

DECEPTION of GOD'S NAME – Part Two: WITCHCRAFT on BIBLES and YHWH, JEHOVAH

I have no respect for any evangelist or bible teachers that are on tv anymore, not for any of them. It is becoming more and more clear that they are all practicing witchcraft. They are in the secret societies whether they chose this freely, or were broken and programmed and made to do it. We must pray for them and beware of their teachings.

To Juju Rocker on YT – you asked and were wonder what name do we pray to or say when talking to the Father. Remember Jesus told the disciples when you pray – SAY, our Father which art in heaven... I did check the greek translation of this and it translates correctly over to father in our English language. Remember when you pray, God knows your heart and He knows Who you are calling on. Don't get caught up worrying or in bondage over all of these names that are being taught. He is your Father. I often call Him, Heavenly Father, or Father God, or The LORD God Almighty, etc. Jesus gave us a term of endearment for Him, and it is Abba because it is like saying Daddy to Him for He is our Heavenly Father.

Kennedy and I went to the Christian book store to get a copy of that print out that I couldn't find. While I was there Kennedy was looking at the bibles because we threw hers away because it wasn't a KJV and it had the vesica pisces circles on the front which we have recently learned about. She has a KJV from the church we used to go to but she was just looking at the teen bibles. Well I want to share what the trip to that store revealed to us. It goes with this message because God is revealing all this deception to us now. He is showing us what they have done around the verse where He said I AM. How they came up with jehovah and yhwh and inserted vowels and made all of that up and stuck it in our bibles and have done deceptive teaching based on it. So come to the store with me...

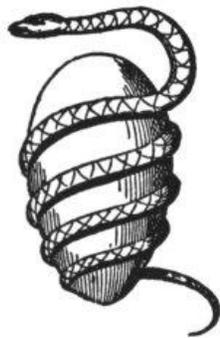

This is the logo for the store we went into. First I noticed the W and how it isn't a W but it is 2 – V's. To the occult that = 66 because V in Hebrew is 6. And since they are putting them together to make a W then W is also equal to a 6 in Hebrew. So right there you have 666. The logo with the cross in it isn't quite a circle, it is almost an egg shape. And the lines that seem to swoosh around the cross remind me of a serpent winding or the whole thing could be for the moon or sun. They way the lines cut through the circle shape make a triangle on the top corner.

Ancient Egyptian Egg Symbols

Fig. 81.

Sacred Egg of Heliopolis; and Typhon's Egg. . From BRYANT'S *Mythology*, vol. iii. p. 62.

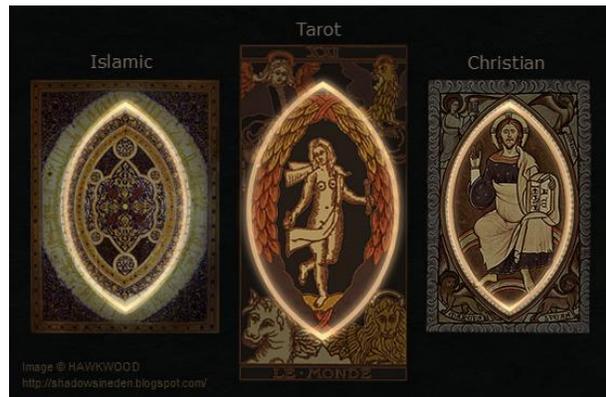

Egg of Heliopolis

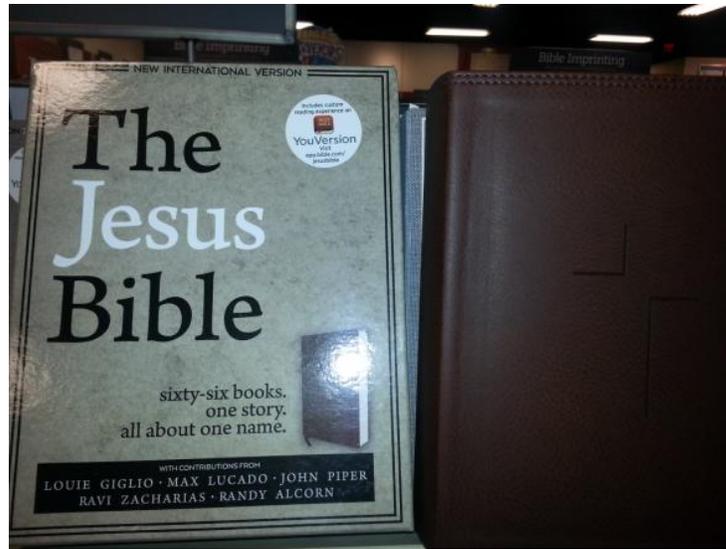

Egyptians placed the god Kneph as a serpent in the centre of a symbol of the universe shown as an egg.

