

ILLUMINATI/ELITE conditioning us to accept ALIENS/DEMONS

Remember last week we established that according to **Genesis 6:2 & 4** that the “sons of God / angels” came down and procreated with human women which then created a hybrid breed known as nephilim (giants). All of this was against God’s will. **Jude 6** – And the angels which kept not their first estate, but left their own habitation, He hath reserved in everlasting chains under darkness unto the judgment of the great day. Those giants were neither 100% human nor 100% angel, and then when they had offspring, it was even a new breed of contamination. At that time when (the fallen angels) sinned against birds, beasts, and fish there began to be part human/part animal “beings” on this earth. Ancient history shows this in carvings and we have actual fossilized remains of these beings too. God calls these – “evil spirits” – demons. The world is calling these things – aliens and are trying to brain wash us into the idea that “aliens” are a higher “evolved” race that are friendly and we can learn and grow from them. That they are trying to contact us to teach us and help us evolve and be our friends. **DECEPTION!!!** Jude quotes from the book of Enoch. The book of Enoch gives a better idea of what happened when these angels came down from heaven and decided to procreate with women. Although it is not contained in our canon of books of the Bible, it is still quoted from and Enoch please God. So this is fact.

President Obama on “The View” speaks about a “reptilian side of our brain”??

<https://www.youtube.com/watch?v=cQ7x8hFYMUQ>

This is pushing the “alien” agenda. Trying to get people to accept that we have evolved from pond scum. (evolution)

Humans have 3 independent yet interconnected sections in our brain:

1) The Reptilian section 2) The Limbic section & 3) The Neo-cortex section. Each section has it's purpose.

[The Reptilian section](#) (1) is the instant (no discernment) 'survival mode' response section of the brain. It is the oldest in terms of our human evolution, 'The Old Brain', The Reptilian Brain.

[The Limbic section](#) (2) is the section of the brain that first emerged in Mammals. It generates our feelings and emotions in regard to our current reality.

[The Neo-cortex section](#) (3) is the Neo-Mammalian section of the brain, the evolved section of higher order thinking (*side note...I wonder if Keanu Reeve's character's name 'Neo' in The Matrix movie was derived from the understanding of the neo-cortex section of the human mind?...*). It has *infinite abilities*. It is the evolved **conscious** section of our brain which is most in line with source, with our higher self, our true unlimited potential. It generates creation, manifestation, imagination, awareness, development, logical thinking, objectivity, empathy and most importantly: **consciousness**. 'The New Brain'

Genesis 1:27 – So God created man in His Own image, in the image of God created He him; male and female created he them.

DISCERNMENT requires **DETACHMENT**.

Detachment is the state of being OBJECTIVE. In order to discern (or filter if that makes more sense to you) a situation (frequency) that you have manifested into your current reality, you must be able to detach yourself from it before *compulsively* (reptilian brain response) reacting to it. Being 'impulsive' is to react without forethought.

This will be a great challenge at first, I'm not gonna sugar coat it, I've found that this can stir up all kinds of change in your life. Because until recently in our history, we had been conditioned to operate and function mainly out of the reptilian brain. We had been operating/ manifesting out of the 'survival' mode section of the brain. Once you can understand this concerted mental oppression, you can begin to re-train your mind (free yourself from constant reptilian brain generated reaction) and re-set your innate human gift of creative power.

This will be easier to apply if you can give yourself a minute to comprehend and really soak in the following aspects about the functioning of your brain:

We must learn to by-pass the reptilian brain in order to THRIVE instead of SURVIVE. The reptilian brain is based in survival mode which elicits impulsive programmed responses (constant reaction to **present** triggers). [Characteristics of the Reptilian brain](#) include dominance (dominate or be dominated), aggression, sex and seeking a mate, rigidity, obsessiveness, compulsiveness, worship, fear, submission and greed. These are all constricting and limiting frequencies.

II Timothy 1:7 – For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.

