

DECEPTION OF GOD'S NAME – Part Ten: METATRON, MASONS, ZOHAR and KABBALAH

Metaphysical symbols from kabbalah. Remember the demon sigils? Yes, this is where they are coming from.

Malachim = angels or messengers

Here is that number 72 again. Remember occultists/kabbalaists say there are 72 names of God and 72 letters of His name etc.

In kabbalah that structure placed over the man is their tree of life. See how they are adding up the letters of jehovah to get a total of 72.

HEBREW and KABBALAH:

Hebrew - (עִבְרִית 'Ivrit) An ancient language related to Judaism and the original Christianity.

“The Angel Metatron, or Enoch, delivered the Tarot in which the entirety of divine wisdom is enclosed. The Tarot remains written in stone. He also left us the twenty-two letters of the Hebrew alphabet...”

A much greater consideration of the power and importance of this Divine Name, is the understanding that its force is expressed in the Archangel *Metatron*. As it is,

the *gematria* of the letters in both the words **שדי** (*Shadai*) and **מטטרון** (*Metatron*) equate. Abraham Abulafia wrote in his *Chayei ha-Olam ha-Bah* (Life of the Future World), “Thus, ‘our way is his strength’ (*Dark-enu Koch-o* = 314). Likewise, ‘our strength is his way’ (*Koch-enu Dark-o* = 314).” This is of course the value of *Metatron* and *Shadai*. Abulafia continues: “Behold God’s name *Shadai*. This is *Metatron*. He is the ‘Prince of Names’ (*Sar HaShemot*), who speaks the ‘authority of the Name’ [*Reshut HaShem*].” Note that the Hebrew terms *Sar HaShemot* and *Reshut HaShem* contain the same letters.

So the understanding that the power of *Shadai* is within *Metatron*, would also mean that every time one invokes this Divine Name for protection, etc., one automatically also calls upon the “Angel of the Divine Presence.” yahweh – yahshua etc. people are trying to make Jesus’ name fit into the Father’s name. This is so stupid, Jesus is God without any finagling. All through the Bible, Jesus continually said I AM. (John 8:58) He said, before Abraham was, I AM.

In an earlier essay we noted that it is comprised of the six letters of the Name *Taftafyah* positioned in the corner triangles of the hexagram. As mentioned

in a previous essay on this blog, *Taftafyah* is considered amongst the most potent Sacred Names, certainly one which, in combination with the “Shield of David” (hexagram), was amongst the most popular protective magical charms of the mediaeval world. In fact, the two interlaced triangles of the hexagram comprise the symbol of *Metatron*, the holy intermediary between heaven and earth, and the Name *Taftafyah* is traditionally associated with the biblical King David, who is said to have had this Divine Name engraved on his golden shield, hence one of the uses of the “Universal *Shiviti* Amulet” pertains to being saved from belligerent people and circumstances by invoking the “Minister of Protection,” *Taftafyah*, whilst visualising the “Shield of David” (Hexagram) with the six letters of the Divine Name displayed on it. Similarly, Moses Zacutto informs us in his "*Shorshei ha-Shemot*" that one can dispel anxiety and fear by tracing the Name on the central “Shield of David” (Hexagram) of the “Universal *Shiviti* Amulet” with the six letters of the Divine Name displayed on it, whilst simultaneously intoning “*Taftafyah*.”

In kabbalah they worship angels.

Rev. 22:8-9 – And I John saw these things, and heard them. And when I had heard and seen, I fell down to worship before the feet of the angel which shewed me these things. Then saith he unto me, See thou do it not: for I am thy fellowservant, and of thy brethren the prophets, and of them which keep the sayings of this book: worship God.

Col. 2:18 - Let no man beguile you of your reward in a voluntary humility and worshipping of angels, intruding into those things which he hath not seen, vainly puffed up by his fleshly mind,

Megatron, “Revenge of the Fallen” – interesting that it sounds so close to metatron.

...book magical ops. [Rf. *Grimorium Verum*,
Waite, *The Book of Ceremonial Magic*, p. 239;
Shah, *The Secret Lore of Magic*, p. 98.]

