

NEPHILIM ARE HERE – Part Nine: OBAMA

You may be wondering why Obama is in a series on the nephilim. The next two messages will tie in with this weeks message and show us better why I am speaking on him, just bear with me.

Tehran | The Minister of Defense of the Islamic Republic of Iran has revealed yesterday that he was in possession of documents containing undeniable proof that United States President Barrack Hussein Obama had taken part in a top secret military cloning facility program. 2015

The Iranian government has long proclaimed that the American president was of non-human origin, but it is the first time it alleges having proof to back up their claims.

“Our secret services have fallen upon critical information about the cloning of American presidents going back 20 years. He is not the first nor is he the last” he told Iranian journalists.

“Obama is not of human origin, he was created by scientists” explained Brigadier General Hossein Dehqan on national television, yesterday.

Although the claim sounds outlandish, it is not the first time Obama has been accused of being of ‘non-human origin’ by top international officials, claims Larry Silver, a political analyst based in New York city.

“North Korea has been saying this for years. More recently, a NASA astronaut has claimed on his deathbed that Obama was the “produce of human and extra-terrestrial gene splicing” he explains. “Theories abound about this kind of subject” he adds.

Although the story went practically unnoticed in major western media outlets, the press release created a shockwave in countries of the Arab world. Photos leaked to the Iranian press allegedly show a secret laboratory where the clones are supposedly mass produced.

At The Door Revelation 1:18-19

In their video “Technology and Great Deception in the Biblical End Times,” they were shown a pharaoh in Samaria and Egypt. They could see that he was a pharaoh and they killed him and there was a woman who ran away. In Egyptian tradition, they would bury the servants with the pharaohs. The DNA from that pharaoh is what they used to make Barack Obama.

Anthony Thompson, former NASA Astronaut died at the age of 98 had this to say on his deathbed.

“He was being operated for a tumor in his lung, but the operation was too much for the old man” explains his only son. “He wouldn’t take any painkillers, he wanted to stay awake during the whole operation” he recalls.

During the 4-hour long operation, a lung was punctured and complications led the famous astronaut to his untimely death.

“He grabbed me by the hand and held my ear next to his mouth. He then told me all about how Obama was not human, but a hybrid being: half-human, half-alien” he explains, still visibly under the shock of such a revelation. “I never believed in aliens, but my dad went to the moon and worked for NASA all his life. He worked in Area 51 for more than 20 years. I don’t know what to think, but I had to tell the World, just in case it’s true”.

This picture was tweeted in 2014 “As a joke”

Obama is sitting on a throne (this is from Game of Thrones) holding a crown and there is a bow without any arrows. Looks like the pinecones were painted to represent the 4 horses in Chapter 6 of Revelation – but I can’t see the black pine cone.

Rev.6:2 – And I saw, and behold a white horse: and he that sat on him had a bow; and a crown was given unto him: and he went forth conquering, and to conquer.

There was a revelation given to Mr. James that the “White House” is symbolic of the white horse that the antichrist rides in on.

2008 – Denver Stadium – Election Speech – White Horse Symbolism

This points to Rev.6:2 – symbolically showing the white horse above the platform where they would be standing.

The presence of evil on this earth has been stepped up for the last phase of "The Plan". This presence is greater than a supernatural evil presence one may sense, but not see. We now have among us evil representatives in physical forms that do indeed look human, but are not. They are a combination of the human and "supernatural" that are able to operate in both realms. I know that at face value it sounds like fantasy, but in time you will be shown that it is not fantasy at all.

These evil forms are all in preparation for this last phase of "The Plan", which is much more than a physical plan for global dominance over humanity. - Carolyn Hamlett – former illuminati – raised in the illuminati.

The Pergamom Altar, the seat of satan

This seat of satan was shipped to Berlin from Turkey in the late 1800's and was rebuilt bigger in the 1930's.

Rev. 2:13 – I know thy works, and where thou dwellest, even where satan's seat is: and thou holdest fast My name, and hast not denied My faith, even in those days wherein Antipas was My faithful martyr, who was slain among you, where satan dwelleth. *This was spoken to the church of Pergamos which was in Turkey.*

Replica of the zeus altar(Pergamom altar) in Berlin. This was built per Obama's request after he visited the altar in Berlin. He made his Presidential acceptance speech at "Mile High Stadium in Denver, Colorado on this altar in 2008. ON PURPOSE – THIS WAS DONE FOR A PURPOSE.

