

MIND CONTROL: MK ULTRA / MONARCH –

Part Four

MK ULTRA / MONARCH PROGRAMMING

The M is probably for mind and the K is probably for the German word Kontrolle = control. Experiments on humans were intended to identify and develop drugs and procedures to be used in interrogations and torture, in order to weaken the individual to force confessions through [mind control](#).

MKUltra used numerous methodologies to manipulate people's mental states and alter brain functions, including the surreptitious administration of drugs (especially [LSD](#)) and other chemicals, [hypnosis](#), [sensory deprivation](#), isolation, [verbal](#) and [sexual abuse](#), as well as various forms of [torture](#).

ELECTRONICS

At least one subproject of the MK Ultra project was about the electronic control of human behavior (subproject 119). Subproject 119 had the purpose to provide funds for a study to make a critical review of the literature and scientific developments related to the recording, analysis and interpretation of bio-electric signals from the human organism, and **activation of the human behavior by remote means**. The survey encompassed five main areas: techniques of activation

of the human organism by remote electronic means, bio-electric sensors, recording, analysis and standardization of data.

In his 2009 book, *A Terrible Mistake*, researcher H. P. Albarelli Jr. concurs with the Olson family and concludes that Frank Olson

was murdered because a personal crisis of conscience made it likely he would divulge state secrets concerning several CIA programs, chief among them Project ARTICHOKE and an [MKDELTA](#) project code-named Project SPAN. Albarelli theorizes that Project SPAN involved the contamination of food supplies and the aerosolized spraying of a potent LSD mixture in the village of [Pont-Saint-Esprit](#), France in August, 1951. The [1951 Pont-Saint-Esprit mass poisoning](#) resulted in [mass psychosis](#), 32 commitments to mental institutions, and at least seven deaths.

The Mystery of poisonings of Pont Saint Esprit this is for clarification.

Albarelli writes that Olson was involved in the development of aerosolized delivery systems

Reminded me of the chemicals they are spraying on us around the world – chemtrails. (This is not just what normally comes out of a plane, this is chemicals and they are being purposely sprayed on us.)

and had been present at Pont-Saint-Esprit in August, 1951. According to Albarelli, several months before resigning his position Olsen had witnessed a terminal interrogation conducted in Germany under Project ARTICHOKE. While most academic sources accept [ergot poisoning](#), poisoning by mercury, mycotoxins, or nitrogen trichloride, as the cause of the Pont-Saint-Esprit epidemic, others like [paranormal](#) author [John Grant Fuller](#) in *The Day of Saint Anthony's Fire* have reached conclusions similar to Albarelli's. (that it was murder)

Mark 16:18b – ...and if they drink any deadly thing, it shall not hurt them;

Luke 10:19 – (Jesus speaking) – Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.

[Lawrence Teeter](#), attorney for convicted assassin [Sirhan Sirhan](#),

SIRHAN SIRHAN

believed Sirhan was under the influence of hypnosis when he fired his weapon at [Robert F. Kennedy](#) in 1968. Teeter linked the CIA's MKUltra program to mind control techniques that he claimed were used to control Sirhan.

AFTER MATH

Although the CIA insists that MKUltra-type experiments have been abandoned, some CIA observers say there is little reason to believe it does not continue today under a different set of acronyms. [Victor Marchetti](#), author and 14-year CIA veteran, stated in various interviews that the CIA routinely conducted [disinformation](#) campaigns and that CIA [mind control](#) research continued. In a 1977 interview, Marchetti specifically called the CIA claim that MKUltra was abandoned a "cover story."

TELEVISION

BYUtv's drama [Granite Flats](#) is a fictional dramatization of the implementation of MKUltra by a military hospital in Colorado.

In season 2, episode 19 of [Bones](#), "[Spaceman in a Crater](#)",

the character Jack Hodgins mentions that [Frank Olson](#) was an unwitting participant and committed suicide, but that an exhumation 45 years later proved he was murdered.

In a episode of ABC's Marvel's Agents of Shield one of the characters makes a reference to MKUltra.

In season 2, episode 5 of [Fringe](#), Walter Bishop briefly mentions his involvement with MKUltra

FILM

- [Conspiracy Theory](#): A man obsessed with conspiracy theories becomes a target after one of his theories turns out to be true. Unfortunately, in order to save himself, he has to figure out which theory it is.

Remember every time he saw a book store or library he had to go in and get a copy of "Catcher in the Rye"

MARK PHILLIPS SPEAKING on MIND CONTROL

Now, a wave of transgenerational occult mind control victims are so numerous within our general population that the US government has launched, through its vast network of CIA operatives; misinformation campaigns to cover-up this source of pure evil. One of the most prominent misinformation campaigns is targeting a supernatural source (rather than the CIA) with the justification label "spiritual warfare"... A.K.A. to Intelligence specialists as Operation Armageddon.