The father sun god and the baby sun god holding the egg or round womb (ashtoroth – mother earth).

Here is the “OPEN” sign, the vesica piscis – not a Christian fish. A trip to the “Christian” book store reveals a lot of occult symbols being passed off as Christian.

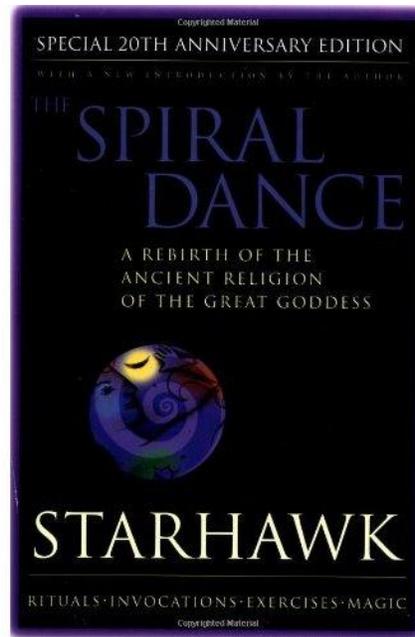

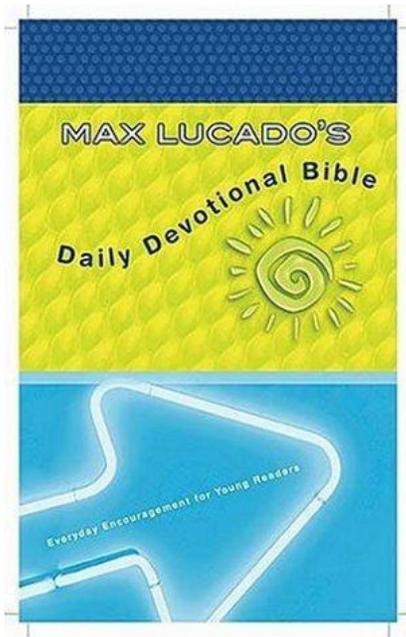

Let's take a look at the names listed on the front of this bible and see what we may learn. Louie Giglio said Jesus got beat up in hell. He is one of the publishers of Chris Tomlin's music and Chris Tomlin is not singing to the Lord Jesus Christ.

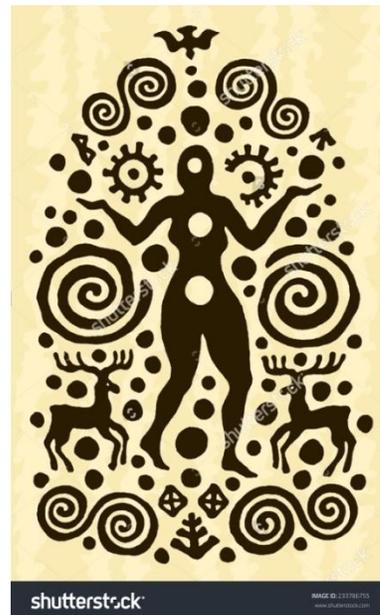

John Piper and Rick Warren. Rick Warren promotes Islam as the same as Christianity. He is also about replacement theology which says that the church took the place of Israel, that God is finished with Israel. I believe the picture on the right says it all. He is a supporter of the pope.

