

MIND CONTROL: MK ULTRA / MONARCH – Part Two

In Ms. Linda Kirby's newsletter of 7-16-15 she gave an update clarifying something the Lord spoke to her previously about Jade Helm. Everyone has been so anxious and on guard about this Jade Helm stuff because we cannot trust the government about anything. The Lord told her that Jade Helm will not round up people until after the asteroid hits. I have seen a movie clip on Jim Bakker's show where you see people standing outside on the street corner holding a few possessions and their little babies just waiting to be picked up and taken away – VOLUNTARILY. See this is what my husband told me. I said it makes no sense for them to round us all up and then they go into the tunnels. The things that are coming are supposed to be so bad that they could just leave us as we are to face them on our own. Let the cards fall where they may and see who survives so to speak. An asteroid hitting would cause tsunamis, earthquakes and just world chaos.

After people go through something like this and lose lives and possessions they will be ready to go willingly to get food and shelter.

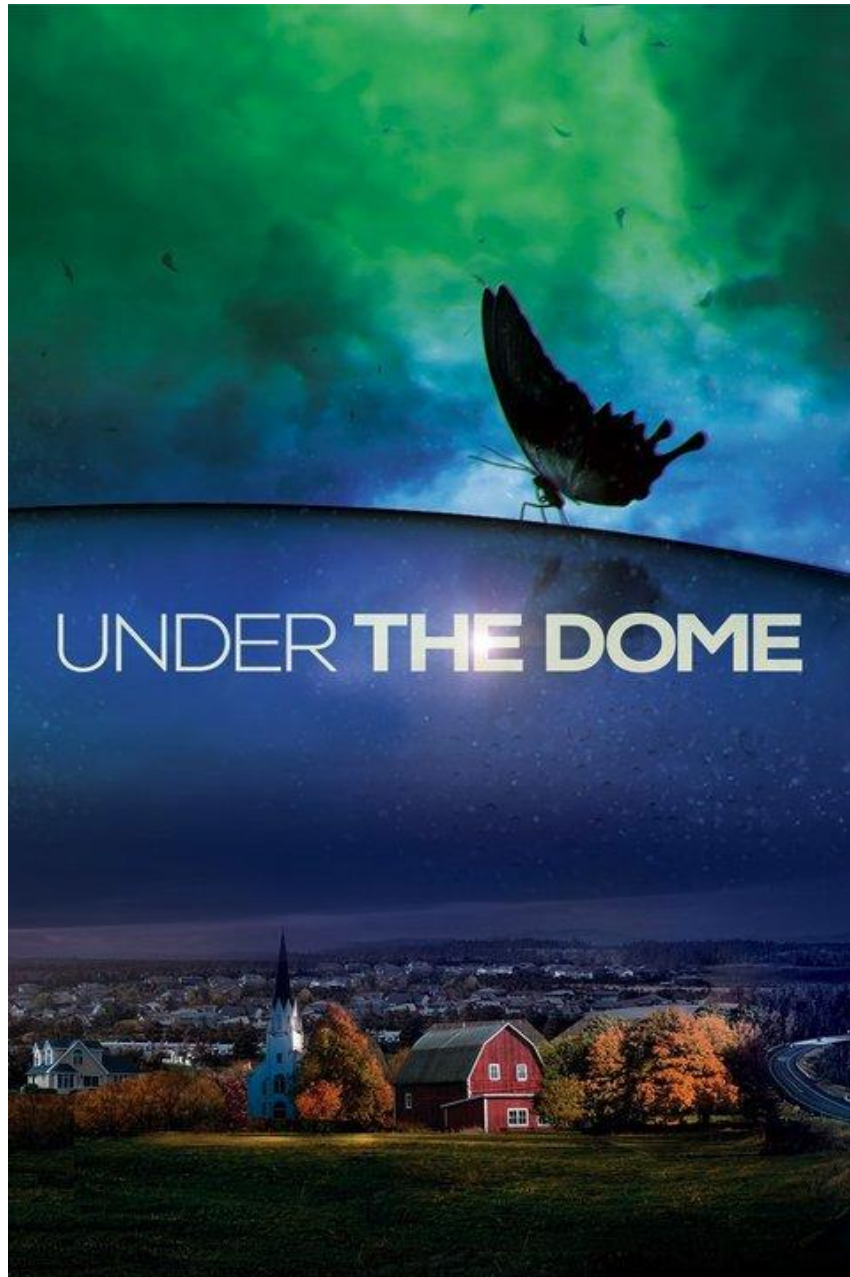

She also said about all the weapons the enemy has developed and is and will try to use on us that she asked the Lord to be sure she was hearing from Him. The scripture Isaiah 54:17 – no weapon formed against me shall prosper! I have thought the same thing as I have been speaking on mind control. We must keep our helmet of salvation on!

Let's get back into mind control. Ms. Linda shared with me that there was a tv show called "Under the Dome"

A tv series where a town was controlled by a monarch butterfly.

Like she said, they truly are in our faces with what they are doing!!

Mind Control

Something that I want to bring out about mind control and synthetics and robotoids is how satan is using them and will use them. They are part of his army. Remember last week that we found out they are programming mind control victims to be triggered when the anti-christ is revealed. **These "[New World Order](#)" alters supposedly contain call-back orders and instructions to train and/or initiate a large influx of people, thereby stimulating social control programs into the new millennium.** The synthetics have no soul and the mind control victims may not even be aware of any of this. We have so many that are watching the latest star on tv or the most popular personalities, and that public figure will be able to say (without a conscience) I am a Christian and at the same time stand in line to receive the MARK. They will say, it's ok, I heard from the Lord or whatever. I have seen material stating that some evangelists that hold sway over thousands and thousands are mind controlled. Remember the synthetics look human but they are not and they make the perfect house for a

