

SPIRITUAL WARFARE in YOUR HOUSE

The teaching today is from a variety of sources and some personal testimonies as well. First we are going to start off with Frank Hammond's teaching on poltergeists – demons in the home.

****WARNING about Frank Hammond and his Deliverance Ministry – I am aware of the deception in his book “Pigs in the Parlor” and have talked about that in a Three Hearts Short titled “Pigs in the Parlor – Warning”. Many of these people have been deceived themselves. Or maybe they were part of the Jesuits who planned to infiltrate the churches and take them down from the inside out. I DO NOT RECOMMEND READING HIS BOOKS. LET’S JUST STICK WITH JESUS CHRIST AND GOD’S WORD. Much of his teaching in that book was good and true but there were deceptive things in it as well. I have gone over this teaching and the things shared here are all ok and in line with God’s Word.****

Houses, properties, and buildings can be inhabited by spirits and need to be cleansed.

What are you allowing into your home? Did you know that the things you watch and listen to have spiritual significance? Just like the song says, “oh be careful little eyes what you see, oh be careful little ears what you hear...”

Frank shared something that happened to him once during a hotel stay. As he slept that night in the hotel he was having wild nightmares that he was killing

people in his dreams and all sorts of stuff. The next day he was asking the Lord what that was about and was shown that it was coming from the tv in the room. That the tv had been a portal to bring in all sorts of demonic activity into that room.

When you go and stay in places like hotels and hospitals, they should be cleansed.

Say this or something to this effect: We establish this room as the operation of the Kingdom of God. Any spirit that is contrary or foreign to or hates the operation of God's Kingdom, we command you to get out of this room right now in Jesus' name. Every spirit that has been brought in here because of death, pain, trauma, suffering or through tv's and radios as a portal or from any acts that were not pleasing to God – you have no right here in Jesus' name. We command you out right now in the name of Jesus' Christ! I plead the blood of Jesus Christ over this room and all that is in it in the name of Jesus'.

From Yolindie in June 2016

Hi Pastor Cherie,

>

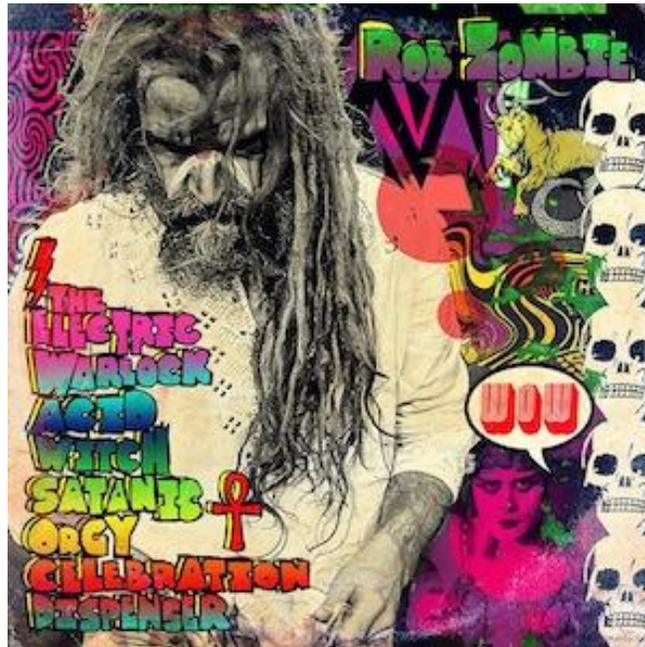

> I want to share something awesome with you.