1 Cor. 15:33 - Be not deceived: evil communications (companionships) corrupt good manners.

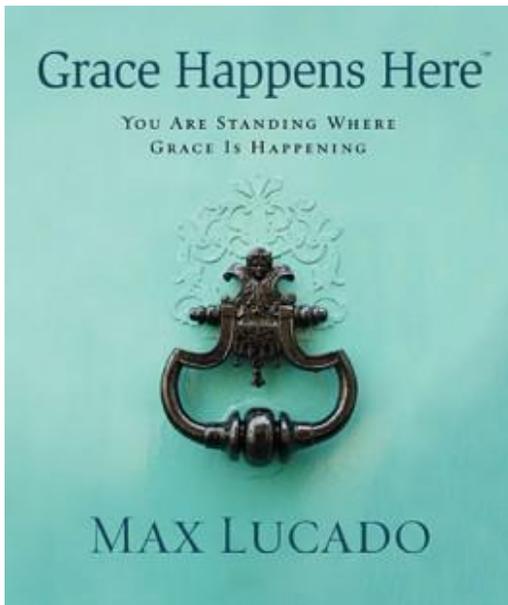

Max Lucado, the spiral on his bible represents worship of the goddess and the rays are for the sun. The occult use spirals going one way for the goddess or female and the opposite way for the male or the witches' great god pan.

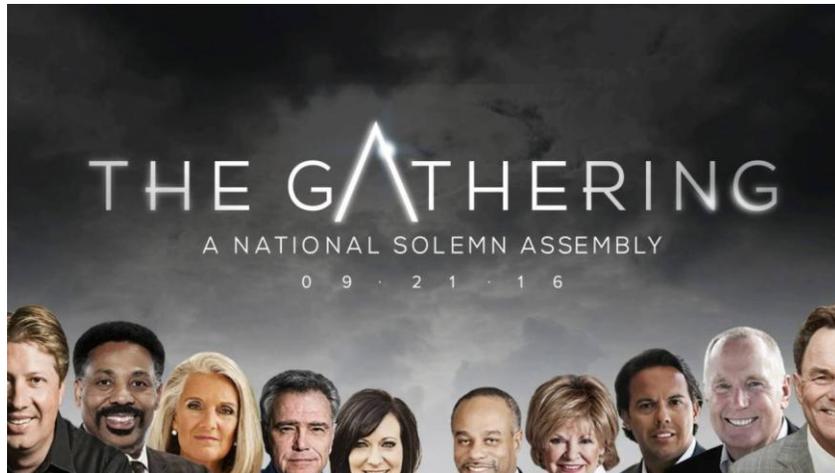

You can see the sun worship with the rays and the spirals going both ways, the dove represents ashtaroth, the deer are for nimrod/pan.

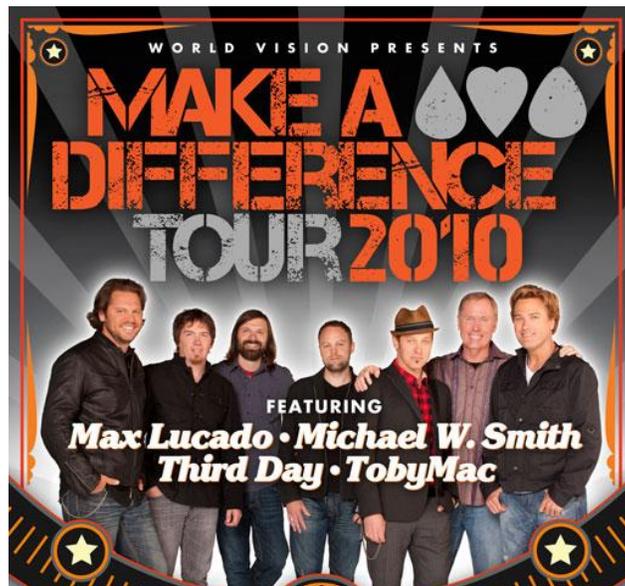

Spiral on the sailboat and in the name – on purpose because it is witchcraft.

Here you see the false trinity symbol at the top of this design on the left and this is drawn over what looks to be a cherub. This is about sun worship and the false trinity in the catholic church, see picture on the right with the cherub and the halo for sun worship.

Every single one of these people are leading you astray. Lucado second from the right. Look at that pyramid boldy standing and Robert Morris with one eye covered and whoever this is on the right with one eye blocked. How wicked are these people.