demon to dwell in and take over. The people under mind control. Children that were taken into these sick programs and abused and their minds taken from them. – God is the Judge, He knows who is not willingly in this stuff and who is voluntarily in this stuff. He is fair and will judge accordingly. Our job is to expose and pray. Knowing how evil our government leaders are around the world, we better know that they have plenty of military under mind control and even synthetics prepared to do satan’s bidding. THINK about all the school shootings, the movie theater shooting, the church shootings and plug these things in to that. Remember the “kill programming” where the victim wants to kill themselves so that no one finds out what they know or who is behind it. We have to realize our government is setting so much of this up.

II Cor. 2:11 – Lest satan should get an advantage of us: for we are not ignorant of his devices.

We must expose this evil!!!

CATHY O’BRIEN’S TESTIMONY

Mark Phillips, was with the DOF back in 1967 and he said at that time the equipment they were using was at least 25-30 years ahead of what the public new about. He is the one who rescued Cathy and her daughter out of the slavery they were in. He was sworn to secrecy because of his type of work. Cathy was a victim of MK Ultra mind control. Mind control came from Adolf Hitler who assigned Himmler to do this type of research. They had studied and learned that children who were being sexually abused were easy to control and have their personalities divide in their brain.

Hitler was heavily occultic, the swastika is a symbol of the sun wheel and is tied to Thor’s hammer. Mind control was recorded in ancient caves and is written in the Egyptian Book of the Dead.

PENGUIN CLASSICS

The Egyptian Book of the Dead

Mind control is thousands of years old.

Prov. 4:20-22 My son, attend to My Words; incline thine ear unto My sayings. Let them not depart from thine eyes; keep them in the midst of thine heart. For they are **life** unto those that find them, and **health** to all their flesh.

Mark mentioned this trail: from Nero to Hitler to G. Bush – they were all trying to implement NWO. Hitler had POW's which he could subject to anything "to better his own country" and everyone was ok with it.

