Mrs. Kathryn said – On Friday 7-10-15 my 17 yr old granddaughter just texted there were 3 military choppers flying low over a grocery store here in Ohio. Wasn't sure if blackhawks. We live 15 miles from an air base that's used for training & storage etc. Almost closed last yr. Now they say over a million going into it. Was by another place that usually empty. Old weapons storage area. It was full of all kinds of equipment. Will go back & get pics. In ohio we haven't even been told about jhelm etc. 1st time chopper was 2 wks ago. Now today. My adopted dad was an air force veteran & commercial chopper pilot & instructor. Also had small plane. We lived close to air base then. I never saw this much activity till now.

Mr. Richard, a former U.S. soldier who served in Iraq and was injured. You could be right. I've thought about that just a little while ago. I will not deny Jesus and it's time I start speaking out about Him. I'm speaking what I believe is truth. Evangelical Christians are number 1 threat on the FBI or NSA or CIA terror list. It's craziness. **Matt.10:32** – Whosoever therefore shall confess Me before men, him will I confess also before My Father which is in heaven. **Remember Mary Kay Baxter's testimony and that there were people in hell who were saved but never told anyone about Jesus.**

Our government is not wanting to take care of him after he has served our country. He needs PTSD and he's in pain – he needs our prayers. It's been 8 years and they are not treating him and because he can't get the help he needs he is 100% disabled from the PTSD alone never mind his physical injuries. Please lift him up in prayer.

Ms. Linda Kirby

I believe Obama is a organic Robotoid because they can't produce an authentic birth certificate, Michelle can't show a picture of where she was pregnant. Obama was put as president from out of no where. He's been fighting against the

US. Then, I believe Putin is one too since he was missing for 10 days. He came back looking a little different!! Then, Kerry, he was "injured" in a bike accident and broke his leg and flown by military transport?? to hospital. He goes to the Iran talks looking different!! he looked different before and it was said, he had a face lift!! Pastor Cherie, back when the Lord kept putting transhumanism articles in my face, I asked why....He said, "because I want you to know I'm coming soon". He knew we would remember the reason He destroyed the earth in the days of Noah...the DNA was corrupted on all humans except Noah and his family. So, by telling me that, He knew I would understand. The Elite is filling the earth with their creation and then will murder everyone else. God can't let that happen because that would mean Satan wins. So, this is why He's coming soon.

Last week I shared information that Dr. Beter put his life on the line for.

He felt we should know what was going on in our world for quite some time now. Today I'm going to share some more of what he shared along with what others in our modern times have to share too. Our governments around the world are trying to work to depopulate the planet, sometimes they work together, and sometimes independently, but their common goal is NEW WORLD ORDER.

Peter David Beter (June 21, 1921 – March 1987) was an American attorney and financier. He ran for governor in 1968 in the Republican Party primary in the state of West Virginia (although he was formerly a Democrat), but lost. Politically, he was a staunch admirer of ex-Alabama governor George Wallace for his ethics; Beter also drafted Wallace as the American party candidate in 1973 but numerous republicans opposed such efforts. Nonetheless, he later became a member of his Draft-Wallace committee.

Beter is a native of Huntington, son of Lebanese immigrants who became grocers after coming to the United States in 1899. He graduated from West Virginia University and later got his Doctor of Juris degree in law from the law school of George Washington University. Beter practiced law in Washington D.C. from 1951 to 1961. He was the general counsel for the American Gold Association (now called the Gold Prospectors Association of America) from 1958 to 1961. In 1961, he was appointed by President John F. Kennedy as general counsel for the Export-Import Bank of the United States, where he served until 1967. Beter also co-founded a mining exploration company in Zaire, and represented international financial interests in Europe, South America, and the Middle East.

LETTER # 46 ((Remember he wrote this in the mid to late 70's – So we are much farther along in the wickedness now))

In AUDIO LETTER No. 41 I reported the planting of 46 bombs underground for earthquake generation in California. During the past few months, the Russians have been setting off preliminary quakes with gradually rising strength. On August 6 the strongest quake in 68 years – 5.9 on the Richter scale—shook San Francisco, and this month on October 15 a Richter 6.4 quake was set off in southern California.

