

PROJECT BLUE BEAM – Part Seven

Bridget – a TI shares:

Every pastor on the planet needs to understand what these weapons can do. Before I learned that I was being targeted I got hit with a voice of God weapon. "God" said he wasn't going to forgive me. I literally went without sleep for three solid days and I felt like I was in hell.

I started fasting. I was a work and the real voice of God spoke to me out of my heart. He said, "Do you really think your fasting could do more for you than the blood of Jesus Christ has already done?" I was so relieved but it was still several years before I started researching and realized what the perps were doing to me with those weapons.

Please share. I believe that God has allowed me to experience these things to warn the church. "They overcame by the blood of the lamb and the power of their testimony."

D'Artagnan:

I believe I was born into this. My step father was in the US military, as was his father. My step father and his siblings were taken from his alcoholic father to a residential school in Brantford, Ontario. Many terrible things have been written about that place. I believe my step father's programming started at that place. I am certain he was in a covert mind control program. I recall having "dreams" when I was a young child, seeing my step dad's inactivated clone with wires and tubes hooked up to him. I didn't know at that time that he was a clone, however. I thought he was in a trance or something. I have also seen him in a trance in real life.

What I am getting at here is that I believe my step father was programmed to "get saved" and go on to preach as an evangelist. I think it is possible that when he supposedly gave his life to the Lord, he actually switched personalities. He had MPD. ****New creation – can you see satan copy catting what God does – through technology and torture and abuse to break a person down so that they can be “mind controlled and programmed.”???**

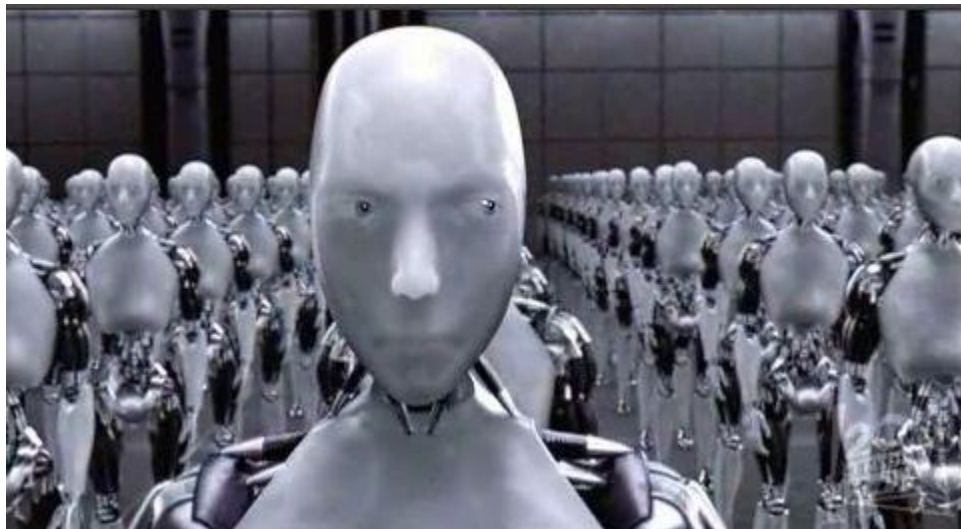

WHAT IS PROJECT BLUE BEAM –

RADIO INTERVIEW “Late Night in the Midlands”

The illuminati have been trying to push everyone to believe in new age. This deals with the religious aspect of NWO. This project was supposed to happen in 2000 but they have been pushing it back. I know one big push was happening around 2012 because of the Mayan calendar ending.

HAARP (controls and modifies and weaponizes the weather), CIA, FBI, NSA and military are all involved. The pope declared all religions true, on CNN China news. They could have a

