****Please play from 8:58 to 11:32 The Today Show talks about Harvey – remember they give us fake news and show us what they have planned for us – they are programmed and on satan’s payroll**** (2.5 min’s)

<https://www.youtube.com/watch?v=Oqi4dCnrJAc>

So first of all who are we dealing with? Remember what we learned about the color orange when talking about these people it means masons. Orange = masons.

Notice the sun rising in the background, that tells us we are dealing with the secret societies who worship the sun god baal.

The occult speak to each other through their symbols, logos, numbers, colors etc. Don't forget that this world is soaked in symbolism for sun worship. L: General Petraeus with laurel leaves around his hat for apollo the sun god as well as the yellow ball in the center all of this on his forehead. M: Big corporations sporting logos to their sun god ball R: U.S. money with the pyramid for sun worship, and the eye of horus/lucifer with sun or laminating rays surrounding it.

It is just going to hang out for days, while on land. What hurricane ever does that? They are just making up all kinds of ridiculous stuff and just expect us to believe it.

John 8:44 - Ye are of *your* father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.

I wanted to refresh us with that clip where AI frose up because he is programmed, I believe he is a clone. He is not a true weatherman, or meterologist – he is trained to look the other way and report lies to us. Last week A.C.Griffith spoke of a weatherman, Scott Stevens and said he was proud of him for speaking out with the truth about what is going on with the weather manipulation. Just like when true scientists are killed for the truth, so are the ones who are revealing truth in weather as well. Since we are dealing with fake news coming to us by the occult who worship baal, remember they like to do everything backwards or in reverse to supposedly gain more satanic power. This is what satanist aleister Crowley taught. So in the top left corner we have the word evil. Looking at the headline, TS in their occult Pythagorean numerology = 21. $1+1 = 2$ so it is the same as an 11 Next $2+1=3$ so $11 \times 3 = 33 = 33^{\text{rd}}$ degree in freemasonry. Sick demonic math. This is how they talk to each other.

He mentioned “those pump problems in New Orleans” – Katrina was a man made and driven hurricane.

He says about Harvey, this is going to be a very big deal for a very long time guys...

Then this guy comes on talking about an anniversary of Hurricane Andrew. Look in the bottom right corner. Dealing with this occult media, when they give an important update that is big news, they usually say things with the numbers they display. They like numbers that are the same forward and backward like 77 degrees. It mirrors itself. Look at the time 6:14 add that all up and you get 11, another number that mirrors itself. $11 \text{ also } = 33 \text{ (} 1+1=2+1=3 \times 11=33 \text{)}$

The anniversary of Hurricane Andrew, they like to celebrate their mass killings or sacrifices like 911 or just plain old destruction.

A little tid bit about 911. You know how they decided to make our emergency number 911. And we have now learned that “they” did 911 – not alqueda.

Here is why:

Rev. 9:11 - And they had a king over them, *which* is the angel of the bottomless pit, whose name in the Hebrew tongue *is* Abaddon, but in the Greek tongue hath *his* name Apollyon.

They were giving props to their god – using the chapter and verse 911. As well as the fact that $9 + 1 + 1 = 11$ and we just learned that $11 = 33$ to the occult. That's their calling card.

A check with the National Hurricane Center reveals the official count on Harvey's landfalls is three. The first landfall was as a Category 4 storm (130 mph winds) on the Texas Gulf Coast northeast of Corpus Christi around 10 p.m. on Aug. 25. The second documented landfall was at Category 3 strength (125 mph) on the northeast coast of Copano Bay about 1 a.m. on Aug. 26 (this could account for the differing landfall totals). Harvey's third landfall was as a tropical storm (45 mph) near Cameron, La., around 4 a.m. on Aug. 30.

Sister Linda Kirby talked about something called brown ocean effect when Hurricane Harvey was in the making. Supposedly if the ground is saturated before the hurricane makes landfall, then once on land instead of weakening it strengthens by sucking up the water out of the ground and therefore continuing to move around on land. – What on earth? It really seems like they just make stuff up as they go along and we have just bought into it.

Look at this pattern. Doesn't it look like a 6? Remember they love 6's and to them the more the merrier. Would they do that?

You better believe they would. Here is a picture of hurricane Matthew. Of course they wanted to take a Biblical name and defile it by putting a demon face with it.

Here are symbols they use for hurricanes and storms, 6's.

Typhon | Greek mythology | Britannica.com

<https://www.britannica.com/topic/Typhon> ▼

Typhon was thus the personification of volcanic forces. Among his children by his wife, Echidna, were Cerberus, the three-headed hound of hell, the multiheaded Lernean Hydra, and the Chimera (q.v.). He was also the father of dangerous winds (typhoons), and by later writers he was identified with the Egyptian god Seth.

This was after Hurricane Harvey had already hit land and came through Houston. They kept the lingering rain to cause more damage.

SEEDING REPORT - August 24, 2017

SYNOPTIC/MESOSCALE CONDITIONS:

Southwesterly flow aloft will work in conjunction with abundant surface moisture to help initiate shower and storms. It appears the best shot will be across western sections of the Trans-Pecos where a weak dryline is set up. Although dynamics aloft are favorable, surface conditions will not favor organized development. Therefore, do not expect any severe weather with today's convection.