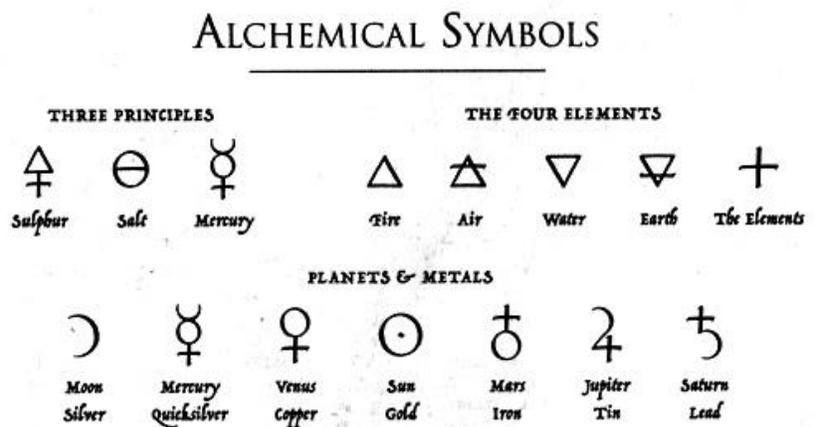

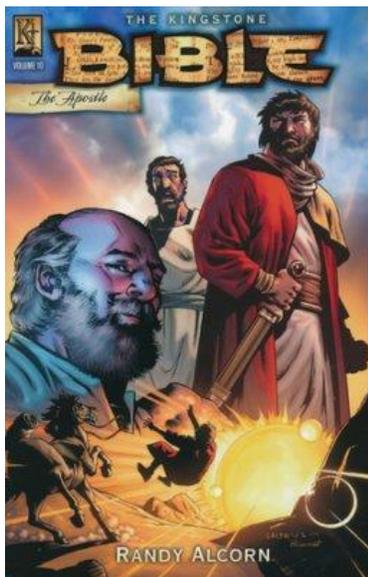

Lucado again: Sun rays for sun worship, stars too and he's with the bands that I exposed in SATAN'S MUSIC in the CHURCH teaching series.

"Father, I believe you love this world. You gave your one and only Son so I can live forever with you. Apart from you, I die. With you, I live. I choose life. I choose you."

SOURCE: 3:16—THE NUMBERS OF HOPE, by Max Lucado; Nelson Publishers, pg. 129, 2007

You do not pray to the Father, you go to Jesus Christ in the prayer of salvation, He is the One that died for our sins. You have to confess and repent and believe He died for you and He lives. All other prayers are prayed to the Father in Jesus' name. Notice how in this prayer of salvation he doesn't even mention Jesus' name.

Acts 4:12 - Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved.

Randy Alcorn put this bible out. See the sun representing sun worship, look to the right of the sun and then look at the chart for mars. This bible is published by Kingstone media.

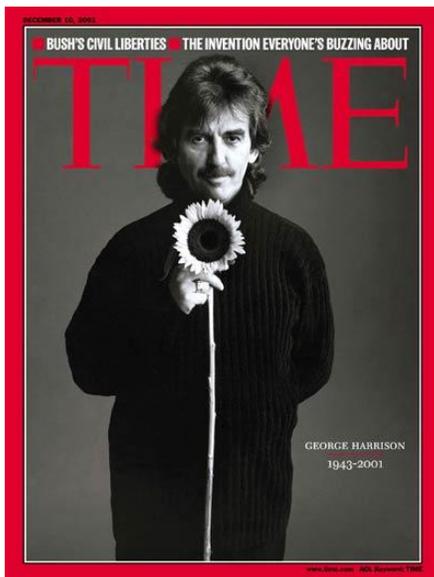

Randy Alcorn is sending a subtle message here to other sun worshipers. There is an infinity sign in the corner which is also for sun worship.

Remember that the occult and secret societies believe the snake reincarnates itself, is a picture of rebirth because it sheds its skin, represents resurrection. Is worshiped as a sun god.

L: Katy Perry and R: Lady Gaga have both sold out to satan and are illuminati puppets.

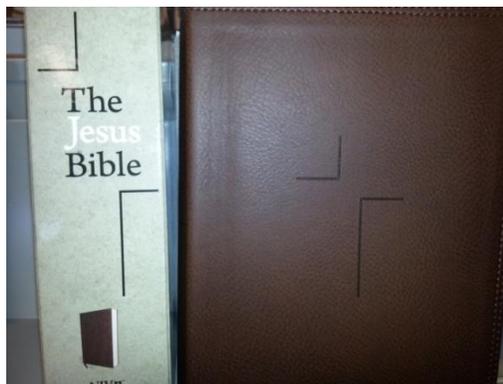

George Harrison posing with the sunflower sending a message to all the other sun worshipers. The Beatles were sold out to satan.

