

# WEATHER and CHEMICAL WARFARE – Part Nineteen: DEW and FIRES

Baptism on the 20<sup>th</sup> if anyone wants to venture to New Caney, Texas to be baptized.

## ELECTROMAGNETIC DISEASE TRANSMISSION, ELF (extremely low frequency) & CHEMTRAILS

The physics and engineering behind electromagnetic disease transmission are frightening. Diseases can be reproduced as 'disease signatures' in that the vibration of a disease can be manufactured and sent on to be induced. (The brainwave pattern of hallucinogenic drugs can also be copied and sent by ELF waves to induce 'visions'.) Once diseases are sprayed in the air, electromagnetic-waves attuned to the disease, using harmonics and subharmonics, will make them more lethal and infectious by sending particular disease frequency death-patterns.

[Chemtrails](#) are being sprayed daily all over USA (and other countries too) in a white crisscross pattern. They contain diseases and chemicals which affect our state of consciousness. They can produce apathy which works in conjunction with fluoridation of the water, as well as aspartame and drugs. **Fluoride disables the willpower section of the brain**, impairing the left occipital lobe.

Tim Rifat wrote in his *Microwave Mind Control* in the UK article <http://www.brazilboycott.org/> that cellular phones use 435 MHz. UK police use 450 MHz exclusively. **Dr. Ross Adey** used this for CIA behavioral modification experiments. Police have a vast array of antennae to broadcast this frequency all over the UK. Adey used 0.75mW/cm<sup>2</sup> intensity of pulse modulate microwave at a frequency of 450 MHz, **with an ELF modulation to control all aspects of human behavior.** 450 MHz radar modulated at 60 Hz greatly reduced T-lymphocyte activity to kill cultured cancer cells. A study of USA 60 Hz power lines repeated this finding.

Through nanotech and frequencies they can copy anger and shoot it out over a crowd. They can send disease using the nano and frequencies.

Dec 18, 2017 - Thomas Fire evacuations have been lifted for parts of Santa Barbara County, California, on Monday, while containment of the fire grew to 50 percent.

“Are they going to ignite our skies deliberately?”

Thank you Maureen C. who reminded me of Rev. 13:13 where the beast-false prophet does signs and wonders and calls down fire from heaven. They are charging up our skies and doing their project blue beam tests and they are already doing things that people are believing are signs and wonders when all the while it is done through technology.

**Rev.8:6-7** – And the seven angels which had the seven trumpets prepared themselves to sound. The first angel sounded, and there followed hail and fire mingled with blood, and they were cast upon the earth: and the third part of the trees was burnt up, and all green grass was burnt up.

**SCROLLING COMMENTS ON THE FIRE VIDEOS:**

Baby Blue Eyes: Responding to Quay Rude (They believe this person to be a paid shill) Who paid you? Since when does a fire choose where to burn? You know they built a a scientific laser beam building in the heart of California. Kilawatt beam. (Killer what?) being an ironic name. How did a fire manage to jump to a Walmart shopping building in a concrete car park? Then jump across 50 metres or so to a McDonald's? In a concrete car park and not touch any shrubbery, trees or

grass? And your saying firefighters are saying it was normal! Where did you get that BS from? Did you watch the interview of a retired firefighter who served for 30 years and said that the fire was not normal. Fires don't disintegrate everything in its path. Terracotta tiles aren't supposed to be cut clean in half and burn. They purposely targeted Bell Air just like the hurricanes that destroyed Key West. That's the Agenda 21/Agenda 2030. They want to rid the rich to be poor. To claim off their insurance. And another thing, they've drawn up the plans for building 'zones' in that area. How is it they're already to go and get building when it's practically just been burned? It take months if not years to get the go ahead to get the plans and start building. And yet many little minions have speedily approved of this. Wow! You seriously are a government paid shill. So stop trying to make those who ask questions look thick. When you're the one that's the thickest. Go back to your master and tell them you failed.

Thermite does exactly the same thing to vehicle engines. Exactly. And that's what was found all over the World Trade Center. Could they have combined lasers with thermite? Or is the laser just so hot that it will melt metal like thermite? I'm pretty tough but this makes me sick to my stomach.

**Research:** The fact that ceramic products actually originate at much higher temperatures renders a test fire of 1472° F range useless. Tests conducted within the industry have shown bathrooms with tile tub surrounds that are left standing after the entire room has been burned.

L: Just a random picture of a U.S. Firefighter, probably doing a demonstration R: Portuguese Republican National Guard soldiers battle with a forest fire in Capela Sao Neitel, Alvaizere, central Portugal – Really? Those look like such wimpy hoses and very little water coming out.

Here's our money shot. 13 is a highly occultic number. 111 is another Masonic number, with the number 11 and their occult math you can get 33. (11, is  $1+1=2$ , the base or root of 2 is 1 and so  $2 + 1 = 3$  and then  $3 \times 11 = 33$ )

Firefighters battle a forest fire in Figueiro dos Vinhos, central Portugal today. At least 61 people have died in the fires, with many people trapped in their cars as flames swept over a road yesterday evening. 733 firefighters are providing assistance. \*That 733 if you add it up is another 13 and you also have 33<sup>rd</sup> degree displayed in this number.\*

This is a posed for picture. Look at the words at the top of this automobile – the last word: ROMETNOM so Rome – Mont. Rome is where the pope/Vatican is – enemies of God and His true church. They persecuted the early church and burned and destroyed the temple. Mont - etymology: from about 1250, "to go up, rise," / satan has always wanted to rise up and ascend/exalt himself above

God. Gail Riplinger said the latin Bible says “lucifer rising”.

