

# WEATHER and CHEMICAL WARFARE – Part Sixteen: HAARP, FALSE PROPHETS, FREQUENCY

## HAARP

The Creator designed living beings to resonate to the 11 natural Schumann Resonance frequency pulsation in order to evolve harmoniously. The Ionosphere is being manipulated by US government scientists using the Alaskan transmitter called HAARP, (High-Frequency Active Auroral Research Program) which sends focused radiated power to heat up sections of the Ionosphere, which bounces power down again. ELF waves produced from HAARP, when targeted on selected areas, can *weather-engineer and create mood changes* affecting millions of people. The intended wattage is **1,700 billion watts** of power.

## Geomagnetic Waves & GWEN

Sixty four elements in the ground modulate, with variation, the geomagnetic waves naturally coming from the ground. The earth's natural 'brain rhythm' is balanced with these. These are the same minerals found in red blood corpuscles. There is a relation between the blood and geomagnetic waves. An imbalance

between Schumann and geomagnetic waves disrupts these biorhythms. These natural geomagnetic waves are being replaced by artificially created low frequency (LF) ground waves coming from [GWEN](#) Towers.

There seems to be a mixture of what is on some towers. Some have the antenna at the top and lower down they have microwaves or cell phone antenna racks or both. The pic. on the right is a truer picture of a gwen tower.

GWEN (Ground Wave Emergency Network) transmitters placed 200 miles apart across the USA allow specific frequencies to be tailored to the geomagnetic-field strength in each area, allowing the magnetic field to be altered. They operate in the LF range, with transmissions between LF 150 and 175 KHz. They also emit waves from the upper VHF to the lower UHF range of 225 - 400 MHz. The LF signals travel by waves that hug the ground rather than radiating into the atmosphere. A GWEN station transmits in a 360 degree circle up to 300 miles, the signal dropping off sharply with distance. The entire GWEN system consists of, (depending on source of data), from 58 to an intended 300 transmitters spread across the USA, each with a tower 299-500 ft high. 300 ft copper wires in spoke-like fashion fan out from the base of the system underground, interacting with the earth, like a thin shelled conductor, radiating radio wave energy for very long distances through the ground.

The United States is bathed in this magnetic field which can rise from ground up to 500 ft, but goes down into basements, so everyone can be affected and mind-controlled. The entire artificial ground-wave spreads out over the whole of the

USA like a web. It is easier to mind-control and hypnotize people who are bathed in an artificial electromagnetic-wave.

GWEN transmitters have many different functions including:

1. **controlling the weather,**
2. **mind control,**
3. **behavior and mood control,** and
4. sending **synthetic-telepathy as infrasound to victims with US government mind-control implants.**

GWEN works in conjunction with HAARP and the Russian Woodpecker transmitter, which is similar to HAARP.

### **ATMOSPHERIC VAPOR RIVERS**

Enormous, invisible rivers of water, consisting of vapors that flow, move towards the poles in the lower atmosphere. They rival the flow of the Amazon River and are 420 to 480 miles wide and up to 4,800 miles long. They are 1.9 miles above the earth and contain a volume of water equivalent to 340 lbs of water per second. There are 5 atmospheric rivers in each Hemisphere. A massive flood can be created by damming up one of these massive vapor rivers, causing huge amounts of rainfall to be dumped. The GWEN Towers positioned along the areas north of the Missouri and Mississippi Rivers were turned on for 40 days and 40 nights, probably mocking the Flood of Genesis. (This was in conjunction with HAARP, that creates a river of electricity flowing thousands of miles through the sky and down to the polar ice-cap, manipulating the jet-stream , like the Russian Woodpecker.) These rivers flooded, causing agricultural losses of \$12-15 billion. HAARP produces earthquakes by focusing energy along fault lines. GWEN Towers are located on the fault lines and volcanic areas of the Pacific Northeast.

