

CLONES, ALTERS, DID and SOUL: SNATCHING, CAPTURE, RECYCLING, TRANSFER and RESURECTING – Part Two

Last week I said that “they” aliens or elite cannot take your soul if you cry out to Jesus. I shared that I have heard many accounts in which a person was being taken or even in sleep paralysis which is demonic and when they called on Jesus, the activity stopped and the person was dropped back into their bed or home or whatever, they were left alone at that point.

In thinking about this more, I want to make a correction to what I said. Most of the time when we think on Jesus’ name in those situations when we can’t speak, or call on His name in the middle of this type of abduction activity – it all stops and we are safe. However, I know there are times when calling on Jesus’ name has not yielded immediate rescue from the situation. We are going to talk about some of those situations today. And even though I am going to shed light on some times when Jesus didn’t come and stop the horrific things physically, I still know He is the only Way and the only answer to these things. He hears all and He is there but He doesn’t always stop everything because in dealing with man, He has given man free will. Satan’s kingdom needs legal entrance into our lives and to mess with us. That is why you hear of the aliens/demons asking people to cooperate or to let them use their soul or asking them to go along with them. I’ve heard testimonies to where when Jesus was mentioned they got a whole lot nicer and started asking permission and trying to persuade the person to do what they wanted.

Last week we ended the message talking about the soul and the spirit. Let’s get right back into it with this verse:

Rev. 18:13 – (This scripture is talking about all of the things that were being sold to Mystery Babylon) And cinnamon, and odours, and ointments, and

frankincense, and wine, and oil, and fine flour, and wheat, and beasts, and sheep, and horses, and chariots, and slaves, and **SOULS** of men.

How are the elite buying souls of men from the merchants? Slaves to me speaks of human trafficking. But what about souls?

Maybe it is a business man who has a great idea or wants to go to the top. He meets someone who says I know someone that can help make that happen. Next thing you know he is in a meeting and offered a ton of money and a choice position in a company or a church or a lead role in a movie or a great record contract. He takes the deal. After a while he realizes what he has done and who he is serving.

Mark Zuckerberg, Co-founder of Facebook meets with the Pope

You don't get a private meeting with the pope unless you are helping his agenda. Unless the Vatican is benefiting from you in some way.

At some point he has a choice to come out and stand against the elite who serve satan or continue on because he likes the money and the lifestyle. To be clear our entertainment industry, main stream media, big corporations and governments are controlled by the Vatican and Khazarian Jews. They directly serve satan and remember they report to the grays which are aliens/demons.

Rev. 12:11 - And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.

