

# MARKof the BEAST 666 – Part Nine: SUN WORSHIP in the CATHOLIC CHURCH

**2 Kings 23:5,11** – And he (King Josiah) put down the idolatrous priests, whom the kings of Judah had ordained to burn incense in the high places in the cities of Judah, and in the places round about Jerusalem; them also that burned incense unto baal, to the sun, and to the moon, and to the \*planets, and to all the host of heaven. And he (King Josiah) took away the horses that the kings of Judah had given to the sun, at the entering in of the chamber of Nathanmelech the chamberlain, which was in the suburbs, and burned the chariots of the sun with fire.

\*I believe this is a Mandela Effect because in Hebrew it says constellations and not planets.\*

Pope burning incense to the son/tammuz/horus/lucifer and to the queen of heaven/ashtoreth/diana. Those are six pointed star halos around their heads indicating sun worship of nimrod. Remember tammuz is the reincarnated nimrod – the sun god. This is not baby Jesus and Mary.

Same thing, burning insence to “the queen of heaven” and demon baby tammuz.

Look at this ridiculousness. That is supposed to be Jesus with the sun around his head. God never allowed the Israelites to see His image or likeness so that they would not make idols to bow down to and worship. We may have a good idea of what Jesus looks like because He did come and walk this earth, but He does not want us worshiping pictures or statues of Him or His likeness.

German coin with the eye of horus/lucifer and sun rays coming off of it. Notice the falcon or phoenix (In Greek mythology, a **phoenix** (Greek: φοῖνιξ phoinix; Latin: **phoenix**, phœnix, fenix) is a long-lived bird that is cyclically regenerated or reborn. Associated with the Sun, a **phoenix** obtains new life by arising from the **ashes** of its predecessor.) Either way that bird represents the sun – worship of the sun god – nimrod/horus/lucifer.

Just like on that German coin, in the catholic church is where we see “IHS.” This stands for: isis, horus, set or seb, - to me the “S” is more likely for satan. Christians have been told the “IHS” stands for Jesus. You have to really twist this and make a pretty fantastic story up to get Jesus out of this. The I for lesous which is supposed to be equivalent to Jesus in Greek. They try to say “IHS” is a Christogram that is letters that represent the holy name of Jesus. They say the

first two letter are for the greek version of Jesus' name and then later the s was added for sigma. This is all a lie as all the other symbols and statues and holidays in the catholic church have been about false gods and idol worship. Remember the occult teaches a different meaning to those who are not in the occult, just like the masons with their twisting of God's Word.

It was believed that Seb imprisoned wicked souls, so they couldn't ascend to heaven.

**Geb** was the [Egyptian god](#) of the [Earth](#) and later a member of the [Ennead](#) of [Heliopolis](#). He had a snake around his head and was thus also considered the father of snakes.

isis, horus, seb – notice that cross in the middle – T for tammuz.

Look at this little creepastic thing. Notice the three “nails” at the bottom. Here they are depicted more as arrows being shot upward toward heaven.

Sun worship on the floor of the church of the “holy tomb” near Golgotha.

The pope holding the sun and moon that they worship. This holds the bread for the eucharist. The rays of the sun, the straight lines represent the male and the squiggly lines represent the female. In the occult it is all about fertility and prostitution and molestation in order to worship their god.

Here you can see more clearly the sun with all its rays and the sliver of the moon in the center on the bottom.

Not Mary and Jesus, but rather “the queen of heaven”/ ashtoreth and tammuz/horus.

In front of the main altar in St. Paul's cathedral.

More sun worship in the catholic church.

This obelisk was moved from Egypt and represents Nimrod's phallus while the circle and star around it is the female Ashtoreth/Isis/Diana/Queen of Heaven.

In the vatican: sun/nimrod and moon/ashtoreth and star/tammuz/horus all present and represented in this “artwork.”

zeus – known as king of the gods, however the catholic church changed the name to Peter. They know who this really represents and it is still about sun worship, zeus was worshipped as a sun god and that is another name for nimrod. Notice the sun wheel on top of “Peter’s” head. The toes on the right foot are worn away

from people touching and kissing them so much – in worship. This is another sign of the masons, the two fingers up or the hand of blessing.

