

## PIGS in the PARLOR - WARNING

First off I want to say that I still feel like this book gave a lot of good basic deliverance information as compared back to the Bible. But even when I spoke about it I did have a few questions in the back of my mind on it. Like why is there an eye on the cover as in the all seeing eye? And I think there is a double meaning with the pigs being in the eye also. One, that we all know Jesus allowed the demons that He cast out of the man that was possessed with a legion of demons, to go into the swine and they jumped into the sea and died. Two, it was considered an unclean animal in the OT and the unsaved hateful kabbahalistic, Masonic Jews believe that to be everyone else. \*On the subject of eating pork, Jesus said it isn't what goes in the belly that makes us unclean but what comes out of the person that defiles them. (Mark 7:15) Out of the mouth the heart speaks. (Luke 6:45) Even though we can eat pork I know that it is not the best food for us and that is why God called it unclean originally.\*

Notice on the cover the hypnotic spiral or cultic spiral around the eye. Why is there blood oozing down?

I have had questions or concerns about the chapter on schizophrenia which was supposed to be a revelation from God to Ida Mae Hammond.

I don't think I was as awake as I am now. Look at this revelation chart. It reminds me of witchcraft or kabbalah, something they might do to slip in their deceptive teachings. Notice the cultic spiral again. Look at how every finger is numbered except for one thumb.

There are only nine Planets in our Solar System and only nine numbers on which all material calculations are based. Each planet rules on a particular sign of the twelve Zodiac Signs and has a specific individual characteristic, vibration, trait that influences the person born under its ruler ship. Each planet is also allotted a number.

**The Nine Planets, their Zodiac signs, Corresponding Numbers and Elements.**

PLANET	NO.	RULES OVER	ELEMENT	DAY OF WEEK	SYMBOL
Mars	9 +ve	Aries	Fire	Tuesday	Ram
Venus	6+ve	Taurus	Earth	Friday	Bull
Mercury	5+ve	Gemini	Air	Wednesday	Twins
Moon	2-ve, 7+ve	Cancer	Water	Monday	Crab
Sun	1+ve, 4-ve	Leo	Fire	Sunday	Lion
Mercury	5-ve	Virgo	Earth	Wednesday	Virgin
Venus	6-ve	Libra	Air	Friday	Balance
Mars	9-ve	Scorpio	Water	Tuesday	Scorpion
Jupiter	3+ve	Sagittarius	Fire	Thursday	Archer
Saturn	8+ve	Capricorn	Air	Saturday	Goat
Saturn Bearer	8-ve	Acquarius	Earth	Saturday	Water
Jupiter	3-ve	Pisces	Water	Thursday	Fish

They have meanings for all parts of the hands, fingers etc. Notice how they incorporate the symbols for the planets into their divination?

So I feel there is some shadiness going on with that chart and that chapter.

Also this book gives lists of demonic groupings. They had a deliverance ministry and supposedly repeatedly they discovered many demons in groups so they listed them out. Now I will point out that I questioned that but ignored it because I thought well Jesus did speak with the one demon and asked its name. All the others He rebuked and told to be quiet and just cast them out. So unless they were just going around talking to demons all the time how did they know all of these demons were all grouped up? Also, after sitting through a few deliverance sessions I have come to find that if someone reads a book like this they begin to think they have all of these demons. That's me, I think like that and I want every single one cast out. So it may not be the best because it could be suggestive in that way.

I don't know if this couple started out good or if they were deliberately doing some things wrong or what. We can't play like we don't know the Jesuits stated plainly their plan to infiltrate the churches and take them down. I have noticed questionable covers on some of his other work as well.
