

DECEPTION of GOD'S NAME – Part Eight: FALSE TEACHER PERRY STONE, YHWH, DISNEY

Shout out to Colette L. for bringing this to my attention about a year ago. God bless this man for letting God lead him to expose Perry Stone and someone he works with in his ministry, Mark Casto. He has done very thorough research, please go to his channel and watch his research and exposure videos on freemasonry and Perry Stone.

Two snakes viping (one on top and one down below outlining the lamb), the word sex hidden in the top of the logo, a triangle in the top logo, sun rays shining out, to the occult a lion represents sun worship, the omega emblem is off center, one side higher than the other representing as above so below also the top is bright and the bottom is darker representing duality, in the sides there are moon slivers.

****Please play from 50:57 to 51:46 and from 1:03:45 to 1:08:07 Perry talks about a spot to create a portal / praying from a white chair and a Bible that produces oil**** (about 5 min's total)

<https://www.youtube.com/watch?v=SaNOnu7PkEA&t=125s>

This is witchcraft plain and simple. The one lady passed that chair down to the other lady and that is what the occult does, they believe there is power in objects and things and along with it comes familiar spirits and sorcery because you are believing in the object instead of in Jesus. This oil from that bible is like in the Catholic church when statues cry or blood comes out from them, it is witchcraft. Some of it is staged, Ms. Lucy who used to come here shared a testimony of a man who used to be a priest and he had staged a statue to cry to increase the numbers of his congregation.

Psalms 20:7 - Some *trust* in chariots, and some in horses: but we will remember the name of the LORD our God.

God never wanted His people trusting in chariots or alliances, but in Him. We don't trust in objects, but we look to Jesus Christ.

This is from the facebook page of Mark Casto who Perry had done video teachings with. You are known by the company you keep. So there's a picture of Walt Disney who was a mason and Disney is used majorly in mind control and programming by the occult. Mark says: reading this over Christmas to which Jessica hardwood33 responds: I have that, it's good. Notice at the time of this screen capture there were 33 likes. This is not by accident. Sick perversion. Just in case you think Disney is ok and don't understand the big perversion here. Let's watch this clip:

****Please play this 11 min. video on the Disney perversion****

For all those practicing witchcraft and in the secret societies and purposely lying about the truth of God the following scripture applies:

Rev. 22:15 – For without (outside of New Jerusalem) are dogs, and sorcerers, and whoremongers, and murderers, and idolaters, and whosever loveth and maketh a lie. LIARS will not enter in!!

You can see squares all over this, a triangle coming down from the top and one going up from the bottom all for sun worship – to the god of the sun: baal/nimrod/satan. This is also the square and compass of freemasonry.

NOW AVAILABLE!

Look at the “A” and the “O” and the “R” and remember them because I’m going to show you what they are doing in this advertisement by writing them like that.

See the lightning bolt for satan/zeus/Jupiter between Perry Stone and Todd White. Where lambs become lions is a play on words. If you really are a lamb for Jesus Christ, you don’t want to become a lion like satan.

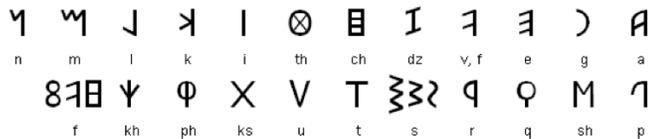

1 Peter 5:8 - Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour:

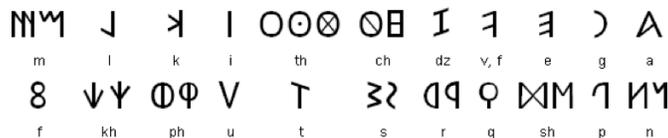

Remember those letters that were written strangely? This is what they are doing, using ancient alphabets called runes. Witches use these in their sorcery and spells.

Archaic Etruscan alphabet (7th-5th centuries BC)

Neo-Etruscan alphabet (4th-3rd centuries BC)

Remember that “A” that looked like it fell over

Proto-Sinaitic 	Egyptian 	Phoenician Aleph (Ox) 	Hungarian 
Early Greek 	Alpha 	Etruscan 	Latin A 

Here is the fallen leaning “A” again

								
feoh - f "wealth"	ur - u "cattle"	born - þ "thorn"	os - o "mouth"	rad - r "ride"	cen - c "torch"	ꝥiefu - Ʒ "gift"	pynn - p "joy"	hæ3l - h "hail"
								
nyd - n "need"	is - i "ice"	Ʒear - Ʒ "year"	eeoh - eo "yew"	Ʒeorð - p "game"	eolxec3 - x "elk-sedge"	si3el - s "sun"	tyr - t "Tyr"	beorc - b "birch"
								
eoh - e "horse"	man - m "man"	lagu - l "lake"	ing - Ʒ "Ing"	œðel - œ "estate"	dæ3 - d "day"	ac - a "oak"	æsc - æ "ash"	
								
yr - y "bow"	ear - ea "earth"	iar - ia "serpent"	kalc - k "chalice"	kalc - kk "chalice"	gar - g "spear"	cƷeorð - cƷ "fire"	stan - st "stone"	

The runic alphabet used to write old English before the introduction of the latin alphabet. Remember the “O” with the cross sticking through it.

The "O" or womb with the cross or phallus sticking through it. Masons and witchcraft plain and simple.

The "O" again.

The "O" again.

One of satan's calling cards is the lightning bolt. Look at all of these slaves displaying who their master is.

BLOG OPINION ONLINE:

Often i see that messianic s are using the tetragrammaton yhwh what is supposed to be derived from Yeshua Hanozri Wemelech Hajehudim.

But is this really correct and how do we handle this ?

I have problems with it and would never use it.

Here is why.

Its heavy involved with freemasonry, king solomon, the antichrist system the kabbalah and the occult.

It represents the name of the judeo-christian g_d who is not our God.

Its pentagram is a symbol for occultism used by eliphas levi, aleister crowley, blavatsky and other sorcerers..

(By the way only judaism is using the spelling g_d. All other religions are using GOD!)

Chuck Missler used to disseminate that "Yeshua Hanozri Wemelech Hajehudim" provided the YHWH acronym. He later redacted it saying he was wrong. "Yeshua" is a guess name as it is. Only the Greek, in both Old and New Testaments, seems to be authoritative. I wonder why. And I totally agree with you. The tetragrammaton permeates Freemasonry and the occult; meanwhile, demons and Jews shudder at the very mention of the name Jesus. What seems more sacred? The name I AM holds the most consistency along with Jesus.

In the references for this message there is a link that breaks down why this is wrong. The sign Pilate put on the cross did not have the initials YHVH.

I have seen many things on Perry and his ministry. Youth worship that looks like a rock concert and more. Many things he has done I never saw because they are not part of his Manna Fest program. I feel after this teaching that I have provided enough on him if he happens to come up in my research of another message I will bring it out then but for now that is enough on him.

CLOSING

Rom. 1:28-32 – And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient; Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whispers, Backbiters, haters of God, spiteful, proud, boasters, inventors of evil

things, disobedient to parents, without understanding, covenant-breakers, without natural affection, implacable, unmerciful: **Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them.**