Rev.6:12 – And I beheld when He had opened the sixth seal, and lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood; **I always thought God would bring about all prophecies on His own or by His hand and now I see that He is allowing us to commit the evil acts which are helping to bring prophecy to fulfillment.**

The Russians are becoming convinced that their robotoids will not be enough to stop the Bolsheviks.

As I have reported in recent months, they have been slowed by troubles with the robotoids, and now they are faced with the added problem of the Rothschild synthetics. And so rather than let the Bolsheviks regroup and launch nuclear war, **the Russians are turning once again to geophysical warfare, including weather warfare.** The west coast is a prime target because of the heavy concentrations of aerospace and military activity there. The Kremlin is debating whether the time has come after all to unleash the great man-made catastrophe on America's west coast.

BEAMS

LETTER #47

In 1947 Dr. Gabor's theory pointed the way toward holography, but at that time holograms could not actually be made. What was needed in order to make them was something called "monochromatic light"—that is, light of just one wave length. No one knew how to create that kind of light in 1947, but in 1960 the situation suddenly changed—that was the year the laser was invented.

When lasers are discussed in public, attention is usually focused on just one of their amazing characteristics—that’s the ability of a laser to produce a narrow, intense beam of light. The beam can travel great distances without spreading out and diffusing.

Lasers pointed the way toward energy-beam weapons, among other things; and as I revealed long ago in AUDIO LETTER No. 26, this is what secretly spawned America’s crash program to get to the moon in 1961. But the reason laser beams behave the way they do is that the light they produce is monochromatic, so they are made to order for generating holograms.

Since late 1977, as I’ve reported in my tapes, there have been seven (7) Russian Particle Beam-weapons bases on the near side of the moon.

Laser equipped satellites – War in Space

These could start pounding American strategic targets worldwide into dust without producing radioactive fallout. If the United States attempted to counterattack with ICBMs, they would be blasted during launch by the Cosmospheres now floating overhead; and the 37 Cosmos Interceptors now in orbit would continue to deny America a military toehold in space. These satellites are manned and armed with Charged Particle Beam-weapons. They finished destroying America's spy satellites over a year ago, as I reported in AUDIO LETTER No. 33. But at the very least, such a war would kill tens of millions of people, mostly in the United States; and if things got out of hand, a full-fledged thermonuclear war could kill hundreds of millions.

LETTER # 53

All three legs of the Space Triad are built around Particle Beam Weapons. Up to now, Russia is still the only nation to deploy Particle Beams as operational weapons. The first leg of Russia's Space Triad are the Cosmos Interceptors. These

are manned killer satellites armed with Particle Beams. I first reported that they were operational in September 1977. They began destroying America's fleet of Spy Satellites. An especially equipped Cosmos Interceptor, Cosmos 954, fought history's first true space battle—the Battle of the Harvest Moon, September 27, 1977. Firing a special Neutron Particle Beam, Cosmos 954 knocked out America's secret military base on the moon.

The Russians then quickly deployed their own military bases on the moon, and these constitute the second leg of the Space Triad. Today Russian Particle Beam Weapons are located in seven (7) places on the near side of the moon. They can strike any visible spot on earth less than two (2) seconds after pulling the trigger; and they can deliver a blast of devastating force, as proven in the test firing of November 19, 1977, which I reported in AUDIO LETTER No. 29 the following month. In AUDIO LETTER No. 29 I also reported the beginning of Russia's deployment of the third leg of her Space Triad. These are the Cosmospheres—electrogravitic weapon platforms which can hover over any spot on earth. They can operate in altitudes from ground level to about 800 miles, and are armed with Charged Particle Beams.

ASIM Space Platform / International Space Station (ISS)

The first few Cosmospheres to be deployed over the United States were used in an effort at intimidation. In late December 1977 they began firing their Beam Weapons into the atmosphere off the east coast in a defocused mode. The results were the mysterious giant air booms which came rumbling in from the Atlantic Ocean to rattle and shake thousands of homes. Government and other spokesmen put out all kinds of stories to try to explain away the booms. One of the favorites was based on the Concorde supersonic transport.