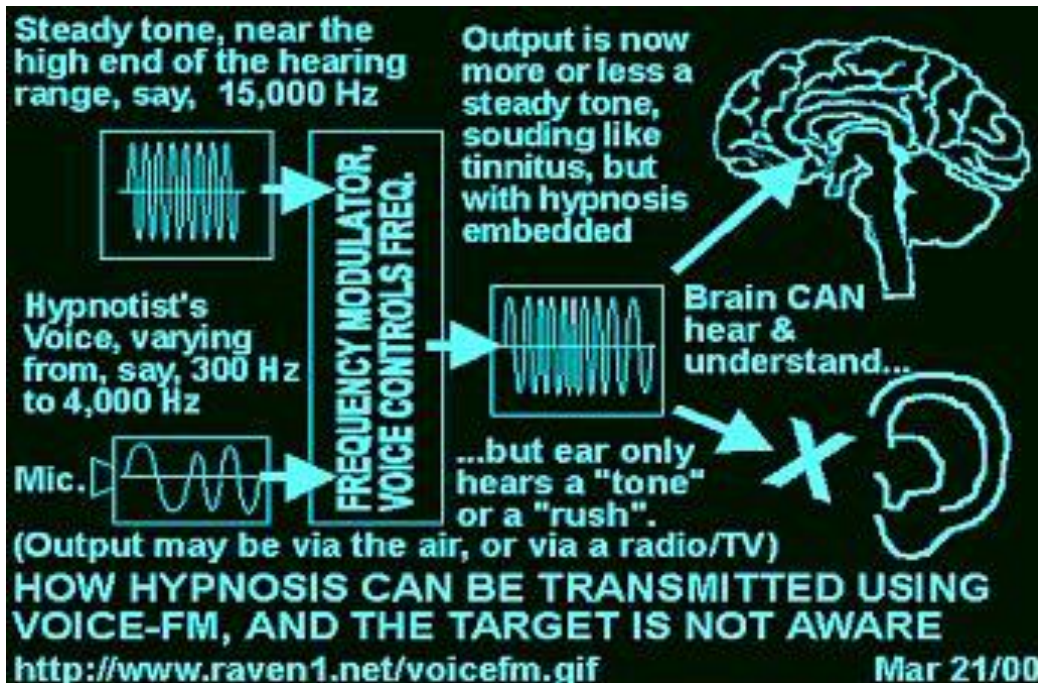

From the movie: “I, Robot”

Zombie Army – a video game (they are the walking dead – rephaim / nephilime cloned army made to look like aliens. ****Isaiah 26:13-14** – O LORD our God, other lords beside You have had dominion over us: but by You only will we make mention of Your name. They are dead, they shall not live; they are deceased, they shall not rise: therefore hast You visited and destroyed them, and made all their memory to perish.**

There will be a war on religion to destroy all beliefs and bring them all together into one religious system. It will become a crime to practice your religion. New age is actually ancient Babylonian and Sumerian mystic occult religion.

With V2K (voice to skull) technology they can put voices in your head and images into your mind. **They can and already are doing these type of things.**

One caller called in and said when he was experimenting with drugs is when he started having demonic experiences.

1 Peter 5:8 – Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour:

They test this project on soldiers and their families. I know right now from TI's (targeted individuals) that have contacted me that they are testing this on random people as well. They talked about a guy that drew a picture of Bush and got sent to jail for domestic terrorism. He disappeared for a while, and when he came back he felt strange. He had been chipped.

If you have thoughts that don't seem like your own or you don't feel like yourself, it is probably the illuminati messing with you – you could be a target.

Remember the update nugget I shared about Jade Helm recently. They are doing things to our military and the young man called his mom and told her he thought they had made him take the mark of the beast. They had done something to him.

It wasn't the mark of the beast, but they are using our men and women for their sick experiments.

They know how to mess with our frequencies to throw us off.

DARPA made a real terminator robot. They can download thoughts and then upload them into the robot. ((Putting your consciousness into a robot.))