PROJECT PAPERCLIP - ordered by Truman in 1945 (papers trumped up for Nazi scientists to come here and continue their work as good dr's)

We here in America, brought Hitler's scientist over into our country and they kept right on doing all the horrible experiments and torture right here in America. Some of what they did (still do) involves human sacrifice, blood rituals etc. "Operatives" (I have heard them also called "Assets") – usually do not know who they are working for. They do not know the whole scope. (Just like the bottom tiers of Freemasonry and all the secret organizations.)

Mark rescued Cathy February 8, 1988.

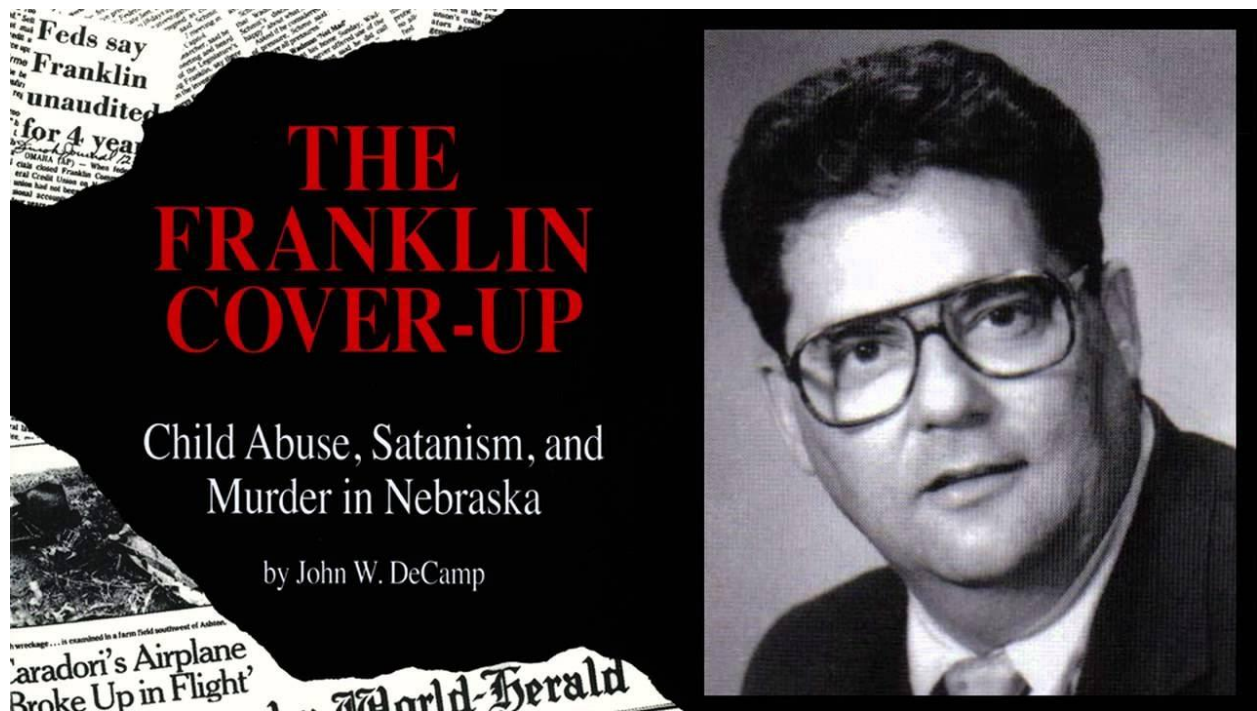

CATHY O'BRIEN

The CIA is using MK ULTRA to create the: perfect soldier, perfect espionage agent, drug mules, prostitutes, breeders and money launderers. When they have victims subjected to mind control they keep them away from newspaper, tv, telephones – because they are highly suggestive. They are programmed with codes, keys and triggers. Cathy mentioned that it is interesting to note that Timothy McVey, Lee Harvey Oswald, Sirhan Sirhan all had the same psychiatrist: Louis Jolyon West.

Jolyon West was the first person to call Mark on his unlisted, unpublished, fake name - phone #.

