

TARGETED INDIVIDUALS of DEW / PEOPLE UNDER OPPRESSION

I have been thinking of you guys and praying about this and I want to share some things that the Lord has laid on my heart. As with any Pastor, I will be praying against satan's weapons and I will be praying for you guys. Your ultimate break through depends mainly on you, what you do and your personal relationship with Jesus Christ.

1. In order for Jesus to step in and change your situation, you must belong to Him. That means praying the prayer of salvation and asking Him to be in your life and to forgive you of all of your sins. This means telling Him you believe He died for you and rose again and is seated at God's right hand.

Ask Him to help you to live for Him all the days of your life. You must truly believe this in your heart – or you are not saved.

2. Close all open doors – ex: if you watch pornography or play with Ouija boards or gamble or are having sex outside of marriage – whatever the sin you are doing is – STOP IT and confess to the Lord you want nothing else to do with it and you renounce it out of your life in Jesus' name. This is closing the door on it. ****Ask Him to help you stop it.****
3. Ask Him to baptize you in His Holy Spirit and with fire.
4. Get water baptized.

5. Take communion – you can do this even in your own home with a cup of juice and a cracker or potato chip – just tell the Lord this is communion and thank Him for His shed blood that redeemed you from the hand of the devil. Thank Him for His stripes that have healed you and made you whole. Let Him know you are looking forward to His return. Ask forgiveness of all sin before you take this.

6. Strive to start your day with the Lord. Get up and read your Bible and pray. When you read the Bible, He is speaking to you. When you pray, you are speaking to Him. Those are sure fire ways of communication.
7. Worship Him – sing to Him / Praise Him – tell Him Who He is and Who He is to you.
8. If you are able, fast and pray – this brings break throughs and answered questions by your humbling yourself in this manner.
9. Witness of Him – tell others about Him. You do not want to enter heaven ashamed.
10. Even if the Pastor in your local church does not understand your situation or you do not get delivered or the break through you were looking for, as long as they are not participating in the DEW – it is ok to go there, rather than forsake fellowship altogether. When the OT saints worshipped Him before a battle, He would fight the fight for them!! When you sit and hear His Word being preached, your faith will grow. Your spirit man will be getting fed through these things. We are not to remain separated making it easier for the wolves to attack. If there is no decent church around, then go online and find good preaching/teaching of the Word of God and listen to that.

Pastor Patrick Winfrey is an awesome online ministry!

11. When you pray, pray God's Word back to Him. Show Him you know His Word and you are standing on it. Find scriptures that fit your situation and speak them out loud and pray them to Him.
12. Fight in the spirit – bind the devil and command him off of you and out of your life. Plead the blood of Jesus over yourself, your home and all that you have. Plead the blood of Jesus Christ over your health, your finances. In Jesus' name loose peace and healing and faith into your body and life.
13. Say this: In the name of Jesus Christ I come against all curses spoken against me, I come against all prayers prayed as cureses against me, I command them to be ground up and blown away as chaff blowing in the

wind. No weapon formed against a child of God shall prosper in Jesus' name!

14. Speak this out loud: In the name of Jesus Christ I plead the blood of Jesus over my eye gates, my ear gates, my mind gate, and my heart gate, nothing but what is of Jesus Christ shall enter in, in Jesus' name!