Staged – Directed enery weapons were used here.

L: Showing the color of one of the planes supposedly helping to combat the Portugal fires. Notice the colors because red and yellow make orange. R: Orange is the color of the freemasons. R: Pythagorean numerology chart – spell out orange and you will get 33.

Rodrigo Rosario who died with his uncle, Sidel Belchior, aged 37, when fire engulfed the car in which they were travelling. No clue if these people died, but looks like the typical false flag clues: Rodrigo Rosario = RR = 99 flip it and you get 66 and  $6 \times 6 = 36 = 3 \text{ 6's} = 666$ . Also Bel – choir = baal from our Bibles – their god.

Sidel breaks down like this: el = lord

## Dīs Pater

---

From Wikipedia, the free encyclopedia  
(Redirected from [Dis Pater](#))

*Not to be confused with [Dies Pater](#).*

**Dīs Pater** [di:s 'pa.tər] was a Roman god of the underworld, later subsumed by Pluto or Hades (Hades was Greek). Originally a chthonic god of riches, fertile agricultural land, and underground mineral wealth, he was later commonly equated with the Roman deities Pluto and Orcus, becoming an underworld deity.

*Dīs Pater* was commonly shortened to simply **Dīs**. This name has since become an alternative name for the underworld or a part of the underworld, such as the City of Dis of *The Divine Comedy*, which comprises Lower Hell.

This is SID spelled backward – per Aleister Crowley’s teaching that they will receive more demonic power when they do things backward.

Bonus teaching:

Sid Roth = Dis Thor

L: So posed for R: She is giving clues – orange fingernail polish = masons, on her neck the tattoo of the moon and the x or + is for sun and moon worship as x = sun worship so that is for baal and ashtaroth, the broken heart is like the snake chasing it's tail – or the creepy heart that stands for tammuz.

Lucifer has been used for another weapon..

The “ATHENA”(Advanced Test High Energy Asset) weapon is a warfare weapon. Athena is known as the goddess of war. All things going on in military, government and big corporations is spiritual. Athena is ashtaroth/asherah/Diana in our Bibles.

Thank you to Nancy who shared with me about this movie called Rapture Palooza.

Rapture palooza – they use a lazer beam on Jesus to stop Him from returning on His white horse. They tell us their plans and their motives in the movies, books, video games, and fake news. It is spiritual and they think they are going to fight against God with their technology.

From the fire videos comments: Sandia labs in New Mexico..... microwave weapons were used mostly in California..

So I went and took a peak at some info. on Sandia labs...

2016 Sandia Labs Director – Jill Hruby. The elite thrive on sexual perversion and usually raise their children as the opposite sex of what they were born as naturally. I often notice with those that are in their program something about one of their eyes being squinty or off looking. I notice it with Pat Robertson, Joel Olsteen, a local tv weatherman and with this man right here as well. This 100% looks like a man to me. They put their own in these powerful positions.

Excerpt from Wikipedia: Sandia formerly hosted ASCI Red, one of the world's fastest supercomputers until its recent decommission, and now hosts ASCI Red Storm (storm is one of satan's nicknames), originally known as Thor's (fallen angel/titan) Hammer. Sandia is also home to the Z Machine. The Z (as in zeus) Machine is the largest X-ray(sun worship) generator in the world and is designed to test materials in conditions of extreme temperature and pressure. \*\*It is all spiritual.\*\*

## **CLOSING**

satan's elect know full well what the Bible says that much of the earth will be burned up by fire. They like trying to fulfill God's prophesy.

**Rev.9:13-21** – And the sixth angel sounded, and I heard a voice from the four horns of the golden altar which is before God, Saying to the sixth angel which had the trumpet, Loose the four angels which are bound in the great river Euphrates. And the four angels were loosed, which were prepared for an hour, and a day,

and a month, and a year, for to slay the third part of men. And the number of the army of the horsemen *were* two hundred thousand thousand: and I heard the number of them. And thus I saw the horses in the vision, and them that sat on them, having breastplates of fire, and of jacinth, and brimstone: and the heads of the horses *were* as the heads of lions; and out of their mouths issued fire and smoke and brimstone. By these three was the third part of men killed, by the fire, and by the smoke, and by the brimstone, which issued out of their mouths. For their power is in their mouth, and in their tails: for their tails *were* like unto serpents, and had heads, and with them they do hurt. And the rest of the men which were not killed by these plagues yet repented not of the works of their hands, that they should not worship devils, and idols of gold, and silver, and brass, and stone, and of wood: which neither can see, nor hear, nor walk: Neither repented they of their murders, nor of their sorceries, nor of their fornication, nor of their thefts.

They repented not – hell and then the lake burning with fire and brimstone will be hotter than they have ever imagined.

\*I will go ahead and do one more part because there was just too much once I got into the fire portion of this and I don't want to leave anything undone.\*
