

WEATHER and CHEMICAL WARFARE – Part 20:

MIND CONTROL, THE DOME

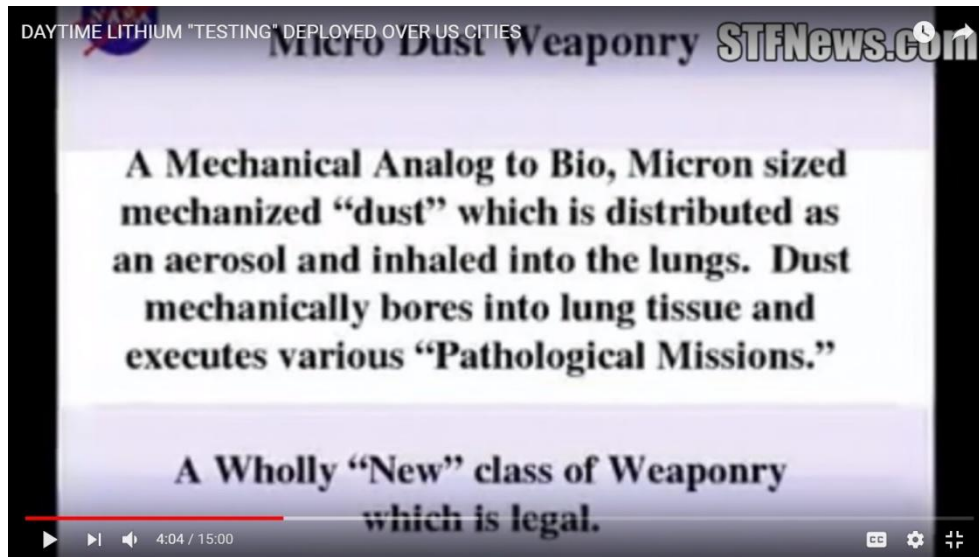

Chemtrails

RESEARCH AND ARTICLE BY PATRICK LYNCH

And just for the record, condensation trails, also known as ‘**con-trails**’, are water vapor that turn to ice in certain conditions (just as your breath does on a cold day). *Contrails* disperse after about 30 seconds, tops.

“*Chemtrails*” are chemical trails. They do not need certain conditions to cover the sky. They hang around and form banks of cloud, often for hours, because they are laden with three main materials – **aluminium oxide, barium, and strontium**.

From my own research many other materials such as arsenic, titanium and thorium have been found to be present in samples. Just as the declassified documents of the **Dorset Biological Trials** state (bacteria, and e-coli in the case of Dorset), molds, fungus, bacteria and even red blood cells have been identified from the Chemtrail fall out and in the blood samples of sufferers.

Thank you Teresa for sharing this with me.

Please play from 9:43 to 17:04 Cody Snodgres talks about Operation Indigo (purple) Skyfall – he is not a Christian (he believes we evolved & he believes in raising consciousness) but he is sharing truth.(about 7.5 min's)

<https://www.youtube.com/watch?v=jPsJLSX8s6E>

Three fold attack against air, water, food. All of this poison is gathering and attacking the pineal gland. This has been going on since Germany. This was taken from the nazi's because they studied how to shut off our pineal gland so that we are just smart enough to serve them but not smart enough to rise up against them and stop this.

They are trying to block our spiritual connection on a global level so their NWO (new world order) can take place without us fighting back. They want to control consciousness. **DO NOT TRY TO RAISE YOUR CONSCIOUSNESS.** God will communicate with you regardless of what is going on with your pineal gland. He states point blank this is a **MIND CONTROL PROGRAM. THEY WANT EVERYONE DUMBED DOWN SO YOU WILL ACCEPT NEW WORLD ORDER. IF YOU DON'T KNOW ABOUT IT, YOU WILL BECOME A VICTIM OF IT.**

The chemtrails, fluoride and glyphosates work together to calcify the pineal gland.