Mermeoth—one of the 9 angels that “run together throughout heavenly and earthly places,” as cited in the *Gospel of Bartholomew* in James, *The Apocryphal New Testament*.

Merod—“a most holy angel” invoked in magical operations, as set forth in Waite, *The Greater Key of Solomon*.

Merof—in occult lore (*The Sixth and Seventh Books of Moses*), an angel of the Seal, summoned in magical rites.

Meros—an angel of the 9th hour of the day, serving under Vadriel. [Rf. Waite, *The Lemegeton*.]

Merroe—“a most pure angel” invoked in Solomonic black magic operations, specifically in the conjuration of the Sword. [Rf. *Grimorium Verum*; Shah, *The Secret Lore of Magic*.]

Mesarepim (Mesharethim)—an order of angels [Testament]

Messiach—an angel invoked in magical operations. Messiach is named in Mathers, *The Greater Key of Solomon*, p. 107, in connection with the invocation “of the water and of the hyssop.” The invocant is advised to recite, at the time of the operations, verses out of Psalms 6, 67, 64, and 102.

Messiah—equated with Soter, Christ, Savior, God. With Metatron, Messiah is designated a cherub and guardian angel of Eden armed with a flaming sword. He is also the angel of the Great Council, angel of the Lord, a sefira in the Briatic world (one of the 4 worlds of creation) and analogous to the Logos or Holy Ghost. Paul in Colossians 1:16 and Ephesians 1:21 has Messiah in mind when he speaks of the angel “raised above all principalities and powers, virtues, dominations.” So too Enoch, when he speaks of the “head of days.” [For cabalistic references, see Ambelain, *La Kabbale Pratique*.]

When you look up the etymology of messiach – you get messiah. Jesus Christ is not an angel. He is God. He was not created. The occult wants to say and teach that Jesus is only a man, only a prophet or only an angel so that they can have hope of defeating Him. However, that is all a lie. Jesus is God and He holds all power and satan is beneath Him, He created satan. Jesus holds the victory already and through Him, so do we.

The Hebrew title—**HaMashiach**—meaning “The Anointed One” is conferred on YESHUA by the Good Abba for mankind's recognition, eternally. ... Man may think the English word “Messiah” and the Greek “Christos” both mean “The Anointed One” in much the same way that “**HaMashiach**” in Hebrew does. May 6, 2014

Messiah is Hebrew meaning Anointing.

WORK: [19: 511], THE SECRET BOOK OF MAGIC, p. 222.]

Metatron (Metratton, Mittron, Metaraon, Merraton, etc.)—in noncanonical writings, Metatron is perhaps the greatest of all the heavenly hierarchs, the 1st (as also the last) of the 10 archangels of the Briatic world. He has been called king of angels, prince of the divine face or presence, chancellor of Heaven, angel of the covenant, chief of the ministering angels, and the lesser YHWH (the tetragrammaton). He is charged with the sustenance of mankind. In Talmud and Targum, Metatron is the link between the human and divine. In his earthly incarnation he was the patriarch Enoch—although *Tanhuna Genesis* [Rf. *Jewish Encyclopedia* I, 94] claims he was originally Michael. Talmudic authorities for the most part shy away from identifying Enoch with Metatron; on the contrary, the tendency is to play down the relationship and even to suppress it. In a curious tale of the marriage of God and Earth (Elohim and Edem), told in the *Alphabet of Ben Sira*, God

Metatron (El Shaddai). Reproduced from Mathers, *The Greater Key of Solomon*.

See the rays, that is sun worship, nimrod wore horns to show his strength and his leadership as a strong leader, the horns show us who their god is – satan, the goat/baphomet.

Heinrich Ewald between 1803 and 1875 was the first to popularize the form yhwh.

Romans 1:25 – Who changed the truth of God into a lie, and worshiped and served the creature (fallen angels, demons, animals, and other people) more than the Creator, Who is blessed forever. Amen.

BOOK: Codex Magica – by Text MARRS

p. 54 The Lost Name of God

Pass the 7th degree in masonry and you get to know the “lost” name of God. Jah-Buh-Lun (comprising of 3 deities – yahweh, baal, and osiris).