Col.1:16 – For by Him (Jesus Christ) were all things created, that are in heaven, and that are in earth, visible and invisible, whether they be thrones, or dominions, or principalities, or powers: all things were created by Him, AND FOR HIM. (worship)

Those who acquiesce to reptilian brain targeted triggers, perpetuate 'survival' mode for themselves and lose the innate gift we all hold to create a life of unlimited abundance.

****We don't create a life of abundance. The Lord does. John 10:10** – The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly.**

Understand that as a human being, you are (well your brain is anyway) a hybrid of reptile, mammal and your true potential: creator.

Col.1:16 – ABOVE – Jesus is the Creator – not us or our minds.

When your emotions are signaling that something (a frequency) doesn't feel good, apply discernment and re-focus your vibration on anything that feels good (a higher frequency). Listen to the 'whispers' (aka frequencies) life is offering to you as Oprah would say....

This is a way to get you to seek "something" other than God. For a Christian this is your Holy Spirit that you listen to. For those not following the Lord, they are listening to familiar spirits that are from satan or their flesh which is against the Holy Spirit.

Speaking of Oprah – did you know that her network OWN spelled backward is NWO???

Just thought I'd throw that out there. She is illuminati and into new age. PRAY FOR HER and all those deceived into the "Secret Societies"

GEORGE GREEN – PUSHING THE ALIEN (DEMONS) AGENDA OUT TO THE PEOPLE

He openly speaks about aliens in conferences. The video clips I watch, all the people in the room are going right along with what he's saying too. Surely they screen these people and don't allow Christians to attend. Otherwise, I do not understand why no one objected to all that he said.

He said that alien contact from Pleiades stated that "they" had engineered the earth for 500,000,000 people. I looked up Pleiades and found out it was: (Greek myth) the seven daughters of Atlas, placed as stars in the sky either to save them from the pursuit of Orion or, in another account, after they had killed themselves for grief over the death of their half-sisters the Hyades.

The Star Constellation Pleiades

n. late 14c., the seven daughters of Atlas and Pleione, transformed by Zeus into seven stars, from Latin Pleiades, from Greek Pleiades, **perhaps literally**

"constellation of the doves" from a shortened form of peleiaades, plural of peleias "dove" (from PIE root *pel- "dark-colored, gray"). *I thought "gray" was interesting since that is a term usually used for "gray aliens (demons)." * Or perhaps from plein "to sail," because the season of navigation begins with their heliacal rising.

Old English had the name from Latin as Pliade. Mentioned by Hesiod (pre-700 B.C.E.), only six now are visible to most people; on a clear night a good eye can see nine (in 1579, well before the invention of the telescope, the German astronomer Michael Moestlin (1550-1631) correctly drew 11 Pleiades stars); telescopes reveal at least 500. Hence French pleiade, used for a meeting or grouping of seven persons.

A loose collection of several hundred stars in the constellation Taurus, at least six of which are visible to the unaided eye.

Job 9:9, 38:1 – Canst thou bind the sweet influences of Pleiades, or loose the bands of Orion?

Amos 5:8 – Seek Him that maketh the seven stars and Orion, and turneth the shadow of death into the morning, and maketh the day dark with night: that calleth for the waters of the sea, and poureth them out upon the face of the earth: the LORD is His name:

He said they shared how to heal cancer years and years ago. That they "walk" among us. They have 5 different crafts or ufo's.

“Wedding Cake” UFO

He said that they were given permission to stabilize the planet and that is why they do crop circles.

Crop circles have been done in sand, snow and of course crops. Some are man made and some are “mysterious.”

He said aliens live to be 1000 years old and we were created as their warriors.

Now let’s get down to what is really going on in these meetings:

He said would you accept a Bible written by Bill Clinton (former President of the U.S.A.)? No. So why are you accepting one authorized by King James? Straight out attack on the King James Bible. Then He said that there is so much knowledge to obtain that it is impossible to obtain it all in one lifetime. He said that is why he knows the “wheel of reincarnation is real.

