

HELL

Let's talk about hell again. Today people seem to think it is just a place of torment that will only exist in your mind. Many don't believe there is a physical hell at all. And of course there are those who think we are already living in hell. In my research I ran across the testimony of Mary Kay Baxter.

Mary Kay Baxter

I had never heard of this lady. Her testimony really spoke to me and it is much of what I will talk about today. Her calling is dreams, visions and revelations.

Jesus came to Mary Kay in 1976 and told her all that He was about to do. He told her He would take her to hell for 30 nights in a row, 3 hours a night. Then He said to give her balance He would also take her to heaven and that would be for 10 nights, 3 hours a night. He wanted her to come back and witness about all the things that she saw. It is obvious that Jesus was really stressing hell even more than heaven. He wants us to understand it is a real place and He wants us to hear of the horrors and torments of this place so that we strive not to go there. He wanted Mary Kay to witness the abode of the dead which is for punishment of the sins of the dead.

She said when Jesus appeared to her He was about 6'4," He has a beard and a mustache, blue eyes, hair down to His shoulders and He was wearing sandals.

She saw many things in hell, but still as much as she saw, she did not see it all. Jesus took Mary Kay by the hand and they went way above the earth and looked down on it. Mary Kay saw some brown things that looked like spinning tornados. Jesus said these were gateways into hell and He took her down one of them. Hell has a body in the center of the earth and is in the shape of a man.

They went to see the left leg of hell first, then they went to the belly of hell, the jaws of hell and one arm of hell. We know hell is in the earth because of scriptures like **Ezekiel 26:20** – where the Lord is speaking to Tyre about what He is going to do to her. When I shall bring you down with them that descend into the pit, with the people of old time, and shall set you in the low parts of the earth, in places desolate of old, with them that go down to the pit, that you be not inhabited; and I shall set glory in the land of the living. And again in **Psalms 63:9** – But those that seek my soul, to destroy it, shall go into the lower parts of the earth. Many of the scriptures that speak of hell always denote the position of “down” from the earth.

There are depths, degrees, levels and different torments in hell. Once you are judged, whatever your main sin was here on this earth determines where you will physically be located in hell and how you will be tormented. **Matt.10:14-15** – And whosoever shall not receive you, nor hear your words, when you depart out of that house or city, shake off the dust of your feet. Verily I say unto you, It shall be more tolerable for the land of Sodom and Gomorrha in the day of judgment, than for that city. **Matt.11:20-24** -

There are devils going in and out of hell with orders to kill this one or that one. We know this is true because the devil mimics everything God does. **Psalm 103:20** – Bless the LORD, ye His angels, that excel in strength, that do His commandments hearkening unto the voice of His Word. We are in a war right now, God has ranks in His army and so does satan. **Eph.6:12** – For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. If you die in sin or never believed in Jesus demons will come to your deathbed and take you to hell.

In the left leg of hell she saw pits of fire and in each pit was a skeleton. They did not have any flesh, no blood, no organs and some had body parts missing. There was a vapor of smoke inside of their skeleton which was solid black for those that never received Christ, for the others it was a dirtiness of a different color. They had a substance like burning hanging flesh on their bones and worms crawling on them and they would scream and pull them out. **Mark 9:43b-44** – ...to go into hell, into the fire that never shall be quenched: Where their worm dieth not, and the fire is not quenched. They said, we've been here many years and no one cares and we cannot die.

In one place of hell she saw skeletons and souls running in the shadows. Jesus explained to her that they are the fearful. He said they were saved but never told anyone about Him. **Rev.21:8** – But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and

brimstone: which is the second death. **Matt.10:33** – But whosoever shall deny Me before men, him will I also deny before My Father which is in heaven.

She said if you are blind on earth, you'll be blind in hell. If you don't have a leg or a limb on earth, you will not have it in hell either. Backsliders are in hell. **John 15:6** – If a man abide not in Me, he is cast forth as a branch, and is withered; and men gather them, and cast them into the fire, and they are burned.