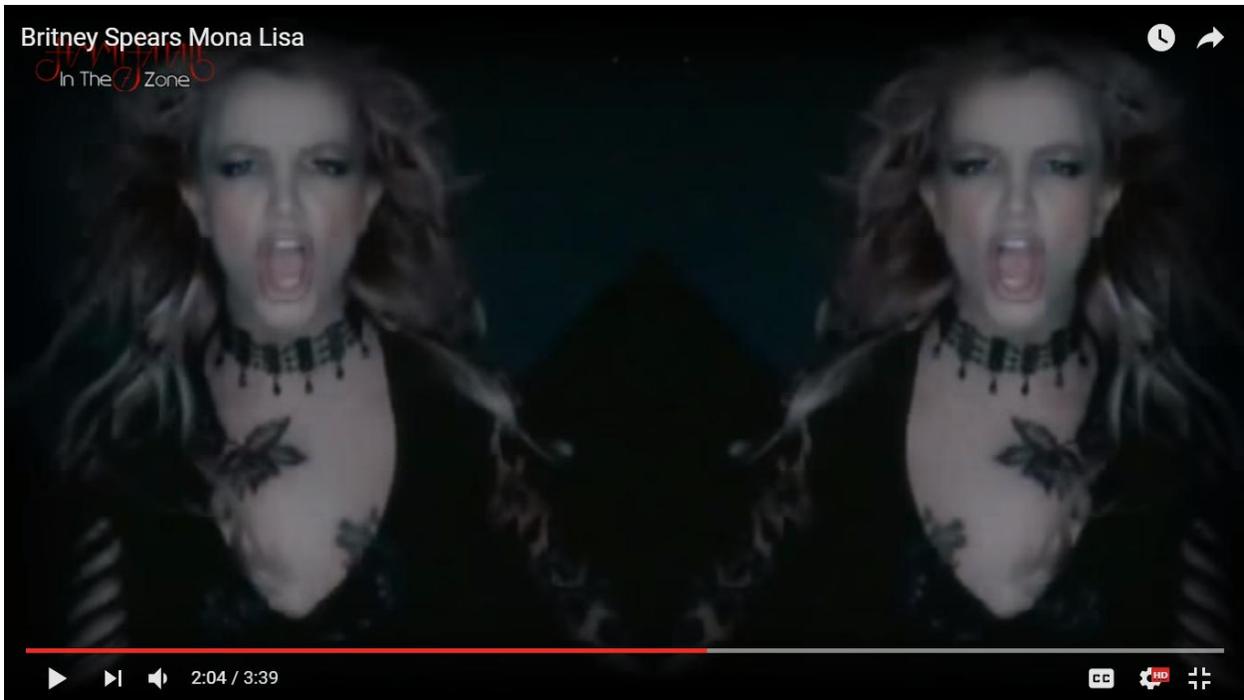

Even right now we have a choice not to love our lives so much that we are not willing to stand up for Jesus because of the consequences which could mean death.

In the entertainment industry they have bought souls because the people are promised fame and fortune in exchange for their talent or looks. They make deals and contracts and know what they are signing up for. They are not just working for a paycheck. It is more than that.

The elite now use those who sold their soles for their DNA to clone and use them however they see fit.

This is Britney Spears in a video “Mona Lisa” where she speaks out about being cloned.

Britney Spears fighting her clone in the video “Mona Lisa” where the lyrics talk about her being cloned.

Even those that the elite have had access to and that they broke through various means (SRA/MK Ultra) can come out of it. Because Joy who was born into SRA/MK Ultra and is now DID, even in all of her brokenness Jesus came to her and began to draw her to Himself. She did not come to Him for years and He did not give up. She is still healing and has had many demons cast out and many alters accept Christ and merge back into her true self.

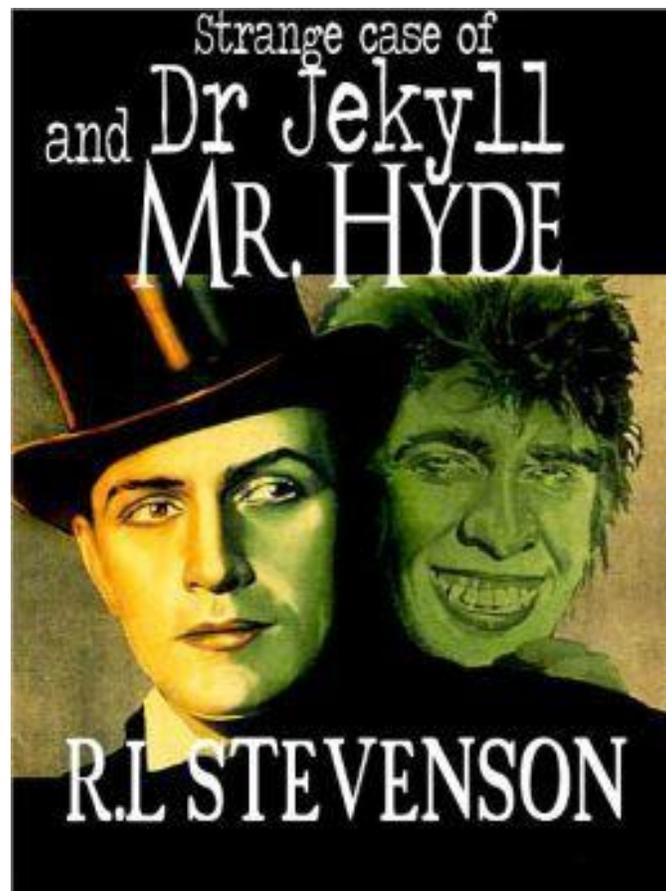

In talking with Joy she has talked about alters leaving her body during horrible trauma. She has talked about alters being separated from her body on assignment above the earth like looking at continents and hovering or flying above the earth. She has shared with me about alters in other dimensions that have not been rejoined to her body. These things are hard for us to understand as we have not been involved in this type of stuff. Think about the shattering and splitting that the occult do to a person so that they can control and use them and program them for their purposes.

