

# EVIL SPIRITS in YOUR HOUSE – Part Five: QUIJA, DEMONIC APPS, SMUDGING

The little boy had gotten online or on a phone app. and played with a quija board. This is highly occultic. The spirit realm is just waiting on your children or you to be curious enough to come over and play this type of stuff so they can interact with you and come into your life to tear it apart.

He had also already gotten on an app and played “Charlie Charlie.”

**\*\*Please play from 19:06 to 21:37 Selena G. & Jimmy Fallon\*\***(about 2.5 min’s)

So much wickedness is at our children's fingertips now. It is right online and if they don't have it one of their friends probably does. These companies want to introduce your children to the world of the occult, to indoctrinate them into new age. They want to help them open doors for darkness to come in and they make it easy and many times it is free. They pop free apps up on their phones and computers and tablets. Try this for free or a limited time or just download it.

I want to share something that happened at a school from children playing the "Charlie Charlie" game. This is from Yolindie who is on our prayer team:

She teaches 9 and 10 year old children.

She shared: The boys in my class played Charlie-Charlie in my class while I was in a meeting. They say nothing happened, but I know something did happen in the spiritual realm. We have been hearing footsteps and the door swung open once without anyone being there. We are going to rebuke and bless our classes this week.

The little girl had heard of the "Bloody Mary Dare" at school and was scared of seeing Bloody Mary in her mirror on her dresser in her room. Her mother, not

knowing what to do, got a pretty scarf and covered the mirror up trying to comfort her daughter.

Do you know how to talk to your children about the spirit realm? Have you explained to them that satan, fallen angels, demons, witches, evil spirits – that all of this is real?

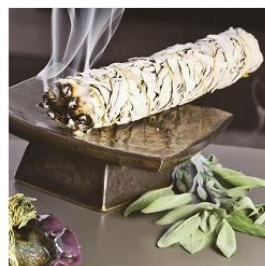

Their mother told them that ghosts are not real. I'm sure she did this just trying to comfort them as they had some scary things going on in the home. A ghost, or phantom, demon or evil spirit are all very real. They like it when you are ignorant of them and what they are.

**Mark 6:49** - But when they saw Him walking upon the sea, they supposed it had been a spirit, and cried out:

**Luke 24:39** - Behold my hands and my feet, that it is I myself: handle Me, and see; for a spirit hath not flesh and bones, as ye see Me have.

**1 Samuel 28:5-25** – you can read the story of Saul going to the witch of Endor to call up the familiar spirit of Samuel.

When people see ghosts, spirits, relatives who have died, all of these are familiar spirits – demons. If you are having this kind of activity or seeing or talking with these things you have opened doors to this evil and brought it in your life of your own free will. You must seek God and give your life to Jesus Christ and confess and repent of all sin and live for the Lord Jesus, read your Bible, pray and obey His Word. If this happens and you belong to Jesus Christ, then in the name of Jesus Christ state that you are a child of God bought and paid for by the blood of Jesus Christ and in Jesus name command it to leave.

How to Smudge Your Home

Their mother shared that she had gotten some sage sticks for their home to ward off the evil spirits and evil presences that were in their home.

### **FROM A WEBSITE RECOMMENDING SMUDGING:**

Some signs of demonic activity include but aren't limited to: strange sights, sounds, smells, and feelings. These are usually like hauntings but amplified. They are more intense and can escalate quickly when the demon is attaching itself to a person. The person may acquire bruises and cuts, bite marks, etc. out of nowhere or inexplicably. They may also change the way they act or function on a daily basis. \*\*I want to also say that they can do all of this through frequencies and technology now also to torture those they are targeting\*\*

Lifestyle changes are number one when getting rid of demons or evil spirits in your home or attached to an individual. Stop the risky behaviors, stop the destructive habits, and you begin to vibrate higher and there's less reason for an evil spirit to stick around.

\*This is new age talk, any time you see anything about vibrating higher or raising your consciousness.\*

After you've cleansed your place from top to bottom, you should bless your home with oil to protect it from further demonic entry. This can be as simple as dipping your finger into a little olive oil and drawing a protective symbol on your doorways, windows, and exhaust vents. You can use whatever protective symbol you feel a connection to, for many people that is a cross. But the choice is yours! As you bless the doorways, you can say a prayer or statement. For example "I bless this house in the name of Jesus Christ. Let only positive energy enter this house." Again, the choice is yours depending on your faith or tradition.

\*Again, more new age – “let only positive energy enter this house.” There is only God the Father, God the Son, God the Holy Spirit and the holy angels. We don't refer to them as positive energy. They are real beings.

Please keep in mind that sometimes a full house cleansing and blessing will anger an entity, particularly if this entity is a powerful one. In this case, you might need

further assistance outside of yourself and your home. You might need to contact a religious official.

**If All Else Fails...Call a Priest!** \*I certainly would not call a priest as we have already shown that the catholic church is part of the occult. They are not doing things Biblically.\*

So you've done everything that's been suggested and still you are having activity in your home of an evil or negative kind? Perhaps it is time to ask for help. There are many people qualified to do a house cleansing/blessing from various religions. If you are Catholic or Christian, ask your personal or local priest, pastor, reverend, etc. Explain to them your situation (in its entirety) and most of the time people will be willing to help. If they aren't willing to help or brush you off, move on to someone else.

If you aren't Christian and don't want to ask a priest into your house, it's not a problem. You can also contact a local shaman, medium, or witch to come and cleanse and bless your home. By doing searches on the internet or social media, often you can find someone in your area who is qualified and experienced in doing spiritual removals/cleanings. Don't stop looking until you've found someone to help you. Don't give up. Things will work out. And if not, MOVE.

