

HEALING – Part Two: GOD’S PHARMACY, GMO’S, MEDICINE, DYING

God’s original plan was for us to be vegetarians, as well as the animals to be vegetarians too.

Genesis 1:29-30 – And God said, Behold, I have given you every herb bearing seed, which is upon the face of all the earth, and every tree, in the which is the fruit of a tree yielding seed; to you it shall be for meat (food). And to every beast of the earth, and to every fowl of the air, and to everything that creepeth upon the earth, wherein there is life (breath), I have given every green herb for meat: and it was so.

God allowed us to begin to eat meat after the flood.

Genesis 9:3 – Every moving thing that liveth shall be meat (food) for you; even as the green herb have I given you all things.

Don't label GMOs

BAN THEM !!! A.H.

Corn is not even natural it is man made, manipulated. These foods are affecting our dna.

The food we eat now is not natural, most of it is GMO, filled with chemicals and nanobots.

Our bodies were not made to process this kind of food.

Looks like a banana, a pickle and a tomato, a total mess is what we have made of our food supply.

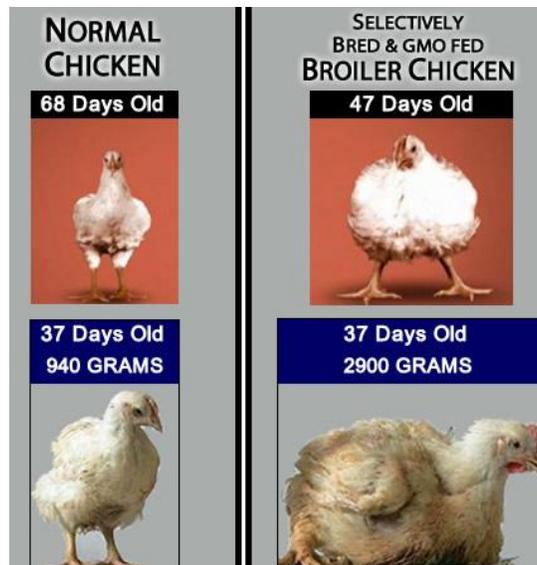

Making it illegal to have real seeds, growing food now that doesn't even have seeds in it so you can't grow your own food.

Legality. While saving **seed** and even exchanging **seed** with other farmers for biodiversity purposes has been a traditional practice, these practices **have** become **illegal** for the plant varieties that are patented or otherwise owned by some entity (often a corporation).

Pastor Erustus shared that they are already forcing Africa to grow gmo food now. The people there fought against it but to no avail.

We would really be sick and disgusted if we saw the animals we are eating now. The food producing corporations are just out to make money, they probably don't even eat what they are growing and selling to us as food. Growing the animals so fast and so big that they can't even walk or function and usually fall over. Many of these places will not allow anyone inside to see what is really going on where animals are in cages where they can't even lay down or turn around.

We are pumping so many chemicals, antibiotics and unnatural things into the food and animals we are growing and eating.

WHAT ABOUT TAKING MEDICINE

You know those people who believe that no matter what God will heal them. They don't take their children or themselves to the dr. and we've all heard the horror stories about how they died. No, I don't promote that. I believe God gives us doctors and physicians to help us. We seek God first in all that we do and lift up what the dr's recommend to the Lord. We certainly don't want to be hooked on drugs that keep us in a drugged state and not in our right minds. If we can help it, we don't want to be addicted to any drugs.

1 Peter 5:8 - Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour:

Be sober – in your right mind, able to reason and think and make sound decisions.

I take some medication to manage the r/a that I battle against and to help me when I have a migraine. In doing these things, I am still looking to the Lord for my

healing. I believe in His timing He will heal me. I am not giving up on Him. Some people believe that taking medicine is practicing sorcery or in greek pharmakeia.

1 Kings 14:24 – And there were also sodomites in the land: and they did according to all the abominations of the nations which the LORD cast out before the children of Israel.

