The things I'm going to be speaking about have to do with where we are right now in this world and in prophecy. A previous message I spoke on concerning prophecy, ties in with this message also. That message was "Prophetic Signs of the Times" <https://www.youtube.com/watch?v=7dKOYcyy8L8>. Ms. Linda Kirby on Youtube is very informative and so is DAHBOO777, they have really been working together with others as the body of Christ should. Please check out their channels. We have to realize that we are in the last of the last days. Certain things have to start taking place to push toward the prophecy in Revelation to begin to come to pass.

SOMETHING'S UP

In April, we learned that our military is opening up The Cheyenne Mountain Base Complex.

Commissioned at the height of the Cold War, Cheyenne Mountain became one of the nations largest underground facilities and became headquarters for NORAD (**North American Aerospace Defense Command**) in 1966, as well as U.S. Strategic Command, U.S. Air Force Space Command and U.S. Northern Command (USNORTHCOM) in later years.

This facility was at one time critical to aerospace warning and control during missile or air attacks against North America. Still in use as an alternate command facility.

WASHINGTON — The US military command that scans North America's skies for enemy missiles and aircraft plans to move its communications gear to a Cold War-era mountain bunker, officers said Tuesday.

The shift to the Cheyenne Mountain base in Colorado is designed to safeguard the command's sensitive sensors and servers from a potential electromagnetic pulse (EMP) attack, military officers said. I want to give a shout out to Jim Bakker because he has been speaking about so many prophetic things. I don't agree with all of his doctrine, but he has had many people on his show that are speaking

about prophetic events and he is trying to help everyone to wake up and be aware of what is going on and what is coming.

Rev. 6:15-17 – And the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every bondman, and every free man, hid themselves in the dens and in the rocks of the mountains; And said to the mountains and rocks, fall on us, and hide us from the face of Him that sitteth on the throne, and from the wrath of the Lamb.

The Pentagon last week announced a \$700 million contract with Raytheon Corporation to oversee the work for North American Aerospace Command (NORAD) and US Northern Command.

Adm. William Gortney, head of NORAD and Northern Command, said that "because of the very nature of the way that Cheyenne Mountain's built, it's EMP-hardened."

"And so, there's a lot of movement to put capability into Cheyenne Mountain and to be able to communicate in there," Gortney told reporters.

"My primary concern was ... are we going to have the space inside the mountain for everybody who wants to move in there, and I'm not at liberty to discuss who's moving in there," he said.

Raytheon's contract also involves unspecified work at Vandenberg Air Force Base in California and Offutt Air Force Base in Nebraska.

The Army recruited "internment resettlement specialists" back in 2009.

Internment: is the imprisonment or confinement of people commonly in large groups, without a trial. Hmmm This plugs right into NDAA which is a bill that Obama signed into law in 2013. Civil liberties advocates had roundly criticized the bill over Guantanamo and a separate section that **could allow the military to indefinitely detain American citizens on suspicions of supporting terrorism.**

What is considered terrorism in the US? In April of this year a SWAT team busted into a patriot's home and quarantined his children into the kitchen, pushed his wife down on the wet grass and ransacked his house claiming to be looking for evidence of his plot to overthrow the government or islam. His name is Shane Schielein and his facebook page is American Reapers. Our government does not recognize islam as terrorism and every time someone is beheaded, they just act like it was a radical person or work place violence. Funny how the radical people are all in the religion of islam. Hmmm

RUSSIA & CHINA in the USA

Chinese and Russian troops came here in 2012 to train on US soil with US troops.

Russian troops in the U.S.

Two different reasons were given, one was to train for anti-terrorism

China in the U.S.

and the other was simulating humanitarian assistance and disaster relief to a fictional third country.

They are presenting this as a military training exercise taking place among the civilians. The 1878 Posse Comitatus Act forbids troops from policing on public soil. But guess what, it was repealed in 2008.

The HR645 states that they can use large malls or stores or buildings as they see fit for disaster or emergency. Seems as if Wal-Marts are being prepped for this.

They have trained pastors to teach their congregations to submit to the government and obey according to **Romans 13:1** – Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained (ordered) of God. They told them they are to help “calm” down the people and that law enforcement would be there to back them up. Reportedly they were told at this time, back in 2011, that there were already 13,000 counties on board.