**Gen. 1:7** - And God made the firmament, and divided the waters which *were* under the firmament from the waters which *were* above the firmament: and it was so.

**Jer. 10:13** - When He uttereth His voice, *there is* a multitude of waters in the heavens, and He causeth the vapours to ascend from the ends of the earth; He maketh lightnings with rain, and bringeth forth the wind out of His treasures.

**TELEVANGELIST PREDICTING EARTHQUAKES AND EVERYTHING** – they have inside information for where weather terror is going to happen. Remember this group that is terrorizing the planet with these weapons and chemicals are masons/witches in secret societies and have bowed down to satan. They are working now with the fallen angels and allowing themselves to be possessed to gain more power.

**2 Thess.2:9** - *Even him (antichrist)*, whose coming is after the working of Satan with all power and signs and lying wonders,

Weather manipulation, frequency manipulation, fake anomalies in the sky – power, and signs and lying wonders. satan tries to mimick God but he has to use technology and other means to do it. False prophets/witches have always been around. The kings always employed them, on their payroll so to speak. Just like when Moses and Aaron were opposing pharaoh and speaking God's Word to him telling him to let God's people go. Pharaoh called for his magicians and they could do what Moses and Aaron were doing up to a point. Then they could not

create the wonders/signs and miracles that were being done and they even said to pharaoh, surely this is the finger of God. After Nebuchadnezzar had that bad dream he called for his magicians, astrologers and sorcerers.

We don't see any occurrences of "beings" from around God's altar in heaven interacting with humans. He said that these beings said, we're here to get Jacob across – what a joke! Jacob speaks of Israel in their sin. That is why the tribulation is called the time of Jacob's trouble because God is going to turn back and deal with them. They have rejected God and He will pour out His wrath on them. Furthermore Israel in their sin today do not respect women teaching, or ministering in any way.

Though Bickle was, at first, skeptical of Jones—and even wondered if Jones was a false prophet—he became convinced that Jones was a true prophet when Jones accurately predicted a snowfall on March 21, 1983, after several weeks of

unseasonably warm weather. (This account can also be read in Bickle's book [Growing in the Prophetic](#).)

These witches can see things and have some power granted to them by satan. Another way that satan is confirming his prophets is by using technology to make what they say happen so that people believe they are true prophets of God. The Bible talks about deception and not to be deceived. God also will pour out strong delusion on those that did not love the truth so that they might be damned. satan has studied God's Word, he has had a long time to perfect his wickedness.

Jones also told Bickle something that only Bickle and Bickle's father, who had died, knew—something very personal and meaningful that had been said between Bickle and his father—further convincing Bickle that Jones was a true prophet.

Witches work with familiar spirits which are demons. The familiar spirit can tell them things about people and help them in their sorcery/divination so that they can fool those not led by God into believing they are hearing from God or being empowered by Holy Spirit.

Charisma Magazine's article "[Prophet Bob Jones Passes Away](#)" provides a link to tributes to Jones from Bickle as well as from Bill Johnson (senior pastor of Bethel Church in Redding, California) and Rick Joyner (founder of MorningStar Ministries in Fort Mill, South Carolina).

Bob Jones was born in 1930 and died in 2014, so he was 61 years old when the following incident happened.

What the Charisma article does not mention is that, in 1991, Jones was [removed from ministering](#) in a Vineyard church after confessing to sexual misconduct with two women. This [misconduct](#) included encouraging the women to undress in his office "so they could stand 'naked before the Lord' in order to receive a 'word.'"

Todd Bentley Ministry Logo. These ministries for satan always speak without saying a word with their logos. In the flames are hidden scary faces, a goat, an owl, a frog a hand and who knows what else. FF in masonry = 66 and 6x6 = 36 or 3 6's and that to the occult is 666. Pray for eyes to see you guys because they are hiding faces and demonic things in the patterns of our clothing. I have noticed it is especially bad with prints or fabrics from India. Pray over the things you buy and that you possess.

