

THE EVILS of HALLOWEEN: WITCHCRAFT, FAMILIAR SPIRITS, DEMONS and SEANCES

WARNING – THIS MESSAGE HAS SCARY PICTURES and MATURE SPIRITUAL WARFARE EXPLAINED

Looking at this old house, we all know instantly this is what we think of as a haunted house. What does haunted mean? Haunted – inhabited or frequented by ghosts.

Things moving when no one is in the room. Hearing voices or noises or footsteps and seeing no one. These are some of the things we think of when we think of haunted places or things.

What is it really? It is demonic, evil spirits that have attached themselves to a place or to objects for a reason.

Are ghosts real? Yes they are. What are they?

Ghost - *noun*

an apparition of a dead person that is believed to appear or become manifest to the living, typically as a nebulous image (like a cloud, foggy or hazy).

"the building is haunted by the ghost of a monk"

synonyms: specter, phantom, wraith, spirit, presence;

What does the Bible say about ghosts?

Luke 24:36-37 - And as they thus spake, Jesus Himself stood in the midst of them, and saith unto them, Peace *be* unto you. But they were terrified and affrighted, and supposed that they had seen a spirit. *Other translations say ghost*

1 Sam.16:23 - And it came to pass, when the *evil* spirit from God was upon Saul, that David took an harp, and played with his hand: so Saul was refreshed, and was well, and the evil spirit departed from him.

Matt.14:26 - And when the disciples saw Him walking on the sea, they were troubled, saying, It is a spirit (phantom in the greek); and they cried out for fear.

I looked up many scriptures that reference the Holy Spirit (Psalm 51:11 – this verse was fine in the OT, Acts 19:2, Luke 3:22 and Acts 1:8) and what I see is that they have changed them in the new testament in the KJV to say Holy Ghost. When I looked in the Hebrew Bible that I have, it said Holy Spirit and the NIV which is the translation that most other corrupt translations follow all say Holy Spirit. Remember through the Mandela Effect they have been using science and witchcraft on the KJV to make it look corrupt and untrustworthy. So Holy Ghost is in the KJV to make Him seem spooky or scary or like our modern ghost movies so that people get that in their minds.

Isaiah 8:19-20 – And when they shall say unto you, Seek unto them that have familiar spirits, and unto wizards that peep (whisper), and that mutter: should not a people seek unto their God? for the living to the dead? To the law and to the

testimony: if they speak not according to this word, it is because there is no light in them. And they shall pass through it, hardly bested (in trouble) and hungry: and it shall come to pass, that when they shall be hungry, they shall fret themselves, and curse their king and their God, and look upward. And they shall look unto the earth; and behold trouble and darkness, dimness of anguish; and they shall be driven to darkness.

II Kings 21:6 – (Manasseh a wicked king) - And he made his son pass through the fire, and observed times, and used enchantments, and dealt with familiar spirits and wizards: he wrought much wickedness in the sight of the LORD, to provoke *Him* to anger.

Séance - a meeting at which people attempt to make contact with the dead, especially through the agency of a medium. A medium is the same as a diviner, a spiritist, psychic or fortune teller.

Medium – mediates communication between [spirits](#) of the dead and living human beings.

See their hands all on top of the table that is rising? There are plenty of people who have tried to fake things during séances just to get money. However, people that seek to do these things certainly can contact evil spirits and conjure and do sorcery and tricks and all sorts of things through working with familiar spirits.

The medium or diviner will usually look possessed because the spirit/demon is working through them.

What is a familiar spirit? It refers to the spirit of a dead person that mediums claimed they could summon for consultation. The word “familiar” has in this phase the sense of the Latin *familiaris*, belonging to one’s family, and hence ready to serve one as a servant. Such a spirit was thought to be able to reveal the future. Since the voice seemed to come in a whisper from the ground, the medium was very likely a ventriloquist. Israelites were forbidden by the Lord to consult familiar spirits. This was regarded as apostasy so serious that those who consulted them were put to death.

1 Sam. 28:7, - Then said Saul unto his servants, Seek me a woman that hath a familiar spirit, that I may go to her, and inquire of her, and his servants said to him, Behold, there is a woman that hath a familiar spirit at En-dor.

When you read this story you see that the witch was scared to do her witchcraft in bringing up Samuel because it was forbidden by Saul.

My bible has a note in it that says that “having a familiar spirit” means having control of spirits. Let’s look deeper into this.

This is a drawing of ostar/astarte with her familiars – bunny rabbits. Easter is named after her and that is why bunny rabbits are honored in that celebration and eggs. Bunnies were one of her main familiars and they along with the eggs represent fertility. Easter is a pagan celebration of spring and fertility rituals were practiced during this celebration. If you are a Christian you have no business

celebrating Easter. You need to repent and get the eggs and bunnies out of that day as well as sunrise service in honor of sun worship. You should instead recognize what Jesus did for us by resurrecting on that day and being the First Fruits unto God.