Acts 5:27-29 – And when they had brought them before the council: and the high priest asked them, Saying, Did not we straitly command you that ye should not teach in this name (Jesus)? and, behold, ye have filled Jerusalem with your doctrine, and intend to bring this Man’s blood upon us. Then Peter and the other apostles answered and said, **We ought to obey God rather than men.**

The jist of this is that “they” the people who call the shots, want us to be a socialist country as well as the world. They want to have the control. They are the so called elite, the ones who belong to the secret clubs and serve satan and all of those clubs are under the heading of the Jesuits (Vatican) and Illuminati. They have an agenda and have been patiently pushing toward that agenda for thousands of years. They say it is a program to gradually reduce the war making capabilities of nations and that it will strengthen international institutions to settle disputes and make peace (UN). It is a plan to disarm the American people.

Let’s look at Hitler for just a minute:

JADE HELM IS REAL

There is no denying military equipment is heavily on the move around the country. There are tons of videos of people recording what they are seeing moving in on rail and on trucks. People were calling in to their local tv station in Big Springs, TX and then the media was acting like when they followed up on it they didn't see anything. This one man reported seeing a train full of military equipment and about 14 helicopters coming in late at night. Notice they did it during the night.

I think it is interesting when the newspaper (Houston Chronicle) reports that they will blend in and we won't even know they are there. But in a different interview I hear they will be wearing an arm band identifying them. This information was from Thomas Meade who is an ops planner. Also, we have to ask again just like we did in investigating FEMA Camps, why is DHS buying all of these millions of rounds of ammo. Hollow point bullets that are not for training or target practice. They already bought 1.6 billion or so rounds a few years back and now they are wanting to buy 21.6 million rounds.

The Homeland Security Department wants to buy more than 1.6 billion rounds of ammunition in the next four or five years. Federal solicitations to buy the bullets are known as "strategic sourcing contracts," which help the government get a low price for a big purchase, says Peggy Dixon, spokeswoman for the Federal Law Enforcement Training Center in Glynco, Ga . The training center and others like it run by the Homeland Security Department use as many as 15 million rounds every year, mostly on shooting ranges and in training exercises.