>

> A few weeks ago we started to hear sounds outside our house. Like
> someone was fideling with the security bars infront of our windows but
> when we went outside there was nothing that could've done it. It
> happend a few nights in a row and it scared us because the sounds came

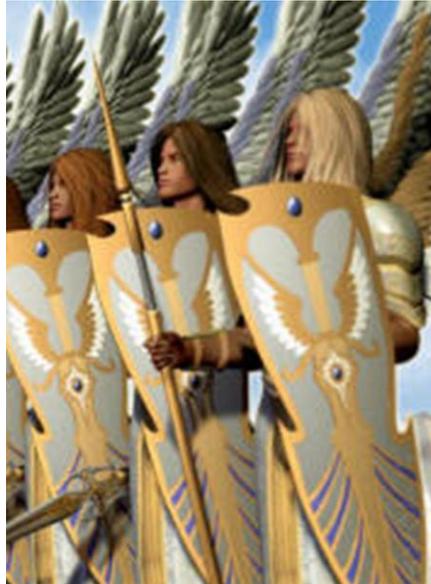

> from the babies room and she won't know she shouldn't cry if someone enters the house.

> One day I remembered my husband said he heard Rob Zombies music and he
> likes the beat.

(My husband doesn't believe in the spiritual- but I am
> praying for his eyes to open). I went through his computer and found
> Rob Zombies new album on in the library, I deleted it when I saw it.
>
> So I started to pray and that night I did spiritual warfare. As I was
> praying against all this the sounds came again.
>
> The next day I decided to anoint the house, I started at the fence and
> then the gate and every wall and window I anointed with oil and prayed
> against every evil spirit that I could think of. My son (5 years) came
> with me and before I said anything he said "In the Name of Jesus devil
> go away, you only want to hurt us but Jesus died and was hurt for us
> and He won so just go away".
>
> After I praised Jesus Christ and I started to sing, and God opened my
> spiritual eyes and I saw the angels standing everywhere! I can't

> describe it. Its wonderfull. I was very emotional for a long time after it happened.

> All I wanted to do was praise the Lord. And since then the sounds are gone.

Then Yolindie shared this:

My son watch church with me (thats what he calls it). He likes it when Kennedy sings or speaks about something. He even tells me "Mommy that cartoon is from the devil", and he tells his dad that the games he plays is from the devil. My husband likes to play computer games and the last one was Doom. Every time he played it my son went to and him said " Daddy you are playing the devils game" , it irritated him so much he stopped playing it.

I must say Holy Spirit is leading my husband to Christ. My family and I are praying for 6 years allready and the difference in him is remarkable. He will surrender his live go Christ soon. We will just keep praying.

He said we should cleanse blood transfusions. Demons can come from someone else, transferred through the blood.

Lev.17:11a– For the life of the flesh is in the blood:

Establish wherever you are staying as a place where God’s presence is going to have control.

If you think, nothing is here and you think you will feel dumb casting something out – think like this, if there is nothing there, then no big deal, but if there was something there – then there will be freedom!!

Poltergeist is a German word. Polter = noisy and geist = spirit or ghost.

Poltergeist 1982 - The ghosts communicate only with Carol Anne through the family's [television set](#), and are under the control of a [demon](#) known as the "Beast." The ghosts, attracted to Carol Anne's [life force](#) and believing she will help lead them into the "[Light](#)", abduct her through her bedroom closet, which acts as a portal to their dimension.

Indications of demonic activity: doors that open and shut, hearing footsteps, glass coming out of nowhere and breaking, chains rattling, room is always cold or cold and hot spots in your home.

There is always something that gave that spirit the right to be there. Remember satan is a legalist. He won't leave until his legal rights have been broken up. If someone was involved like in the occult and died in a place, then those demonic spirits can still be there because of what that person did. They come to cause fear, harass and hinder. A spirit cannot be anywhere unless it has a right, a legal right to be there. They get their "legal right" through a door opened by sin. This sin can be through an ancestral line or in your own life. The person has certain conditions to meet or the demons keep their right. **LET GO OF UNFORGIVENESS.** When you pray say – Lord of my own free will I choose to forgive all those who have hurt me or wronged me in any way in Jesus' name.

If there was something in the possession of that person or in their house that was never confessed and repented for, then you will not be able to make those spirits leave. That is the same in your home right now.

If you have or possess anything that pertains to the demonic kingdom, then it gives demons a legal right to be there.

1 Cor. 10:14 – Wherefore my dearly beloved, flee from idolatry.

Communion – fellowshiping and partaking with the Lord.

Idolatry is the same way, you are fellowshiping and coming into agreement with the demons.