Obama spoke in front of the Brandenburg Gate in 2013. Alongside is Angela Merkel the chancellor of Germany. The nazi's used this gate as a symbol of their party. Notice the 4 horses on top of the gate too – like the 4 horses of the apocalypse which is chapter 6 of Revelation. There is significance to the locations, colors, symbols and people present that are chosen by the elite when they carry out things like speeches. This is all satanic and done to serve their god – satan and gain more power from him and to continue to fool the public and draw us more and more under their control.

I want to thank Lynne C. who shared an article with me that was packed with information that needs to come out. I will be speaking from this article in the upcoming messages as well.

People not familiar with biblical eschatology may find this idea fantastic, that the being who becomes the Antichrist was once alive, then was dead, and returns from the grave to rule the Novus Ordo Seclorum (New Order of the Ages). But this is exactly what **Revelation 17:8** - seems to be saying: The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit, and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is. Further, the mythos of the Eye of Horus on the Great Seal, represents this very concept of deity incarnation into the "King" that is to rule. In ancient Egypt where this Great Seal symbol originated, each Pharaoh "became" the incarnation of the falcon god Horus during his lifetime, and at death, the Osiris—the divine judge of the netherworld.

As biotechnology and synthetic biology advance to the degree that we can now realistically anticipate reviving long-dead species, I have been able to convince a few scholarly minds that the Man of Sin could in fact be the return of a deceased Apollo/Osiris/Nimrod who arrives via **biotech resurrection**. Even Chuck Missler, raised the appropriate question not long ago in an online article about the Antichrist: "Could it be that this final world dictator will be, in some sense, a return of Nimrod?"

CLONING OF JESUS

In Lady Gaga's video G.U.Y. – they clone: Jesus, Gandhi, John Lennon & Michael Jackson

They are currently attempting to clone Jesus from the blood on the spear that was thrust into His side.

This DNA is unmistakably human, but does possess several small differences that have never before been seen. Several genes are present in the DNA extracted from the spear that do not exist in any other human, and their function is completely unknown. Scientists at W.I.T. feel that it is necessary to make a human clone utilizing this DNA so that observational data can be gathered regarding these new genetic markers

W.I.T. is excited to note that an agreement was made last December with the Democratic People's Republic of North Korea to host this potentially ground breaking project. An initial test batch of five embryonic clones has been created and are currently developing in host mothers. If they remain viable birth should occur no later than April of 2015.

2nd ARTICLE ON CLONING JESUS

“The Second Coming Group” in the USA aims to clone Jesus Christ to realize his second coming. The group believes that cloning Jesus Christ will fulfill the prophecy in the Bible, which calls for the use of technology to achieve the second coming and **not prayers and worship**. The group publicized their need for a virgin to act as a surrogate. After the birth of the baby she will be known as the “second technological virgin.”

Just received this testimony: My daughter had a dream in 2013 that Obama was giving a speech and his eyes grew big and black like an alien and then they turned green like a reptile and then he turned into a lizard man. And she said he wanted to kill all Christians and he was after her. Obama is something, I do believe he’s not completely human. End of Testimony.

Of course this is just a picture to give us an idea.

He can certainly be a cloned or created being as well as house the demonic, not telling what kind of mixture he really is.

THE BIRTH CERTIFICATE

There is research out there that shows his real name as Barack Hussein Soebarka. This was shown when Ann Dunham (his mother) was trying to apply for a passport. He has had several name changes: Barack Hussein Obama, Barack Obama, Barry Obama, Steven Dunham , and Barry Soetoro. Soetoro is supposed to be Obama's adoptive father.

Loretta Fuddy, Hawaii State Health Director who approved of the “birth certificate.” Mysteriously died in a plane crash. She and Obama’s mother were both linked to the Subud cult which originated in Indonesia.

The religion of Subud was founded by Mohamed Subuh.