Military has already begun training with citizens in Ft. Lauderdale

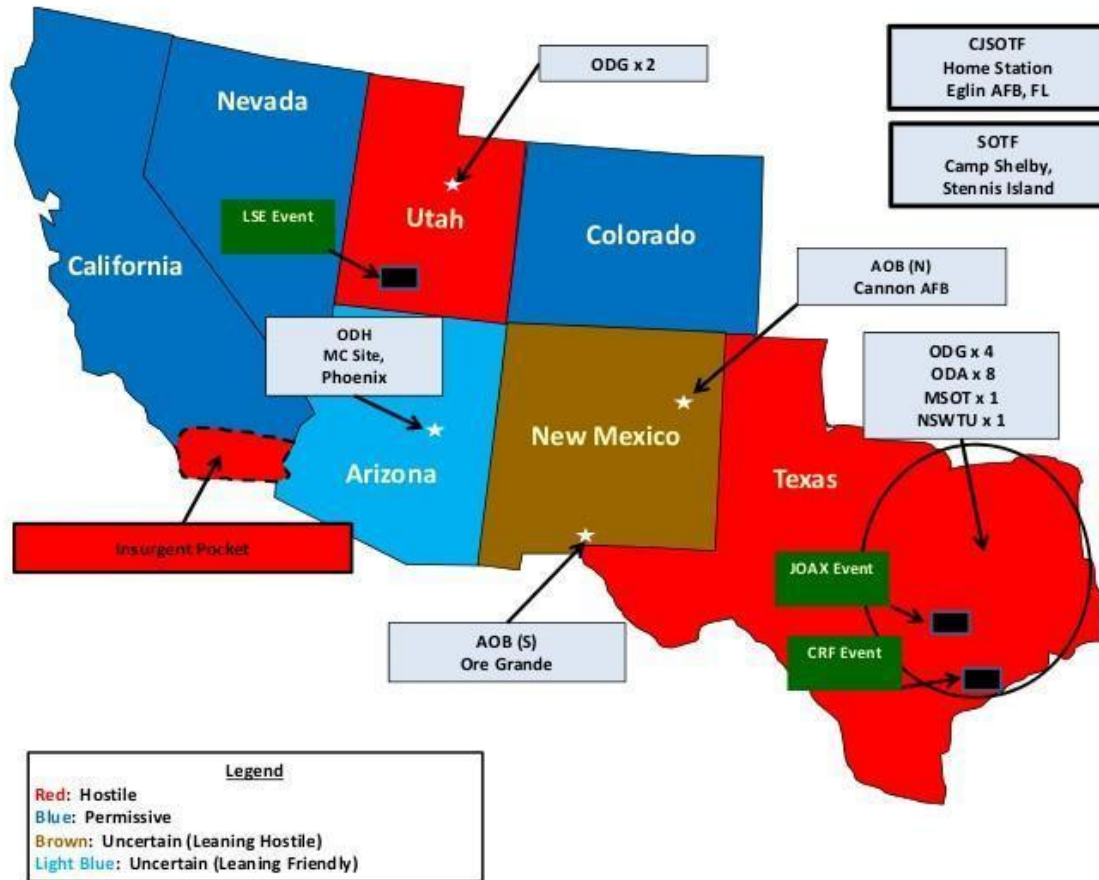

Ontario, CA

and citizens are seeing National Guard training with citizens at their base in California and directing traffic.

Why are special ops going to be training among U.S. citizens? USASOC released an outline of the exercise and the units that will be involved. "We have Army Green Berets, Navy Seals, Marine Special Operations Command, the 82nd Airborne Division and we also have some of our inter-agency partners such as the DEA, FBI and the joint personnel recovery agency that will be working with us."

The military used in the "training"

The US military has quietly added more states to its eight-week Jade Helm joint training drill, originally designated to take place in seven southwestern states.

Speaking of the exercise at the [Brazos County Commissioners Court](#) in Texas last month, Jade Helm Operations Planner and retired Green Beret Thomas Mead told an audience that the drill, which will run from **July 15 to September 15**, will now include the states Mississippi and Florida.

“The exercise is actually an eight-week exercise taking place across seven states,” [Mead explains](#). “As you can see right there, it spans the whole southwest of the United States. We’ve also **added Mississippi and we have a group also working out of Florida.**”

“We’ll have Navy Seals that’ll be conducting targets and training down in the Mississippi area,” Mead also says.

The interagency, unconventional warfare exercise, lasting eight weeks, will utilize 1,200 special forces personnel from multiple branches of the US military, including Army Green Berets, Navy Seals, Marine Special Operations Command and the 82nd Airborne Division, according to a [Powerpoint presentation](#) regarding the exercise.

A local [Standard-Times report](#) also lists “Louisiana” as one of the participating states.

The exercise serves to hone troops’ advanced skills in “large areas of undeveloped land with low population densities,” and will allow them to work alongside “civilians to gain their trust and an understanding of the issues.”

“This allows our soldiers to get a better training environment,” Mead said in an interview with news outlet [MySouTex.com](#) last year.

A 2012 report from the Small Wars Journal entitled, “[Full Spectrum Operations in the Homeland: A ‘Vision’ of the Future](#),” even conceptualizes “[How the U.S. Military would crush a Tea Party rebellion](#).”

Wal-Mart has closed 5 stores in the U.S. and they say it is because of plumbing issues. They announced they will be closed for 6 months. Security, police and military have been seen around them. There has been no effort to fix any plumbing issues. Wal-mart does not close for anything. You know as well as I do that they are greedy dawgs out to make a buck. None of these things are coincidence, 5 stores close on the same day without giving any notice. That’s a lie right up front, you don’t just all of a sudden get surprised by plumbing problems in 5 stores so that you could not even give notice to the employees. Then no plumbing trucks show up, but instead military is now seen around these stores. That’s pretty much in our faces. Closed for 6 months. This is enough time to get past the Shemitah year ending and the stock market crashing. Perry Stone has had dreams of marshal law coming.

CALL SIGN

Let's look at the call sign for this operation.