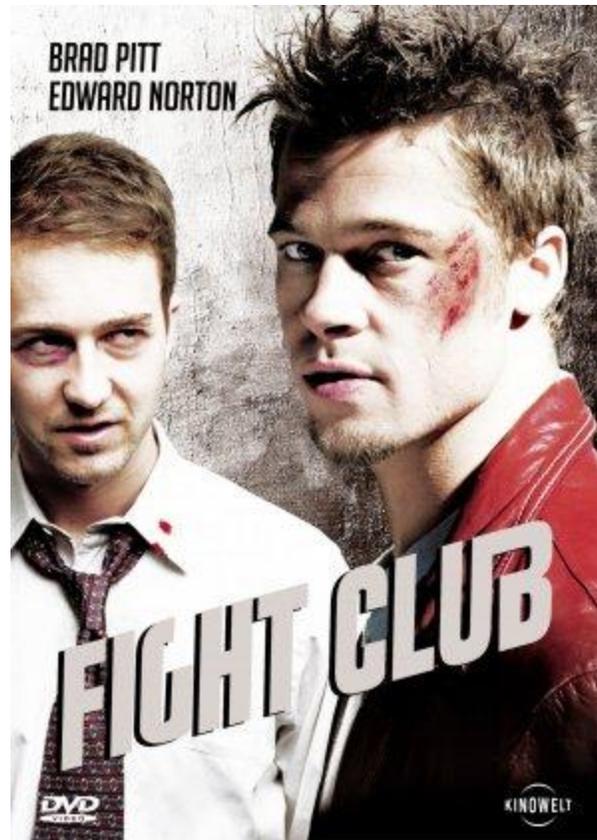

I think this picture can give us an idea of the many splits/alters (alternate personalities) created in a person who has been through that kind of torture.

WHAT IS A BROKEN SOUL?

There is so little information in Christian circles about the broken soul that many people have no understanding that this is the root cause of their difficulties. A broken soul is literally a soul that exists in more than one piece. In the previous articles, we have seen that Isaiah 61:1 acknowledges that a broken heart/soul is real. The Bible compares it to a clay pot or statue that has been knocked off the table and broken into pieces. This means that our souls can be shattered – literally. Our minds are able to break off separate personalities for the purpose of coping with stress. These personalities are real, and they can live in our souls with a separate identity. Most of them have names. They have an age. They have a personality. And if you have them, you can feel them even though you may not know that they are there. They are you, and they are not you, all at the same time. The most common name used for broken parts is *alternate personalities*.

A modern film about DID – “Fight Club.” In this film the main character comes to discover that the tough guy Tyler is actually another part of him that he was totally unaware of.

Is this addressed in scripture? Yes, it is.

Isaiah 61:1 – The Spirit of the Lord GOD is upon Me; because the LORD hath anointed Me to preach good tidings unto the meek; He hath sent Me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound;

7665. שָׁבַר *shabar*, *shaw-bar'*; a primitive root; to burst (literally or figuratively):—break (down, off, in pieces, up), broken((-hearted)), bring to the birth, crush, destroy, hurt, quench, x quite, tear,

3820. לֵב *leb*, *labe*; a form of 3824; the heart; also used (figuratively) very widely for the **feelings, the will and even the intellect; likewise for the centre of anything:**

Joy has shared with me about being on an altar and being used as a gateway to bring in demons into this dimension. It was so horrible that at least one of her alters left her body while this was happening, yet she was still present on that altar too. The soul can be in different places at the same time. More and more people are talking about this if the church will listen. This is a lot to process for those of us who have not experienced any of this. Many churches don't want anything to do with people who have gone through this type of abuse. They don't know how to minister to them and can't understand what they've been through. So they push them out and away. I may not know everything, but I know JESUS is the answer!!

Psalm 51:17 - The sacrifices of God *are* a **broken spirit**: a broken and a contrite heart, O God, thou wilt not despise.