Concorde Super Sonic Transport of the 1980's

Concorde supersonic aircraft.
Sixteen of these planes were built in the 1970s

Somehow, we were told, the shock waves must be racing far ahead of the plane and causing the booms. Can you imagine? As I told you at the time, explanations like that were just ridiculous cover stories and lies; and recently a scientific study at Cornell University headed by Professor A. R. George proved exactly what I told you two years ago—that is, a freak shock wave racing ahead of the Concorde could not have produced those bone-rattling booms. But two years ago, the stories served their purpose. People swallowed them and calmed down.

Prov.6:16-19 – These six things doth the LORD hate: yea, seven are an abomination unto Him: A proud look, a lying tongue, and hands that shed innocent blood, an heart that deviseth wicked imaginations, feet that be swift in running to mischief, a false witness that speaketh lies, and he that soweth discord among brethren.

Died on June 19, 2012 of a massive heart attack at home.

In more recent times he was associated with the CIA operations. He is married to a lady lawyer and judge. The project, "Project Clover Leaf" that he is going to be speaking about is managed out of Wright-Patterson Air Force Base.

People have died for talking about this project. This goes back at least as far as the Reagan Administration. The chemicals that are being sprayed over us in the sky is not coming from the engines, it is an aerosol and it is contained in aerosol units and that is where it is being sprayed from.

CHEMICALS INSIDE THE PLANE

CHEMTRAILS

Mostly it is from CIA aircraft, but now commercial aircraft are equipped with it too. The EPA (Environmental Protection Agency) were told to stay out of it. It was presented as a “global warming” fix. AC was born before WWII and he is patriotic. He loves his country. Just before he came on this program a general had been on speaking out about things, and AC said he felt it was time to speak out too. This project is controlled through computer systems and satellites. He mentioned “Water Gate” with Nixon and how the FBI and CIA were going in to investigate that scandal and they were disguised as plumbers. They were going in to fix the “leaks.” Notice with Jade Helm, Wal-Mart said they have “to fix the plumbing.” This could be a throw back hint to that or it could be in reference to their underground tunnels that the “elite” are running to now. AC said there is very little security around what is going into these aircraft. Whatever goes in, will come out. He said this is VTRPE (variable terrain radio parabolic equation), it is a sub program in a navy program. The system is RFMP (radio frequency mission

programmer). He said the chief of naval operations “shot himself” in the chest twice with a rifle. That would be a pretty hard thing to pull off. - He opposed this chemtrail program.

Admiral Boorda - Died May 16th, 1996

Boorda **supposedly** went home for lunch and decided to shoot himself in the chest (by one report, twice) rather than be interviewed by Newsweek magazine that afternoon. Explanations for Boorda's suicide focused on a claim that he was embarrassed over two "Valor" pins he was not authorized to wear.

Former CNO Admiral Elmo Zumwalt said on the May 17 Larry King Live show that Admiral Boorda was not only authorized to wear the "V" on his medals, but that had personally authorized him to do so when he was serving as Commander Naval Forces Vietnam. When it turned out that Boorda was entitled to those decorations, blame shifted to stresses over the down sizing of the Navy, and even (Washington Times) the adverse affect that feminism was having on the Navy's morale. Boorda **supposedly** left two suicide notes, neither of which was released. On Thursday, June 25, 1998, Navy Secretary John Dalton formally acknowledged that Boorda had been entitled to wear the decorations.

So, like Brown, and like Foster, the proximate cause for the "suicide" turns out to be fraudulent.

He explained that initially this system was for battlefield imaging, they needed radio waves over land terrain for it to work. This is used in Afghanistan and Iraq.

Chemtrails are Poisoning us

He then mentioned that our weather here in the U.S. is under attack. He said it is being manipulated from outside the country and probably it is by Russia. They have “scaler” weapons.

RUSSIAN SCALER WEAPON

Scaler Diagram

These scalar weapons work in 3 ways: interjetics, bio-interjetics, and psycho interjetics. He said they have been guiding hurricanes into our country. Some examples of guided hurricanes are: Katrina 05', Rita 05', Gaston 04'. He said they brought down our Space shuttles: Challenger 86', Colombia 03'. He said with psycho interjetics you can put another personality in a person. You can turn this on and off, this is mind control.