L: The madonna aka: ashtoroth and on the R: Madonna the singer. The sunflowers are put there on purpose, showing worship to their sun god baal.

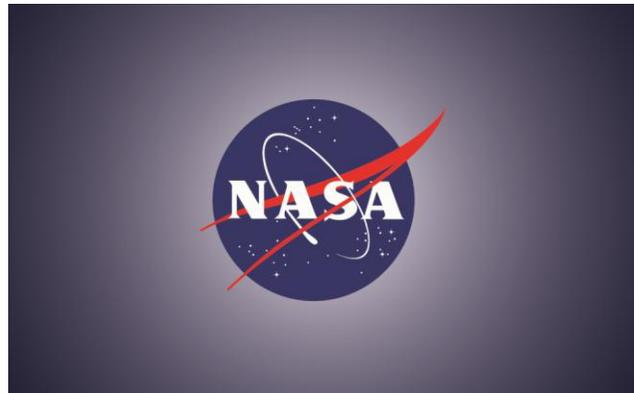

Yes, sunflowers are used to speak silent messages between the secret societies, the illuminati.

See those lines, as above, so below – a very occult phrase. I think they also represent the compass and square of freemasons.

This bible and Captain Kirk from Star Trek have the same vector as nasa. Not to mention the bee hive hexagon pattern on the cover. satan wants us to all be plugged in to the hive mind. Where we don't think for ourselves or exercise free will, but serve and worship him. This agenda is going forward with our modern technology and during the tribulation, whoever takes the mark of the beast will no longer have free will, but will have their mind controlled by satan and be part of his hive.

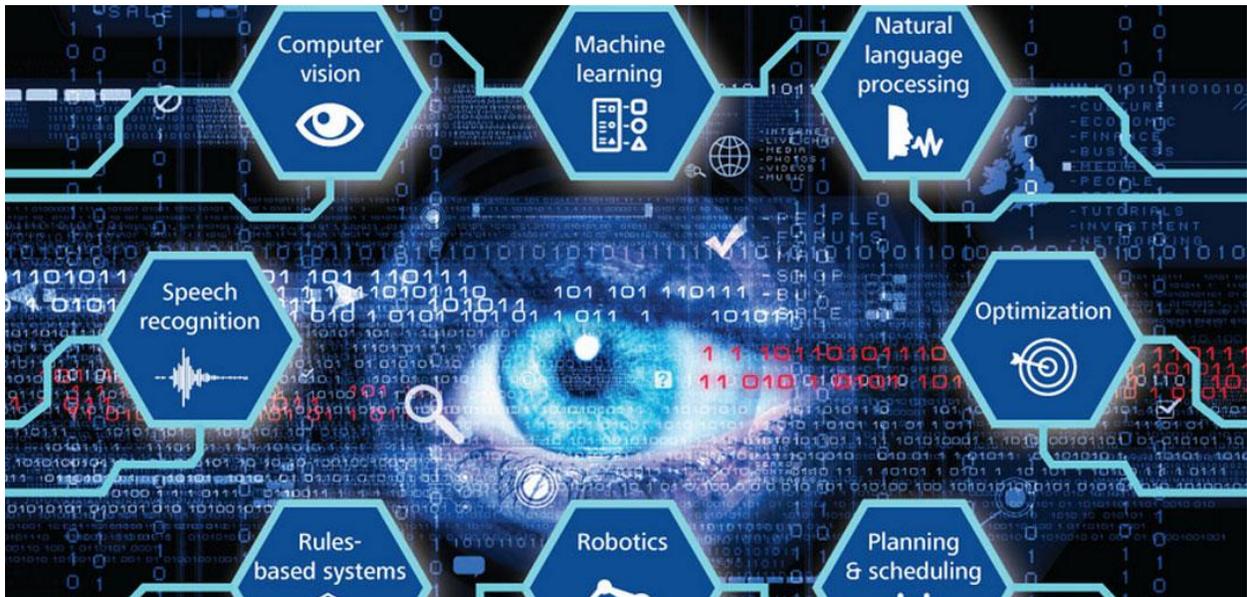

Russia space program logo on left and USA space logo on right, they both have this same vector.

China space program logo with the same vector.

L: A board game for children, conditioning. R: A bee hive crown that the pope's wear, there will be those that help to bring the plan into place. The false prophet and the antichrist. Seems like the pope will be the false prophet – whatever pope is in place at the time of the antichrist.