Rev. 16:16 – And He gathered them together into a place called in the Hebrew tongue Armageddon.

Rev. 19:19-21 – And I saw the beast, and the kings of the earth, and their armies, gathered together to make war against Him that sat on the horse, and against His army. And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped his image. These were both cast alive into a lake of fire burning with brimstone. And the remnant were slain with the sword of Him that sat upon the horse, which sword proceeded out of his mouth: and all the fowls were filled with their flesh.

What he had to say on “Theta Programming.”

But the Theta program "head" was not dead yet. Theta couldn't die because of the Soviet's reported successes...it evolved into bio-medical human telemetry and directed target energy involving lasers and/or electromagnetics...the results of which were referred to as "electronic possession".....The ultimate challenge for the 21st century exorcist...providing he worked a day job-as a skilled CIA supported Neurosurgeon.

A few years ago, this programming technique involved the surgical implantation of sodium/lithium powered high frequency receiver/ transducers coupled to a multi-range discharge capacitor that when signaled by remote control would electronically stimulate designated parts of the brain to signal the victim to respond according to his/her program. These experiments were only partially successful with a high mortality and paralysis rate. However, the technical mind control equipment evolution would advance to levels well beyond the grasp of any reader. Now it seems that "implants" will eventually become as common in numbers as are the victims of trauma based psychological mind control...but non implanted ,non programmed victims will hold the largest majority...the 1990's version of mind control requires neither implant or program...just computer driven directed energy using microwave...anybody can become a target.

How it works:

1 Sensor implanted in brain

A chip – about the size of a contact lens – containing 100 electrodes is implanted on the surface of the brain's precentral gyrus, which controls hand and arm movements. A tiny wire connects the chip to a small pedestal secured to the skull. A cable connects the pedestal to a computer.

Short-term goals

More independence:

- ▶ Communication by e-mail, Internet phone
- ▶ Direct control of television, lights and thermostats
- ▶ Direct control of powered wheelchairs

Long-term goals¹

Improved control of:

- ▶ Respiratory system
- ▶ Bladder, bowels
- ▶ Limb movement with muscle stimulation or robotics

1-with advanced device

2 Tim. 1:7 – For God has not given us the spirit of fear: but of power, and of love, and of a sound mind.

Does all of this stuff being controlled right out of your head sound like a sound mind?

THE COMPONENTS

The revised components list is not so comprehensive and obvious. For instance, a sound proofed burial casket makes a great sensory deprivation chamber similar to one being used now at a Kentucky (CIA) conditioning camp". There, Delta, Alpha, and Beta victims of this conspiracy are regularly taken by their owners for "reconditioning " and reprogramming for drug muling runs or "assignments". Most

make it out of this man-made-hell alive, some don't...but as it is said, there's always more where those came from.

High voltage (up to 200,000 volts DC) hand held law enforcement type stun guns

are a must tool for the victim's owner to erase certain memory (if used on the muscle area of the victims within 2 hours of the "to-be-forgotten" event, and to control the victim's "insane" fits of rage if they are mistakenly triggered to perform a pre- conditioned task and they are at the moment in the "wrong personality". The only other components the Beta owner must possess are a diary or a good memory of their programs, keys, and a working knowledge of hypnosis. In other words, a small brief case will contain everything a Beta owner "needs" to control his slave...completely ...forever.

THE FORMULA

The formula for Beta programming is the exact same as for Alpha, the only difference is that through a series of specific tortures and commands the Beta victim retreats deeper into her primitive mind and the results are a woman with a child like insatiable sexual appetite. This re- tapped sexual appetite was "developed" in her formative years through constant incest with her father figure. What begins as unbearable pain to a child's mind quickly "switches" to a sexual desire for the very person who was abusing her...daddy. This reversal is the key to all programming -Pain becomes pleasure, up is down, etc. Hence the reason Colonel Michael Aquino,

COLONEL MICHAEL AQUINO

attached to the DIA (Defense Intelligence Agency), adopted the satanic philosophy of reversing everything including bad is good.

Isaiah 5:20 – Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!

WARNING

Next he describes some of the programming techniques.

First, slow body metabolism by reducing caloric intake say to 300 per day -reduce to 0 intake of all sugar, lower protein intake accordingly, (This action will literally starve the brain into submission).