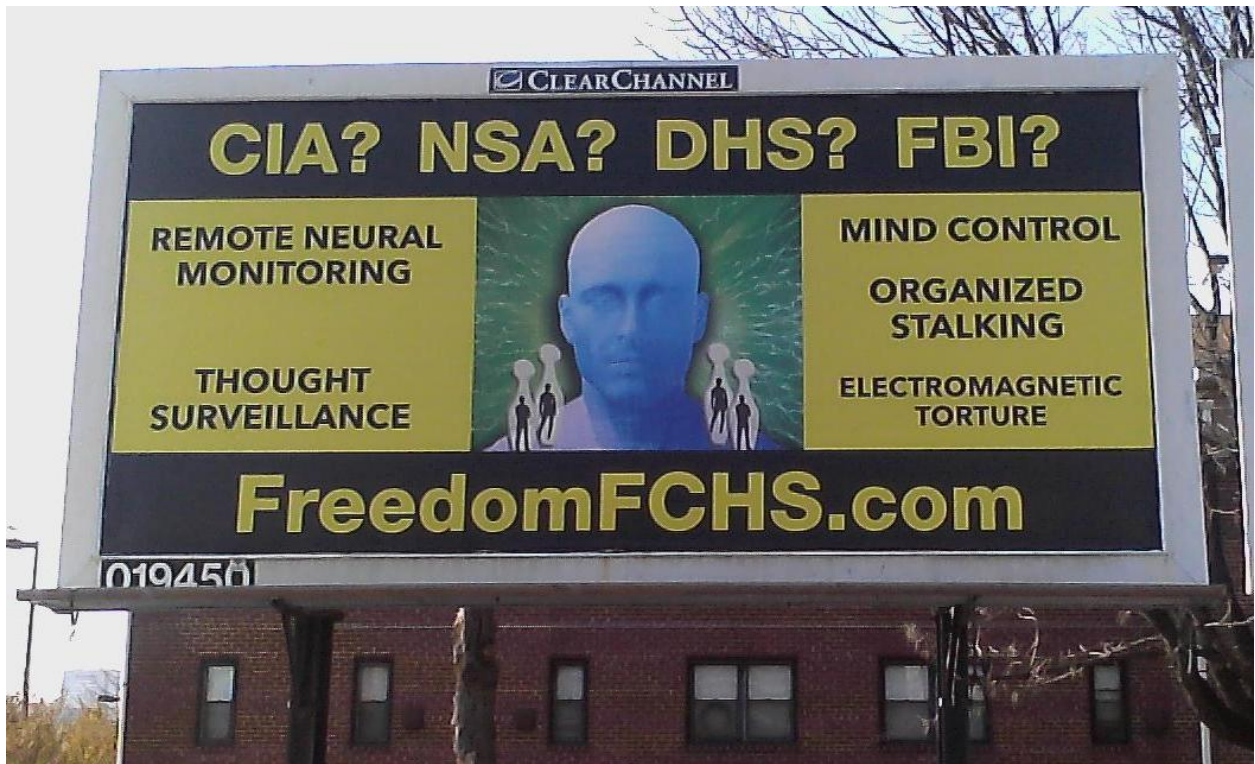

15. The Bible says that we are to love our enemies and pray for them. Pray that God will open their spiritual eyes and ears and that they will come to Jesus Christ.

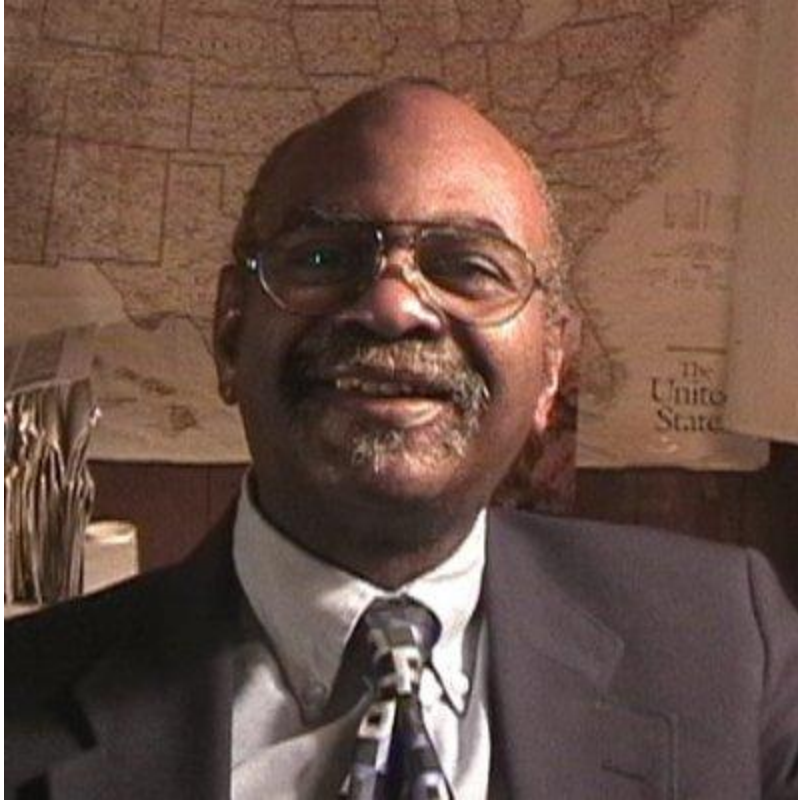

Read God's Word out loud if you can. Even when you are asleep, you can download the Bible and play it on earphones and fall asleep listening to God's Word. It is powerful and alive!

Be sure you are in a Bible based church, one that teaches and preaches from the BIBLE – not the quran, not the book of mormon, not the watchtower bible,

not the catechisms – if you are in a church that is not reading from the Bible and they have something different – LEAVE THAT CHURCH!!!

There have been testimonies of people being set free from DEW torture and some testimonies of seeing change happening the closer they draw to Jesus. He is the Way.