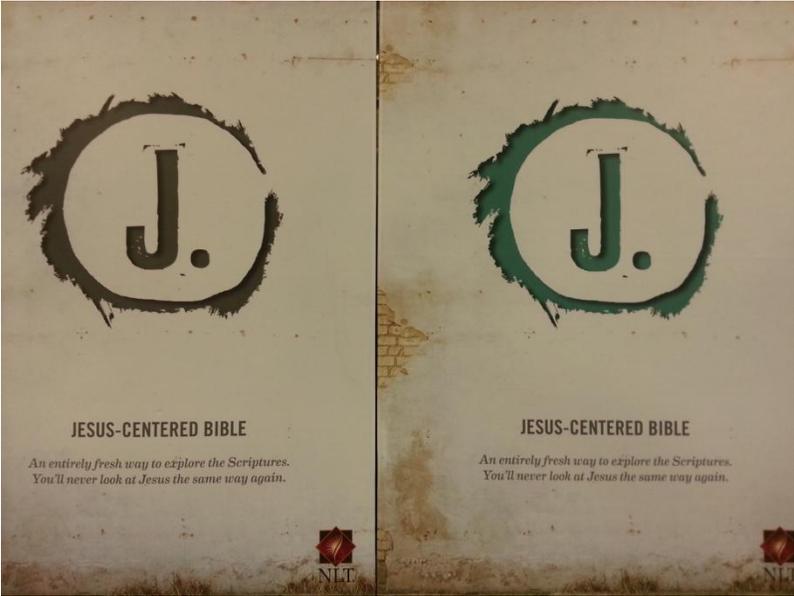

Can you see their control and plan marching forward?

Are we not already so close to the hive mind already?

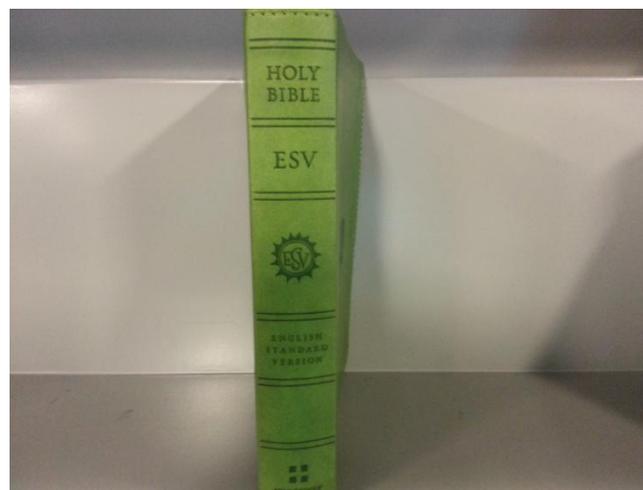

This is the goal, serve the beast and bow down to the beast system and the antichrist and lose your free will – be a worker bee for the devil – brainless because he will have your mind. They are already downloading people’s consciousness and putting it on computer chips. They can map your brain and are already doing this.