Remember that the fallen angels and demons along with satan are running things on this earth right now. Remember the testimony of so many saying they have seen aliens (which are demons) running meetings at the UN at the World Bank etc. Next up is the vatican and Jesuits. I have to shine the light on this, they are an occult openly running and ruling the world with satan. There day is soon coming when Jesus, the Lion of the Tribe of Judah returns and puts them in their place. But for now we must speak out against this idolatry and teach and bring awareness about it. Pray for those that are blinded and in this false religion.

I hope you are seeing that the catholic church is deeply entrenched in sun worship which boils down to worshipping nimrod and tammuz / osiris and horus and behind it all is lucifer. Ashtoreth/queen of heaven/semiramis is not left out as the moon is mingled and the stars are mingled in all of their symbols and art work too. God wants you to come out of this filth. You may have been in the catholic faith and just not have known all of these things. God wants you to know and He wants you to come out of this occult. It doesn't please Him at all. I know that surely everyone that is involved in this religion doesn't know what the roots of it all really are. But it is time to know and learn and come out of it.

**Jeremiah 8:1-2** – At that time, saith the LORD, they shall bring out the bones of the kings of Judah, and the bones of his princes, and the bones of the priests, and the bones of the prophets, and the bones of the inhabitants of Jerusalem, out of their graves: And they shall spread them before the sun, and the moon, and all the host of heaven, whom they have loved, and whom they have served, and after whom they have walked, and whom they have sought, and whom they have worshipped: they shall not be gathered, nor be buried; they shall be for dung upon the face of the earth.

This reminded me of the catholic church because of what they do and believe about the dead.

\*\*I am about to show you some of the dead bodies and bones and skeletons that the catholic church worships. If you have small children you may want to pause the message and get them out of the room if you think this will be upsetting for them.\*\*

They worship and pray to the dead.

This is supposed to be Peter. They discovered these bones supposedly in 1939 when they were doing some excavations in the grotto under neath Peter's Basilica. They supposedly found a monument that said "Peter is here." Later they claimed to know for sure that this is Peter and exumed the bones and now proudly display them in St. Peter's Basilica.