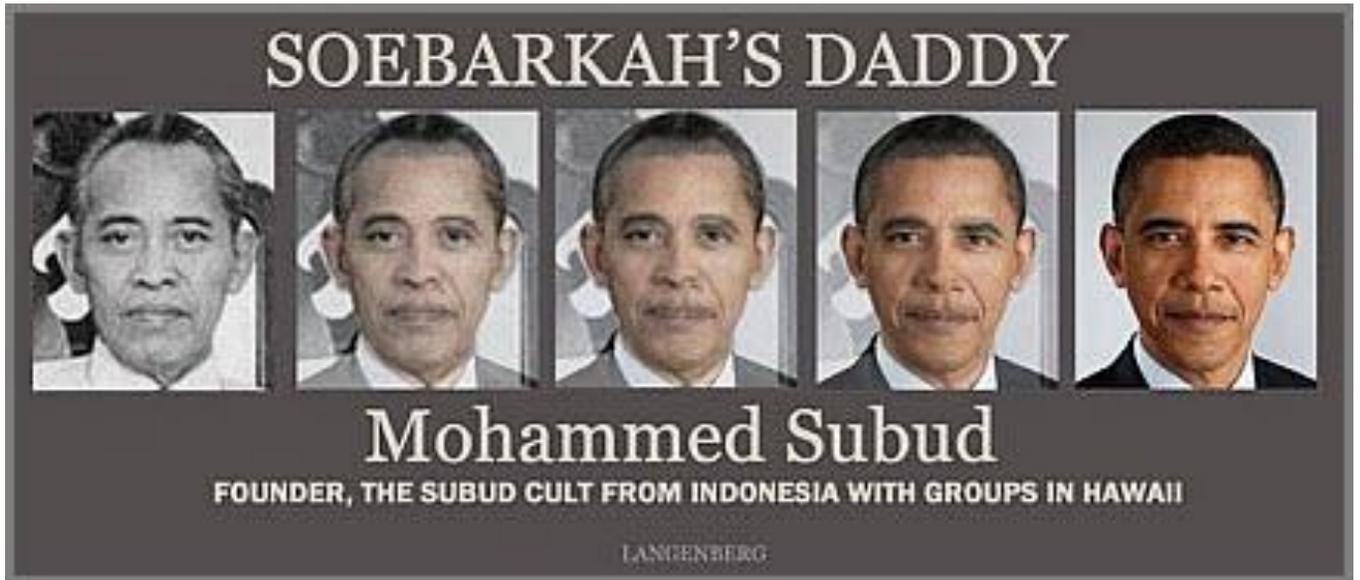

This cult has around 20,000 (10,000 according to Wikipedia) members worldwide. World Subud Organization is based in Chicago. Subud was introduced to Hawaii in the 1960's. Obama's mother was linked to Subud by her biographer and NY Times Reporter Janny Scott. Fuddy was installed in her office in Hawaii just a few months before the release of the birth certificate. The followers of Subud would often change their names for spiritual reasons.