Mark talked about having to be on the run and hide out to be able to help Cathy and her daughter. He took them to Alaska and began figuring out how to deprogram Cathy. They have written a book together about all of this entitled "Trance Formation of America." Senator John DeCamp supports her testimony.

They have generals, colonels, and all branches of the military and members of intelligence confirming her testimony. Hitler had Himmler doing research on northern European psychologically, physically and sexually abused children. They discovered that they are easier to program – ideal candidates. Hitler had the largest number of people to practice on. Through Cathy's sexual abuse by her father, she became receptive to external control. Many people that she mentioned in her book were indicted, or fled their indictments, or fled their countries or just stepped down from power.

Many people just think it is the "abused housewife syndrome." They just think you need to get away from these people. With the equipment they use, the victim cannot protect themselves. Trauma mind control machines are available to all. They would use a taser which would give an emp to the base of the skull.

An MDDL electro magnetic pulse system affects your cerebral cortex, it stops all logical thought. You cannot even think to leave your captor. When Mark rescued her, she did not know her name, how old she was, or where she had been. He immediately thought she was a "courier." This is a sick operation, they have

“breeders” that are providing children to shieks and world leaders. Neurolinguistics, is the language of the sub-conscience. Mark found bank acct.#’s first. He turned all the bank acct. #’s over to the FBI. He worked closely with state, federal and local law enforcement agencies. He tried to do things by the book and keep as many people involved as possible because he was trying to stay alive. He said it is like hacking into a computer program only you are hacking into someone’s brain. Cathy went into her handler’s safe and pulled out his diary. This contained phone numbers, codes, keys and names etc. A Dick Thornburgh cocaine deal for \$ 20,000 was in the diary.

Dick Thornburgh an American lawyer & governor of Pennsylvania from 1979 – 1987 pictured here with Reagan

Bill Clinton’s personal ph.# was in that book.

Cathy was programmed so that she would deliver messages verbatim. Constantly flipping from compartment to compartment continually she had no concept of time. This causes the victims to have extensive endurance, the ability to just keep

going and going. Victims of mind control usually develop 44% acuity – they see 44 times more than the regular person.

Someone like this is usually seen very wide eyed with the whites of their eyes showing. They develop a photographic memory that is behind amnesic barriers. The brain has a defense mechanism that when trauma occurs it photographically records events surrounding trauma. Ex: when JFK was shot most people back then remember where they were, what they were doing, who they were with etc.

Her father and mother were sexually abused and her father was sexually abusing her. She developed a compartment in her brain to put the mother's abuse. Her mother abused her mentally and took all her self esteem away. She had another compartment to deal with pornography that her father was subjecting her to. She was "chosen" because of her abuse, she was used as a sex slave and a messenger. There was a pornography ring in Michigan commissioned by Ford and she was sold into the "project."

Former President Ford

He had come out to their house and sat down with her dad and told him how to abuse her to be sure she was raised correctly to benefit the program. He himself also abused her sexually. Her dad went on to have 5 more children that he did the same thing to and sold into the program as well. Her father stayed “free” under “National Security.”

They are using mind control for the masses through public school systems. She was sent to a Catholic school and they used occultism as a trauma base on them. The Catholic church wants to be the NWO church. Prime minister of Canada was a Jesuit and he was sexually abusing her. He believed in mind control.

Mind control is a tool to help usher in NWO. “Secret Knowledge = power” is what they think.

They have handlers who know how to access their minds to retrieve messages or send messages. They use hand signals, phone tones etc. They program their victims to respond to codes, keys and triggers to access their minds.

Cathy lost her free will thinking (where you argue something back-n-forth in your head) and lost hope. She became a robot. She would use voice inflections of her abusers not even realizing what she was saying. During the Spanish Inquisition, the Crusaders were studying trauma on the mind and merged what they learned with the Hitler/Himmler information. She was sent to Catholic school, Muskegon Catholic Central high school where they merged Hitler's information together with the Crusader's information on mind control.