DISCUSSION:

SHOWERS AND STORMS WERE ONGOING ACROSS SOUTHERN NEW MEXICO INTO THE NORTHERN EDGES OF THE TRANS-PECOS. METEOROLOGIST WAS OUT OF TOWN FOR TDLR MEETING, BUT UPON ARRIVAL BACK TO SJT PILOT GOT AIRBORNE. REGARDLESS, CONVECTION WAS HEAVILY EMBEDDED FROM VAN HORN NORTHEASTWARD TOWARDS WINK. PILOT WILL FLY ALONG A SOUTH TO NORTH HEADING AHEAD OF THE CONVECTION TO SEE WHAT WE HAVE TO WORK WITH. PILOT ARRIVED TO LARGER SHOWER SYSTEM IN CULBERSON/REEVES COUNTY. STORM WAS NUDGING FORWARD INTO REEVES COUNTY WHICH PROVIDED A SMALL WINDOW FOR SEEDING OPPORTUNITY. WE TOOK IT AND FIRED TWO DOSAGES OF GLACIOGENIC FLARES BUT PILOT WAS GETTING INTO SOME HEAVILY EMBEDDED CLOUD COVERAGE/VIRGA. WE'LL MOVE OFF TO THE NE JUST TO THE N OF TOYAH WHERE NEW DEVELOPMENT WAS ONGOING. HOWEVER, IT APPEARS THE ANVIL FROM LARGER SYSTEM TO WEST HAS BLOCKED ANY ADDITIONAL HEATING. STILL, ONE DOSAGE OF SEEDING TOOK PLACE IN THIS CLUSER OF NEW SHOWER/STORM DEVELOPMENT. PILOT TRIED TO GIVE OTHER SHOWERS A FAIR SHOT, BUT MOTHER NATURE WAS NOT PLAYING ALONG TODAY. WE'LL RTB AT 22Z AND REGROUP FOR TOMORROW.

An aside--consider HARVEY=INVISIBLE RABBIT (movie)= Ishtar=Moon Goddess. Connect the eclipse to storm

Reply ·

DECEPTION of ...

L: Movie “Harvey” M: the moon goddess semiramis/ashtarte and one of her familiars, the rabbit R: Jessica Rabbit = lady in red who is semiramis and the last name connects her to her familiar.

Harvey is a 1950 comedy-drama film based on Mary Chase's play of the same name, directed by Henry Koster, and starring James Stewart and Josephine Hull. The story is about a man whose best friend is a pooka named Harvey – in the form of a six-foot, three-and-a-half-inch tall invisible rabbit.

The **púca** (Irish for *spirit/ghost*), **pooka**, **phouka**, **phooka**, **phoooca**, **puca** or **púka** is primarily a creature of Celtic folklore.^[1] Considered to be bringers both of good and bad fortune, they could either help or hinder rural and marine communities. The Púca can have dark or staunch white fur or hair. The creatures were said to be shape changers which could take the appearance of horses, goats, cats, dogs, and hares. They may also take a human form, which includes various animal features, such as ears or a tail.

Morphology and physiology [edit]

According to legend, the púca is a deft **shapeshifter**, capable of assuming a variety of terrifying or pleasing forms. It can take a human form, but will often have animal features, such as ears or a tail.^[9] As an animal, the púca will most commonly appear as a horse, cat, rabbit, raven, fox, wolf, goat, **goblin**, or dog. No matter what shape the púca takes, its fur is almost always dark. It most commonly takes the form of a sleek black horse with a flowing mane and luminescent golden eyes.^[10] (The Manx *glashtyn* also takes on human form, but he usually betrays his horse's ears and is analogous to the *each uisce*^[11])

Solar eclipse of August 21, 2017 / Start date

August 21, 2017

L: Hurricane Harvey start and end dates R: Solar eclipse in the middle of Hurricane Harvey, how appropriate that it was on MOON – DAY since the moon overpowered the sun by blocking it on that day.

Add up the number of days from Aug. 17th to Sept. 3rd and you get 18 to the occult that = 666. Remember they are the ones manipulating all of this and so they get to decide when to say it started and when it finished. Total manipulation. The 21st being the day of the eclipse, not only on MOON-day but also in the occult because they are witches and practice gematria, 21=33 How so? The base/root of 2 is 1 and to get 2 you add two 1's, so 11 then if you add 2+1=3 so 11x3 =33. That's their calling card, masons. Jane also pointed out the word storm. satan likes to be called the storm god (zeus,jupiter,thor, uranus) or god of the sky. So there you have baal and semiramis being honored by the occult in this catastrophe.

FALSE FLAGS EXIST IN WEATHER TOO

A false flag doesn't mean nothing happened, it doesn't mean it was a hoax. It means that the "who behind it" is not who is getting blamed for it. Just like 911 wasn't Al Qaida, it was the elite (US Government, US Military – masons/high occultist).