He goes on to say that Monsanto developed nerve gas during WW II. Psycho-electronics: manipulating people's minds from a distance. The attack is now more advanced than it was back in Germany.

1 Peter 5:8 - Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour:

Here is the greatest commandment:

Matt.22:37 - Jesus said unto him, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind.

Give your heart, soul and mind to the Lord Jesus Christ. Live for Him in obedience.

1 Cor. 2:16 - For who hath known the mind of the Lord, that he may instruct Him? But we have the mind of Christ.

If you don't like the things of God, don't like other Christians, don't like to read God's Word, don't want to go to church, don't want to pray, don't want to give,

don't want to witness to others of Him – why do you think you are saved or have the mind of Christ? Make sure you are His in order to be protected in this life. Keep the full armor of God on and stay under the blood of Jesus Christ. Read God's Word so that you can learn how to be obedient to Him.

If you are not under the covering of Jesus Christ, you could be one of the ones that God is pouring out strong delusion on because you loved not the TRUTH.

2 Thess.2:8-12 – And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of His mouth, and shall destroy with the brightness of His coming: *Even him*, whose coming is after the working of Satan with all power and signs and lying wonders, And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie: That they all might be damned who believed not the truth, but had pleasure in unrighteousness.

Are you loving your unrighteousness? Loving your fornication, adultery, drugs and alcohol, horror movies, lying, homosexuality, unclean thoughts etc.? Don't really want to come to Jesus because you love your sin more than Him? You will be deceived and damned because of it.

Rev. 18:23 - And the light of a candle shall shine no more at all in thee; and the voice of the bridegroom and of the bride shall be heard no more at all in thee: for thy merchants were the great men of the earth; **for by thy sorceries were all nations deceived.**

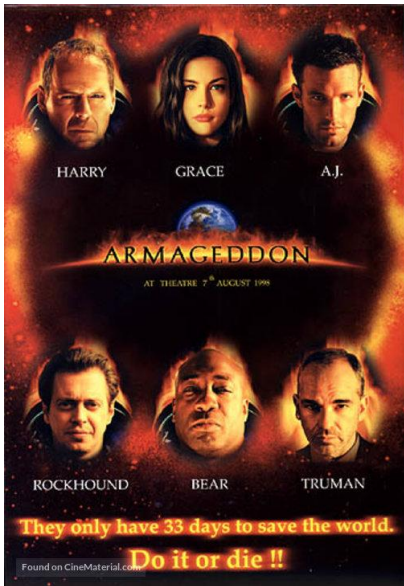

That Scripture is talking about Mystery Babylon. satan's elect are using witchcraft mixed with technology (CERN – there are huge Sanskrit tablets inside of CERN and the false god shiva out front and their logo is 666, our governments, militaries, the Vatican, big corporation leaders and big bankers are all part of this as well as the tv witches/masons).

TV and lying journalist – msm are a big sorcery deceiving the nations.

Have you ever thought that since the media lies so much and since we have to wade through truth mixed with lies that not all of these international events are real either? They are doing false flags all over this world. Even gasing their people and bombing different places can be fake. How are we going to really know? We are at a point where we need the Holy Spirit leading and guiding us because they have been keeping truth back from us on all fronts.

I know they are all working together as well. They are all part of the secret societies and sometimes I wonder how prophecy is going to be fulfilled where all nations come against Israel because Israel is in this game too. So I just figure at some point some country is going to rebel against their system and then maybe others will follow. The Bible says the nations will go against Israel, so at some point they are going to quit working together like they all are right now.

He talked about the movie Armageddon and I just thought I'd look at the movie cover for it.

Thank you to Carlos Sanchez who shared on mind control frequencies.

As easy as taking a pill with nanotechnology in it. You can connect and merge with others and technology.

cyborg (redirected from *Cybernetic organism*)

cy·borg  (sīˈbôrg)

n.