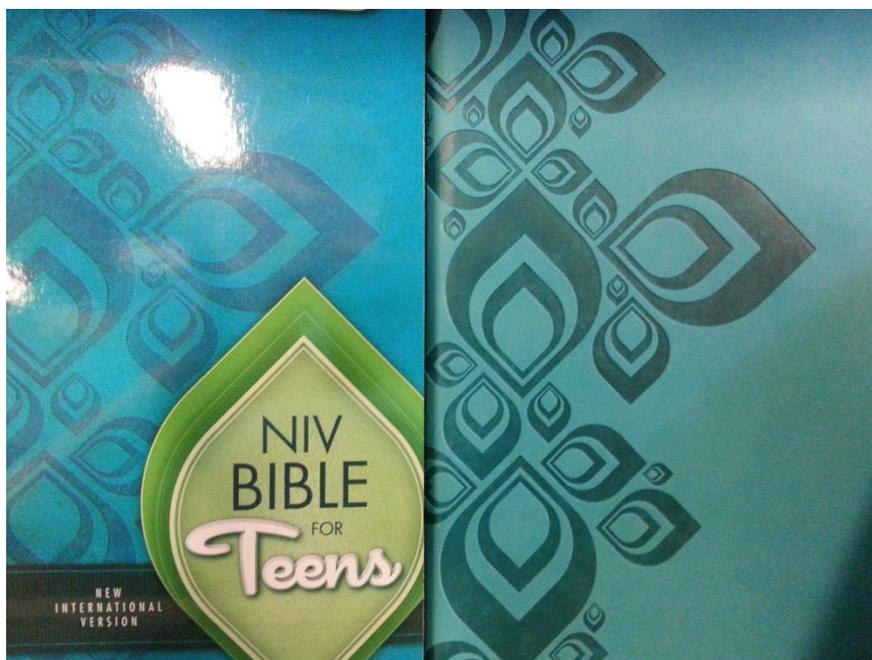

Uroboros: the snake or dragon eating its tail around the J. In the bottom right corner you see the emblem for the sun. This is all about sun worship and those in the secret societies know who is behind the publication of this bible.

This is what is shadowed in that sketchy looking circle on that bible. **They are subtle.** They can't very well put this on the front of a Christian Bible yet...

Circle of the sun, sun/baal/nimrod/satan worship. This is by Crossway publishers, their logo is 4 cubes. The cube stands for Saturn/satan.

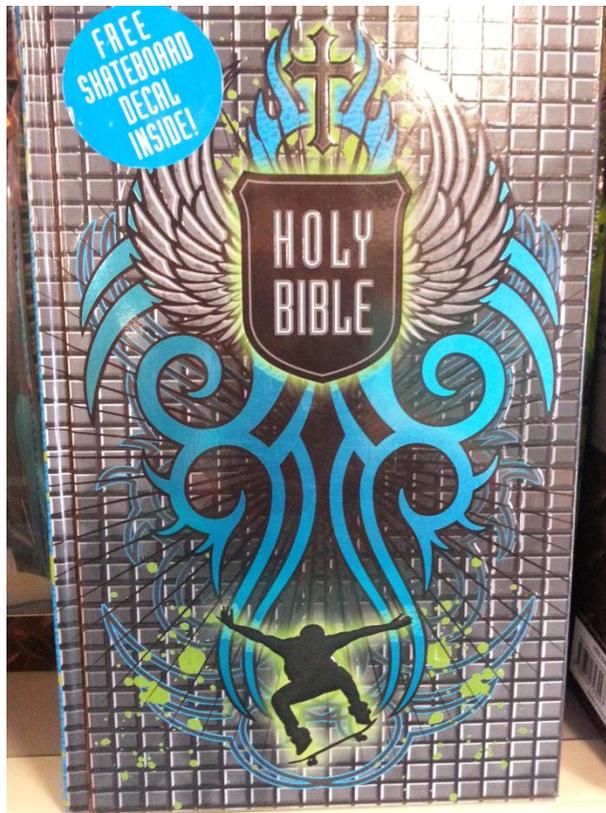

This is the all seeing eye, and it is also the vesica piscis or yoni (female organ) that the occult worship. Mother earth is represented here as well.

This NIV bible for teens is brought to you by Zondervan listed as the author and Harper Collins Christian Publications. **Look how corrupt those that print bibles are.** Runes are used by witches and those in the occult and secret societies to do their spells and conjurings.

For protection and blessing of your home. This is witchcraft and is an abomination to God.

This is part of the description: Skateboarding is all the rage for active young guys—daring, exciting, fun, and skillful moves make this sport a favorite for boys.

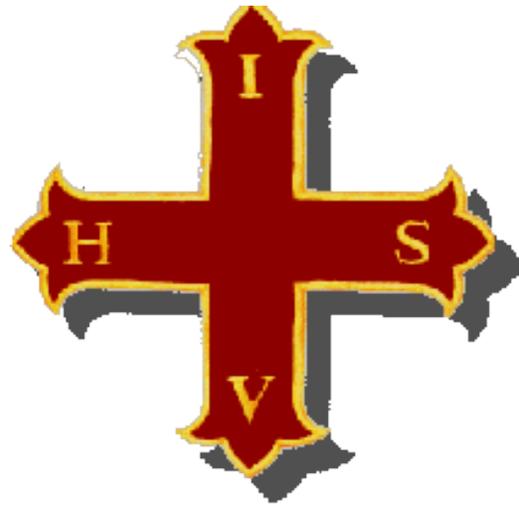

This new *International Children's Bible*® is highly designed with extreme graphics to capture the attention of boys who want a Bible that's just a bit different from Mom and Dad's! Publisher: Thomas Nelson This bible has a Masonic cross on the cover, along with a stylized winged sun disk for sun worship, stylized dragons and 6's. Kennedy saw teeth/fangs coming out of that design.