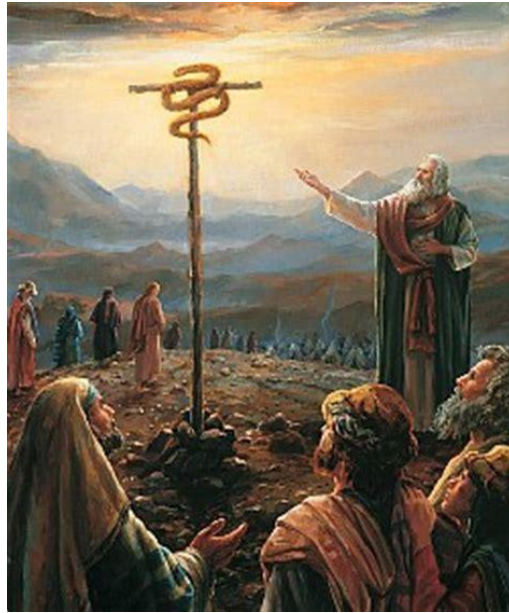

Here you can see he is still working with Rick Joyner and the S has a snake head on top and the P has a snake curling around the stick part. The t is in the shape of an x and the x is a 6 (Pythagorean number chart) but is also a symbol for sun

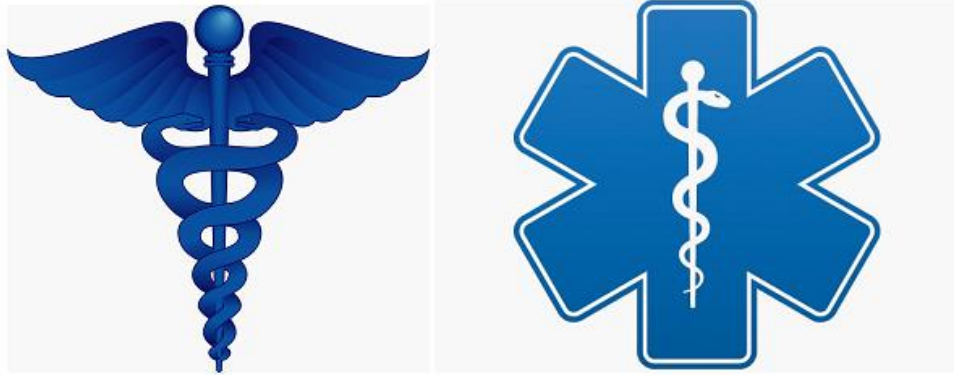

worship as is the snake. Anytime these Masonic/witch ministers use the word “secret” it is a nod to The Secret Doctrine with Madam Blavatsky. All of this is of the occult.

**Num.21:8** - And the LORD said unto Moses, Make thee a fiery serpent, and set it upon a pole: and it shall come to pass, that every one that is bitten, when he looketh upon it, shall live.

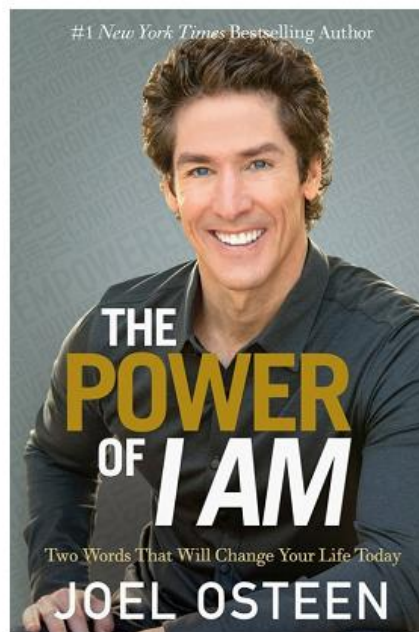

This was an example of what Jesus would do for us on the cross. The snake is a cursed thing. Jesus took all of our sin on Himself and hung on a cross. He became cursed so we could be blessed. If we just look up to Him and believe unto obedience we will be forgiven and healed – we no longer have to die in our sins.