Mohammed "Pak" Subuh

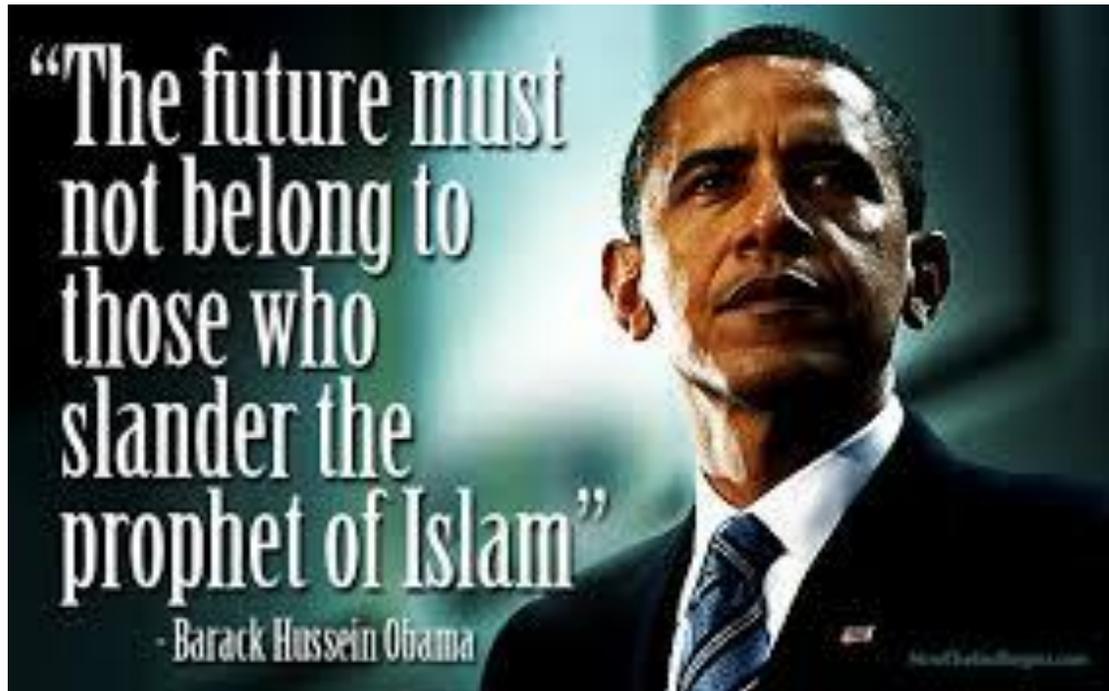

Obama and Subud

Who does Obama really look like?

What if Obama's mother could not produce a birth certificate to include Obama in the renewal of her passport and the Subud name "Soebarka" did not suffice legally. We don't see Soebarka anywhere else in any of Obama's documentation.

Coincidences?? Fuddy is in Subud and in Hawaii to approve the birth certificate
Obama's home state is Chicago which just happens to be where the World wide
base organization of Subud is located.

Obama's mom was in Subud, Fuddy was in Subhud, and this all originated in
Indonesia where Obama grew up. Seems to be questions as to if he was really
born in Hawaii. Kenyan authorities say he was born there. His mother took him
to Indonesia where he studied islam and was probably in the Subud cult under
Mohammed Subud who is linked to his mother, Fuddy, and Chicago. There are no
coincidences when you serve the Lord, He plans all the things we think are
coincidence. So too, we must question all of these "coincidences."

OBAMA'08

WWW.BARACKOBAMA.COM

Islam is the only religion that prophesies that the sun will rise from the West, instead of rising from the East, in the the End Times, before Day of Judgment. Both the Quran and the Hadith affirm that this phenomenon will take place. The occurrence of this phenomenon is considered in Islam as one of the major signs that indicate the Day of Judgment is close. **Also the sun is there for sun worship. Since Obama is President in the West – this logo hints at the sun rising from the west.*

Ex-CIA agent Clare Lopez just went on the record to The Examiner and World Net Daily stating that Obama is a radical muslim. She said many top officials know this but only whisper it and will not go on record stating it. Obama, on the other hand, was raised a Muslim, and went to Islamic school in an Islamic country (Indonesia) from the ages of six to eleven. He was tops in his quran class. Obama was [“previously quite religious in Islam.”](#) Lopez believes that the Muslim Brotherhood has thoroughly infiltrated the Obama administration and other branches of the federal [government](#).

As WND reported, Nation of Islam leader Louis Farrakhan declared in October that when Obama talks, “the Messiah is absolutely speaking.” **Islam is not a nation but a religion.**

**Barack Obama’s Marriage Equality Flag he

REVELATION 13:2
Now the beast which I saw was like a LEOPARD**

Rev. 13:2 – And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority.

Some say that the leopard fits Obama because he is racially a mix. A leopard also has spots – as in not righteous – but sin.

In the book “**Dreams From My From My Father**” by Barack Obama page 372, he says “I began to notice that people were looking behind me **fearfully**, rushing into their huts as I passed.” The antichrist comes with an appearance of peace, however when the identity of the antichrist will be revealed during the Abomination of desolation, people will **fear him** according to the bible.

Daniel 11:24 - He shall enter peaceably even upon the fattest places of the province; and he shall do *that* which his fathers have not done, nor his fathers' fathers; he shall scatter among them the prey, and spoil, and riches: *yea*, and he shall forecast his devices against the strong holds, even for a time.

Obama then describes about his dream, "I heard the **growl of a leopard** and started to **run** into the forest, tripping over roots and stumps and vines, until at last I couldn't run any longer and fell to my knees in the middle of a bright clearing and a giant figure looming as tall as the trees, wearing only a loincloth and ghostly mask. The lifeless eyes bored into me, and I heard a **thunderous** (linking to lightning, leading to satan) voice saying only that **it was time**, and my entire body began to **shake violently** with the sound, as if I were breaking apart. I jerked up in a sweat, **hitting my head** against the wall lamp that stuck out over the bunk. In the darkness, my **heart slowly evened itself**, but I couldn't get back to sleep again."

Obama was also born as under the Horus-cope (horoscope) of Leo which is a lion.