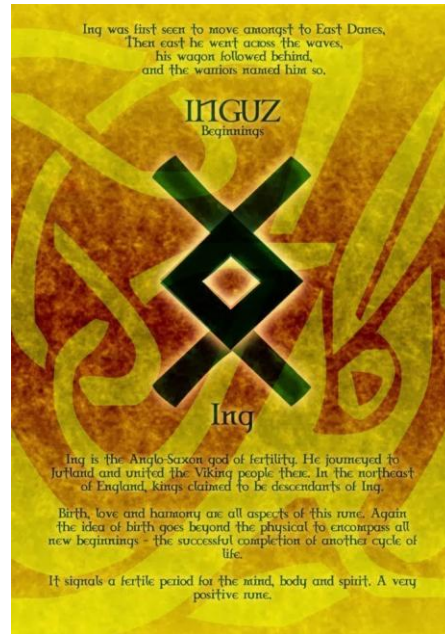

****Please play from :36 to 1:01 and from 4:57 to 6:18 Pat Robertson, the storm of Biblical proportion/nothing like this on record and talking about releasing water from the dams****(about 1.5 min's)

Look at the floor they are sitting on, there is a pattern there and they are sitting in a circle. Witches/masons do magic and rituals inside of circles. This is exactly who we are dealing with here.

Tiewaz tee-vaz	Berkana bear-cah-nah	Ehvaz eh-vaz	Mannaz man-az	Laguz lah-gooz	Inguz ing-ooz	Dagaz dah-gaz	Othala oe-thah-lah

Inguz is the anglo saxon god of fertility.

To the occult X's = sun worship and the x = 6 on the Pythagorean numerology chart. The cube is for saturn/satan.

This is the same thing, the x's and the cube or diamond for satan. All = sun worship. See the sun god, the Egyptian pharaoh in the middle, for osiris or horus. Notice this is the same symbol or sigil for the false god inguz. Have you ever played tic-tac-toe? You know the x in the occult = 6 and it stands for the sun god. Now the O is also for the sun god too and also = a 6. So in playing tic-tac-toe you are playing with 666 as the winning combination. Also, have you ever written XOXO on a letter by your name meaning hugs and kisses to the person you are writing to? There again are 6's for the sun god and all of this is linked to the mark of the beast and the number of his name.

Inguz Rune Meaning

runemeaning.com/inguz/ ▼

Spellings: **inguz**, ingwaz, engus or iggws, ing, Ing, Yngvi. Translations: the Earth-**god** Ing, **the god** Ing, a man, Yngvi (name of Freyr), seed. Ing was first among the East-Danes seen by men until he again eastward went over the wave; the wain followed on; this is what the warriors called the hero. ~ Old English Rune Poem.

Storm of Biblical proportions, they like to play God and one of satan's nicknames is storm or stormy. They wanted to be sure and flood this area of Texas in a major way, and to top it off they opened up the dams which flooded people who otherwise wouldn't have flooded.

Gov. Abbott called up 12,000 national guard members to respond. Remember they create the problem and they profit off of it too. I was talking with my brother about his FEMA claim and a friend of his was there and told him that once when she had flooded FEMA told them that the only way they could help them was for them to sell them their land at a price named by FEMA or else they would get no help at all. Isn't this a convenient way for the government to seize our land and make a profit while doing it. With Hurricane Harvey people that needed more help to repair the damage than their insurance company and/or FEMA could offer were told by FEMA they could take out low government loans. Profit...profit...profit.

Micah 2:1-4 – Woe to them that devise iniquity, and work evil upon their beds! When the morning is light, they practice it, because it is in the power of their hand. And they cover fields, and take them by violence; and houses, and take them away: so they oppress (defraud) a man and his house, even a man and his heritage. Therefore thus saith the LORD: Behold, against this family do I devise an evil, from which ye shall not remove your necks; neither shall ye go haughtily: for this time is evil. In that day shall one take up a parable against you, and lament with a doleful lamentation, and say, We be utterly spoiled: He hath changed the portion of my people: how hath He removed it from me! Turning away He hath divided our fields.

God will repay them.

When they create weather catastrophes we run out and get water, canned goods, fuel, batteries etc. Which is all profit for them. Then afterward we are trying to make repairs, spending on lumber, carpet, dry wall, materials and insurance premiums go up. More profit for them.

Some places faced mandatory evacuations, different rescue teams went out, some people were taken to convention centers and mega churches etc. These disasters can also be a way for them to do trial runs to see how their FEMA camps will work, to see how cooperative the people are, to tweak their plans. They could use something like this to shuffle us off to their FEMA camps. I'm sure some people don't make it back out of those "shelters."

CLOSING

Thank you to Heartlight ministries for the following:

Proverbs 3:31-32 – Envy thou not the oppressor, and choose none of his ways. For the froward is abomination to the LORD: but His secret is with the righteous.

God does not like bullies, oppressors, or exploiters. Those who control by intimidation and violence are detestable and an abomination to the LORD. We are not to idolize, praise, or reward those who have risen to power by exploiting others.