She said you will remember every time you were invited to church, every time you were witnessed to. It will play over and over to you and you are without excuse. Some people think you will just have sweet soul sleep, not true – you will burn and be tormented. You will not have any peace.

Hell has sections of every work of the flesh. (Gal. 5:19-21) She said the souls down there wanted to die and could not and they are screaming and gnashing their teeth. They say, why didn't anybody ever tell me? For some of them, their main sin is written in fire around their feet. **John 12:48** (Jesus speaking) He that rejects Me, and receiveth not My words, hath One that judgeth him: the Word that I have spoken, the same shall judge him in the last day. As they cried out and talked with Jesus and begged for mercy, He told them that it was too late, He had shed His blood for them. Now the judgment has already been set by His

Father. There were a bunch of young kids who never sought Jesus for themselves.

In one place she saw a big vat of hot burning liquid fire and on the side of it, it read: Abomination of Desolation. She asked Jesus what that was. He said it was for Pastors and leaders. They told the people they ministered to that there was no hell. They lied to get money from the congregation. They said you can do anything with your body and God understands. Some of them were saying I never knew hell was like this, I thought I'd have time to repent. The demons laughed and told them that they seduced and deceived them. There are demons in human form going to church to seduce the preachers. They loved the lust of the flesh more than God's commandments. Jesus said He called them and He chose them but they went the way of baal more than His commandments. They used Jesus' name to get wealth and power. As they looked at the vat she said in just 15 min's 500 skeletons fell into it that had just died on the earth.

In one of her testimonies that I watched she talked about the lady who mentored her. This lady was from back in A.A. Allen's time. She had an anointing so strong on her that when she walked into a room demons began to manifest. Mary Kay said that many times churches would call her mentor an exhorter and would make her leave and God would come in and whip the whole church.

BELLY of HELL

She said the belly of hell was 17 miles high and 3 miles around. There were stacks of cubes there and in each cube was a person being tormented. There was a soothsayer there (one who practices witchcraft) she had gotten more power by killing people and drinking their blood. Satan lets her be tormented over and over. She saw a river of fire and blood and skeletons chained together with a big black chain. Above them written in the fire it said "lovers of their own flesh." **II Tim.3:2** – For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy... They were screaming and crying out wishing they had listened.

BLASPHEMING the HOLY SPIRIT

There was a skeleton in a coffin on his back with blood on his hands. Around the coffin were 12 demons with spears stabbing the man inside the coffin 24 hours a day. Even though there is no flesh or organs or blood, the people in hell still feel like they have bodies. Everything that happens to them feels real and brings tremendous pain. Then man was repenting to Jesus and saying he relives everything he ever did. He was a preacher and satan tempted him to steal from the offering. Then he tempted him to do something else and he did it. His heart began to be hardened and the Holy Spirit told him not to do these things. He began to compromise God's Word. He had done healings, and preached God's Word and was full with the Holy Spirit and as the devil entered his heart, the Holy Spirit departed. Jesus even manifested His own self to him. But still he did not change. He was going to open up a seminar in town and preach and teach against the Holy Spirit. He died in a car accident and went to hell.

She was shown a valley full of murderers chained together and another valley full of those with hate in their hearts chained together with demons tormenting them. There were those that were prejudice there too.

HEART of HELL

Hypocrites were in the heart of hell. Around the base of it were sewers running around it and rats as big as 70 pounds biting on souls. There is no sleep, no rest, no food in hell.

FUN CENTER

Jesus took her to what is known in hell as the fun center. It looks like a Roman theatre.