L: ostara/eostre/easter with her familiars, a bunny and an owl. R: semiramis with her familiars, owls. This is the same false goddess.

fa·mil·iar

/fə'milyər/ 

noun

plural noun: **familiar spirits**

1. a demon supposedly attending and obeying a witch, often said to assume the form of an animal.
2. (in the Roman Catholic Church) a person rendering certain services in a pope's or bishop's household.

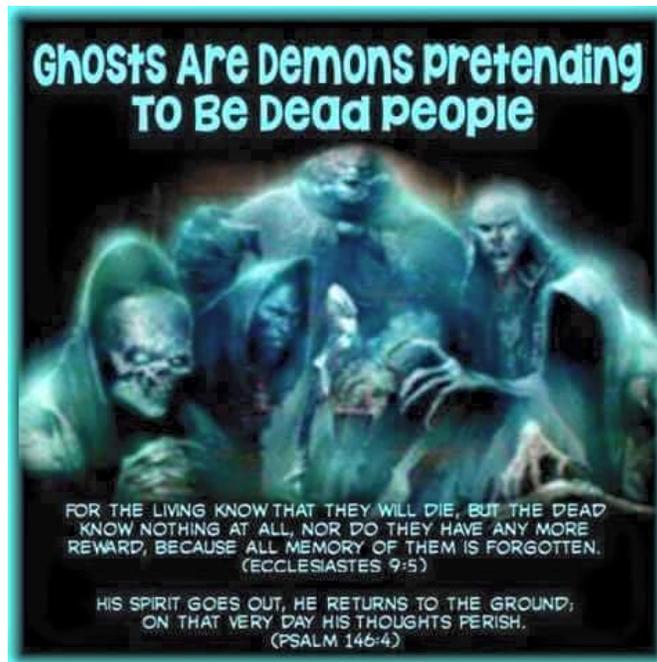

Many times you will see depictions of witches with mice, cats, dogs, birds, insects, horses, bears, foxes, frogs, even hedgehogs, though the most popular were goats – witches riding astride goats were commonly portrayed in medieval and Early Modern illustrations, and even in architectural reliefs, such as at Lyons Cathedral, where a witch is shown riding a goat and holding a hare. These are some of the main animals which they use and work with as familiars.

Sorcerers around the world have familiars in the form of spirits, they set tasks for the familiars and send them to do their bidding. In New Guinea sorcerers use snakes and crocodiles as familiars, in Malaya the familiar is often a badger or owl, and familiars are passed down from generation to generation. The creatures of the jungle are the familiars used by the witches in Africa, the monkey, lizard, jackal, bat, leopard, snake and toad. For their familiars, the Zulu's used corpses and re-animated them with magic, these familiars are sent out at night to scare travellers. In Shamanism the initiates find their familiar by manifesting an animal, bird or reptile shape, if the familiars are sent into battle and they die, the shaman dies also. The shaman's familiar stays with them until their death, they then disappear.

Another type of familiar spirit is one that appears to people in the form of a loved one who has passed on.

The movie "Ghost" showed us exactly what a familiar spirit is. Patrick Swayze got shot and died in this movie and he stayed around talking to Whoopi Goldberg who played the medium and talking to his wife Demi Moore. Only it wasn't Patrick Swayze talking to them, it was a familiar spirit which is a demon/evil spirit.

If you happen to see someone you loved or knew come to you as a ghost and speak to you or interact with you, that is not your loved one. It is a demon acting like them. If this happens to you, you want to get saved by Jesus Christ and then in His name you can bind it up and command it to leave. You want to be free from this type of activity because it is not of God. It may talk and seem friendly but in the end it plans to do you or your family harm.

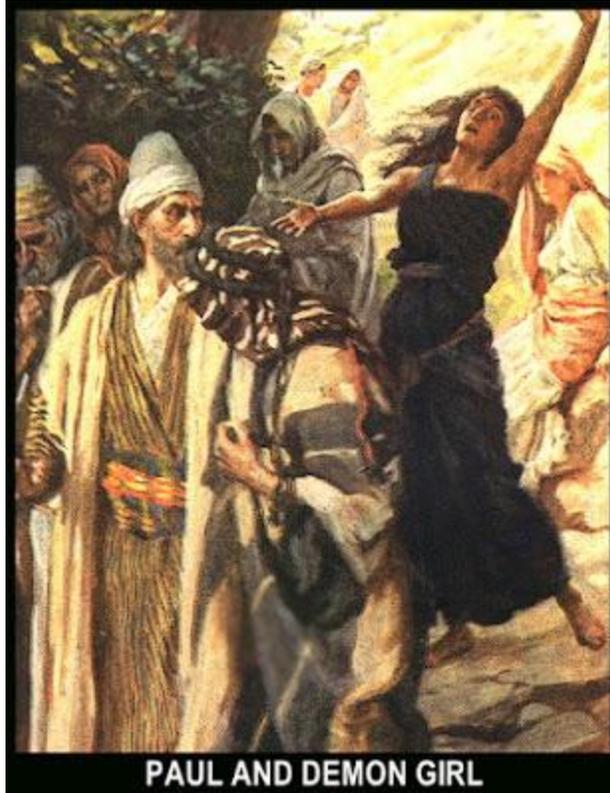

Acts 16:16 - And it came to pass, as we went to prayer, a certain damsel (young girl) possessed with a spirit of divination met us, which brought her masters much gain by soothsaying: The same followed Paul and us, and cried, saying, These men are the servants of the most high God, which shew unto us the way of salvation. And this did she many days. But Paul, being grieved, turned and said to the spirit, I command thee in the name of Jesus Christ to come out of her. And he came out the same hour.

