

PROJECT BLUE BEAM – Part Three

1 Cor. 15:52 – In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed.

We will not be standing around looking at Jesus up in the sky. We will automatically be caught up to Him in the air and so shall we ever be with the Lord.

ARTIFICIAL THOUGHT AND COMMUNICATION

The advancement of techniques propel us toward the third step in the Blue Beam Project that goes along with the telepathic and electronically augmented two-way communication where ELF, VLF and LF waves will reach each person from within his or her own mind, convincing each of them that

their own god is speaking to them from the very depths of their own soul. Such rays from satellites are fed from the memories of

NSA pays \$278 mln to US companies for access to communication networks (2013)

computers that have stored massive data about every human on earth, and their languages.

Leuren Moret – independent scientist and Laurens Battis, a military historian discussed the weaponization of smart meters and how they can burn anybody's house down. These meters collect all data on every electronic device including your brain and they transmit every minute to cell phone towers and now this goes to offshore ships with warehouses on board that are full of servers. The ships are over 250 miles from the coastline in international waters so they aren't violating the U.S. constitution. All of this information goes to a satellite company: Inmarsat Satellite in London.

NSA quantum computer in the works.

Remember what Snowden revealed, they hired a private company, Booz Allen Hamilton, to spy on every single thing we do.

The rays will then interlace with their natural thinking to form what we call diffuse artificial thought.

Just think of all the satellites in space and what they are capable of:

That kind of technology goes into the 1970s, 1980s, and 1990s research where the human brain has been compared to a computer. Information is fed in, processed, integrated and then a response is formulated and acted upon. Mind controllers manipulate information the same way a computer for grammar manipulates information. **We just talked about all the programming of the mind control victims with the messages on “Programming an Illuminati Slave” based on Fritz Springmeier and Cisco Wheeler’s book. ** In January 1991, the University of Arizona hosted a conference entitled, 'The NATO Advanced Research Workshop on Current and Emergent Phenomena and Biomolecular Systems.' What does that mean exactly? It means this: We refer to one paper that was delivered at the conference which stands out for its different attitude towards the development under discussion at that time. It was, in effect, a protest and chilling warning to the attending scientists about the potential abuse of their research findings.

This was in 2011.

Their findings, of course, stated that the United States has already developed communications equipment which can make the blind see, the deaf hear and the lame walk.

Luke 7:22-23 – Then Jesus answering said unto them, Go your way, and tell John what things ye have seen and heard; how that the blind see, the lame walk, the lepers are cleansed, the deaf hear, the dead are raised, to the poor the gospel is preached. And blessed is he, whosoever shall not be offended in Me.

It can relieve the terminally ill from pain without the use of drugs or surgery. I'm not talking about science fiction. A man might retain the use of all his faculties right up to the moment of his death.

Deut.34:7 – And Moses was an hundred and twenty years old when he died: his eye was not dim, nor his natural force abated.

Joshua 14:10-12 – And now, behold, the LORD hath kept me alive, as He said, these forty five years, even since the LORD spake this word unto Moses, while the children of Israel wandered in the wilderness: and now, lo, I am this day fourscore

and five years old. As yet I am as strong this day as I was in the day that Moses sent me: as my strength was then, even so is my strength now, for war, both to go out, and to come in. Now therefore give me this mountain, whereof the LORD spake in that day; for thou heardest in that day how the Anakims (giants) were there, and that the cities were great and fenced: if so be the LORD drive them out, as the LORD said.

This communications equipment depends upon a completely new way of looking at the human brain and neuromuscular systems and radiation pulses at ultra-low frequencies. **Some of this equipment is now operational within the Central Intelligence Agency (CIA), and Federal Bureau of Investigation (FBI). It will never be used to make the blind see, the deaf hear and the lame walk because it is central to the domestic political agenda and foreign policy of George Bush and his puppet-masters of the new world order.**

They are using laser beams to make flies flirt. Tesla was working on DEW (directed energy weapons) back in the 1900's. The development of chemical weapons in the guise of domestic riot control agents must not be allowed as a means of circumventing the CWC (Chemical Weapons Convention). The treaty states that every chemical held for domestic riot control purposes must be declared.

YOU KNOW IT IS NOT BEING REPORTED AND IT IS USED AGAINST THE PUBLIC WITHOUT THEIR CONSENT.