Exod.20:4-5 – Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth: Thou shalt not bow down thyself to them, nor serve them: for I the LORD Thy God am a jealous God, **visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate Me;**

The atheist, the Gnostic, agnostic, humanist – they are all bringing curses on their family line.

Exod.34:12-14 – Take heed to thyself, lest thou make a covenant with the inhabitants of the land whither thou goest, lest it be for a snare in the midst of thee: But ye shall destroy their altars, break their images, and cut down their groves: For thou shalt worship no other god: for the LORD, whose name is Jealous, is a jealous God:

We all want wisdom, knowledge, power, guidance among other benefits in our lives. But when we seek these from anyone or anything other than God, then you have entered into idolatry.

Deut.4:15 – Take ye therefore good heed unto yourselves; for ye saw no manner of similitude on the day that the LORD spake unto you in Horeb out of the midst of the fire: **God did not allow Himself to be seen because He did not want them making images of Him to bow down and worship the image.**

Occult = idolatry, quija board, fortune telling, palm reading etc. Superstition and luck are also idolatry. When you are superstitious you are very reverent to demons.

Examples of superstition and luck: mirror breaking, 4-leaf clovers, horseshoes, cracks in pavement, walking under ladders, opening umbrellas in the house, a black cat crossing your path.

Deut. 7:25 – The graven images of their gods shall ye burn with fire: thou shalt not desire the silver or gold that is on them, nor take it unto thee, lest thou be snared therein: for it is an abomination to the LORD thy God.

Sentimental things and feeling like you have to hold on to them, that is bondage.

Aiken took an idol, an accursed thing. Devoted is the same as accursed in Hebrew. If you keep a devoted thing then it becomes accursed. An example of this is the tithe, the 10th is devoted, it belongs to God. If you keep it, then it becomes accursed.

Malachi 3:8-9 – Will a man rob God? Yet ye have robbed Me. But ye say, wherein have we robbed Thee? In thithes and offerings. Ye are cursed with a curse for ye have robbed Me, even this whole nation.

Jeremiah 4:1 – If thou wilt return, O Israel, saith the LORD, return unto Me: and if thou wilt put away thine abominations out of My sight, then shalt thou not remove.

Acts 19:15-16 – And the evil spirit answered and said, Jesus I know, and Paul I know; but who are ye? And the man in whom the evil spirit was leaped on them, and overcame them, and prevailed against them, so that they fled out of that house naked and wounded.

You want to remove all items that are not Godly. Some things are: children's books or toys – especially all Disney items as they are Masonic, occult literature, perverted art, peace symbols, zodiac signs,

Harry Potter books, movies, toys – this is witchcraft.

Masonic owl in Disney's Snowwhite

Beauty and the Beast – flashing the satanic hand signs

Than Ant Bully – see the Masonic sign on the back of the chair and the aliens on the shirt.

See the shadow, the snake around the apple, the apple – forbidden fruit of the Garden of Eden

Indian jewelry (they do rituals over them before they sell it) and this can be for trinkets and souvenirs from heathen places that don't worship God too. Dream catchers, Ankh crosses, easter eggs, easter bunnies - all of this is about fertility from the masons which is from the ancient mystery Babylonian religion. This religion is a bloodless religion in that they omit Jesus' blood.

Once you have removed all ungodly items, ask forgiveness for having them, repent of them and destroy them – get rid of them. Then in Jesus' name command all evil spirits out of your home and remind them that you have broken up their legal grounds to be there. Remind them you are a child of God and have power to tell them to leave in Jesus' name. Plead the blood of Jesus over your home.

Speak a blessing over your house:

2 Sam. 7:29 - Therefore now let it please You to bless the house of thy servant, that it may continue forever before You: for thou, O Lord GOD, hast spoken *it*: and with Thy blessing let the house of Thy servant be blessed forever.

FROM BARRY MCLAUGHLIN FREEDOM DELIVERANCE MINISTRY:

GET OIL AND ANOINT EVERYTHING – doors, windows, closets, walls and floors.