1 Peter 5:8 - Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour:

He attempted to run from his destiny, he saw the 'day turn into night'. He was engulfed in darkness. The figure wearing a ghostly mask was satan telling him he was the chosen one. "Shaking violently" is disturbia, going through demonic possession and "hitting my head against the wall lamp" is foretelling the deadly head wound of the Antichrist which he receives. Similar to the scars from wounds on the back of his head. His heart than evened out which means he accepted his role as the antichrist in his heart by his father, satan who gave him these dreams.

DR. PETER DAVID BETER

DR. BETER

(1921-1987)

Dr. Beter was General Counsel for the Export-Import Bank of Washington; a candidate for the governorship of West Virginia; cofounded SODESMIR, a mineral exploration company in Zaire; represented American gas utilities building a pipeline the length of Argentina; represented mining interests in underwater manganese nodule exploration in the Pacific; was featured at financial seminars in New York City, Los Angeles, San Francisco, Toronto, Montreal, Geneva, and other international financial centers. As a political and economic commentator, Dr. Beter worked with Wall Street luminaries including Franz Pick, Edward Durell, Colonel Curtis Dall, Norman Dodd, Emmanuel Josephson, and many others. He wrote prolifically, including *Conspiracy Against the Dollar* (Braziller New York).

[Information on Dr. Peter David Beter from Wikipedia](#)

Dr. Beter on this. We also know that satan has been making bodies to house his hierarchy and his army. Through research we have learned much about secret societies and that our world leaders are participating in these societies all linking to freemasonry, which is not new – it is the ancient mystery religion of Babylon. We know they have come into covenant with satan. This means they have welcomed his demons into their lives and bodies and have even signed agreements with them. The more we look into these things the more we learn that they plan what they do, what they say, who says it, colors, numbers, dates, speeches, artwork, buildings, monuments, books, movies, video games – all of it. We have to quit dismissing it as just crazy, or “I can’t believe they did that” or “man, the things they are getting away with” or “things are really out of control.” We have to stop not getting it, not seeing it. It is pure evil on display. We have to look back in the Bible to the time of Noah and realize that Jesus laid it all out for us.

Matt.24:37 - But as the days of Noe *were*, so shall also the coming of the Son of man be.

We know that by the time God sent the flood that fallen angels had already mated with human women and that their offspring, (giants) nephilim, were on this earth (Gen.6). We know they were sinning against everything, plants,

animals, birds, humans – all of it. The nephilim were eating humans and were dominating us. We had to fight them.

King David fought Goliath who was a nephilim. Now we are still fighting them spiritually.

We are awakening to the fact that we have part human and part animal in DUMBS and labs all over the world. To the fact that demons have manifested in the form of “aliens” that we can talk to, touch and interact with. They are inhabiting the earth beneath us in abundance and now openly coming more and more out where we are too. We have now studied and learned enough to know the “elite” are working to keep satan’s bloodline pure. The aliens/demons are working to change our atmosphere and us by chemtrails, gmo’s, water, dna, nanobots, and are targeting us with directed energy weapons.

When we look at the Israelites we always think they did such a poor job in staying true to God. But we aren't seeing our present situation. WE HAVE TO WAKE UP AND SEE THIS. THE IDOL WORSHIP NEVER WENT AWAY. So we read in the Old Testament about them worshipping baal (nimrod) and asherah (isis) and idols. That is the "ancient mystery religion of Babylon" and it is alive and well today. Look around in society and you will see the sun in everything and especially the catholic church and big corporations. You see isis, in Columbia Pictures lady, Statue of Liberty etc. The flor de leis represents the false trinity of nimrod, isis, and tammuz or osiris, isis, horus. Third eye, all seeing eyes are everywhere. Pyramids on everything. We have to realize just as the bad kings in Israel who made the land sin against God, we still have that kind of leadership today. The monuments which are symbols of nimrod's phallus are everywhere. Satanic churches and freemason lodges and underground sacrifices and rituals are still going on today. WE ARE IN THE DAYS OF NOAH. It really is an us against them thing. Only, we are not to be ignorant of what they are doing and who they serve and we are to pray for them and warfare against this evil. Do not approve of it or participate in it and educate your family and friends about what is happening right now. Lift Jesus up! He said, if I be lifted up, I will draw all men unto Me.

Luke 21:28 - And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh.

This is speaking of His second coming. If we see the things already taking place, then shouldn't we be looking up? It means His coming is even closer for His bride.