An organism, often a human, that has certain physiological processes enhanced or controlled by mechanical or electronic devices, especially when they are integrated with the nervous system.

[cyb(ernetic) + org(anism).]

This is what they are working toward with the nanotechnology they are spraying on us and injecting us with.

Thank you David K. for sharing this with me.

Please remove the word hell at :07.

When the guy got shot, that was like nanotechnology that oozed out of him and not blood. Then it regrouped and went back inside of him and he regrouped. He was attacked and turned into a nanocyte infiltrator in this movie. He was fighting for the machines to rise. In this movie they travel back-n-forth in time which is also what they are doing with CERN, altering realities. It sounds crazy or fantastical but it is true and happening. They are messing with things and when they tweak something or make a change it changes reality. In my reality there were 4 passengers in the car when Kennedy was assassinated but now there are 6 people in the car when you look at pictures. They told us in their Montauk Project experiments that they were going through wormholes and going forward and backward in time. Preston talked about them trying to go back to the time of Christ.

We are never to try and raise our conscious or astral project outside of our bodies, that is not of God. This is all satanic.

Let's just say the window washers union had better start posting help wanted ads now. "The Strategic Dome Initiative offers \$1 billion in funding to erect a translucent, impenetrable dome over the continental United States that would not only deflect missiles launched from anywhere in the world, but also meteors falling from the sky and other as yet unidentified apocalyptic events.

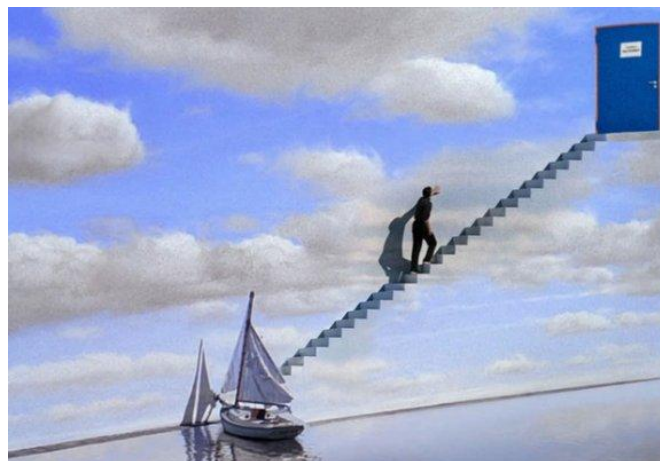

Codewit World News: Obama okays giant dome missile defense shield (Washington D. C.) – President Obama has announced his support of the Pentagon’s latest plan to provide a missile defense system for the United States, even though it does not include lasers, invisible jets, or invisible jets with lasers.

IT DEFINITELY INCLUDES LASERS AND JETS

“I prefer to think of it as more of a, uhh, force field than a dome,” Obama told reporters. “Think Star Wars, not New Orleans Saints.” **Obama here is alluding to “the force” a nickname for satan. This star wars he is also talking about is the fallen angels (satan likes to be referenced as the fallen star) fighting against God and those that are His. Thus star wars vs saints.**

PalookavillePost.com has learned that President Obama is planning to construct a giant dome-like structure over the entire U.S. to stop the effects from the warmth from the sun. Obama’s high paid scientists believe Reagan’s Star Wars plan will work because fighting global warming is a hot war, and Reagan was mistakenly trying to use it in a cold war battle.

Critics of the unique plan believe the dome-like structure will turn America into an undesirable artificial environment without wind, rain, snow or excessive hot and cold swings, like living in the Mall of America. Others believe the dome could create unintended hazards to people the White House has not considered.

“The Truman Show” – completely manufactured environment. That’s what they are doing to us.

“When I was a kid we used to take a magnifying glass to burn up ants when we focused the sun rays directly on the little creatures,” said incoming White House Chief of staff Dennis McDonough. “It sure was a lot of fun, but seeing that kind of power from the sun did make me very, very humble...I just hope the sun doesn’t burn us to death like those poor little ants.”