What kind of oil? Extra virgin, cold pressed olive oil (cold pressed is purer). It doesn't have to be purchased from a ministry or someone on tv. You can get it

right out of the grocery store. It is good to use anointing oil when we are praying for the Lord's blessing and protection on our life, or our children, when blessing a home, praying for a healing or deliverance.

Matt.6:17 – But thou, when thou fastest, anoint thine head, and wash thy face;

Mark 6:13 – And they cast out many devils, and anointed with oil many that were sick, and healed them.

Hebrews 1:9 – Thou has loved righteousness, and hated iniquity; therefore God, even thy God, hath anointed thee with the oil of gladness above thy fellows.

James 5:14 – Is of the church; any sick among you? let him call for the elders of the church; and let them pray over him, anointing him with oil in the name of the Lord.

Once you have your oil, it needs to be blessed. You don't have to have an ordained minister to bless the oil. If you are in Christ Jesus, you have the right and authority to bless the oil. To bless the oil to be used for anointing oil is to proclaim it to be so. Holding the bottle you just ask God to bless the oil by His Spirit and that everything that you bless with this oil would be spiritually sanctified by God's empowerment.

You might say something like this: Dear Heavenly Father, we ask You to bless this oil by Your Spirit and we ask that all that we bless and anoint with this oil would be spiritually sanctified by Your empowerment.

Say: In Jesus' name I command all evil spirits out of this home/room.

As you go throughout your home upon entering each room speak a blessing over the room and then anoint the doors and windows and closets and floors. Just dip your thumb or finger into the oil and make little crosses with it on the door jamb or window sill etc. You can say something like this: Lord, in the name of Jesus Christ I bless this door,(door jam, window sill, baseboard, floor, closet etc.) May Your Holy Spirit flow through and fill this room with Your Spirit. In the name of Jesus Christ, Father, bless, sanctify and purge this room of anything that is of a wrong spirit. In the name of Jesus Christ I ask for Your peace and joy to inhabit this room. Or whatever you feel led to speak out.

As you go through your home, continue to speak out blessings over your home:
Father fill this home with Your Holy Spirit.

May Your Holy Spirit flow through and fill this home up with Your Spirit.

May Your Warrior angels take a stance against darkness in this home and may they make a hedge of protection around this home.

Every article in this home including the building material is Yours.

Also bless and anoint the outside of the home, the property in the same way as inside of the home. Go outside and anoint with oil and bless the main land marks within the boundary lines of your property.

If a person has a huge property then walk the parameters of the main yard that you maintain around your home, but as you pray over that area you can speak out and dedicate everything within the boundary lines of your property from corner post to corner post unto the Lord. Some of the landmarks you can bless are: fence post, tree, the garage, a boundary stake, telephone pole, garden shed, gate etc.

You can speak out things like this to bless your property:

Father, in Jesus Christ's name I ask that You would sanctify everything within the parameters of my property in that everything is made holy.

Father, I dedicate this property to You and I ask that Your Holy Spirit would continually flow over and perpetually bless this property.

In the name of Jesus Christ I ask that Your Warrior angels would guard over this property and purge it of every form of evil that tries to come onto this property.

Father I bless this tree (shed, garage, fence post etc) in the name of Jesus Christ.

I offer everything on this property up to You and put it all in Your hands.

I claim every blade of grass on this property, every tree, every building etc. for the Kingdom of God.

Everything here is Yours to govern.

Or whatever you feel led to speak.

FREQUENCIES

TVs, PCs, Computer Screens.

The older cathode-ray monitors emit the highest amount of electromagnetic pollution if you have still got one of these switch to a flat-screen computer monitor and TV, they emit far less electromagnetic radiation. When not in use, switch off your computer and TV and unplug it (they give off EMFs even if they are switched off but plugged in*). This saves on energy and greatly reduces the levels of electromagnetic radiation in your home. If you've got this kind of equipment in your bedroom then you are particularly exposed.

* Switching off an electrical device does not eliminate AC electric fields. EMFs are still present in any electrical device while it is plugged in, even if its switched off.