Why does it have archaic arrows and a ghostly wooden shoe for such a modern military exercise? I'll tell you why, because it is all satanic and they love to put clues right in front of our faces. At this stage of the last days they really don't care if we know and what we know. Kind of like how Disney puts 666 and sex and satanic symbols in all of their movies. Sick. The devil has always been prideful and that is what got him kicked out of heaven. **Isaiah 14:11-12** – Thy pomp is brought down to the grave, and the noise of thy viols: the worm is spread under thee, and the worms cover thee. How art thou fallen from heaven, O lucifer, son of the morning! How art thou cut down to the ground, which didst weaken the nations!

Many Bibles now read:

[New Living Translation](#)

"How you are fallen from heaven, O shining star, son of the morning! You have been thrown down to the earth, you who destroyed the nations of the world.

Notice this did not specify lucifer. And he was called shining star.

The Hebrew here is *helel, ben shachar*, which translates "Lucifer, son of the morning" (as is found in all the old English translations written before 1611 when the KJB was published). The NIV, NASB et al read as though the Hebrew was *kokab shachar, ben shachar* or "morning star, son of the dawn" (or "son of the morning"). But not only is the Hebrew word for star (*kokab*) nowhere to be found in the text, "morning" appears only once as given in the KJB – not twice as the modern versions indicate. Moreover, the word *kokab* is translated as "star" dozens of other times by the translators of these new "bibles". Their editors also know that *kokab boqer* is "morning star" for it appears in plural form in [Job 38:7](#) (i.e., morning stars). Had the Lord intended "morning star" in Isaiah 14, He could have eliminated any confusion by repeating *kokab boqer* there. God's selection of *helel* (Hebrew for lucifer) is unique as it appears nowhere else in the Old Testament.

<http://av1611.com/kjbp/articles/jones-o-lucifer.html>

Rev. 22:16 – I Jesus have sent Mine angel to testify unto you these things in the churches. I am the root and the offspring of David, and the bright and **morning star**.

JESUS IS THE MORNING STAR!!

An ex government agent from Europe put out a video explaining the call sign and begging us to wake up and open our eyes over here. He said there are many ways to place a letter with a number but he used the most basic and simple one. Because they want us to get it, they want us to know who is behind this. The 15 at the end is calling out two primary letters. One is for the J and five is for the H. Then you plug that in to the number system: EX: A = 1 and B = 2 and so on. So the J = 10 and the H = 8. Add that together to get 18 and then you add the number at the end, 15. The total is 33. **33 is the ultimate level of Free Masonry which is Illuminati and the leaders in the world mostly all are members of the Illuminati and all are working toward the same common goal. One World Order or New World Order.** Albert Pike who was a 33deg. Freemason predicted how WWI, II and III would go. He wrote a letter to another Free Mason back in 1871 describing the wars. For WWIII he said, create a conflict between muslims and political Zionism which is Israel. Aren't we seeing this now? We have to understand that our government and ruling powers are the ones creating wars

and conflicts to bring about what they want. They play mind games with us to see if we will respond the way they want. I watched a lengthy interview of a woman who worked in the government arena her whole life and she saw so much paperwork and studies on how to dumb down the schools in America. This was from back in the 70's until present day. She said she saw paperwork that blatantly stated that they were driving us toward a Marxist or Socialist society. She said they were trying to find out the best way to change a people and the answer was war. They wanted the people to accept the League of Nations and they would not do it after WWI so they had WWII and it was so long and bloody and the people were ready for peace so after that war they accepted the UN with out any problems. That video is below with Charlotte Iserbyt.

Military being told about forced swine flu vaccine shots or “come with us.” This was back in 2009 and the soldier said they were being trained on how to handle road blocks and things like that. She said if you did not take the shot at the check point then you will be forced to go on a bus. She was scared for her life to share this information, but she is Christian and that gave her boldness and strength to do it.

<https://www.youtube.com/watch?v=2t8JQLJVED8>

There has been so much talk and controversy over this “training exercise” that we don't know if they will really follow through with it right now or not. It strikes me as strange that the documents were leaked too. This could all just be sciops – messing with our minds to see how we will react. Prophetess Mena Lee Grebins has been told by the Lord how to prepare for her and her family in these last days. Many people have asked her to tell them what He said but she advised that for each individual, and each family God's instructions may be different based on

where you are located and what His plans and purpose are for you. Ask Him if there are any worldly preparations that you need to make.