Fritz Springmeier talked about how when we think of the illuminati we have to get this image out of our heads that they are walking around looking like Anton Levay, a satanist who wrote the satanic bible. "Performing a satanic wedding in pic."

Talking about the elite, he said many times there is a part of them that is Christian, part is a humanist and in the deeper parts of their mind they are

satanists. He said they are all over the place. He said he's (the programmed person) is probably going to be a Christian minister or something.

2 Cor. 5:8 - We are confident, *I say*, and willing rather to be absent from the body, and to be present with the Lord.

But I can only assume this is because Paul, a believer is speaking to believers. We are not going to astral project or leave our bodies intentionally like new agers do because that is against the will of God. So he is meaning when we die we go to be with the Lord.

When a person astral projects, it is their spirit that leaves the body and the soul is still there breathing in the body.

Eccl.12:6-7 – Or ever the silver cord be loosed, or the golden bowl be broken, or the pitcher be broken at the fountain, or the wheel broken at the cistern. Then shall the dust return to the earth as it was: and the spirit shall return unto God who gave it.

What happens in your physical world is intricately connected to what happens in your spiritual world. If your spirit man is dead (not connected to God-who is the source of all life, because of sin) you can as well as be concluded as dead physically. This is why Jesus said, 'let the dead bury the dead'. It is because, by not being born again (made alive by the spirit of God) they were already dead (spiritually).

They seem to be trying to deceive believers as well as doing this to non believers. When Karla Turner talked about a lady being abducted and shown her clone body she was supposedly a Christian because the aliens used Christian wording and had "Jesus" beamed in so that the grandma would go along. But it seems like they may not have been true Christians because Karla talked with the lady and she described Jesus and Karla said well that doesn't sound like what He should look like (blonde hair and blue eyes) and the lady said, well that's what THIS Jesus looked like. But there was another lady whom they used Christian things on because they showed her a clone of herself and said it was her "glorified" body.

Aliens/demons have to have your permission in some way to do what they are doing. It is like having an open door to sin and that is permission for satan to invade your life. Or just living in sin, that's all the permission they need. For little kids from the time they are in the womb if they do not have the spiritual covering from their parents praying and pleading the blood of Jesus Christ over them, then through sin and generational curses they have access to them.

Mark 9:21 - And He (Jesus) asked his father, How long is it ago since this came unto him? And he said, Of a **child**. (child here = infancy = from birth or babyhood until age 2)

Job 34:14-15 - If He set His heart upon man, if He gather unto Himself his spirit and his breath; all flesh shall perish together, and man shall turn again unto dust.

****Please play from 37:29 to 42:00** Dr. Cha-zay (a new ager) her friend bought a program to learn how to float around in the universe – she saw a “snatcher” take a piece of her soul and then her friend was walking around without that piece of her soul – “they” are like kidnappers on the other side (the astral plane) – there are synthetic beings without souls and they need souls so they are harvesting them – they can grab a soul really quickly and easily right before a person commits suicide**

<https://www.youtube.com/watch?v=LezU51GoWrA>

****Please play from 59:20 to 1:01:31 and from 1:03:17 to 1:09:53** Doug Riggs talks about a breeding program to bring in nephilim for satan's purposes – and how he and his principalities are taking parts of SRA/DID survivor's soul energy (fragmented pieces/alters of that person's soul) and making a webbing/veil around the globe to try and hinder or prevent Jesus from coming back**

<https://www.youtube.com/watch?v=x-tVF02fi7Y>

There is a card game called “soul catcher” and many video games, songs and things about this as well.

Talking about the webbing or net around the earth:

Isaiah 25:7 – And He will destroy in this mountain the face of the covering cast over all people, and the veil that is spread over all nations.

This also reminded me of what Mr. James of “At the Door Revelation 1:18-19” saw in his video about technology when he was taken above the earth and saw like a covering around the earth. God reveals all to His servants and His children.

Another way for them to get bodies and souls is assisted suicide which is growing in popularity.