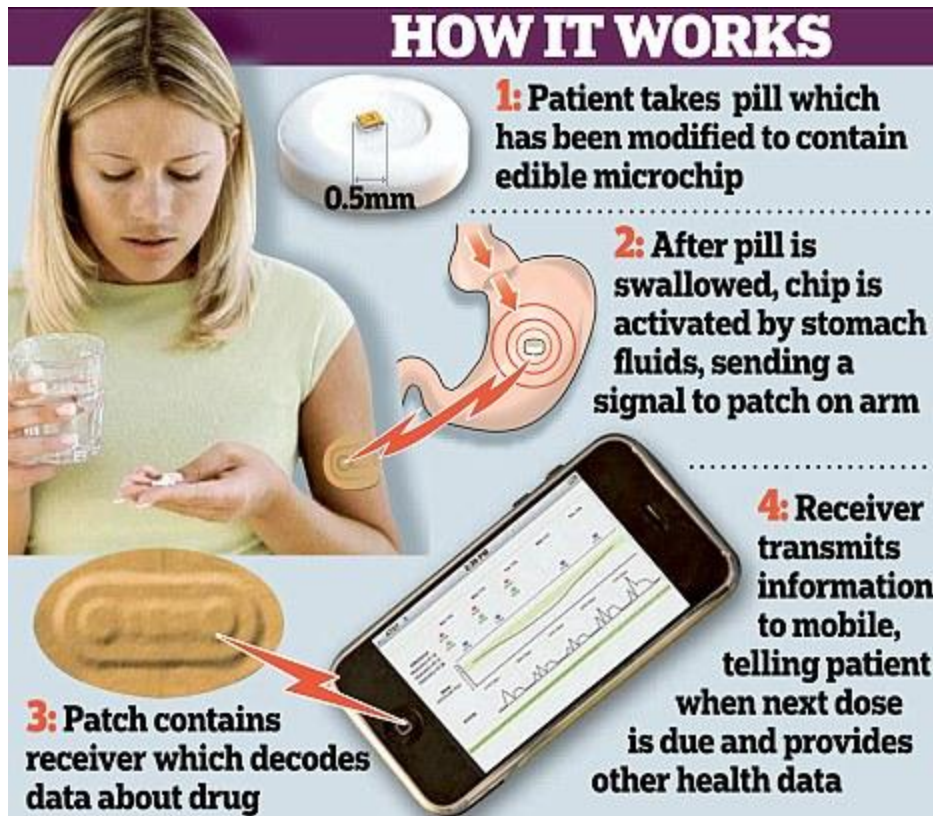

In some states being homeless is now illegal. They are giving homeless the choice of jail or the FEMA camp. A man was giving homeless people a spot to stay on his ranch and they came and arrested him. Peter said, he believed that they would

crash the economy and then send people to the FEMA camp. They talked about a show “The Killing Fields,” where 1/3 of the population were executed (depopulation) and then