The successful use of small groups of Senators to approve TRILLIONS in government waste in the development of such weapons for war as Directed Energy weapons, combined dangerous (EMF) Electromagnetic Frequencies hidden now within cell towers placed within nearly every neighborhood that create an electromagnetic harmful layer of dangerous energy that affects the health of every citizen, to the useless development of (UAV) Unmanned Ariel Vehicles (drones) that are controlled by 'drone handlers' like you and I who play God over our skies during the day and especially at night. Even the small group of Senators who have recently authorized an additional

30,000 drones that are to be ARMED with SENSOR payloads that can shoot sensors through our walls into our bodies. Sensors designed to attach GPS sensors to track every citizen, (IR) Infrared sensors to light the human body and even Chemical and Biological sensors that result in rare cancers, heart attacks, strokes, and if shot directly to the head of a human, a brain aneurism.

Remote controlled drone.

FROM: YOUTUBE

Domino's pizza delivery via drone in 2013. Per Pastor Billy Crone at Sunrise Baptist Church in Vegas, they are mapping out airspace for drones to fly and deliver small packages among other things right now.

Domestically, the new communications equipment is being used to torture and murder persons who match profiles imagined to be terrorists; to torture and murder citizens who belong to organizations which promote tolerance and peace and development in Central America; to torture and murder citizens who belong to organizations who oppose the development and deployment of nuclear weapons, and to create a race of

slave cult automatons, or what is popularly called 'the Manchurian Candidates.' Overseas experimentation is taking place on hostages held by the United States and Canada, Great Britain, Australia, Germany, Finland and France. Additionally, there has been a long series of bizarre suicides among British computer scientists, all of whom have had some connection to the United States Navy.

These weapons are being used right now on people all over the world. They are TI's (targeted individuals) and they are being experimented on without their consent.

What is possible to ask before such a psychology of terror is this: would any government, corporation or psychiatrist willfully promote such horror today? The answer is quite obviously, 'Yes.'

Government agencies and the corporations that work with them toward a new world order are prepared to promote anything that will help them achieve their objective of total social control. As for the question of why: For one thing, if you terrify the public and make them fear for their safety, they will allow you to implement draconian law enforcement practice,

disarm them and keep extensive records on them, and they only have to tell you that it is all to protect you, of course.

Luke 22:36-37 – Then said He unto them, But now, he that hath a purse, let him take it, and likewise his scrip: and he that hath no sword, let him sell his garment, and buy one. For I say unto you, that this that is written must yet be accomplished in Me, And He was reckoned among the transgressors: for the things concerning Me have an end.

Secondly, it promotes the decay of the present democratic forms of political systems, and leads societies to search for alternative methods of political ideology. Of course, **the alternative has already been planned**. It is called the [New World Order](#) and **it will not have your safety or interests at heart**. As George Bush said: **'Read my lips.' Fear has always been used by powerful elite to control and subjugate the masses.**

The old maxim, 'divide and conquer', is being played out to the limit worldwide, to ensure that everyone is frightened for their personal safety, and to be suspicious of everyone else.

****We see this already with the illuminati playing both sides. People start accusing each other of being on the other side. You begin to question who is telling the truth and who is a decoy or a plant.**** You must have HOLY SPIRIT to discern. This is spiritual warfare.

Mark 3:23-26 –And He called them unto Him, and said unto them in parables, How can satan cast out satan? And if a kingdom be divided against itself, that kingdom cannot stand. And if a house be divided against itself, that house cannot stand. And if satan rise up against himself, and be divided, he cannot stand, but hath an end.

They are dividing us through false religions, race wars, political correctness, gay pride etc.

This, too, is mind-control. To go further in regard to the new technology which is at the base of the NASA Blue Beam Project, we have to consider this statement by psychologist **James V. McConnell** which was published in a 1970s issue of *Psychology Today*. He said, 'The day has come when we can combine sensory deprivation with drug hypnosis and astute manipulation of reward and punishment to gain almost absolute control over an individual's behavior.'

Sensory deprivation tank now called floatation therapy tanks. They even have hypnotic cd's to use while floating.

STATES OF CONSCIOUSNESS

- Normal Waking Consciousness
- Altered States of Consciousness:
 - Sensory deprivation
 - Hypnosis
 - Meditation
 - Psychoactive Drugs
 - Sleep/dreams

It should then be possible to achieve a very rapid and highly effective type of positive brainwashing that would allow us to make dramatic changes in a person's behavior and personality.' This goes right along with MK Ultra and MK Search – mind control done by NSA and CIA and the elite and continues today.

1 Peter 5:8–10 -Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour: Whom resist stedfast in the faith, knowing that the same afflictions are accomplished in your brethren that are in the world. But the God of all grace, Who hath called us unto His eternal glory by Christ Jesus, after that ye have suffered a while, make you perfect, stablish, strengthen, settle you.

Now, when we talked before about that kind of ray and the telepathic and electronically augmented communication, the kind of rays that are fed from the memories of computers which store massive data about humans, human language and dialects, and we said that the people will be reached from within,

making each person to believe that his own god is speaking directly from within his or her own soul.

