JUDITH

What do you think about this Pokemon go ap it scared me and I took it off my phone.

WESLEY

Could you do some research on this game app called pokemon go. I get a weird feeling about it.

ANSWER:

The word pokemon is a contraction of two Japanese words, "Poketto" and "Monsut," or "Pocket Monsters" in English. The combination of two words to make a single name is a popular way for Japanese titles to transition into English, especially when they're long or similar to trademarked names.

While the exact number of children legitimately affected by the show will likely never be known, in total 685 kids (375 girls, 310 boys) were put in ambulances

suffering some kind of medical problem after watching the episode. While most made speedy recoveries - some within minutes after the show's conclusion - a small number were diagnosed with epilepsy, which had been triggered by the rapidly-blinking display.

They made changes and said it was all due to the colors and light flashes that sent kids into seizures.

The monster that was on screen when the "incident" occurred was porygon. For us in American that would be polygon.

https://en.wikipedia.org/wiki/Star_polygon

The unicursal hexagram was created for the purpose of drawing the figure in one continuous movement, as the other magical polygons are created- the pentagram is one example.

There is a totally satanic company called polygon.

I've also been thinking about that G in the middle of the Masonic symbol.

That G is for their god lucifer who they call the great architect. It is also for geometry because they draw all sorts of symbols and signs to invoke demonic powers. And it is for gender because

SEXUAL CONNOTATIONS TO MASONIC SYMBOLS

SEX IN THE "G"

The letter "G" figures prominently in Freemasonry. In the lower degrees, the initiate is told that this letter stands for "God" and for "Geometry", which the Supreme Architect of the Universe used to design this wonderful Cosmos. However, occultist, and 33rd Degree Mason, Arthur Waite, quotes Eliphas Levi [also 33rd Degree], telling us that the letter "G" stands for Venus, and that Venus' symbol is a lingam, a stylized phallis. [Masonic author, Arthur Edward Waite, *The Mysteries of Magic: A Digest of the Writings of Eliphas Levi*, Chicago, , DeLaurence, Scott, and Company, 1909, p. 217]

The greatest Masonic author of all time, Albert Pike, agrees. He states [page 631-32 in *Morals and Dogma*] that the Monad [#1] is male, and the Duad [#2] is female. Their sexual union produces the Triad [#3], which is "represented by the letter 'G', the generative principle". This term, "generative principle", is code for the sex act.

I'll take this one further and say it stands for goat as well.

1 Thess.5:22 - Abstain from all appearance of evil.

DONNA

Here is my current question:

What do you think is the meaning of the astronomy wonder that is said to going to occur on September 23, 2017 ?

On this day, according to fromrapturepentecost202, a Utube video, January 12, 2015,

7 heavenly bodies will be in almost perfect conjunction alongside the constellation

known in Latin as Virgo, or in English, Virgin.

This means that there will be 12 stars over her head.

The sun will be at her shoulder.

The moon at her feet.

Jupiter will have been in her abdomen 42 weeks, then Jupiter departs.

Using Constellation software,

6,200 years into the past, and 1,200 years into the future, this alignment occurs only once in all of man's history.

Also, September 23rd is the Day after The Feast of Trumpets. (Revelation 12:1-2)

ANSWER:

I want to caution on this type of study. Last year at Feast of Trumpets I was so excited and just knew the Lord was going to return. I had listened to Mark Biltz teach on the 4 blood moons and then Jonathan Cahn teaching on the Schemitah. A Jubilee was about to start and there seemed to be all sorts of signs lining up. The conditions were right so to speak. Then nothing happened. I thought about it and looking back I can see that I was wanting the rapture to happen so bad that I got caught up in these things. I had to unplug from worldly teaching (even though it seemed to be from Christians). God did say He'd use the sun, moon and stars for signs.

Gen.1:14 - And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years:

We learned through Mark & Jonathon that seasons was moed which are the LORD's appointed times, like His feast days given to the Jews.

Signs is oth *signs, tokens* of changes of weather & times [Genesis 1:14](#) (P; of heavenly luminaries) אֲוֹתוֹת הַשָּׁמַיִם [Jeremiah 10:2](#) (changes of the heavens as omens to frighten the nations) compare [Psalm 65:9](#).

What source is saying this hasn't happened going back in history for 6000 years and going forward it won't happen again for 1200 years because we know NASA lies. The illuminati have studied God's Word and they put their agents out to try to start hype and get us all to fall into their trap. Remember they have people that are programmed to seem like Christians but are working for their agenda and they have people that run interference spreading truth and lies at the same time. One of the other big things last year was that the pope was coming to the US around the Day of Atonement and CERN was going to be turned on at this same time. So much hype going on everyone seemed to be on edge and just felt something was going to happen. That star that we all thought was the star of Bethlehem showed up in the middle of all of this too. Remember the illuminati are putting fake signs in the sky with Project Blue Beam too and manipulating weather. They know the prophecies and they are playing head games with us. This is why I keep stressing we must be led by Holy Spirit alone. To me, the virgin in the sky is not the sign of Jesus. Even though it is equated with Israel, it still is not the sign of Jesus.

JEAN

So in one of your video updates on Jade Helm, you mentioned the military guy who had the implant involuntary-he was forced. What of the people that are forced? They will not be held accountable for that n go to hell right? Those that are saved that is. People must take the chip knowingly I think. And if you are tortured (as a Christian) and you buckle, will you go to hell?

Another thing is one Bible translation says "the right hand" and another translation says "the hand"... So can you pls address this hot topic.

ANSWER:

satan mocks God always. When we come to Jesus, we believe in our hearts and confess with our mouths – so that is speaking out loud our profession of faith in Jesus.

Rev.12:11 - And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.

Now for Jesus it is about speaking out loud, say to this mountain, be removed, praying the Lord's prayer – when you pray – say, the Word of their testimony is Jesus Christ. Jesus gave the Great Commission, go ye into all the world and preach the gospel to every creature. This is all speaking boldly of Jesus Christ.

satan is going to want an open profession for him or against him. In the secret societies they are initiated in and they swear an oath out loud. They do sacrifices to him, they show him that they willingly accept him. So this comes down to free will – you will choose him willingly or deny him of your own free will. If anything is forced on you, then it is not truly the mark of the beast. There is no way a Just and Fair God is going to damn someone to hell who had something forced on them. Our God is a Just Judge.

If you are faced with receiving the mark of the beast or laying your life down for Jesus, now or during the tribulation and you are a Christian – remember this:

1 Cor. 10:13 - There hath no temptation taken you but such as is common to man: but God *is* faithful, who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear *it*.

Romans 10:13 - For whosoever shall call upon the name of the Lord shall be saved.

Matt.28:20 - Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, *even* unto the end of the world. Amen.

Rev.13:6 - And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

Rev. 14:9 - And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive *his* mark in his forehead, or in his hand, (Greek 5495 – did not indicate left or right)

So I would play it safe and avoid it on either hand, take no chances.