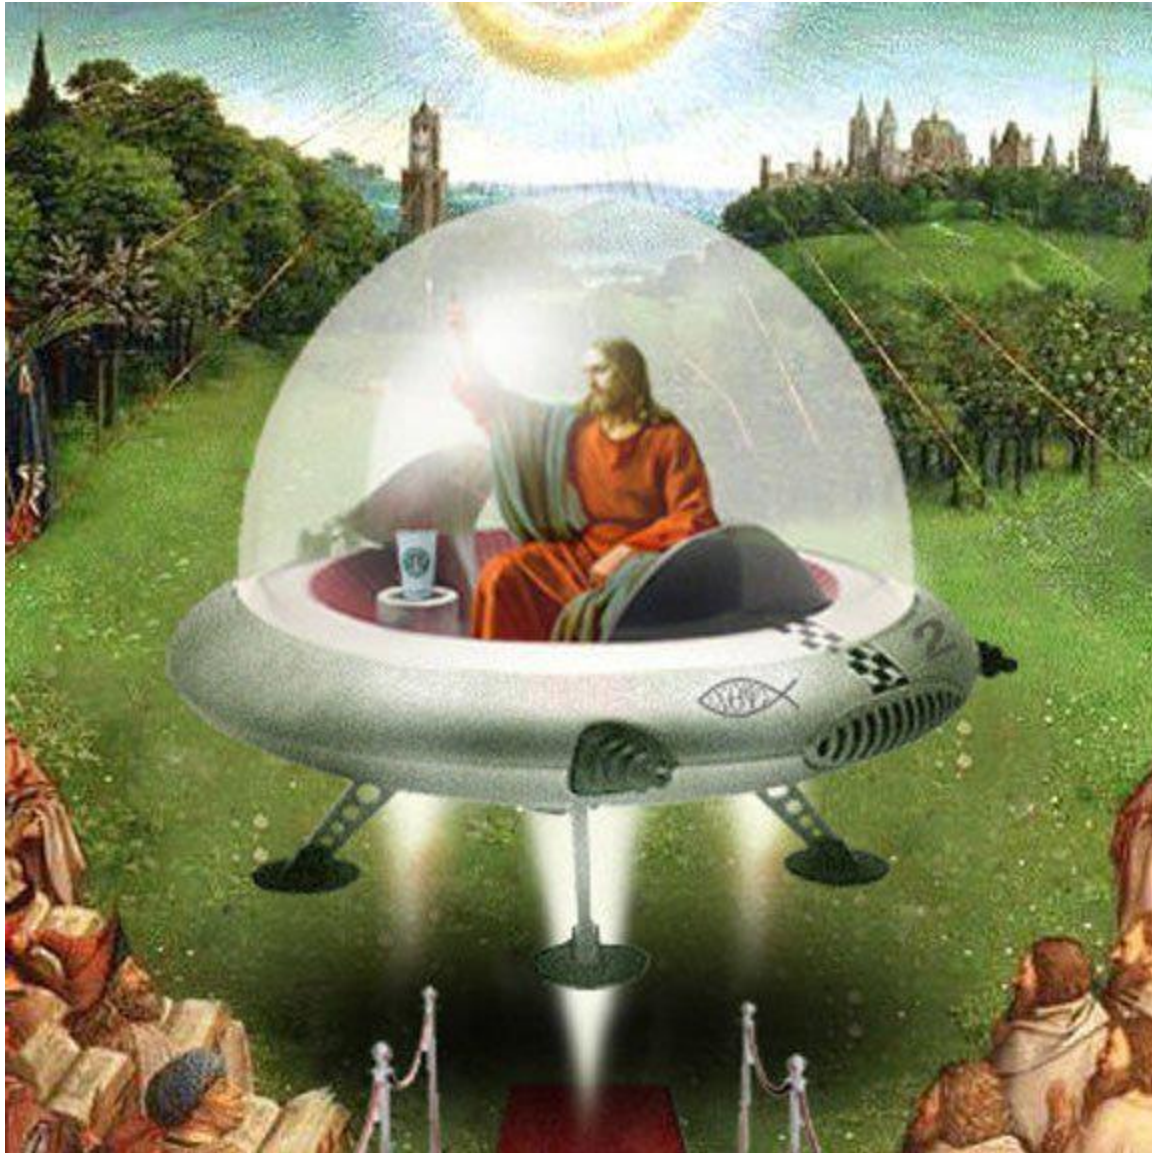

they just dropped you into the swamp. “The Killing Fields” More than a million people were killed here after the Cambodian Civil War.

Alexander said, “Mind control of the entire planet is possible now.” The hadron collider can also have a 2-way communication to the past.

Big pharma plays a part too, some medications have rfid chips in them to track you and bring out your thought processes.

Lady caller: She talked about the University of Cincinnati or the hospital of Cincinnati where her mother had participated in some experiments and she had also has a child. They were looking for psychic women.

She had a “premonition” of a spaceship and Jesus speaking in all languages. She was doing meditations and they caused a window to open in front of her eyes. She feels like she was drugged. They showed her Jesus on the spaceship on a big screen (long before we ever had flat screens) on the ufo. She said as people came off of the ufo that military people came off of the ufo too.

In the parapsychology department, she was trained in psychic abilities. The military has been messing around with genetics and messing with their minds.

**Remember Montauk using psychic abilities in experiments, the green berets –

killing animals and people with their minds, General George Griggs – an assassin under mind control, most of our government leaders are cloned.**

Her lights, tv, stereo come on and off. She said, once you are part of a project, they will follow you to the death.

After her experience on the ufo they took her in a room and told her it was ok to talk about aliens, et's, and ufos but if you talk about the government involvement, **WE WILL STOP YOU.**

Children operate in alpha and that is why they do all the experiments on them.

They hypnotized her and told her she would not remember anything.

Peter Flint said they may have assigned a poltergeist to her. Her mother was scared of her when she was little. Furniture would move around, lights would go on and off etc. She talked to people her parents could not see.

Mark 9:42 – And whosoever shall offend one of these little ones that believe in ME, it is better for him that a millstone were hanged about his neck, and he were cast into the sea.

The nephilim were going to be sent to prison and wanted to take their sons (gibborim – giants) with them but God said no. In the interview, Peter said, the poltergeist are the souls of the nephilim, they were bound and never allowed to leave. He said they can possess inside your body and to get them out you will need an exorcism/ deliverance. He talked about world leaders sharing their bodies with inter dimensional beings (demons), so when they get mad they look like shape shifters.