**2 Kings 18:4** - He removed the high places, and brake the images, and cut down the groves, and brake in pieces the brasen serpent that Moses had made: for unto those days the children of Israel did burn incense to it: and he called it Nehushtan.

After God had provided a remedy for those wandering in the desert to be healed, they continued to worship the snake. We see it still today. We are still putting the snake up on the pole:

They boldy mock God's name.

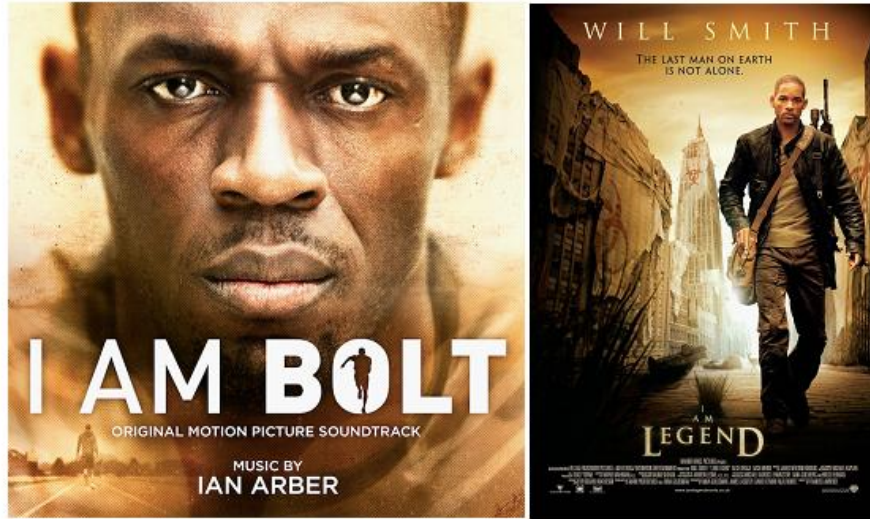

**Exodus 3:14** - And God said unto Moses, **I AM THAT I AM**: and He said, Thus shalt thou say unto the children of Israel, **I AM** hath sent me unto you.

Did you know that Joel is part of the Mandella Effect? Originally his name was Joel Olsteen with an “L” in his last name. Not anymore, the “L” is gone and he does not even look the same. This guy is creepy and either a clone or totally possessed or a reptilian. We cannot forget the testimony of those that have shared that satan has made clones to house his hierarchy. The fallen angels and demons are manifesting more and more. We are in the days of Noah and Jesus is so soon to return. In Noah’s day there were nephilim and abominable beings walking this earth. He’s not working for the Lord.

Mocking God with the “I Am” being highlight. The Masonic secret societies speak without saying a word. The “W” in Hebrew is equal to a 6. So Wounded Warriors – just the W’s = 66.  $6 \times 6 = 36$  or 3 6’s and that is 666 again. Also a W turned on it’s side is a 3 and two 3’s is 33 for 33<sup>rd</sup> degree mason – the most well known level of freemasonry.

Mocking God some more, notice on the right they made the “I am” very small.

Mocking God with the name William.

**Gal.6:7** - Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap.

In 1963, **Dr Robert Beck** explored effects of external magnetic-fields on brainwaves showing a relationship between psychiatric admissions and solar magnetic storms. He exposed volunteers to pulsed magnetic-fields similar to magnetic-storms, and found a similar response. US 60 Hz electric power ELF waves vibrate at the same frequency as the human brain. UK 50 Hz electricity emissions depress the thyroid gland.

- A) **7.83 Hz** (earth's pulse rate) made a person feel good, producing an altered-state.
- B) **10.80 Hz** causes riotious behaviour and
- C) **6.6 Hz** causes depression.

