

PROJECT BLUE BEAM – Part Four

Today we are continuing on step 4 of project blue beam.

The process employed by such ELF technology are described in various U. S. Defense Department publications. Another pulse microwave device can deliver audible signals directly to an individual while remaining undetectable to anyone else. The technology is very simple and can be built by using an ordinary

police radar gun.

The microwave beam generated by the device is modulated at audio frequencies and can broadcast messages directly into the brain. Now here we come to the NASA Blue Beam Project. The broadcasting of subliminal two-way communication and images from the depths of space correspond directly to that kind of technology.

Microwave transmission of speech directly into the auditory cortex. The victim hears the message, but even a person laying in bed next to him/her cannot hear the transmission. This is only one of the things that the microwave weapons can do to us. btw, the standards for determining schizophrenia are being rewritten in 2010.

A modified version of this laser rifle created to dazzle enemies by the US Air Force has been adapted by the Department of Justice to inflict pain from a distance (Image: US Air Force)

In his book, '*The Body Electric*,' Nobel Prize nominee Dr. Robert O. Becker describes a series of experiments conducted in the early 1960s by **Allen Frie** where this phenomena was demonstrated as well as later experiments conducted in 1973 at the

Walter Reed Army Institute of Research by Dr. Joseph C. Sharp who personally underwent tests in which he proved he could hear and understand messages delivered to him in an echo-free isolation chamber via a pulsed microwave audiogram which is an analog of the word's sound vibration beamed into his brain. Becker then goes on to state, 'Such a device has obvious application for covert operations designed to drive a target crazy with unknown voices or deliver undetectable instructions to a programmed assassin.'

1 Cor. 14:10 – There are, it may be, so many kinds of voices in the world, and none of them is without signification.

So many voices speak into our lives, doubt, depression, discouragement, suicide, fear but we need Holy Spirit discernment to know if it is a Godly voice or not - to know if it is the Voice of Truth.

After the fall of Adam and Eve, they no longer got to see the LORD God face to face.

Gen.3:8-9 – And they heard the **voice of the LORD God walking** in the garden in the cool of the day: and Adam and his wife hid themselves from the presence of the LORD God amongst the trees of the garden. And the LORD God called unto Adam, and said unto him, Where art thou?

What about the prophets when the Bible says and the Voice of the Lord came unto them?

1 Kings 22:6-7 – Then the king of Israel gathered the prophets together, about four hundred men, and said unto them, Shall I go against Ramoth-gilead to battle, or shall I forear? And they said, Go up; for the LORD shall deliver it into the hand of the king. And Jehoshaphat said, Is there not here a prophet of the LORD besides, that we might enquire of him?

Now figure out when we hear that voice from the new world messiah who would be speaking from space to all of the sane (?) people of the earth who might give instructions to zealots and religious fanatics, we would see hysteria and social mayhem on a scale never witnessed before on this planet. No police forces in the world, even as a combined front, could deal with the disorder that will follow! A 1978 book entitled, '*Microwave Auditory Effect and Application*,' by **James C. Lynn** describes how audible voices can be broadcast directly into the brain. This

technology could actually allow the blind to see and the deaf to hear. Instead, it has been turned into a weapon to enslave the world.

Allen Frie also reports that he could speed up, slow down or stop the hearts of isolated frogs by synchronizing the pulsed rate of a microwave beam with the heart itself. According to Dr. Robert Becker, similar results have been obtained using live frogs, which shows that **it is technically feasible to produce heart attacks with rays designed to penetrate the human chest.**

[EDITOR'S NOTE: Both the author of this report and his colleague died of 'heart attacks' only days apart.]

It has been demonstrated that focused ultra high frequency UHF electromagnetic energy beams can be used to induce considerable agitation and muscular activity or induce muscular weakness and lethargy. Microwaves can also be used to burn human skin and aid the effect of drugs, bacteria and poisons or affect the function of the entire brain.

DEW hit August 9, 2007

2007 after being burned day after
day after day on the legs by a
directed energy weapon
(microwave weapon).
<http://www.petermooring.nl>

These effects were all revealed at length by the CIA on September 21, 1977 in testimony before the Subcommittee on Health and Scientific Research. **Dr. Sidney Gottlieb** who directed the MK-Ultra program at that time was forced to discuss the scope of the CIA's research to find techniques of activation of the human organism by remote electronic means. So this is something that exists right now, that has been pursued to its highest degree, that can be used from space to reach any person, anyplace on the face of the earth.

If we go deeper in that process of mind control over the people we find that the equipment and technology has been used to influence politics in a much more direct fashion. Michael Dukakis, the Democrat candidate running against George Bush in the 1988 election was targeted with microwave technology in order to impede his public speaking performance once the public opinion polls showed he posed a serious threat to

Bush's election prospects. He also claims that the equipment was used against

Kitty Dukakis and drove her to the brink of suicide. In the Disneyland world of U. S. politics, a presidential candidate with problems such as these, would obviously lose their race to the White House. In the December 1980 edition of the U. S. Army Journal, called the Military Review, a column by **Lt. Col John B. Alexander**, entitled, '**The New Mental Battlefield: Beam Me Up, Spock,**' provides further insight into the technical capabilities at the disposal of the comptroller. He writes:

*"Several examples will demonstrate areas in which progress has been made. The transference of energy from one organism to another; the ability to heal **or cause disease to be transmitted over a distance, thus inducing illness or death from no apparent cause;***

telepathic behavior modification which includes the ability to induce hypnotic states up to a distance of 1,000 kilometers (about 621 miles) have been reported.