Enoch: 15:3 “For what reason have you abandoned the high, kodesh, and eternal heaven; and slept with women and defiled yourselves with the daughters of the people, taking wives, acting like the children of the earth, and begetting giant sons?” 15:4 “Surely you used to be kodesh, spiritual, the living ones, [possessing] eternal life; but now you have defiled yourselves with women, and with the blood of the flesh begotten children, you have lusted with the blood of the people, like them producing blood and flesh, which die and perish.” 15:5 “On that account, I have given you wives in order that seeds might be sown upon them and children born by them, so that the deeds that are done upon the earth will not be withheld from you.” 15:6 “Indeed you, formerly you were spiritual, having eternal life; and immortal in all the generations of the world.” 15:7 “That is why formerly I did not make wives for you, for the dwelling of the spiritual beings of

heaven is heaven.” 15:8 “But now the giants who are born from the union of the spirits and the flesh shall be called evil spirits upon the earth, because their dwelling shall be upon the earth and inside the earth.” 15:9 “Evil spirits have come out of their bodies. Because from the day that they were created from the kodesh ones they became the Watchers; their first origin is the spiritual foundation. They will become evil upon the earth and shall be called evil spirits.” 15:10 “The dwelling of the spiritual beings of heaven is heaven; but the dwelling of the spirits of the earth, which are born upon the earth, is in the earth.” 15:11 “The spirits of the giants oppress each other; they will corrupt, fall, be excited, and fall upon the earth, and cause sorrow. They eat no food, nor become thirsty, nor find obstacles.” 15:12 “And these spirits shall rise up against the children of the people and against the women, because they have proceeded forth from them.”

Jude 1:6 – And the angels which kept not their first estate, but left their own habitation, He hath reserved in everlasting chains under darkness unto the judgment of the great day.

Blue Beam ties in with **Revelation chapter 9**. They are speaking of the locusts which come up out of the bottomless pit. They can make anything they want by mixing dna. Example: Pig with a glowing nose etc.

Scientist inserted a green fluorescent protein into this cat.

And let's not forget Donald Marshall said they are putting weapons into animals that they are creating at the cloning stations.

The lady caller said she has "Precognition" – she knows things before they happen.

Her dad asked a lady on the spaceship if she was God and she said no, but that she was a goddess.

Exod.20:3 – Thou shalt have no other gods before Me.

What is a goddess? A demon – to believe in this and worship this is idolatry.

Psalms 106:37 – Yea, they sacrificed their sons and their daughters unto devils. (demons)

He asked if Jesus was there and she said yes, he wanted to see Him but she said no.

There is an inter dimensional war raging for our souls right now. One of the guys there said we all contain a certain amount of the serpent seed over the years. (I do not believe this.) Ancient Sumerians wrote on clay tablets about the serpent seed.

Donald Marshall says he is talking to this one, it is ra. Annunaki are a group of [deities](#) in ancient [Mesopotamian](#) cultures (i.e., [Sumerian](#), [Akkadian](#), [Assyrian](#), and [Babylonian](#)). This equates to fallen angels.

Anunaki (An- nu- Nah- Ki) showed up and invented religion and government. ****Religion and government are in our Bibles.**** Royalty (illuminati) inter bred trying to keep the seed, the reptilian seed or serpent seed, pure. End of lady caller.

Another caller: She was worried about being a hybrid because of RH- blood type. She had heard someone say that those with RH- blood are hybrids and would not enter the Kingdom. God is the Judge and final say on all things.

They said that you will not hear an audible voice. You will “hear” inside yourself. This is mimicking Holy Spirit.

They said they believe they want a “fake alien” invasion to make everyone come together to fight against the threat (just like Reagan said) and get their nukes out against the aliens. Then the UN will come along and de-arm everyone once the threat was proven to be false.

Talked of shipments of uranium mysteriously disappearing. Interesting side note on this, Ms. Karen on fb just spoke to me about Holy Spirit waking her up one night and speaking DU to her and it was depleted uranium – bombs and nukes have this in them and it is damaging and affecting our dna.

Of the 4 steps that Serge Monast spoke of, they believe all 4 steps have been implemented.

Most of all the presidents are blood related. They all have the same agenda, NWO. One of the guys on the interview said he was at a banking party back in 1999 and the amero was talked about then. Then in 2000, Alex Jones talked about it on his show. Amero is electronic currency. NSA memo in 1996 talked about something similar to a bit coin. **Rockefeller said we will just shut off their number via satellite.**

Peter said, Armageddon is a bad thing if you are tied to the system. If you like it, then be a freemason, support the government and hope you get a spot in the bunker.