In the Royal Arch degree, the Freemason "acknowledge[s] that the devil, in the guise of jahbuhlun, is his sacred Lord"--the name jahbulun being a "composite of jahweh, baal, and osiris." He chants "jah-buh-lun, jah-buh-lun, jah-buh-lun, je-hov-ah" (Texe Marrs, *Codex Magica*, Ch. 4). Albert Pike discusses the Cabalistic/Masonic significance of IAHOVAH in great length in *Morals & Dogma* (66, 213, 401, 467, 519).

Figure 2. Triangular plate commonly used in English Royal Arch Chapters.

I AM THAT I AM

The teaching of the Royal Arch is a blend of pagan oral tradition and biblical text. This results in a dangerous confusing religious mixture. **Masonry is a mixture of the occult and twisting of scripture to make new initiates think they are in an upstanding organization. I believe there is a mixing going on with this Hebrew names business – a mixture of Godly with ungodly information.**

The Royal Arch degree catechism asks, *“Are you a Royal Arch Mason?”*

To which the reply is made, *“I – AM – THAT – I – AM.”*

Modern Hebrew looks nothing like the older writings.

cellent part. When death the grand leveller of all human greatness hath drawn his sable curtain round us, and when the last arrow of our mortal enemy hath been dispatched, and the bow of this mighty conqueror broken by the iron arm of time, when the angel of the Lord declares that time shall be no more, and when, by this victory, God hath subdued all things to himself, then shall we receive the reward of our virtue, by acquiring the possession of an immortal inheritance in those heavenly mansions veiled from mortal eye, where every *super excellent degree* will be opened, never to be closed. Then shall the great Jehovah, the Grand master of the whole Universe, bid us enter into his celestial lodge, where peace, order, and harmony shall eternally reign. (Bah! trash!)

Michelangelo's Moses in the Church of San Pietro in Vincoli, Rome. As a commission given to Michelangelo in 1515 by Pope Julius II to decorate his tomb,

Moses was to be the top centerpiece among 40 statues. ***What about the horns?*** Scholars believe this was a mistranslation of Hebrew scriptures into Latin by St. Jerome, called the Vulgate. It was the Latin translation of the Bible used at that time. Moses is described as having “*rays of the skin of his face.*” Jerome translated it to horns from the word *keren*, which means either *radiated* or *grew horns*.

They want you to believe these are some type of holy horns.

BOOK: “The Witches god” shows a horned god on the front

Mohammed regarded the Jewish and Christian god as being allah as well. **That means that YHWH and allah are considered the same deity in the occult/false religions and they know it. **

Look at this, the masons swear on the quran. And mohammed believed his god was the same as the jewish and Christian god. That is because it is satan in all of those religions and we have been fooled by a wrong name. Witches, masons, muslims, unsaved jews all serve the same god – jehovah/allah/satan.

All these false gods under one umbrella.

Which leads us to Rihanna's song "Under my Umbrella"

ella

Ell-a (EL-ah) 1. Meaning "beautiful fairy"
2. English in origin 3. In Hebrew, Ella means "goddess" 4. Derivative of Eleanor, which is Greek for "bright, shining one"

In Greek mythology, **Ella** (Greek: "Ελλα) was the daughter of Athamas and Nephele.

You see the snakes going up the spine in this example until they get to the brain, the winged sun (enlightened) disc. These are things taught in kabbalah.

Plato, Socrates etc. were thinkers – but they weren't seeking God.

The Zohar is a fascinating book written by Shimon bar Yochai, a Rabbi of the 2nd century during the Roman persecution in the years following the Roman army's tragic destruction of the Temple in Jerusalem in a.d. 70, and his son Rabbi Eliezer. Why? They had no temple and the no way to deal with the sin problem after rejecting Messiah. As the author of Hebrews states...

“And according to the law almost all things are purified with blood, and without shedding of blood there is no remission.” **Hebrews 9:22**

2nd BC – Roman Empire controlled Israel, Jews practicing their faith openly are persecuted or killed so they went underground and began to practice mysticism. Book of Creation – Sefhir Yet Zerar – they keep this book hidden or did – too powerful for the regular person.