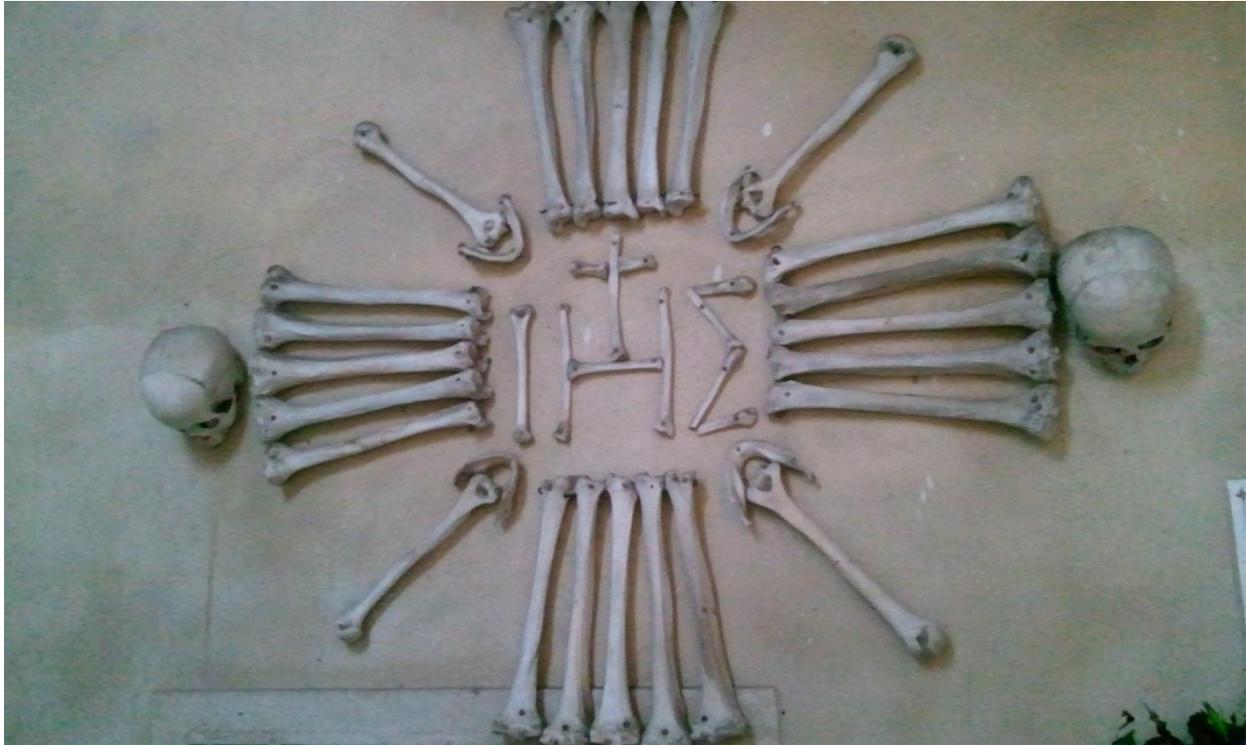

Just as a side note, I want you to know that if you believe in and love Jesus Christ, then you are a saint. It is not something bestowed by a pope in this life or after you die. It is something we are considered by God because He is Who sanctifies us and sets us apart. Like the song says "Oh when the saints go marching in..."

In Rome there is a Catholic Church with skeletons dressed up as monks. 4,000 skulls can be found as decoration at this horrific site.

This crypt in the heart of Rome is decorated with a painting of “Jesus”, skull, bones and two corpses. A tragedy, that keeps non believers away from this wicked pagan religion.

isis, horus, set or seb – NOTHING TO DO WITH JESUS. This is at the Bone Church in Kutna Hora, Prague

Get out of this religion that tries to say dead men's bones are holy and a thing to be praised and worshiped.

Sick.

## CLOSING

**Numbers 19:11** – He that toucheth the dead body of any man shall be unclean seven days.

**Haggai 2:11-14** – Thus saith the LORD of hosts: Ask now the priests concerning the law, saying, If one bear holy flesh in the skirt of his garment, and with his skirt do touch bread, or pottage, or wine, or oil, or any meat, shall it be holy? And the priests answered and said, No. Then said Haggai, If one that is unclean by a dead

body touch any of these, shall it be unclean? And the priests answered and said, It shall be unclean. Then answered Haggai, and said, So is this people, and so is this nation before Me, saith the LORD; and so is every work of their hands; and that which they offer there is unclean.

**Matt.8:21-22** – And another of His disciples said unto Him, Lord, suffer me first to go and bury my father. But Jesus said unto him, FOLLOW ME; and let the dead bury their dead.

Because of God's grace to us in Jesus Christ, we are not considered defiled or unclean when we touch a dead body. However, the bones of a dead person, even if a Christian (saint) don't become "holy bones." We don't worship them, or pray to them. The catholic church and any other church that is doing this is an abomination to the LORD. The catholic church is an occult. Get out of her!!!

In the old testament dead things were a representation of sin. Today, God doesn't want us touching sin or we will be separated from Him until we repent of it. We still need a ritual cleansing to be purified after touching a dead thing, but how we get clean is by confessing and repenting and being washed clean by Jesus' blood.

If you see these types of symbols and emblems and statues and this type of worship of the dead in your church then it is time to get out of that religion and come truly to Jesus Christ and make Him Lord of your life.

## **PRAYER**

Let our words be life and not death. We will eat of the fruit of our words. Help us to stand boldly for Your truth no matter man's traditions or man getting angry at us. Pour more Godly discernment out on Your children. We ask You Father to destroy the works of the enemy. Smash and destroy this idolatry in Your churches and in this world.