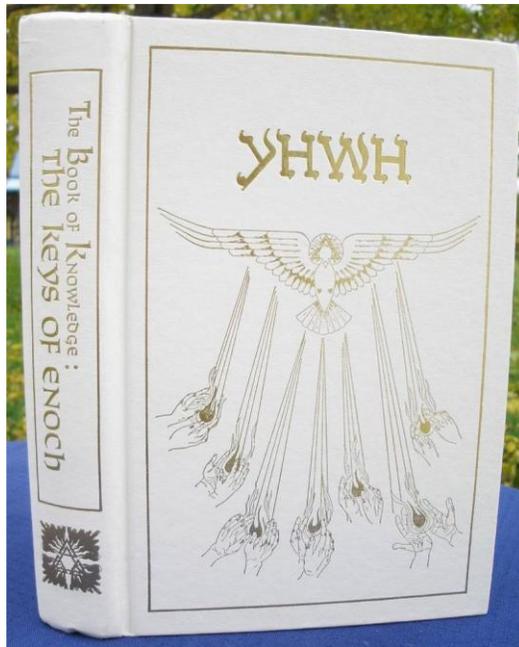

CHRYSLER

The winged sun disk is hidden or dressed up and disguised all around us.

Freemason crosses: L: Freemason cross with another freemason cross on top of it and a star with another cross on that. They use these things in fire departments and as medals for our military. R: On the right you see the end is for the false trinity of nimrod/ashtoroth/tammuz.k The letters are for “In hoc signo vinces.” Supposedly Constantine saw this vision in the sky of a cross and it said in this sign you will conquer. Don’t we see that very thing happening today? Gail Riplinger shared that Madam Blavatsky (Theosophical society – whom Hitler studied under and who wrote the “Secret Doctrine”) said infiltration would come through the church. That’s true, we see witchcraft, freemasons, those in secret societies taking over our churches under the pretense that they are Christians when their true intentions are only to infiltrate to bring lies and deceit and sorcery to take the church down through deception.

Notice yhwh on this book. Remember it stands for jehovah or yahweh and we are told it is God's sacred name. I don't believe that any more. As I showed last week in Hebrew the letters they use are not what is written in the text I have. This is not the book of Enoch that we speak of in some of our teachings, this is an occult book. Look at the winged bird representing deity with rays like sun rays coming down. This bird actually has a triangle head for sun worship.

This is an ancient rendition of something similar with the sun's rays reaching down in blessing and to receive worship.

Making offerings to the sun god.

Please play from 8:18 to 9:42 yahweh – means a release of energy in ancient Hebrew

I hope to paint a picture of this deception clearly as we go along in this teaching. I will not use Hebrew names again and have repented from it.

This is a cover of the 1611 KJV Bible, in one place I read that this was the first page in that Bible. Look at the paganism on the cover of this thing. Across the top you see images of the sun and you see the dove representing ashtaroth and jehovah written above that in Hebrew. Looks like Moses has horns on his head and in the bottom left corner looks like a cow or a demon by the lady that is seated. Look up top to the right and you see a face, scary face by the man that is seated. This is supposed to be even a truer translation of the Holy Scriptures than all other KJV'S.

Can you see where we are at in all of this??????

CLOSING

If the publishers can print this witchcraft on our Bibles, can't they also tamper with what goes on the pages?

Revelation 22:18 – 19 - For I testify unto every man that heareth the words of the prophecy of this book, If any man shall add unto these things, God shall add unto him the plagues that are written in this book: And if any man shall take away from the words of the book of this prophecy, God shall take away his part out of the book of life, and out of the holy city, and *from* the things which are written in this book.

Next week we are going to talk about kabbalah and see where this superstition that the Jews learned came from and all of this garbage about a secret sacred name came from in the first place. I Pray you do not get caught up in a “sacred names group.” The name that is above every name is JESUS CHRIST. That is the name we are given power and authority in and the only name by which we can be saved. In that name you bind and cast out demons, if you are truly saved, you have this power and authority and only if you are intimate with Him.

PRAYER