Remember CERN is bringing in demonic entities and for Project Blue Beam they are counting on flooding our homes with demons riding the frequencies to cause a night of chaos and terror.

From Alisa in June of this year

I also wanted to let you know that twice now when I have listened to your videos on youtube and I was walking (and using up all our data), a very scary demonic voice came through my headphones saying "I like it". The first time I heard it, it said it twice and I was wearing a bluetooth headset. I was so scared I called a friend and she prayed right then and there. Well it happened again today with my regular headphones in the same voice-I was scared, but prayed. I don't know if it was someone who put that into your video or what.

Tim Thompson had shared with me something that a witch in the occult did. She recorded her curses on a cassette tape. Then she tore the tape out and tied it on the antenna of her car and drove all around the city and those curses went out all over that city, everywhere she drove that car. We are in a real war. We need to learn how to fight and stand against this stuff. Come against it and tear it down in Jesus' name!!

Pastor Erustus Museve – he is the Pastor of our outreach in Kenya and has planted many churches around that area.

Anointing and cleansing our homes is very important for our spiritual victory over satan and his demons. Familiar objects (ie objects which demons cling on) used in the service of satan or worship of the devil gives demons legal ground to afflict homes and those living in those homes or houses.

False religion literature in your home will invite demons in as well. Book of Mormon, Jehovah's Witness Bible, quran, books on meditation, wicca, new age, book of the dead, yoga books, pornography etc.

Joshua 7 – the sin of Achin against God's covenant

Acts 19:17-19 – And this was known to all the Jews and Greeks also dwelling at Ephesus; and fear fell on them all, and the name of the Lord Jesus was magnified. And many that believed came, and confessed; and shewed their deeds. Many of them also which used curious arts brought their books together, and burned them before all men: and they counted the price of them, and found it fifty thousand pieces of silver.

If we don't cleanse our homes and lives satan will always defeat us in our spiritual warfare. These objects include demonic rock music tapes, objects used in occultism, rosaries used in Catholicism, articles used in masonry, evil literature, gifts from evil people, evil toys, clothing and pictures etc.

Some people bury objects in homes at the gates, at doors entrances, some hang objects on doors of homes, wear some on hands,

neck or waists for protection from enemies or to bring good luck or good profit in business. Anyone who uses such is involving demons in his/her life or home. Our power and protection is in Christ Jesus alone.

Secondly, many witches use familiar spirits by placing a demon in an animal some of which we keep at home as pets eg cats, dogs, snakes, birds etc. They control

these animals for their own demonic activities in people's homes and lives. We should be very sensitive in the spirit by what pets or animals we keep or entertain in our homes as they may be having familiar spirits. We should always pray for God to protect our animals.

Some people, even christians have demonic body marks and they act as a door ways for demons to enter and torment their lives. Some of the jewelry ladies and even men wear are demonically connected and for one to be free must be destroyed. I remember in 2014 one of the Sundays during a worship service , demons manifested in one of the ladies and she become so violent. For about 30 minutes I tried to cast out demons but they would not go. When I asked God why the Holy Spirit opened my eyes and I saw a small ring fixed at the ladies nose. When I moved my hand to touch it she hit me hard and said I should not touch it. We held her hard and removed the ring and then when we cast out the demons, they left her. Be careful with the jewelry you put on.

Thirdly, Rock music in most homes has opened door ways for many to fail in warfare against satan.

The majority of the rock musicians are initiated in demonology to serve satan for money and fame. They are causing many young people to turn away from God and worship the devil knowingly or unknowingly. Most of this music has satanic chants and lyrics to turn people's souls from God through mind control by these demons. All such music must be destroyed in our homes and not listened to and our houses anointed for cleansing protection.

1 John 1:9 – If we confess our sins, He is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness.

Pastor, very funny and ungodly things are going on in many homes. Have encountered many attacks in several homes and have visited and prayed. Many are living defeated family lives and failed homes because satan but not God is the one reigning. What I always do to help many in winning warfare against satan is:

1. pray and dedicate homes to God and anointing them for protection.
2. Pray and anoint homes or houses before one occupies, rents or owns.
3. Dedicate land to God and anoint it before a home is built.
4. Destroy all familiar demonic objects, command the demons out and then anoint the house or home for protection.