Rev. 16:8-9 - And the fourth angel poured out his vial upon the sun; and power was given unto him to scorch men with fire. And men were scorched with great heat, and blasphemed the name of God, which hath power over these plagues: and they repented not to give Him glory.

They think they can protect themselves with their technology and outsmart God and what He said. God’s Word will come to pass.

I remembered what the famous electrical energy inventor, Nikola Tesla, said he could make for the United States to defend it from airborne threats. Tesla said he could make an electromagnetic ‘shield’ over the country that would prevent foreign aircraft from entering our airspace. His idea was to establish a harmonic field emanating from a central broadcast point. Over a period of a few days the field would store electromagnetic energy in a dome-shaped field of standing waves.

The theory proposed that any aircraft flying into that field above a certain speed would experience electrical shorts throughout circuits and would thus crash and burn. I remembered that his field would also generate an antipodal node/field on the other side of the planet from the transmitter. For an American based transmitter this would produce an antipodal field in the South Indian Ocean between Australia and South Africa. Suddenly, I wondered what would be the antipode of the temperature anomaly I was detecting in the SW Pacific. To my surprise it was a location in Romania. When I zeroed in on that location I discovered it is the site of the new US/NATO Missile Defense Shield at an

abandoned air base near Deveselu, Olt, Romania. This wave might explain many of the anomalous electrical events people are reporting across the planet.

We now have synthetic dna labs, they digitize the dna and print it all out and plant it in a cell and then they can grow whatever they want to (biofuels, future medicines) – they can already do this remotely – digitized data for mind control and to manipulate our dna from a distance/Elana talks about the space fence – planetary lockdown that they are working on with: chemtrails, HAARP, CERN, Wind turbines, fracking, frequencies, chemicals, super computers./Space fence – wind farms play a role of pulsing static into the atmosphere (charging up the atmosphere) /They are charging the atmosphere with their metals and chemicals (all of this works together). In order to make a wave move through the earth’s atmosphere you have to have a ground wave and a sky wave – that is why they are doing this both ways. Above and below. They are dumping salts and metals down these holes in the fracking sights to generate a pulse in those areas. Every volcanic, every earthquake has its resonate frequency. Lasers being fired. /Lockheed Martin’s space fence is the SDI that Reagan talked of back in the 80’s but now they have the ionosphere charged up. / Putting out their stories with bits and pieces of what is going on but not telling us everything all at once – making it hard to piece together when you do hear something about what they are doing – they don’t want us to have the big picture, to understand what they are doing to us and this world. **Military gets a**

The host stated that we are all being assimilated into the A.I. (artificial intelligence) system. We are in an electromagnetic soup. They have primed our bodies to act as antenna's through the chemtrails, vaccines etc. we are already carrying the microprocessors and sensors inside of us. Scotland is building the largest wind farm there is. satan is trying to make this a "Prison Planet – have us on "Planetary Lock Down" – but He is not going to keep God out or keep us from God no matter what he does.

CLOSING

How do you protect yourself?

JESUS!

If you eat food only grown under ground and you filter off as much of the nano as you can, you drink distilled water, you filter your air, you detox your body from nano as much as you can – you can still get hit with a death ray – REMOTE FREQUENCY to take you out by heart attack or disease. I suggest you do the things you can do in the natural to protect yourself but the solution that I am truly suggesting to you is **JESUS CHRIST!**

Jesus is the Way of Salvation and none other. If you don't belong to Jesus and you are praying to God, you are praying in vain. The only Way to the Father is Jesus Christ. If you haven't accepted His sacrifice then you are still lost in your sin.

These next Scriptures apply to those that are truly His.

Psalm 55:22 - Cast thy burden upon the LORD, and he shall sustain thee: he shall never suffer the righteous to be moved.

1 Peter 5:7 - Casting all your care upon Him; for He careth for you.