Linda Kirby confirms what the Lord told her about Jade Helm. He told her the booms and grinding she has been hearing are the “Elite – Jesuits and Illuminati tunneling and hitting iron ore. He said all of this talk of a war is a distraction because what is really happening is **there is an asteroid coming.** (I have other sources confirming this also.) They have known it for a while and the tunnels are for their protection. They moved the FED to Chicago to protect it from the tsunami. All of these drills, which are happening all over the world – Japan and Canada are for panic control. Marshall law will take place. She said while the Lord was speaking to her she felt – Sept. 2015. He said, I will snatch you from the snare.

In May of 2014 the French Foreign Minister, Laurent Fabius with John Kerry, U.S. secretary of state standing beside him made this statement, “We are on the edge of a climatic abyss, we have 500 days to until climate chaos.”

Lyn Leatz was praying to the Lord to give her some kind of confirmation about all that she had been hearing about a comet/meteor/asteroid coming near or hitting our earth. Immediately she had this “idea” to call her friend who is a retired military contact. At first he told her he didn’t know anything about it. However, he checked with his friend who is in another country and works in a field that he would know this specific type of information. He then called her back and advised her of the following: There is a 2 ½ mile wide comet (many people don’t know the difference between a comet/meteor/asteroid) coming at us. Online, when you move the dates out to show real time, it shows it is nowhere near us. It shows we are never in its pathway. He told her the following: countries have been moving equip., missiles relocating for a path of least resistance in order to shoot at the comet / GLOBAL EFFORT, China moving missiles – you can Google all of this and see / expected Sept. 15 through Sept. 28 / it is unstable orbit / will hit off the coast of Venezuela & Brazil 200 miles offshore ((This matches Prophet Efrain’s prophecy below)) / Global Tsunami

if it does not break up and hits / would be Extinction Level Event (ELE) / We have had heavy earthquake activity / 2 new islands rising out of pacific, volcanic activity / earthquake activity is up 200% since 2010 / Yellowstone volcano, guys in space suite testing, the geyser has risen 6-8 inches.

Stromboli, Italy

He said about a year before something like this you will have an increase in magnetic activity – gravitational pull (we have been seeing this already). In this time frame we have these things going on: Jade Helm 15 – America / Shemitah ends – whole world / Stock market crash – America & will effect whole world / another blood moon. She mentioned as a reference sight the Astronomy Asteroid Comet Meteor Watch Program called Wormwood in Australia she says it is owned by the Vatican. Rev. 8:6-11 – wormwood & comet & destruction *****If this happens, then all of the seals in Rev. chapter 6 have been opened by this time – remember the men hiding in their caves (Rev. 6:15-16) so this would bring us to the trumpets***** These are strong indications we are so close to the Lord's return!!!! Prepare you hearts!!! Call on Him, and make Him Lord of your life now!

A close friend of mine had a dream of the rapture a few weeks ago. The Lord did not tell him a day or time but He did tell Him NOW. He said to keep spreading the gospel to every nation.

Kennedy, my daughter sees in the spirit realm. She has dreams and visions and sees things often. Last Nov. – Dec. time frame we had gone to Burger King after church with a man who comes to our church, Brother Smitty Maxim. So it pretty much was a bunch of grown up talk. Kennedy said she was going to the bathroom, sometimes it is like playing or something to do when you are a kid and you are bored. She goes into the restroom and she thinks to pray. She prays and says, "Speak Lord, your servant hears you." She comes back to the table and tells us what the Lord said. She said that He spoke to her and said He was coming back this year. Brother Smitty just laughed it off as nothing. But I know her walk with the Lord so I questioned her more about it. Remember that the Lord does not go by our Gregorian calendar. He goes by His calendar, and the "year" He was talking about does not end until this Sept. around 13th or 14th. That will be the end of the Shemitah. I questioned her about this several times and she has not changed anything that she said. She has been hearing from the Lord a lot lately about other things and it has all come to pass.

I can tell you of the spiritual plan you need to have, and that is to be hidden in Jesus Christ!!!

Acts 4:11 – This is the Stone (Christ) which was set at nought of you builders, which is become the head of the corner. Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved.

I want to stress this - **2 Cor. 6:2b** ...behold, now is the accepted time; behold, now is the day of salvation.