From time to time water depravation may be necessary to swell the brain by raising the temperature making memory of experienced events difficult or

impossible to recall by the victim a.k.a. the "kiss and not tell syndrome". Combine with 3 to 10 seconds of 120,000 volts to leg or back. Vomiting and flu like symptoms will occur but memory is now hidden behind a wall of "black lightening".

Sleep deprivation - absolutely a must in preconditioning and continued maintenance for new programming.

Victims must not experience more than two hours continuous uninterrupted sleep. Maximum sleep allowed 3 hours per 24 hour day. Days should be spent in heavy physical exercise to the point of constant exhaustion. This action stimulates the brain to overproduce endorphins and thus temporarily silence the logic center. This action also is responsible for reversing the brain's functions from right to left or vice versa. Victims will respond to most any command robotically and hypnotic programming becomes a breeze.

Hanging the victims upside down for periods of time,

Movie – “Planet of the Frohikes”

one-two hours per day will further trick the brain into dissociation from reality and can reverse such primordial brain functions as turning pain into pleasure - up will become down - out will become in, and above all the person administering the tortures will become omnipotent in the victim's now rearranged mind. This phenomenon is likened to the Stockholm Syndrome.

Daily tortures administered should focus on any of the known victims former idiosyncrasies. This could include introducing an ant into the ear canal or covering the victim in say (harmless) spiders

or snakes (rubber ones will work) or exposing them to loud noises (firecrackers) disguised as bombs, heated needles or toothpicks under the fingernails, even constant tickling. These idiosyncrasies then became "tortures-of-the-mind" tortures that there are no escape from. When the operator ceases torturing the victims short of death, he's considered benevolent and "worship" by the victim will again commence ...even stronger than before. The controllers voiced wishes will become instead commands to the victim and all moral decision making processes (sex, murder, etc.) totally bridged (ignored) by the "new mind" of the victim.

High voltage electroshock has multi use purposes - for Torture, left brain right brain function, reversals, and, depending on the amount of voltage administered and the location on the body, to compartmentalize programs or to set in new ones. Electroshock

is also used as a "harmless" not so subtle reminder to carry out commands. High DC voltage is a key component as it, too, produces an instant euphoric state due to the increased endorphin production, coupled with the victim's total lack of physical control.

Fitted electroshock movement sensitive sensors are positioned on the victims to stimulate the mental sensation of loss of consciousness while wide awake and should the victims move externally, high voltage is automatically administered and the victim actually loses consciousness momentarily. **This process is repeated over and over until the brain is trained to stop all external body movement from the conscious mind. Then the victim can be audibly commanded and programmed to a calendar date to perform a task:...say 50 years in the future Without even being cued by an operator...flawlessly. This program becomes a part of the primitive mind -the same one that tells the**

victim's heart to beat, etc. ****We have not seen what all has been programmed to happen yet. Can't you see this being used in school shootings / riots and all the things we see happening today. The enemy will use this weapon during the tribulation.****

Isaiah 54:17 – No weapon that is formed against you shall prosper; and every tongue shall rise against you in judgment you shall condemn. This is the heritage of the servants of the LORD, and their righteousness is of Me, says the LORD.

Psalms 23:5a – You prepare a table before me in the presence of my enemies:

THE VICTIMS PAST AND PRESENT

The present day Beta victims are allegedly "recruited" a little younger than 19...BIRTH. Some by fathers who got caught sending kiddie porn through the US Mails, but most were either government or MOB connected. These "caught" fathers were more or less then blackmailed by alleged CIA agents to dedicate their child to the program in exchange for money, business favors, and protection against prosecution...these pedophiles became an honorable member of a US Government Criminal Conspiracy. The father's were then educated at government expense on how to precondition their little girl/boy with tortures of the mind and body and with sex - which would give this child a "gift that keeps on giving" Multiple Personality Disorder - a super child.

Matt.18:10 – Take heed that you despise not one of these little ones; for I say unto you, That in heaven their angels do always behold the face of My Father which is in heaven.

THE USERS AND ABUSERS

There are other victims who are simply too afraid to talk now, programmed with the "No Where to Run, No where to Hide" and/or "Who Ya' Gonna Call" CIA themes, but can and will eventually.

These users appear to be focusing not on recreational sex, but on drugs -billions of dollars annually in heroin/cocaine muled into the US via cruise ships, airplanes-private and commercial by Alpha Beta victims. The sale of these drugs is allegedly

supporting the CIA's illegal covert action habits. The CIA doesn't have a "Black Budget" like the Pentagon boys...they earn theirs the "old fashion way" - by importing and selling drugs through elaborate network systems of users that the CIA has taken years to establish. They also consume a lot of their own product!