1 Kings 15:12 – And he took away the sodomites out of the land, and removed all the idols that his fathers had made.

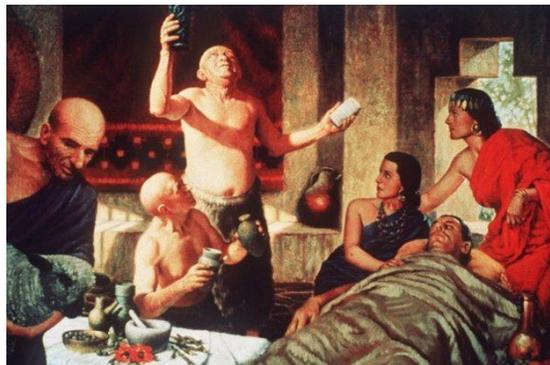

Deuteronomy 23:17-18 – There shall be no whore of the daughters of Israel, nor a sodomite of the sons of Israel. Thou shalt not bring the hire of a whore, or the price of a dog, into the house of the LORD thy God for any vow: for even both these are abomination unto the LORD thy God.

Pulpit Commentary

Verse 24. - **And there were also Sodomites** [שִׂדְמִים, a collective noun = 1) שִׂדְמִים [Kings 15:12](#)] = consecrated persons or devotees, because they were set apart to the service of Astarte, the Dea Syria. It is clear from [Deuteronomy 23:18](#) (Heb.) that male prostitutes are here spoken of, the name of the female being הַשִּׂדְמִית. The former is described in ver. 19 50.c. as a dog, the latter as a whore] **in the land** [cf. [1 Kings 15:12](#). It is highly probable that these infamous persons were of Canaanite or Phoenician origin (this being a Phoenician superstition, Movers, "Phoniz." 1:671), but it is somewhat precarious to found an assertion to that effect on these last words (as Bahr)], **and** [Heb. omits and] **they did according to all the abominations of the nations** [see [Leviticus 18:20](#); [Deuteronomy 18:9-12](#)] **which the Lord cast out before the children of Israel.** ["Here we see a reason for God's command, requiring the extirpation of the Canaanites" (Wordsworth).]

No doubt Paul is impressing (1 Cor. 6:18-20 our bodies are temples of the Holy Spirit) on the Corinthians who had temples everywhere and temple prostitution was still going on.

RESEARCH

Greco Roman Culture: Temple priestesses or oracles often used potions to attain a physical state to reach the gods. The Greek term pharmakeia was associated with magic potions, medicines, and poisons. Such drugs or poisons were commonly used for aborting babies and infants. Since infants had no legal standing until claimed by a family leader, abortion and infanticide were commonly practiced. However, sorcery became a serious offence in Roman law.

Old Testament: The Greek term pharmakeia was associated with the use of medicine, drugs, or spells. This also involved the practice of magic for good and evil ends. Sorcerers produced potions and elixirs to treat illnesses. Sorcerers also produced potions (drugs) to poison others. The casting of spells were used to

connect to the realm of demons and the occult. Sorcery and witchcraft both became associated with talking to demons and evil spirits.

New Testament: The culture of the New Testament mirrored the values of the Old Testament. In Gal. 5:19-21 Paul lists a series of serious sins of the flesh. Sorcery involved the administration of drugs, potions and spells. It was known in the first century that potions were mixed to prevent or stop pregnancy. Soranus of Ephesus, a 2nd century physician, is called the “father of gynecology.” He refers pharmakeia to abortion drugs. Paul was speaking of evils of drug use.

Hallucinogenic drugs like LSD, PCP, marijuana and drugs like this open you up to demonic activity and entrance into your life. The occult has always known this and that is why witches use drugs, herbs, amulets and talismans to make their potions when casting spells. These are the things medicine men or medicine dr’s do.

The Rod of Asclepius

Be sure that the pharmaceutical companies are praying curses and spells into or over the medicines we take. If you go into the hospital, break off all demonic attachments, curses etc. off of all medicine given to you and plead the blood of Jesus over it. It is a good idea to do that with common medicines we take at home too. We are in a spiritual battle.