ELECTRONIC HARASSMENT WEAPON EFFECTS

<http://awakenvideo.org/2011/04/psychotronic-weapons-used-against-two-reporters/>

This system of Russia's was developed in the late 50's and 60's. Other countries have these "scaler" weapons too. We, the U.S. don't have any defense against them. He said ISRAEL has protected us for several years. He said there have been some "white knuckle" times and Israel has protected us on several occasions. AC commented that military is not designed to be politically correct, they are designed to kill and break. We are losing our military because of political correctness.

**** The following seems like science fiction, but scalar beam weapons were invented in 1904 by a American immigrant genius called [Nicola Tesla](#) (1856 or 57 -1943) from Yugoslavia.**

Since he died in 1943, many nations have secretly developed his beam weapons which now further refined are so powerful that just by satellite one can:

- make a nuclear like destruction
- earthquake
- hurricane
- tidal wave
- cause instant freezing - killing every living thing instantly over many miles
- cause intense heat like a burning fireball over a wide area
- induce hypnotic mind control over a whole population
- read anyone on the planet's mind by remote
- affect anybody's REM dream sleep by sending in subliminal pictures to the visual cortex
- cause hallucinogen drug like effects or the symptoms of chemical or biological poisoning
- make a disease epidemic by imprinting the disease 'signature' right into the cellular structure
- paralyze and or/kill everyone instantaneously in a 50 mile radius
- remove something right out of its place in time and space faster than the speed of light, without any detectable warning by crossing 2 or more

beams with each other and any target can be aimed at even right through to the opposite side of the earth

He spoke of the “mysterious booms” that people have been hearing and feeling all over the country. He mentioned that Colonel Bearden

has spoken out about this and explains them at this website: www.carnacom.com. These booms are the effect of Russian interferometer transmitters which are the same thing bringing down aircrafts.

They are causing hurricanes and volcanoes and can take down our power grid and hold them down. People are having dizzy spells and falling forward and to the left, this is a result of this system. AC said that Alaskan airlines are having problems because they are running into those fields on the west coast. He also mentioned that we don't have missiles to go up and shoot down missiles. We have not spent the money where it was supposed to go.

Here are Parts 1-5 of AC Griffith's interview explaining all of this in 2007:

POPULATION CONTROL

#25. In 1970 The National Academy of Sciences, in their book "Life Sciences," stated that, "In little more than two decades DDT has prevented 500 million deaths due to malaria.

"To population-control advocates, this irresponsible preservation of human life was unconscionable, so they set out to outlaw further use of the pesticide. Up until 1970 all reliable scientific data had consistently demonstrated that DDT was completely safe for both humans and animals. Indeed, DDT was the safest pesticide ever known to mankind. Furthermore, it was inexpensive and could be widely used in third-world countries to control the spread of insect-borne diseases. Accordingly, population-control adherents set out to have DDT banned in the name of saving the environment. You have probably read the contrived

stories alleging that DDT caused softening of eggshells, interfered with the balance of nature, and endangered humanity by entering into the food chain. **In truth, all of those stories were fabricated, and were simply part of a carefully coordinated program to block further use of the life-saving pesticide.** If you are interested in learning the truth concerning the deceitful campaign waged against DDT, I suggest that you order a copy of my audio-taped interviews with Dr. J. Gordon Edwards. Dr. Edwards is a world-renowned biologist who led the fight in the 1960s to counter the propaganda program waged by environmentalists and population-control advocates to ban further use of DDT. You can also order a copy of Dr. Edward's excellent monograph, "Remembering Silent Spring and its Consequences." William Ruckelshaus was a long-time member of the Environmental Defense Fund, and the Director of the EPA. He outlawed further use of DDT in 1972 despite the recommendation of the chairman of the EPA investigating committee which had **heard six months of testimony on use of the pesticide, and had determined that DDT was completely safe.** When Ruckelshaus outlawed further use of DDT, he signed the death warrant for hundreds of millions of helpless human beings living in third-world countries. To those energized by the dark side, however, the loss of hundreds of millions of human lives was relatively inconsequential. In his excellent monograph, "Remembering Silent Spring and its Consequences," Professor J. Gordon Edwards quoted from a speech delivered by Victor Yanconne, founder of the Environmental Defense Fund. In that talk, Mr. Yanconne related a story told to him by a reporter who had asked Dr. Charles Wurster, one of the major opponents of DDT, whether a ban on DDT wouldn't actually result in far greater use of much more toxic pesticides. Dr. Wurster is reported to have replied: "So what? People are the cause of all the problems. We have too many of them. We need to get rid of some of them and this is as good a way as any." Then asked by the same reporter, "Doctor, how do you square the killing of people with the mere loss of some birds?" Dr. Wurster is reported to have replied, "It doesn't really make a lot of difference, because organo phosphate acts locally and only kills farm workers and most of them are Mexicans and Negroes."

