying, three pet dogs have died this way.

MASS ANIMAL DEATH LIST ON: WWW.END-TIMES-PROPHECY.ORG

God does use famine for judgment.

Ezekiel 5:16- When I shall send upon them the evil arrows of famine, which shall be for their destruction, and which I will send to destroy you: and I will increase the famine upon you, and will break your staff of bread:

Joel 1:20a – The beasts of the field cry also unto Thee: for the rivers of waters are dried up...

Rev.6:5-6 – And when He had opened the third seal, I heard the third beast say, Come and see. And I beheld, and lo a black horse; and he that sat on him had a

pair of balances in his hand. And I heard a voice in the midst of the four beasts say, a measure of wheat for a penny, and three measures of barley for a penny; and see thou hurt not the oil and the wine.

Matt.24:7-8 – For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and earthquakes, in divers places. All these are the beginning of sorrows.

WE ARE IN THE BEGINNING OF SORROWS NOW.

3 PEOPLE – ONE BABY:

Britain's fertility regulator could allow doctors to create the first babies to have [three people's DNA](#) from next April after the government pressed ahead with plans to legalise the procedure.

WWW.THEGUARDIAN.COM

The technique could be used to prevent debilitating and fatal "mitochondrial" diseases, which are passed down only from mother to child.

However, the resulting baby would contain genetic information from three people - two parents and a donor woman.

Who are we to be doing such things? We don't know the full ramifications of what this could do. It is not natural, at what point do we stop in the name of science?

Closing:

The Lord speaks through the weather, and famines, and droughts and diseases and economies etc. When are we going to cry out and turn to Him? He is our only safe place during the times we are in now and what lies ahead.

II Peter 3:9-10,14 – The Lord is not slack concerning His promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to R E P E N T A N C E. 10. But the day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up.

V. 14 Wherefore, beloved, seeing that ye look (wait) for such things, be diligent (careful) that ye may be found of Him in peace, without spot, and blameless.

Rev. 22:17 – And the Spirit and the bride say, Come. And let him that heareth say, Come. And let him that is athirst come. And whosoever will, let him take the water of life freely.

COME TO JESUS TODAY. THE TIME IS AT HAND.