Global Education 2000 is a program designed to increase children's learning capacity and decrease their ability to critically analyze. "Just believe the info. fed to them." This is a form of mind control.

Nashville is heavily involved in mind control.

The country music industry provided a cover for mind control slaves to be taken around the country to distribute and deliver the large quantities of CIA cocaine. They both stated that the CIA is the world's largest drug **dealer**.

CIA plane crashes with 4 tons of Cocaine

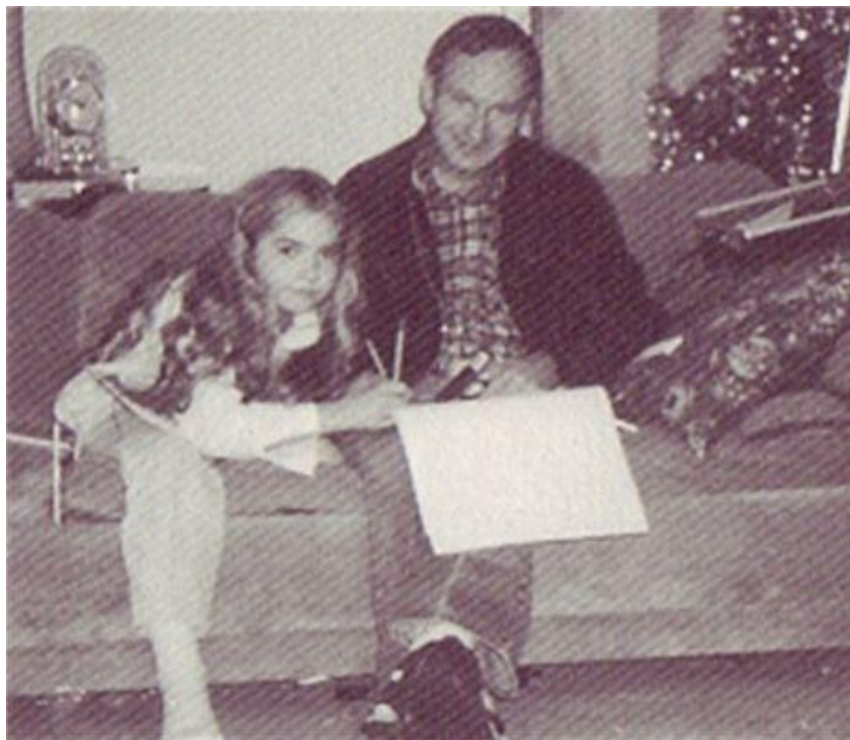

It seems that one of the "CIA Prison Planes" has been in a little accident – It crash landed in Mexico on the way to the US. The authorities were more than a little surprised when they found four tons of cocaine on board. As usual the media overlooks it, the pilots disappeared and the CIA refuses comment.

She stated there was never a war on drugs – **they (the CIA) propelled it.** Wayne Cox, one of her handler's would follow Senator Byrd's orders for her.

Cathy's daughter Kelly with her biological father – Wayne Cox

She endured numerous occult rituals so that she would have many compartments in her mind and retain the information. Her programmers and handlers threatened her and said they were aliens, demons and gods. She said they want to use an alien (demon) agenda – they are keeping knowledge from us. Their plan is to make us all feel totally helpless, that we have been taken over by aliens and that we have no independence. She said, when they say, “it’s aliens, it’s aliens!!!”, don’t feel helpless, don’t fall for it.

****As I have been teaching, an alien is the same thing as a demon.****

She spoke of a time she delivered a personal stash of “coke” to Bill Clinton, and yes he did inhale. Her sexual experience with him was very limited as he is bisexual leaning far toward the homosexual end.

Clinton

She said Bill was more interested in little boys.

Hillary is also bisexual

HILLARY CLINTON – We know

and she is the one who accessed her sexually.