Microwave Towers

These towers and satellites will aid in making the following scripture come to life.

2 Thess.2:9 – Even him (antichrist), whose coming is after the working of satan with all power and signs and lying wonders.

The use of telepathic hypnosis also holds great potential. This capability could allow agents to be deeply planted with no conscious knowledge of their programming. In movie terms, the Manchurian Candidate lives, and does not even require a telephone call. 'Other mind-to-mind induction techniques are being considered. If perfected this capability could allow the direct transference of

thought via telepathy from one mind or group of minds to a select target audience. The unique factor is that the recipient will not be aware that thought has been implanted from an external source. He or she will believe the thoughts are original."

Job 42:2 – I know that You can do every thing, and that no thought can be withholden from You.

Matt.9:4 – And Jesus knowing their thoughts said, Wherefore think ye evil in your hearts?

God knows all our thoughts, He knew the end from the beginning. Jesus is the Lamb that was slain from the foundation of the world.

Now satan has finagled a way with the knowledge shared from the fallen angels to steal our thoughts. He's always trying to imitate God.

The third step in the NASA Blue Beam Project is called the **Telepathic Electronic Two-Way Communication**. Lt. Col John Alexander's article continues:

*"If it is possible to feed artificial thought into the multigenic field via satellite, the **mind control of the entire planet is now possible**. An individual's only resistance would be to constantly question the motivation behind their thoughts and not act upon thoughts which they consider to be outside their own ideological, religious and moral boundaries."*

Romans 12:2 – And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.

Phillipians 4:8-9 – Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things. Those things, which you have both learned, and received, and heard, and seen in me, do: and the God of peace shall be with you.

Once again, it is wise to consider how television, advertising, modern education and various types of social pressure (((These are voices vying for our attention.))) are used to manipulate those boundaries. It has been reported by Lt. Col Alexander who said, in the summary of his Military Review article,

'The information on those kinds of technologies presented here would be considered by some to be ridiculous since it does not conform to their view of reality. But some people still believe the world is flat.'

Now, this means a lot, because if people do not believe this kind of technology is possible, or that it is science fiction, those people put themselves in great jeopardy, because on the night when those thousand stars will shine from space, during the night when the new messiah will be presented to the world, they will not be prepared and will have no time to prepare to save themselves against that kind of technology. They don't believe and they won't take time to prepare.

Turkish Prime Minister Erdogan of Turkey in 2014 via hologram

(This is exactly what happens to people who are convinced by satan into believing that he doesn't exist, so they have no defense against him. - JAH.)

UNIVERSAL SUPERNATURAL MANIFESTATIONS VIA ELECTRONICS

The **fourth step** concerns the universal supernatural manifestation with electronic means. It contains three different orientations.

One is to make mankind believe that **an alien (off-world) invasion** is about to occur at every major city on earth in order to provoke each major nation to use its nuclear weapons in order to strike back. This way, the United Nations Court will require all those nations which launched nuclear weapons to **disarm** (Just like Hitler did, just like Obama is working on) when the invasion is shown to have been false. **And how will the United Nations know that the invasion was false? They will have staged it, of course.**

Alien Abduction

This card requires *UFO* or *Space* action.
Play this card on any *Personality* at any time. Until the end of the current turn, that *Personality* has no alignments at all. Furthermore, it cannot get any alignments until the end of the current turn, for any reason!
Alternatively, play this card on a *Personality* in your hand (or in the uncontrolled area) to take control of them automatically.

Requires UFO or Space Action

Tom Cruise tries to protect his family from aliens invading earth. **Interesting note on the movie poster: "They're already here." How true that is.**

Another scene from “War of the Worlds”

The second is to make the Christians believe that the **Rapture** is going to occur with the supposed divine intervention of an alien (off-world) civilization coming to rescue earthlings from a savage and merciless demon.

I really don't know where they are getting this at because clearly the only person who is going to rescue Christians is Jesus Christ. But I'm sure they are counting on their programmed pastors and preachers and all those people who don't know Jesus intimately to fall for this.

Its goal will be to dispose of all significant opposition to the implementation of the New World Order in one major stroke, actually *within hours* of the beginning of the sky show!

John 14:1-4 – Let not your heart be troubled: ye believe in God, believe also in Me. In My Father’s house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto Myself; that where I am, there ye may be also. And whither I go ye know, and the way ye know.

No body or anything is coming for us except Jesus Christ Himself!!

The third orientation in the fourth step is a mixture of electronic and supernatural forces. The **waves used at that time will allow "supernatural forces" to travel through optical fibers, coaxial cables (TV) electrical and phone lines in order to penetrate to everyone at once through major appliances.** Embedded chips will already be in place. *The goal of this deals with global Satanic ghosts projected all around the world in order to push all populations to the edge of hysteria and*

madness, to drown them into a wave of suicide, murder and permanent psychological disorders.