The kabbalah and the zohar (written in Aramaic) were written well before we received our English translation Bibles. We were dependent on those who spoke Hebrew for our OT translation. The zohar teaches that Adam kicked God out of the garden.

They were trying to have visions like Ezekiel did, trying to see God but going about all of this the wrong way.

Malachi 1:14 - But cursed *be* the deceiver, which hath in his flock a male, and voweth, and sacrificeth unto the Lord a corrupt thing: for I Am a Great King, saith the LORD of Hosts, and my name *is* dreadful among the heathen.

PEOPLE might mock and scoff and belittle the Lord's name, but the spirit realm knows His name and they fear it.

I can tell you I do not serve the same god the jehovah's witnesses do. They don't believe Jesus is God. They are denying Him and so they don't have the Father either. So how could my God's name be jehovah?

This was another place I heard the name yahweh. Restored, I dare say it was never there to begin with.

Notice each line they add another letter of jehovah.

In witchcraft they might make a sentence about something. Take out the vowels, take out all repeating letters and then make a symbol out of the remaining letters. Then they use a symbol to make it come into reality. Just like the picture of Solomon's ring above.

Stuff they do in kabbalah. They have their symbols and words “spell-ing” throughout all of our culture. When you look at geometry you begin to see sigils.

Witchcraft pentagram, sword of Islam, sigils etc.

Traditionally the oldest known text of Jewish mysticism or Qabalism is the Sepher Yetsirah or the Book of Formation (Creation) supposedly written by Abraham himself, next is the Sepher ha Zohar written by disciples of Rabbi Akiva ben Joseph; Rabbi Simeon ben Jochai and son, The Rabbi and his son hid in a cave from the Romans shortly after the Bar-Kochba rebellion.

All of these books can be traced back with historical certainty to the beginning of the fourteenth century when they were published in Spain, along with the Zohar, by Rabbi Moses de León, shortly before his death in 1305. From these texts are described the "[Tree of Life](#)." Incredibly enough the Sepher Yetsirah demonstrates more than just a passing acquaintance with Quantum Physics.

CLOSING

Titus 1:10-16 - For there are many unruly and vain talkers and deceivers, specially they of the circumcision: Whose mouths must be stopped, who subvert (mislead) whole houses, teaching things which they ought not, for filthy lucre's sake. (ill gotten money) One of themselves, even a prophet of their own, said, The Cretians are always liars, evil beasts, slow bellies (idle gluttons). This witness is true. Wherefore rebuke them (The Cretians) sharply, that they may be sound in the faith; Not giving heed to Jewish fables, and commandments of men (like the Pharisees who made up their own rules), that turn from the truth. Unto the pure all things are pure: but unto them that are defiled and unbelieving is nothing pure; but even their mind and conscience is defiled. They profess that they know God; but in works they deny Him, being abominable (evil), and disobedient, and unto every good work reprobate (worthless).

I thought it was funny I was telling Scott with what all we have learned about our Bibles lately you can see why the muslims say it is a book of errors and

contradictions. But then Scott said, "That may be true now, but their book never was true, it started out as a lie from the beginning."

Book of shadows, book of the dead, demon/fallen angels, sigils, witches runes, astrology signs, symbols, colors, math, druids, – the occult, this is what they all study and practice coming from the esoteric mystery religions of Egypt and Babylon. Sending each other messages by how they advertise their companies and write their messages and what they say and wear. You better believe they have studied this junk. Our God wants us to study His Word. Even with additions/deletions and whatever else they have put in it, seems to me King James Version is still the best and nothing can keep you from God. He knows your heart and Who it is you are seeking. He will show you His truth. I began to know Him while reading an open Bible. If you want to know Him you can. This time we are living in has not caught Him unaware. They have tried to muddy the waters and twist and corrupt scripture, but when you seek Him, He will be found. He won't leave you in the dark. Now more than ever you need Him and His Holy Spirit to guide you. If you can already see the attack on His Word that has been so strong, can you imagine how much closer we are to the return of Jesus Christ? I don't see them fighting against anything else except God's Word and Jesus Christ.