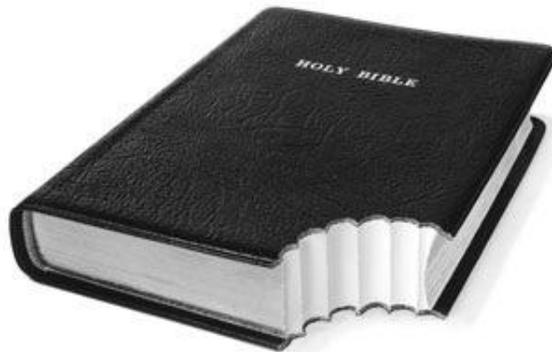

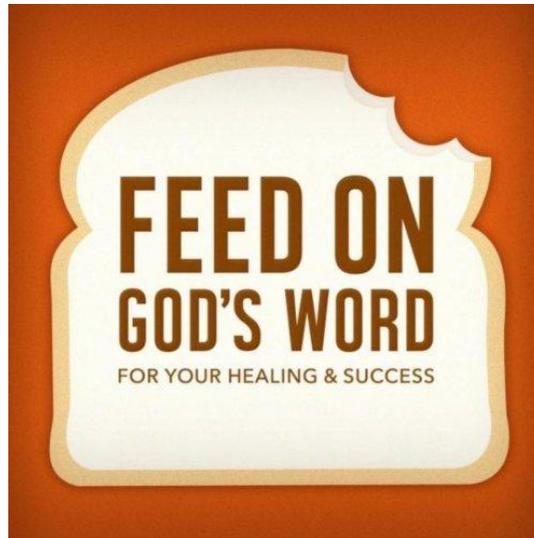

At some point we realize that it is our time to go. I always still pray for healing and ultimately we know that God's will is what will prevail. We all have to leave this life somehow. Unless we live to see the rapture.

II Kings 13:14a – Now Elisha was fallen sick of his sickness whereof he died...

When God says the number of your days is done, we have to leave this world somehow. Even Elisha, a great prophet of God died of sickness.

Psalms 116:15 - Precious in the sight of the LORD *is* the death of His saints.

Psalm 107:20 – He sent His Word, and healed them, and delivered them from their destructions.

Read God's Word, study God's Word, pray His Word back to Him, stand on His Word.

Trust Him, Believe Him and Believe in Him, have Faith in Him

Prov. 18:21 - Death and life *are* in the power of the tongue: and they that love it shall eat the fruit thereof.

The occult believe this and they practice it. Oprah teaches to cut out pictures and put them on a dream board or some nonsense like that. That is coming from Blavatsky's teachings from the Secret Doctrine. They teach that those things will come into your life by believing this. Cars, money, fame, things etc. This is true because satan sees you putting your faith in him and in being greedy for selfish things. He will bless you so that he can keep you on the string and away from God. By being selfish like that you are not working for God's glory and you are not sewing into the ministry of Christ.

We as children of God are to speak in faith, but the things we speak and believe for should be in line with God's Will which is made clear for us in His Word. When we pray and speak and believe in line with God's Word and His will for our lives, those things will happen in God's timing and for His glory. But not for selfish

reasons or for greed or pride or just to see if you can get something. God knows your heart and He knows your motives.

Romans 4:17 - (As it is written, I have made thee a father of many nations,) before Him whom he believed, *even* God, who quickeneth the dead, and calleth those things which be not as though they were.

As God's children, we are to think and speak as God does. We do all that we do in Jesus' name.

1 Cor.2:16 - For who hath known the mind of the Lord, that he may instruct Him? But we have the mind of Christ. (because the Holy Spirit lives in us)

Heb.11:1 - Now faith is the substance of things hoped for, the evidence of things not seen.

Pastor Erustus shared this example with me:

Of a barren women whose womb is dead and even doctors have confirmed that she cannot conceive. Now she keeps praying having faith in God hoping that she will conceive and bear a child. Then eventually she conceives and gives birth to a child. She was hoping and believing that God one day God will enable her to conceive. She gives birth to a child who is the evidence of her faith of the child who was not seen. Conception and pregnancy is like the hope which is not seen and the child born is the evidence of what was not seen.

You see faith in God can give birth to anything beyond human comprehension, imagination and expansion. That is why we talk of miracles.

DOES GOD WANT US TO BE SICK?

NO! Why would Jesus have taken all those stripes if God wants us to be sick?

Isaiah 53:5 - But He *was* wounded for our transgressions, He *was* bruised for our iniquities: the chastisement of our peace *was* upon Him; and with His stripes we are healed.

What happens when you claim your healing, speaking in faith and saying by Jesus' stripes I am healed and yet you don't see any change in your condition?

You stay in faith and know that Jesus is your Healer and believe that healing is going to manifest in your body. Trust Him no matter what.

CLOSING

James 5:14-15 - Is any sick among you? let him call for the elders of the church; and let them pray over him, anointing him with oil in the name of the Lord: And the prayer of faith shall save the sick, and the Lord shall raise him up; and if he have committed sins, they shall be forgiven him.

Having the elders anoint the sick with oil, the oil doesn't heal them. God does. The oil represents God's Holy Spirit and your faith in Him to heal you. We do the things God has commanded in His Word and put our faith in Him because of His Word for His Word is true.