CERN WATCH

Evidence and Connection to the Occult

LHC – the word Hadron, could it be from a root of hades? Which is hell. In December of 2012, believed to be the end of the age according to the Mayan calendar, they turned on the LHC to 75% power. This is the winter solstice which is the time of year that occultist celebrate and worship the sun god. When they did this all around the town and area where they are located, demons began to manifest.

After the **Night of the Thousand Stars**, worldwide populations will be ready for the **new messiah to re-establish order and peace at any cost**, even at the cost of abdication of freedom.

PHASING OUT CASH AND INDEPENDENCE

The techniques used in the fourth step is exactly the same used in the past in the USSR to force the people to accept Communism. ***This matches the dream that the Lord gave Ms. Luiza that I shared in an update nugget.** The same technique will be used by the United Nations to implement the new world religion and the new world order. A lot of people ask when this is going to happen and how they will accomplish the visions of the Night of a Thousand Stars, and the events that will point to the days when it will begin.

According to the many reports we have received, we believe it will begin with some kind of

worldwide economic disaster. Not a complete crash, but enough to allow them to **introduce some kind of in-between currency** before they introduce their electronic cash to replace all paper or plastic money. The in-between currency will be used to force anyone with savings to spend or turn in their cash because they understand that people who have money and are not dependent upon them might be the very ones who will mount an insurrection against them. If everyone is broke, no one can fund a war of any kind: paper currency will cease to exist. This is one of the first signs.

But to implement the worldwide electronic money system, everyone in the world who might have money in the future, will have to have a way to transfer money electronically. Before that time, everyone will have spent, before the year 2,000, all of their cash, reserves and assets. Everyone has to be 100% dependent upon the Council for their existence.

When the one world currency goes into effect:

Rev.13:16-18 – And he (false prophet) causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.

To prevent any kind of independence, the new world order has already **implanted micro chips** in wild animals, birds,

fish, etc. Why? They want to make certain that the people who will not accept the New World Order will not be able to hunt or fish anywhere in the world. If they try, they will be tracked and traced by satellites, then hunted down and imprisoned or killed.

The new world order is already changing the laws of all nations to make everyone dependent upon a single food and vitamin supply. They are changing laws about religion and psychiatric disorders in order to identify anyone who is potentially threatening to the NWO. Those who are found defective will be sent to [eradication camps](#) where their [organs will be taken and sold to the highest bidders](#). Those who are not killed outright will be used as slave labor or used in medical experiments. The goal of a dictatorship is to control everyone, everywhere on the planet, ruthlessly and without exception. That's why the new technology being introduced everywhere is a technology for the control of the people. The technology of the 1940s and 1950s was used to help the people have an easier and more productive life.

The new technology is designed and built to track down and control people everywhere. This technology is being manufactured for a specific purpose and to

refuse to see and recognize that purpose, which is to enslave the entire populations of the world, is to deny the emergence of the antichrist and the establishment of the new world order religion and government. **If you cannot see, if you cannot learn, if you cannot understand, then you and your family and friends will succumb to the fires of [the crematoria that have been built in every state and every major city on earth](#), built to deal with you.** (Documentation of smoke stacks at internment camps in Hawaii) No one is safe in a totalitarian police state!

Serge Monast

CLOSING:

What are the New World Order plans? They plan the destruction of all people who believe in the Bible, who worship Jesus Christ, and the complete disappearance of Christianity to achieve this plan.

2 Cor. 2:11 – Lest satan should get an advantage of us: for we are not ignorant of his devices.

Phil.4:6-7 – Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God. And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus.

PRAYER: Dear Heavenly Father, thank You so much for Jesus. Lord Jesus, thank You for laying Your life down for each and every one of us. Thank You for praying in that garden of Gethsemane and facing such a hard thing and praying about it just as we would, not to have to face. Oh but still doing the Father's Will !!!! Thank You for giving us the victory through You and redeeming us back to our Father in heaven. Father God, You are all seeing, all knowing, all present, all powerful and nothing has been a surprise to you. You knew the end from the beginning and so we are asking You not to let us fall for this deception. Don't let us be deceived. Lord even when we teach or preach or witness or share with others, don't let us be deceived and don't let us deceive others. Help us Father not to be a stumbling block for anyone. We are in some very hard times Lord, but we ask You to strengthen us by Your Holy Spirit and to stand boldly on Your Word and to always know as long as we walk with You and

want You in our lives, You are with us! Even if it seems the devil is rising up with his minions and his trickery, we still know the outcome because You have also made the end clear to us by Your Holy Spirit in Your Word. Father, tuck us under Your mighty wings and we lift up our loved ones ad friends to Your Lord.

I break – you satan --- I bind you satan ---- and command you to flee off of the in Jesus name!

Dear Lord, now that satan is bound, please send forth the perfect labors of the gospel to spread the good news in such a way they will listen and understand and make Jesus Lord of their lives and come out of the snare of the devil. Send in Your warring angels if they are needed. Jesus, You said You were sent to set the captives free, set them free this morning.