We refer to that kind of technology and that kind of thinking that same psychologist was espousing, that is: we should be trained from birth that we should all do what society wants us to do rather than what we want to do for ourselves; that because they have the technology to do it, **no one should now be allowed to have their own individual personality.** This statement and these ideas are important because it is the basic teaching of the United Nations that no one owns his or her own personality. And that same psychologist claims that no one has any say-so about the kind of personality they acquire and there is no reason to believe you have the right to refuse to acquire a new personality if your old personality is considered 'antisocial.'

Psalms 139:14 – I will praise Thee; for I am fearfully and wonderfully made: marvelous are Thy works; and that my soul knoweth right well.

Magnus Olsson mentioned, that Bill Gates holds an astonishing patent for *the human body as antenna*—made possible by nanotechnology.

What is important in this declaration is that the new world order will be set up over the current system, meaning the old way of thinking and behavior and religion will be considered the 'old' and incorrect way of thinking and that they can change it at one of the

[eradication camps](#) of the United Nations to make sure that anyone with this 'antisocial' behavior will be disposed of quickly so that other modified individuals will be able to fulfill the needs and agendas of the new world order without being distracted by the truth. **America does have FEMA camps in place already.**

Could this be the greatest mind control project ever?

The NASA Blue Beam Project is the prime directive for the new world order's absolute control over the populations of the entire earth. I would suggest you investigate this information carefully before dismissing it as fanatic lunacy. If we go further in the different reports we have presented, we find that the mind-control operations and technology include a transmitter that broadcasts at the same frequency as the human nervous-system, which transmitter is manufactured by the **Loral Electro-Optical System** in Pasadena, California. Loral, a major defense contractor, has previously conducted research on directed energy weapons for **Lt. Gen. Leonard Perez** of the U. S. Air Force who was searching for a weapon that could implant messages into the minds of the enemy while urging his own troops on to superhuman deeds of valor!

The device employs electromagnetic radiation of gigahertz frequencies [microwaves] pulsed at extremely low frequencies (ELF). It is used to torture people both physically and mentally from a distance.

Picture 2: Microwaves going through walls

Weapons of this type are thought to have been used against a British woman protesting the presence of American Cruise Missiles at Greenham Common Airbase during the 1970s. This weapon can be used to induce total sensory deprivation by broadcasting signals into the auditory nerve at such high power that it blocks the ability of the individual to hear themselves think!

Deut:30:15,19 – See, I have set before thee this day life and good, and death and evil; I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing: therefore choose life, that both thou and thy seed may live:

They are trying to take our free will away. Take our minds, our thinking away.

When you get tired and think is He ever going to come? This world is hell on earth, I don't want to be here no more. Maybe you are thinking of throwing in the towel on Christianity and buying into the new age movement or the NWO (new world order) religion. Everyone else is doing it and it seems ok. All the famous people are on board. Christians are getting such a bad wrap these days, persecution everywhere you turn.

Isaiah 40:29-31 – He giveth power to the faint: and to the that have no might He increaseth strength. Even the youths shall faint and be weary, and the young men shall utterly fall: But they that wait upon the LORD shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk and not faint.

2 Cor.4:3-4 – But if our gospel be hid, it is hid to them that are lost: In whom the God of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, Who is the image of God, should shine unto them.

Prayer: Dear Heavenly Father, thank You most of all for Jesus Christ, the Lamb Who was slain before the foundation of the world. Father, You and You alone are God, no one and nothing tells You what to do. Lord, I want to pray the prayer of Jabez over Your children today: Bless them indeed, give them greater success in all areas of their lives. Lord, enlarge their territory and give them greater influence, bring new people into their lives to reach with the Gospel, and expand their borders. Heavenly Father, I ask that Your hand would be with Your children, for when the hand of the Lord is upon them, there is greater power and anointing in their lives. I pray for open doors that no man can shut. Lord, keep them from

evil, and I ask for greater protection and for Your purposes to be fulfilled in their lives. I pray that You would keep us all from pride, greed and lust of the flesh.

Father, I ask that You would take addictions to video games off of Your children. Break this off of their lives in Jesus' name. Lord pour out a desire to spend more time with You and learning of You and drawing nearer to You. Help us all to quit wasting time on worldly things that don't matter. Help us to strive to help those in need.

Lord I pray that You would raise up ministries that are not scared to preach truth and expose evil. To truly feed Your sheep. I want to lift up Sean Hross and his family to You Lord. He has been tortured in prison for speaking truth and now his wife and family have been taken away from him.

Bob McComb's family and friends – Jenny comfort and peace carry them in Your arms.