Rebirth or Reincarnation Wheel – totally satanic

He said we come back again and again and build on the knowledge we have.

Hebrews 9:27 – And as it is appointed unto men once to die, but after this the judgment:

Prov.1:7 – The fear of the LORD is the beginning of KNOWLEDGE; but fools despise wisdom and instruction.

He said with the FEMA camps, they will be called “sanctuaries” and you will walk into them freely so you can get food. He stated that the “elites – Illuminati/Vatican/Jesuits etc” do not care if you know. They don’t believe you can do anything to stop them, is their attitude. He started telling the people in the room they were holograms. He said they were being reflected here from somewhere else. They went right along with all of this. He did a demonstration (like what a kinesiologist) would do. He used a guy to hold his arm out and he tried to push it down and could not. Then he secretly gave him a pack of equal (which contains aspartame, which causes cancer) to hold and he pushed his arm down with no effort. The point was that our bodies instinctively know what is good for us or not and that we are holograms. He later made the guy hold his arm up and he could not push it down. Then he stood behind him and said I am now cutting the light energy in half and then easily pushed the man’s arm down. The guy asked what did you do to make my arm go down. He told him that we are energy and he just cut his energy field or “chi.” This is satanic.

He told the people that he wanted them to have the same power he had to call on the “aliens” and speak to them and have that power. He said Judas Iscariot was a scribe and wrote all true accounts of what happened. He said he was the only literate one of the disciples. Oh I almost fell over!!! He told these people to get rid of their real estate that it wasn’t theirs anyway because if you don’t pay the taxes it gets taken away. He said it was just a problem. He told them, “you are not real.”

He further said, you know that scripture – In the beginning was the Word? He said, well, what are words but thought? So He said everything is done by thought, and so, in the beginning was thought. What a total twisting of scripture and slamming on Jesus and cutting Him out of that scripture all together.

John 1:1,14 – In the beginning was the Word, and the Word was with God, and the Word was God. (Jesus) And the Word was made flesh, and dwelt among us,

(and we beheld His glory, the glory as of the only begotten of the Father,) full of grace and truth.

He said to hold a vision to the connection to “creator.” He is meaning satan. He told the people how to get in touch with the aliens and how to begin to move in power. Pray this prayer: “I’m a human becoming, give me permission to become.”

When you do this, satan sees that you are not praying to the Father and not praying in Jesus name. So this means you are not seeing the Lord. This gives satan the right to come right in and set up camp in your life.

He said he talked to an Indian I think it was and the man said see that up there (the sun), that’s my god. I can live without your god but you can’t live without mine. The whole room laughed in agreement.

Genesis 1:16 – And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: He made the stars also.

George Green stated he was planting seeds all over the world right now so that the world could be “awakened.” He told them that they picked their parents. He said that like minds will come together and once we come into balance the aliens will come down and help. He said we work along with “creation.”

If the devil is planting his seeds through his servants – shouldn’t we be planting seeds for the Kingdom of God?

He showed 4 different translations of the Bible and how they showed that Jesus’ was Immanuel. He was trying to act as if it puzzled him where the name of Jesus came from. He said the Apostle Paul gave Him that “nickname. Jesus’ true name written in the NT is Iesous and at that time there were no I’s or J’s in Latin until the 17th century. When this was translated into Latin it was translated later as Jesus.

He said you are a spirit, spirit within you and that you have to call on “creation.” This is NEW AGE and it is SATANIC.

He said there were two groups of aliens, a good one and a bad one. ALL DEMONS ARE BAD.

Then he began to speak of clones and how they are soulless beings. He said America has “duplicates - clones” and Russia has “robotoids - clones.” He said now there are synthetics (clones), they stay together maybe 7-10 days and then stress breaks it down. There are so many different types of cloning going on and have been for quite some time. This is real and I will speak on some of this next week.

He said god is the creation’s thinking. One of the surviving banks (after the big stock market crash that is coming) will be the Rothschild’s Bank (**Illuminati**) which is Bank of Nova Scotia.
