

# FAST FOOD SATANIC SYMBOLS: JACK in the BOX, STARBUCKS

This is interesting! The first deck of cards was invented by King Charles of France in the year 1392. King Charles was an insane man, by the way.

Now you perhaps have never heard this - so notice carefully what I am going to say. A deck of cards used to be called, "The Devil's Bible" and in the Seventeenth Century it was called, "The Devil's Picture Book". This is very important for us to know. Each card in the deck has a special meaning. Men who know tell me this is true, the cards have a secret language. Here is what I mean.

The KING card represents the Prince of Darkness - The Devil

The 10 SPOT speaks of the spirit of lawlessness. It speaks in opposition to the [moral law](#) as found in the Ten Commandments in the Bible.

Then the CLUB card represents violence and murder.

The **JACK** speaks of the loose living man, the lustful man, the licentious individual who only lives to satisfy his lower nature.

The QUEEN card represents Mary - the mother of our Lord. In the language of the cards, however, Mary is represented as an impure, dissolute, immoral woman.

There is the JOKER. It represents Jesus Christ.

But, also, the climax of all that is diabolical in connection with the language of cards is this: Jesus Christ, the joker, is said to be the child, the offspring, of the licentious Jack and the Queen. I wish I didn't have to tell this. It is so vile, so dreadful in its implication, that every man and woman who loves and adores the Saviour who died to redeem us with His own blood must cry out in protest against such blasphemy.

So every card in the deck has a secret meaning, and all alike are teaching opposition to God and His sacred Word. After what has been said about the Jack, the Queen, and the Joker, there is no need of further exposure of the card language.

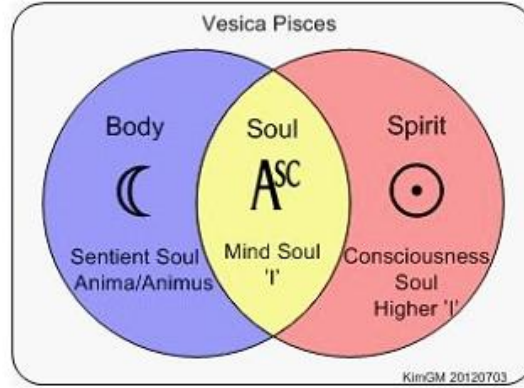

The pope and his swiss guard. Some say he has them dress like this because they are openly mocking Jesus as the joker.