The Beta mules stopped carrying suitcases full of cash in mid 1986.

The abusers are really anyone the Beta victims have come in contact with...that knows what she/he is and how to activate their programmed triggers.

To name a few, there are drug lords, politicians, (federal, state, and local) corrupt law enforcement personnel, big name entertainers who themselves usually own a Beta victim or two - and a host of other conspiracy members.

Victims are traded among members like livestock. When they reach 30 years of age they are many times used in snuff porn movies.

THE FUTURE

Psychological mind control techniques, formulas and equipment, unlike nuclear weapon systems, can be reproduced without exotic and expensive component systems...in the privacy of one's own home by virtually any one with average intelligence, a little information, and no conscience ie. criminals. Mind Control Out Of Control is just as lethal as nuclear war byproducts, however through genetically engineering psychology...the "evil" seed is passed on generation to generation.

Trauma based mind control, also aptly termed "white slavery" for the CHOSEN ONES IN THE 21ST Century

SOME of the "ELITE" – Queen Elisabeth, Vladmir Putin, Tony Blair, George W. Bush

will be predictably the largest "cottage industry" in terms of illicit profits, death, and destruction of innocent victims...unless the trend is stopped and those responsible in government and the private sector are punished and the survivors/victims given qualified rehabilitative psychiatric care.

The US now has nuclear regulatory agencies which exercise caution as to who can even build nuclear weapons, power plants, x-ray machines, or even smoke detectors. But not for Mind Control - thanks to the same US government corrupt officials...it's out of control.

The results of which are showing up everywhere. Multiple Personality Disordered persons

are now common place - whereas before 1980 it was one of the rarest diagnosed psychiatric disorders...from 200 cases to 24,000. Which could mean a bare minimum over 250,000 undiagnosed programmed MPDs walking around waiting to explode with rage as serial killers, child abusers, etc. etc. etc., against the society that protects a few US government criminal conspirators -why?

THE FUTURE?

PROJECT MONARCH ALPHA, BETA PROGRAMMED VICTIM/ SURVIVOR IDENTIFICATION INFORMATION

1. Victim majority is female (71%).
2. Victims are Multiple Personality Disordered (100%).
3. Victims/survivors have (or are) participated in commercially and privately produced/sold legal and illegal pornography. (100% of all interviewed). This pornography is often the "underground variety" of bestiality, child/adult, child/child, adult/infant, sado-masochistic, satanic/occult films and videos, magazines, and still photographs.
4. Older victims were frequently tattooed for easy identification with a "so-called" Blue or other colored MONARCH butterfly. This practice became more or less obsolete in the early 1970's and was replaced by the victim wearing butterfly hair barrettes,

KATY PERRY

CRYSTAL RENN for ELLE CANADA

large butterfly ear rings, pins, necklaces, bracelets, or embroidered insignias to "advertise" their art of expertise to knowledgeable abusers. This rule applies to 100% of the victims interviewed.

5. ALL MONARCH survivors were victims of brutal sexual child abuse. Programmed survivors have been found to be multi- generational incest victims whose genealogy can be traced to either Catholicism, Mormonism, and/or members of US Intelligence Communities.

6. Many victims are frequently determined to have been the natural or adopted children of multi-generational satanist or in some cases "renegade witchcraft" occult groups.

7. Survivors once in therapy are always said to possess homicidal and/or suicidal ideations which only recently has been determined to be as a result of sophisticated trauma base psychological programming.

8. Victims almost always possess multiple electric prod (stun gun) scars

and/or the resultant moles in the muscled areas of the back, arms, neck and thighs. Some victims private parts are mutilated through elaborate carving (ancient occult technique). Also, scars from branding irons or knives throughout the body will depict pentagrams, animals, crosses, even certain cartoon characters. There is also a group that "forces" moles through electric shock and/or chemical application to the neck and face to further identify to abusers the victim's training/programming.

Let’s intercede for these victims all over the world:

2 Thess.3:1-2 Finally, brethren, pray for us, that the Word of the Lord may have free course, and be glorified, even as it is with you: And that we may be delivered from unreasonable and wicked men: for all men have not faith.

Ezek.22:30 – And I sought for a man among them, that should make up the hedge, and stand in the gap before me for the land, that I should not destroy it: but I found none.

Phi.1:19 – For I know that this shall turn to my salvation through your prayer, and the supply of the Spirit of Jesus Christ

John 16:33 – These things I have spoken unto you, that in Me you might have peace. In the world you shall have tribulation; but be of good cheer; I have overcome the world.

Romans 8:31 – What shall we then say to these things? If God be for us, who can be against us?