The devil was there sitting upon his throne high up on the rocks and he had a book with names written in it. Yes, satan has a throne **Rev.2:13** speaks of it. The devil was in the appearance of red face with big horns and hoof feet and so big. He can be beautiful or ugly. The demons had gone through hell and picked out people (skeletons) and brought them there and they were standing in a line waiting their turn. The demons are there with spears growling and laughing. This guy was having great effect for the Kingdom of God so satan sent a team of demons to stop him. Then once he was in sin, the devil had him killed. He does this to as many as he can. Since the man had turned many to God, the devil really likes to torment these people in hell. They pulled his corpse apart and each piece was screaming for the other parts. God has mercy and sends power and puts them all back together.

DEMONS

She said there are many different types of demons in hell. Some are 3" high and run around the skulls of the people. Some are animal creatures, she saw one that looked like a big huge bear crawling in the muck. There was a horse there. She believes the demons take on the form of animals to bring more torment to the

people down there. There were 12' high cockroach demons, and 12' high spider demons.

Some of the demons had fangs and wings and they were 12' high with bodies about 4' across. Growling while they went down into hell. She said you can feel the hate coming off of the demons.

In hell you are tormented forever. The flesh melts off and comes back and melts off again. They are tormented by what they did on earth. There were more people asking Him why they were there and to one He said, you had unforgiveness in your heart. To the other one, He said, you did not preach My Word. People think they will take a break and come back and serve the Lord in 5 years or so, but there are wrecks and accidents – and you die. Demons can show you false visions of hell. People in the occult think they will have kingdoms in hell. That is a lie, the devil hates them as much as he hates Christians.

She said there was a snake down there as big as a train and that its head was as big as a locomotive.

Titanoboa – 48' long and 1 ½ tons

It was breathing out fire at them. This snake will be released on the earth once the Lord takes His church.

ABYSS

Jesus told her there were things in the abyss that if He unleashed them they would destroy the earth. The demons and evil powers down there have no love or mercy or pity. They are in chains and jail cells and they scream and growl and

curse and blaspheme. **Luke 8:31** – And they besought Him that He would not command them to go out into the deep (abyss).

OUTER DARKNESS

When Jesus took her to see outer darkness He took her hand and they went so fast and so high and far into the galaxy. It was dark and she could feel the wind blowing. Then she said there was a dark opening out in the galaxy and they went inside of this dark opening and it was even darker. She said there were no demons here, but it was so dark and scary. She said as they got closer in she could see a lake of fire there with skeletons swimming in the fire.

Jesus told her to look up, He wanted her to see how the people were coming here. There was a piece of land above this area and she could see people fully clothed with their eyes and ears sewn shut. They were just walking off the end and dropping into the fire and burning up. Matt.13:13

Wherever there is a band of angels fighting for the truth, the devil sends a band of demons against those people. They will go and attack the ones who are not born

again the most. Like if you are saved and praying for your family, then they will go to the ones who are not born again and attack them the most.

She said there are no babies or young children in hell. However, on another testimony that I heard a guy did see children as young as 12-14 years of age there. There were two kids yelling at their mother and asking why she did not take them to Sunday school.

She said hatred will block you from having dreams and visions. If you hold this in your heart, He will not forgive you.

Isaiah 5:13-14 – Therefore My people are gone into captivity, because they have no knowledge: and their honourable men are famished, and their multitude dried up with thirst. Therefore hell hath enlarged herself, and opened her mouth without measure: and their glory, and their multitude, and their pomp, and he that rejoiceth, shall descend into it. She saw witches and warlocks burning, teens who disobeyed parents, many people, men and women there who did what they wanted to. They would go to church and then the rest of the week they would be out dancing and partying. Then they would be back in church crying out to God. There were people who committed suicide there too.

We must tell everyone we can that hell is real. We cannot keep quiet about this. We must pray for our generations and our bloodline to be saved. **Rev.1:18** – I AM He that liveth, and was dead; and, behold, I am alive for evermore, Amen: and have the keys of hell and of death.

John 14:6 – Jesus saith unto him, I am the Way, the Truth, and the Life, no man cometh unto the Father, but by Me.