**\*\*\*\*Look at this person mixing Jesus into the solution and then they have a section for people who are not Christian. WARNING – if you aren't a Christian,**

**this stuff is not going to leave your home no matter what you do or who you call.\*\*\*\***

“Smudging” will not work. This is believing in superstition and not God. Satan watches to see what you believe and who you believe in and when you do these things he knows what you know and what you don’t know. He sees that you don’t know your power and authority in Jesus Christ and in His blood and sacrifice for you. He knows that you don’t know how to close the door and don’t realize that what you did is a sin. He will keep surrounding you and causing problems when he knows you have a lack of knowledge of God’s Word and are not strong in Jesus Christ.

**Matt.10:1** - And when He had called unto *Him* His twelve disciples, He gave them power *against* unclean spirits, to cast them out, and to heal all manner of sickness and all manner of disease.

**Mark 16:17-18** - And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues; They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover.

I talked with these children and their mother about the many things they had looked at and played with and wondered about. We talked for hours. The boy had admitted to dabbling in the occult things online out of curiosity. Because he had played the Charlie Charlie game he asked me: **“What if it gets mad at me?”**

I told him in front of his mother about opening doors spiritually and you have to realize it was a sin, confess it and stop doing it – R E P E N T. After I said this his mother told him to go to his room and repent.

I did not get to share the following which is the next step that should be done:

Speak in the name of Jesus Christ that you take authority over anything that entered your life because of what you did and renounce it.

**Luke 10:19** - Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.

Bind it in Jesus' name and cast it out of your life and home.

**Matt.18:18** - Verily I say unto you, Whatsoever ye shall bind on earth shall be bound in heaven: and whatsoever ye shall loose on earth shall be loosed in heaven.

Plead the blood of Jesus Christ over yourself and your home and all that you have and all that pertains to you and everyone in the home.

**1 John 1:7** - But if we walk in the light, as He is in the light, we have fellowship one with another, and the blood of Jesus Christ His Son cleanseth us from all sin.

**Romans 5:9** - Much more then, being now justified by His blood, we shall be saved from wrath through Him.

**Heb.13:12** - Wherefore Jesus also, that He might sanctify the people with His own blood, suffered without the gate.

**Rev. 12:11** - And they overcame him (satan) by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.

If you don't have Jesus' blood applied to your life you are not living a Christian life. Plead His blood over yourself and all that you have and all that pertains to you. Stay under His blood and live obediently to show Him you love Him and receive His protection and blessing on your life.

**\*If you stay in your sin long enough, then you have left Him and you do not have His protection. You need to confess and repent and ask Him back into your life and then you begin the process to fight against this stuff.\***

Clean out your home from any ungodly things, toys, books, games, movies, music, artwork, knickknacks, clothes etc. Anoint your home with anointing oil and pray over your home asking God to bless it, sanctify it and anoint it. Ask Him to show you if there is anything in your home or life that doesn't please Him. State out loud that your home is a dwelling place for God, Jesus, Holy Spirit and the holy angels. Invite them into your home and speak God's Word over your home. (See

the message we did on: “Spiritual Warfare in Your Home” and also on “Deliverance and Generational Curses” and “Prayer to Break off Generational Curses”) the links to these messages are at the bottom of my notes -on the church website, when you click on a sermon look under the sermon window and you will see the link to access my notes. Their mother doesn't understand any of this. This family has a Pastor and a church so I was not able to teach them thoroughly what steps to take to close these doors. Their mother stopped me after I explained repentance and told the boy to go and repent. I don't even think they know what REPENT means. Most people today don't. She has not asked me for further teaching, deliverance or anything in regards to all that was discussed that day. You have to want to understand and learn and grow and be free. This cannot be forced on anyone.

Parents, you have got to talk openly to your children about these things now. Most parents are already lagging behind what their children are already doing. Spiritual doors are being opened in their lives and satan is coming in. When a door is opened spiritually, satan has a legal contract to come into your child's life, your home and wreak havoc, bent on bringing in destruction. Nightmares, fear, anxiety, shadows, unexplained noises, lights turning on and off, doors opening and closing and no one is there, things moving around the room by themselves, cold areas or unexplained breezes, voices heard by all who are in the room or just by the child, and actual demon manifestations are just a few things that can begin to happen. The child or person that opened the door may have dark thoughts, become rebellious, bad grades, think of killing themselves or harming someone else, withdrawn or it may seem that nothing happened. In the spirit realm something happened. The evil spirits were given access to your child and your home and they can do little things here and there and stay under the radar or they can rise up and cause all kinds of commotion and disturbances to the whole house.

It is our responsibility to train up our children from the time they are born until they leave our homes. Even after they are out on their own we are to continually give Godly advice and always pray for and over our children no matter the age.

**Prov. 22:6** - Train up a child in the way he should go: and when he is old, he will not depart from it.

**Col. 3:20-21** - Children, obey *your* parents in all things: for this is well pleasing unto the Lord. Fathers, provoke not your children *to anger*, lest they be discouraged.

## **CLOSING**

Teach your children about wicca, witchcraft, false religions, new age, yoga, and the occult. You don't have to be an expert to make them aware of the consequences of dabbling or completely submerging into these things. Sin has consequences.

**Prov. 23:22** - Hearken unto thy father that begat thee, and despise not thy mother when she is old.

**Eph. 6:4** - And, ye fathers, provoke not your children to wrath: but bring them up in the nurture and admonition of the Lord.

In a Christian home, the Word of God should be read, prayer should be a normal daily occurrence. Parents should be teaching God's Word and His ways to their children and children should be obeying the parents. Every parent is going to answer to Jesus Christ for how well you raised your child. Did you teach them about Him and His Word? Did you live it out in front of them? Was it a natural part of your life?