IF YOU SEE A UFO (unidentified flying object), OR VIRGIN MARY, OR JESUS ON A CROSS - QUESTION IT!! Is it real? Or is it a hologram?

In closing:

I want to reiterate

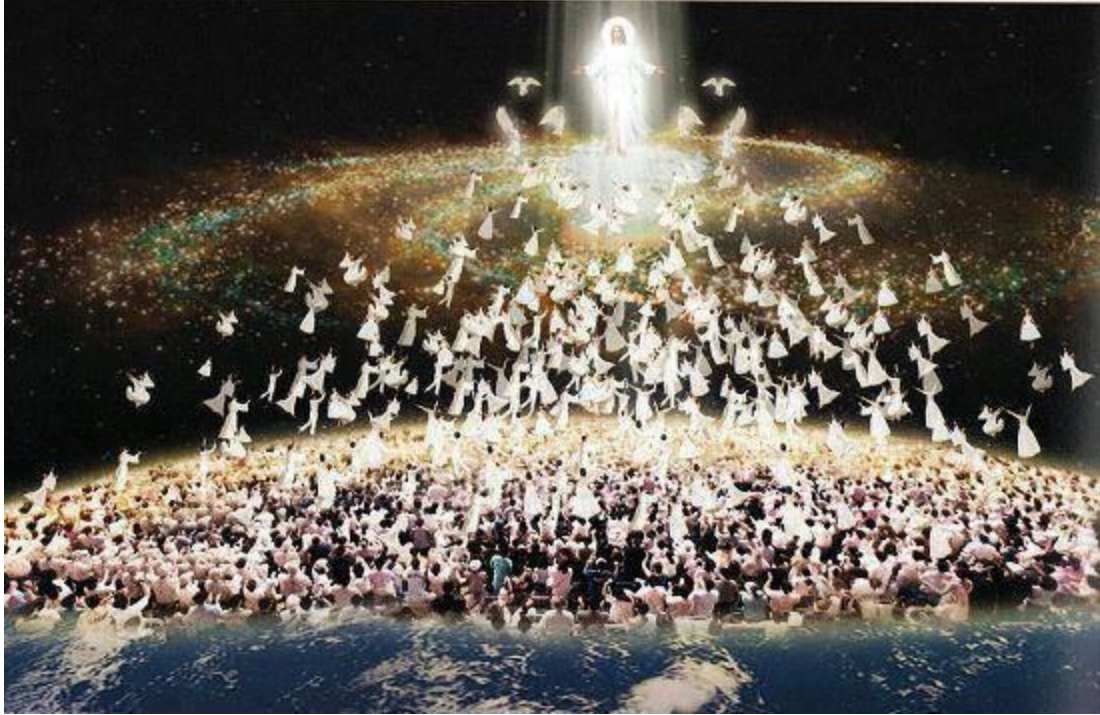

You will not be taken up by aliens or ufo's to heaven. Do not believe this. They are not here to help us evolve. We were created human and that is what we are, period. Evolution was created by the illuminati who used Charles Darwin and others and even have and still do silence people and destroy evidence to keep the masses buying into their pond scum theory, big bang theory, we come from the rocks theory.

If you see this Jesus in the sky – don't believe it. Don't go out. You don't have to do anything if you are in Him.

Matt.24:26 – Wherefore if they shall say unto you, Behold, He is in the desert; go not forth: behold, He is in the secret chambers; believe it not. (2nd coming – if they are told not to look for Him at 2nd coming, why would we look for Him at the rapture when it will happen in a moment!)

This is a truer representation of how the rapture of the church will be. Jesus will come in the clouds and receive us UP unto Himself. He will not just appear in the sky as a vision and we will just stand around looking at the vision while He speaks to us. He will catch us up to Him to be with Him forever.

1 Thess.4:16-17- For the Lord Himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first: Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord.

1 Cor. 15:51-52-Behold, I shew you a mystery, We shall not all sleep, but we shall all be changed. In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed.

Luke 21:36 - Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.

Prayer: Not to be deceived – to study to show ourselves approved – to escape all that is coming

To put You first in all things. To seek You before we seek man's wisdom.

Pray for TI's. – break/bind/cast off Holy Spirit & warring angels

For government, the elite, actors, singers – those caught up in secret societies.