Ezek.13:17-19 – Likewise, thou son of man, set thy face against the daughters of they people, which prophesy out of their own heart; and prophesy thou against them, And say, thus saith the Lord GOD; Woe to the women that sew pillows to all armholes, and make kerchiefs upon the head of every stature to hunt souls! Will ye hunt the souls of My people, and will ye save the souls alive that come unto you? And will ye pollute Me among My people for handfuls of barley and for pieces of bread, **to slay the souls that should not die, and to save the souls alive that should not live**, by your lying to My people that hear your lies?

Who is this that is doing the bidding of satan? The elite/illuminati and the alien/demons/nephilim as well as the fallen angels that came with satan.

OUT OF BODY EXPERIENCES or OBE'S / NEAR DEATH EXPERIENCES or NDE'S

These type of experiences are not always of God. Recently a video of an atheist who had this type of experience was shared with me. I listened and it seemed like it was of God. Then another video was shared with me of this same person and it was apparently more of his experience. In this message he talked about how light beings told him that there were many other worlds and dimensions with intelligent beings. He said our world is the lower level of spiritual evolution. He said these worlds with these other beings, that they never sinned so Jesus didn't have to die for them, He just goes there and blesses them. When describing them he said they started off looking human and then they got stranger looking and stranger looking and then very weird. **RED FLAG** – You have to have Godly discernment to know truth. You have to be led by Holy Spirit when listening to these things. So many are deceived. Isn't that a great set up, to have an atheist all of a sudden meet Jesus and testify of what he saw and experienced. Using this testimony to have many others believe in Jesus, that's great! Then add the next layer that Jesus created aliens and they are good and you have the perfect set up for deceit and delusion. Many will believe because of his dramatic life change and go along and believe this lie.

Remember the devil can take you to a fake heaven and can show you a fake hell.

Many are believing every experience that they hear about. We have got to listen to Holy Spirit and the Word of God in these matters. We have to test the spirits.

Those that are receiving organ transplants are reporting memories of the person that donated the organ. For some of them, their likes and dislikes change based on the organ transplant. They are connected to the person that died and can see things and know things that the deceased person knew. Is this a soul connection? Or is it a familiar spirit connection from the organ that was donated?

2 Thess. 2:10-12 - And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie: That they all might be damned who believed not the truth, but had pleasure in unrighteousness.

Some people are looking for one thing that will be the deception. I believe it is going to be a combination of things, right now we already see the Mandela Effect and the church is divided over this, some see it and some don't. There are aliens/demons manifested here on the earth and many believe they are here to help us evolve. There are clones living and walking among us as well hybrids that we can only tell by Holy Spirit guidance. We have mind control being poured out on us and how are you going to take thoughts captive to Christ if you don't know His Word or know His voice. Now we are learning we have souls being captured. The false prophet will do false signs and wonders and miracles. We have false anomalies in the sky, two suns and fake stars created by NASA to cover up what is heading toward this earth – Nemesis that Phil Schneider talked about. It is on a collision course with this earth. How soon? I don't know but they are trying to hide this from us and if people really knew about these things you'd think they'd run to Jesus. The book of Revelation is where we are at in the timeline and it clearly states that asteroids and meteors will be smashing into this earth. Shout out to Joan because it is on her heart to talk about this. Please research two suns and what is heading toward this earth right now.