Prov.3:27, 33– Withhold not good from them to whom it is due, when it is in the power of thine hand to do it. 33: The curse of the LORD is in the house of the wicked: but He blesses the habitation of the just.

BILL GATES

Bill Gates is illuminati.

He wants the population to decrease. He openly talks about this, I've spoken about this before. Recently he made this statement: "I rate the chance for a wide spread epidemic far worse than ebola in my lifetime well over 50%." They study and plan to release different plagues and diseases into the population. They do tests on this. Remember he and Bill Soros were linked to Ebola in Africa. **From the message I gave "Prophetic Signs of the Times" – Sept. 15,2014 - : **Ebola** – The

U.S. patented ebola back in 2007. A nurse at Kenema Hospital in Sierra Leone stated that this virus was intentionally being released into the public. She was let go as having a mental illness. The biosecurity lab that was engineering the virus inside this hospital was funded by Bill Gates and Bill Soros who are “depopulationists”, the U.S., the World Health Organization, Tulane University and others. **

LETTER #51

STOCK MARKET CRASH – from Dr. Beter's Audio Letters in the 1970's

The one thing no one told the public was the TRUTH. The truth was that the worst was yet to come. It came five days later, on Black Tuesday, October 29, 1929. As soon as the New York Stock Exchange opened it was flooded with orders to sell. More than 16-million shares were sold, a record that stood for 40 years. In the process, the Dow Jones averages dropped nearly 12% in a single day. **Near the close there was a sudden rally because those who secretly had triggered the crash were snapping up bargains, but the day ended as the worst in history for the New York stock market.**

That terrible day, Black Tuesday, was not the end but only the beginning of the Wall Street disaster. It took nearly three more years, until the summer of 1932, for the stock market crash to run its course. When it finally reached bottom, stock prices were down to 17 cents on the dollar and the United States was in the depths of the Great Depression—a depression exported to the rest of the world.

As America was dragged downward into depression, most Americans became preoccupied with the hard work of simply surviving. Concerns over Asian battles half a world away were eclipsed by concern over how to earn a loaf of bread.

Arguments over disarmament were lost on multitudes who were standing in soup lines,

Great Depression Soup Kitchen

and the stirrings of Nazi power in Germany seemed far less threatening than the real enemies—hunger and unemployment.

Coffee and Donut Line

Mother of 7

The stage was being set for radical change in the United States Government and for war, and an economic disaster—the crash and depression—was an indispensable part of the plan. It prepared us to accept the changes wanted by the powerful, and at the same time it kept us so preoccupied that we could hardly raise our eyes and see what was coming.

Dr. Peter Beter's audio letters

<http://www.bibliotecapleyades.net/sociopolitica/audioletters/audioletters.htm#menu>

In closing I want to make it very clear that our leaders - "the elite" world wide are trying to kill us by whatever means necessary. They seem to be more out in the open about this because the time is drawing near for Jesus' return and satan is getting bolder because he knows this is his time to do all he can.

Rev. 12:12 – Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea! For the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time.

Many have not woken up yet. We have to tell what we know to snap them out of their slumber!!

Matt.10:28 – And fear not them which kill the body, but are not able to kill the soul, but rather fear Him which is able to destroy both soul and body in hell.

Isaiah 41:10 – Fear not; for I Am with you: be not dismayed: for I Am your God: I will strengthen you; yes, I will help you; yes, I will uphold you with the right hand of My righteousness.

Acts 4:31 – And when they had prayed, the place was shaken where they were assembled together; and they were all filled with the Holy Ghost, and they spoke the Word of God with boldness.