ZOOMORPHIC WITCHES

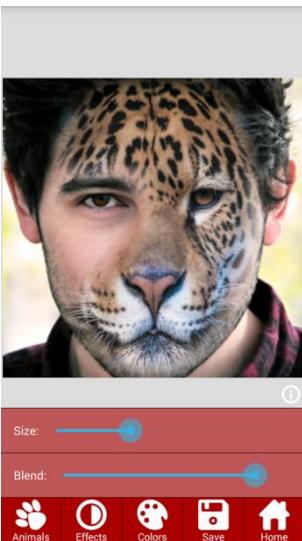

zo·o·mor·phic

/ˌzōəˈmɔːrˌfɪk/ 

adjective

having or representing animal forms or gods of animal form.
"pottery decorated with anthropomorphic and zoomorphic designs"

The zoomorphic quality of witches, to change themselves into metaphysical animal forms, is well attested in European witch trials. The concept has a very long history. In the 2nd century the Platonist philosopher Apuleius, in his extended poem *Metamorphoses*, described the shape-shifting abilities of female witches in the region of Thessaly, Greece: 'These atrocious chameleons transform themselves into any kind of animal whatsoever. They disguise themselves as birds, dogs, weasels, mice and even flies.' Apuleius does not go into detail as to what these women were doing during their zoomorphic state.

What do you think is the spirit behind this? Can you see that in the secret mystery religions they worshipped chimera's as gods. Now we have learned that

witches have always practiced the ability to interact with familiars/demons and transform or shape shift themselves into animals.

Gen.6:4 - There were giants in the earth in those days; and also after that, when the sons of God (angels) came in unto the daughters of men, and they bare *children* to them, the same *became* mighty men which *were* of old, men of renown.

Match that up with the book of Enoch which is no longer in our Bibles:

Enoch 7:3-6 - These giants consumed the produce of all the people until the people detested feeding them. 7:4 So the giants turned against the people in order to eat them. 7:5 And they began to sin against birds, wild beasts, reptiles, and fish. And their flesh was devoured the one by the other, and they drank blood. 7:6 And then the earth brought an accusation against the oppressors.

When they sinned against these animals not only were they eating them and at that time God had not allowed man to eat flesh, but they were mixing their dna with them. And that is where chimera's came from.

A **totem** is a spirit being, sacred object, or symbol of a tribe, clan, family or individual. Native American tradition provides that each person is connected with nine different **animals** that will accompany him or her through life, acting as guides.

Is this still cute knowing what you just learned? It shouldn't be. See the girl with the elephant nose on the left and see the hindu god ganesha on the right. Guard yourselves and your children from witchcraft in any form. We stand against evolution that says we evolved from animals and yet we are so quick to love this morphing software program. What do you think God thinks about it?

CLOSING

Acts 8:9-11 – But there was a certain man, called Simon, which beforetime in the same city used sorcery (witchcraft), and bewitched (amazed) people of Samaria, giving out that himself was some great one: To whom they all gave heed, from the least to the greatest, saying, This man is the great power of God. And to him they had regard, because that of long time he had bewitched them with sorceries.

When you read that story you will find that when the apostles came along he realized they had greater power flowing through them that what he did.

WHAT DOES GOD SAY ABOUT ALL OF THIS?

Deut.18:910-12 – There shall not be found among you any one that maketh his son or his daughter to pass through the fire (sacrifice), or that useth divination (sorcery, witchcraft, fortune telling, mediums, spiritists, psychics), or an observer of times (astrology), or an enchanter (hypnotist), or a witch (someone casting spells on people and controlling them with their mind – telekinesis), or a charmer, or a consulter with familiar spirits (medium, someone who asks spirits to guide them), or a wizard (male witch), or a necromancer (uses familiar spirits to tell the

future). For all that do these things are an abomination unto the LORD: and because of these abominations the LORD thy God doth drive them out from before thee.

Witchcraft is alive and well today and it is in our churches. The popes, Jesuits, the Vatican are practicing witchcraft. We have masons in our pulpits and leadership positions. Tv preachers are witches. People are seeking the paranormal more than ever. Let's not avoid understanding these things so that we can stand against it in our own homes and churches and so we can warn others that the outcome of a life spent seeking after anything but the LORD God Almighty and Jesus Christ is eternal damnation in hell and then the lake of fire.