In 1980, Cathy's daughter, Kelly, was born right into MK Ultra. In addition to trauma control she was subjected to harmonic mind control. This began at one of NASA's institutions before birth. When they began to try to deprogram Kelly, she went into respiratory failure and they took her to a hospital. No one knew how to help her and because of what she'd been exposed to she is now locked away in a mental institution under "Nat'l Security." She needed to have those neuron pathways vibrated back open, they needed technical equipment to do this. They programmed a death program into Kelly. Respiratory failure, circulation failure, are types of things they do to stop recovery of the mind. Kelly was being raised to go into espionage and so she had this type of programming so she would not tell any top secret information. Because they use Nat'l Security to cover up their secrets this has stopped them from obtaining justice and getting Kelly out. She's been in there since she was 8 years old.

Arnold goes to Mars, his brain scrambled with sinister memory programming.

A 2nd handler of Cathy's was Alex Houston who was working covertly with the CIA within the country music industry.

Alex Houston

She personally heard George Bush and Bill Clinton talking in Lampe, MO and they certainly were friends. She said party lines (Democrats / Republicans) are smoke and mirrors for us. They are all working toward NWO. It was decided in 1984 that Clinton would go into office – she heard this conversation personally. (Clinton went into office the first time in 1993.) She said our votes have not been determining our presidents for quite some time. They also controlled who would be the next president of Mexico at that time. NAFTA (North America Free Trade Agreement) between Canada, America and Mexico – is the free trade of drugs and our America children.

She was taken to Mackinac Island, Michigan which is like a Bohemian Grove.

Bohemian Grove – The Elite’s secret meeting place to do satanic rituals and things.

The “elite” discussed mind control of the masses and the occult here. She was dedicated to U.S. Senator Byrd when she was 13 years old, he directed all of her activities. He also abused her sexually.

Senator Byrd back in 1967

She thought this was just normal that everyone did these things and all children were raised and treated like this. The things she saw and heard seemed like everyone was involved. When she learned that this was not normal she wondered why people didn't see what was going on. But she realized that "good" people don't think like that (drugs and sexual abuse and torture).

Ronald Reagan answered to George Bush and so did Clinton. Also Saudi Arabian King Fahd followed orders from Bush.

King Fahd with George Bush Sr.

She said Bush was there when the UN started, and the CIA and that these leaders looked to him for his knowledge about NWO.

Bush with his family relaxing in bed – see the pyramid with the golden top – NWO.

Reagan said only way to world control was mind control of the masses.

She said the victims have: no free will, no free thought and no soul thinking. Most mind control slaves are killed at age 30. They are too old for sex anymore – supposed to be wiped out. The controllers know how to go into the part of the mind where they can control breathing, blinking, heart rate, circulation etc.

Our government has done all of this under the guise of “National Security.” If anything is exposed they shut it down and keep it quiet saying it is national security. She said Jonestown was an MK Ultra project, but not for mind control, it was a biological weapons project. Said the “Order of the Rose,” is NWO – Jesuits and they are at the top of the illuminati pyramid.

Someone asked them how is the public being subjected to mind control and Mark responded, “information control - is mind control.” They have altered the history

books so the kids are brought up socialistic. In mind control, the victims will usually have scars from stun guns.

Taser scars turn into something that looks like moles. Daniel Rosales

Cathy had her private parts mutilated. The mutilation was an ancient Egyptian practice and they used carving knives on her with nothing to numb the pain. The mind control most often used is: trauma based, chemical based and frontal lobotomy. **Lobotomy**, also known as leucotomy, is a neurosurgical operation that

involves severing connections in the brain's prefrontal lobe, according to

Former Vice President Dick Cheney

Encyclopedia Britannica. Dick Cheney was involved because Mark made a comment that they would love to have these people have to drop their pants in court because she could identify them by certain distinguishments. Ronald Reagan was instituting mind control in prisons and got caught. He was just as much a part of this as anyone.

In 1967 – 1968 Mark was working with the KGB here in our country on paranormal studies. He said he was not even aware we were having a cold war.

When asked how they had managed to survive this long Mark said God and the fact that they passed out packets of information to congress at the very same time and more than half of the information was verified.