CLOSING

Testimony: My current assistant Pastor is a businessman but he was just religious and depended upon a witch for protection and success in business. The witch came to the shop and buried some objects at the door entrance, placed some charms in the room and in his home in the village. Asked him to place some money in a basin under his bed which contained some funny looking stones and some black stuff. And he (the witch) was paid some good money. After this was done, I tell you this brother, plus his family started really being afflicted by demons. Sickness was the order of the day, especially their second last born girl. The wife developed sudden blood pressure, no peace in their marriage, the man even failed to perform sexually and the business was not growing. The wife got saved and joined my church but the husband hated me, plus our church and even could not greet me. He stopped the wife from coming to our church but allowed his children to continue attending our church. After some time the worse happened, this brother disagreed with this witch who then vowed to prove to him that he was powerful. This brother's mother was hit by lightning during a rain storm and she died. God spoke to me to attend his mother's funeral. The brother was shocked to see me in the funeral. He said when he greeted me in the funeral God spoke to him to ask me to pray for him. I visited his shop and we shared at length and he accepted Christ in his life. Together with my wife Sarah we removed and destroyed all the demonic objects placed and buried at the shop by the witch. Then we anointed him, his wife, children & shop plus his home. Praise Jesus, they were completely healed and delivered. He is now my associate Pastor

on fire for God. In fact he is the one I am preparing to Pastor this church of Mumias as we relocate to Bungoma. Amen.

PRAYER

To break generational curses off from the teaching of Frank Hammond:

You don't have to know all of their (your ancestors') sins. But if you do know them, utilize them in confession.

Say this:

Lord Jesus Christ, I belong to You. You went to the cross and shed Your Blood and died for my sins. You took the penalty of sin that was due to me and bore it Yourself. Lord I accept Your sacrifice by faith I receive Your sacrifice by faith I receive Your salvation. You told us in Galatians 3 that You have redeemed us from the curse of the law. Having become a curse in our place. Father I confess all my sins, the ones I know about and the ones I haven't recognized. I'm sorry for them all. I ask You to forgive me and cleanse me with Your precious blood.

Father, the law says that You will punish the sins of our forefathers down to the 3rd and 4th generation. I repent of all the sins in my family line on both sides. I ask You to forgive and cleanse from the effect of all those sins. You promise in Your Word that whoever calls on Your name will be delivered. I call on You now in the name of Jesus, set me free.

Now speak this to satan:

satan, I say to you, you have no right to me, no right to my property, my family or anything that pertains to me. I take authority over you in the mighty name of Jesus Christ. And by the power that is in His blood I command you to get out of my life. Every inherited curse is going now in the name of Jesus Christ. In the name of Jesus, inherited curses where there were sexual sins, abuse, idolatry, incest, I command them to go. In Jesus' name where there was perverseness, occult, superstition, divination, water witching, worship of sun, moon, stars, praying to the dead and bowing down to entities – I break these in Jesus' name and command them to go. This is not our truth, we belong to Jesus. You spirits of hindrance and distraction stopping us from receiving what we read in the Word of

God, stopping us from praying – we command you to go now in Jesus’ name. Spirits of hindrance that keep us from reading our Bibles, that hinder the gifts of the Holy Spirit, that hinder our walk with God – we command you to go in the name of Jesus Christ. We do not receive that hindrance in our life in Jesus’ name we are free from all of these things. In Jesus’ name all ungodly covenants that were made by my ancestors or myself knowingly or unknowingly have now been broken. In Jesus’ name I break all soul ties off of my life. Anything that is connected to me that is not of God I renounce it in Jesus’ name and command it to go in the name of Jesus’ Christ. satan, I have broken up your legal rights to me and my house and my land and all my possessions and all that pertains to me – you and all your evil spirits have to go now in the name of Jesus Christ! I plead the blood of Jesus’ Christ over myself and my family and my home and land and my possessions and over all that pertains to me. Thank You Jesus, because whom the Son makes free is free indeed!