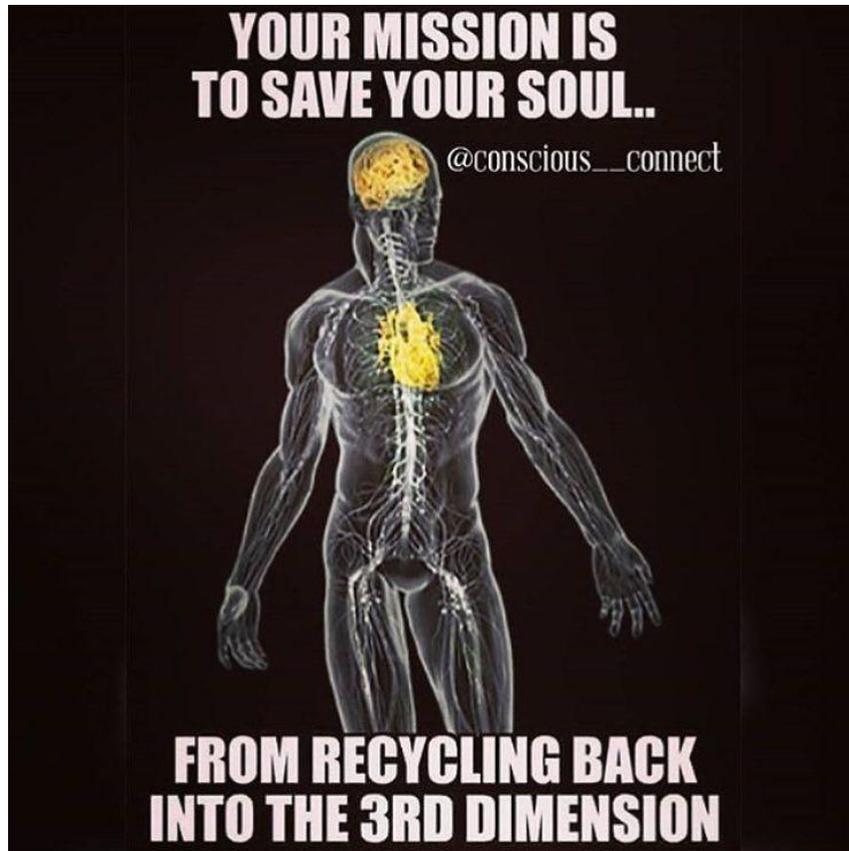

In the 30's in Russia – dissecting a dog. Cut the dog all up and drained all of his blood and then brought each part back to life on machines. Put the dog back together again and it ran around and acted normal. How??? What was in that dog at that point?

Go into the light....

There is a lot of information online talking about the light. Some say go towards the light and some say it is a trick and you will only be sent back to earth in the soul recycle program if you go into the light. They (archons – principalities – fallen angels) give you a life review. They show you all you messed up on and tell you that you need to go back and make it right or do better and try to get it right or go back and continue learning and growing before moving on. At this point you are a soul/spirit and they will send you back and put you into a new body where you have to go through life again.

REINCARNATION - states that the spirit, through the vehicle of the soul, comes to the Earth plane many times, in order to experience physical life, under a variety of circumstances and conditions.

When you die as a true Christian will not have to worry about making a decision about what to do because you will go straight to be with the Lord. Whether Jesus Himself comes for you or His angels, you will be taken to Him. This is new age deception, making people think they can just do whatever and it doesn't matter because they'll get a do over or be sent back anyway. This can cause a person to live recklessly thinking there is no hope of getting out of here. They could kill others or themselves. This can cause a person to live like hell thinking there is no end. Just what satan wants, so you live like hell and live it up thinking you'll be reincarnated only to find out when you die you go straight to hell. Wow, don't buy into this lie. Don't risk your eternity on this lie. **Also, those that believe in reincarnation speak of learning and growing and bettering themselves. They talk about having been the rocks, trees and water. When people are regressed to

even know about past lives they go through hypnosis. This is all of satan and God is not in approval of any of this. satan knows this is sin and when you do this you open yourself up to demons and familiar spirits and lies and false memories and all sorts of things that are not even true. You have come into agreement with satan at this point and he will deceive the hypnotist and the hypnotee.**

God's Grace at Work: What kind of God would say: "If you make an error, too bad; suffer with it for the rest of eternity?" That would be a cruel and mindless God. But God says quite the opposite: "I know you make errors, and I shall give you every opportunity to correct them and become a better soul, and someday we shall become one." -- this is from the recycling website and this is a lie straight outta hell! This life right now is where you make your choice to accept Jesus and live for Him and make Him Lord of your life or not. If you die in sin, you do not get a 2nd chance.

CLOSING

2 Cor. 6:2b - ...behold, now *is* the accepted time; behold, now *is* the day of salvation.

Heb. 9:27-28 – And as it is appointed unto men once to die, but after this the judgment: So Christ was once offered to bear the sins of many; and unto them that look for Him shall He appear the second time without sin unto salvation.

It is our hope that everyone listening to this message would come to Jesus Christ, these are the End Times and He is Who can save and protect you or if you have gone away from the Lord that you would come back to Him.