Puharich made ELF waves change RNA and DNA, breaking hydrogen bonds to make a person have a higher vibratory rate. He wanted to go beyond the psychic 8 Hz brainwave and attract psi phenomena. **James Hurtak**, who once worked for Puharich, also wrote in his book *The Keys of Enoch* that ultra-violet caused hydrogen bonds to break and this raised the vibratory rate.

### **(VIOLET WAVES)**

**Puharich presented the mental effects of ELF waves to military leaders**, but they would not believe him. He gave this information to certain dignitaries of other Western nations. The US government burned down his home in New York to shut him up and he fled to Mexico. However, the Russians discovered which ELF frequencies did what to the human brain and began zapping the US Embassy in Moscow on 4 July 1976 with electromagnetic-waves, varying the signal, including focusing on **10 Hz**. (10 Hz puts people into a hypnotic state. Russians and North Koreans use this in portable mind-control machines to extract confessions. **A machine was even found in an American church to help the congregation believe!**) The Russian "Woodpecker" signal was traveling across the world from a transmitter near Kiev. The US Air Force identified 5 different frequencies in this

compound harmonic Woodpecker signal that was sending signals through the earth *and* the atmosphere.

Nikola Tesla revealed in 1901 power could be transmitted through the ground using ELF waves. Nothing stops or weakens these signals. The Russians retrieved Tesla's papers when they were finally returned to Yugoslavia after his death.

Puharich continued to monitor the Russian ELF wave signal while in Mexico and the **higher harmonics produced in the MHz range** (5.340 MHz). He met the CIA and started working for them. **He and Dr. Robert Beck designed equipment to measure these waves and their effect on the human brain**. Puharich started his work by putting dogs to sleep. By 1948/49 he graduated to monkeys, deliberately destroying their eardrums to enable them to pick up sounds without the eardrum intact. He discovered a nerve in the tongue could be used to facilitate hearing. He created the ***dental tooth implant*** which mind-control victims are now claiming was surreptitiously placed in their mouth by controlled dentists **causing them to hear 'voices in their head.'** The implant was placed under dental caps or lodged in the jaw.

## CLOSING

God will repay the false prophets for their lies.

**Deuteronomy 13:1-5** - If there arise among you a prophet, or a dreamer of dreams, and giveth thee a sign or a wonder, And the sign or the wonder come to pass, whereof he spake unto thee, saying, Let us go after other gods, which thou hast not known, and let us serve them; Thou shalt not hearken unto the words of that prophet, or that dreamer of dreams: for the LORD your God proveth you, to know whether ye love the LORD your God with all your heart and with all your soul. Ye shall walk after the LORD your God, and fear Him, and keep His commandments, and obey His voice, and ye shall serve Him, and cleave unto Him. And that prophet, or that dreamer of dreams, shall be put to death; because He hath spoken to turn *you* away from the LORD your God, which brought you out of the land of Egypt, and redeemed you out of the house of bondage, to thrust thee out of the way which the LORD thy God commanded thee to walk in. So shalt thou put the evil away from the midst of thee.

God acknowledges that satan's prophets can divine and know things. They can even prophesy and have something come to pass. Remember the girl who had a spirit of divination and she was following Paul around and kept saying that these men were of God and doing God's work. Finally Paul had had enough and he turned and cast the spirit out of her. She knew truth but not by God's Spirit. God makes it clear that if they try and use their prophecies to turn you from God, even if it comes to pass, you are being tested. We are not to follow these false prophets even if what they say comes to pass. We never follow someone to go and serve other Gods. God does test His children. He will repay all of the false prophets in this world today. It is a very serious thing to say God has said something or gave a dream or vision when He never did.

**Ezekiel 13:1-9 - Read out**

The things they are predicting might happen but when God pours out His judgment their technology isn't going to be able to touch it.

**Luke 21:25-28** - And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring; Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken. And then shall they see the Son of man coming in a cloud with power and great glory. And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh.
