

EVIL SPIRITS in YOUR HOUSE – Part Six: HOLLYWOOD HATES JESUS, CHRISTMAS

The little girl asked, “Why do people on tv make fun of Jesus?”

According to the diary of H. J. Whitley, also known as the "Father of Hollywood", on his honeymoon in 1886 he stood at the top of the hill looking out over the valley (the one picture above). Along came a Chinese man in a wagon carrying wood. The man got out of the wagon and bowed. The Chinese man was asked what he was doing and replied, "I holly-wood," meaning 'hauling wood.' H. J. Whitley had an epiphany and decided to name his new town Hollywood. "Holly" would represent England and "wood" would represent his Scottish heritage. Whitley had already started over 100 towns across the western United States.

It is important for us to understand that they fabricate this type of information to appease those that are not awake. Remember they own the printing presses, the colleges and universities. Right now they are destroying true history books and rewriting them, teaching lies in school and our media gives us 5% or less of the truth. Most all the news and tv is nothing but lies. Pray for God to wake you up out of the deception. Many have given their lives to try to wake you up.

This is satan’s playground. We know those who bow to satan put messages and codes in everything they do. The word “hollywood” is no different. Let’s break that down first so we can understand what we are dealing with.

First we have to remember this scripture:

2 Cor. 4:4 - In whom the god of this world (age) hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them.

satan is the god of this world. Hollywood, televised sports, and big radio stations are all his playground.

So when we look at those that serve him, we learn that they worship the sun, moon and stars. The names of our planets represent fallen angels. God said He is going to cut off those that do those things.

Zephaniah 1:5 – And them that worship the host of heaven upon the housetops; and them that worship and that swear by the LORD, and that swear by Malcham.

You cannot serve two masters.

We see this today, where they accept an award and thank God and everyone believes they are Christian because they said God. We have not understood that when they say that, they are speaking of their god – satan.

Because they worship the sun, moon and stars – they worship the changing of seasons and stages of the sun and moon. Witches and masons and secret societies who all serve satan – all do this.

RESEARCH

****Keep this on screen for the following information****

In Wicca, the narrative of the Wheel of the Year traditionally centers on the sacred marriage of the god and the goddess and the god/goddess duality. In this cycle, the god is perpetually born from the goddess at yule, grows in power at the vernal equinox (as does the goddess, now in her *maiden aspect*), courts and impregnates the goddess at Beltane, reaches his peak at the summer solstice, wanes in power at Lammas (notice people take lamaze classes – sounds just like this) passes into the underworld at Samhain (taking with him the fertility of the goddess/Earth, who is now in her *crone aspect*) until he is once again born from her mother/crone aspect at yule. The goddess, in turn, ages and rejuvenates endlessly with the seasons, being courted by and giving birth to the horned god.

Witches serve “the goddess” and because they serve the sun and moon and seasons, their goddess starts off as a young virgin or maiden and then becomes the mother and later the old crone. L: Notice the “mother” has a sun cross on her belly. R: Sun rays coming from the “mother goddess” head – that is the same as the statue of liberty – a false goddess standing in New York Harbor.

This is the horned god of the witches, he is cernunnos (CERN). He is Nimrod who wore horns on his head to symbolize his strength and hunting ability. Who was worshipped as a sun god on earth and in death his wife/mother created a story about being impregnated by a ray from the sun and giving birth to the reincarnated sun god Tammuz. In our world today we know the sun god by the greek name apollo. They have put his name on many things as they still worship him today.

Rev. 9:11 - And they had a king over them, *which is* the angel of the bottomless pit (abyss), whose name in the Hebrew tongue *is* Abaddon, but in the Greek tongue hath *his* name Apollyon. Check it *The root of a 9 is a 3 and $3 \times 11 = 33$ – the masons calling card. “They” did 911 – it was an inside job and refers to this scripture – a salute to their god.*

Many Wiccan, new druids, and eclectic new pagans incorporate a narrative of the oak king and the holly king as rulers of the waxing year and the waning year respectively. These two figures battle endlessly with the turning of the seasons. At the summer solstice (litha), the holly king defeats the oak king and commences his reign. After the Autumn equinox (mabon) the oak king slowly begins to regain his power as the sun begins to wane. Come the winter solstice (yule) the oak king in turn vanquishes the holly king. After the spring equinox (easter) the sun begins to wax again and the holly king slowly regains his strength until he once again defeats the oak king at the summer solstice (litha). The two are ultimately seen as essential parts of a whole, light and dark aspects of the male god, and would not exist without each other.

This is the duality that the occult thrives on. Black and white, as above so below, good and evil, man and woman etc. They teach subtly that God is good and evil and that we all have to be evil sometimes.

James 1:8 - A double minded man *is* unstable in all his ways.

The holly king is often portrayed as a woodsy figure, similar to the modern Santa Claus, dressed in red with sprigs of holly in his hair and the oak king as a fertility god. The occult and Luciferians know full well who this is. They laugh at the fight going on to keep Jesus in Christmas. He was never there. They play both sides to keep confusion and anger stirred up. Jesus Christ was never in any of this. This is why the world celebrates this without ever being saved. Shame on those pastors who say they know it is pagan but do it anyway because people come to church then. Either they want truth and are seeking Jesus Christ or they aren't. A person saved under the pretense of a lie isn't faithful anyway. Those people don't stick around, the seasonal Christians.

HOLLY

The *Encyclopedia Britannica*, under "Celastrales," exposes the origin of the holly wreath: "European pagans brought holly sprays into their homes, offering them to the fairy people of the forests as refuge from the harsh winter weather. During the Saturnalia, the Roman winter festival, branches of holly were exchanged as tokens of friendship. The earliest Roman Christians apparently used holly as a decoration at the Christmas season." *Remember Constantine made being a Christian enticing to the pagans or else they would have to pay. So they all became Christians but never forsook their pagan holidays, fertility rituals and

sacrifices. The catholic church just Christianized them giving them new names to fool the people.*

There are dozens of different types of holly. Virtually all of them come in *male and female varieties*—such as “Blue Prince and Blue Princess” or “Blue Boy and Blue Girl” or “China Boy and China Girl.” Female holly plants cannot have berries unless a nearby male plant pollinates them. It is easy to see why the holly wreath found its way into pagan rituals as a token of friendship and fertility!

Holly berries were also thought to be sacred to the sun god. The original “sun log” came to be called the yule log. “Yule” simply means “wheel,” which has long been a pagan representation of the sun. No wonder people today commonly speak of the “sacred yule-tide season.”

Julius Caesar is the best-known source of information about the Druids. This comes from the *Encyclopedia Britannica*. This quote, under “*Druids*,” clearly explains who they were:

“Druids, the learned class among the ancient Celts, whose name means *Knowing (or Finding) the Oak Tree*. They seem to have frequented Oak forests and acted as *priests, teachers and judges*. The earliest known records of the Druids come from the 3rd century [B.C.]...*Druids took charge of public and private sacrifices*, and many young men went to them for instruction. They judged all public and private quarrels and decreed the penalty...*The Druids principle doctrine was that the soul was immortal...*(they) offered human victims for those who were gravely sick or in danger of death in battle. Huge wickerwork images were *filled with living men and then burned*; although the Druids chose criminals by preference, they *sacrificed innocent victims* if necessary.”

Druids – groves of oak were their chosen retreat. Whatever grew on the tree was thought to be a gift from heaven. *This is why you have people worshipping the creation and not the Creator. Hugging trees and trying to mate with the earth etc.*

As you look at this picture I hope you can see now that Holly is about “their” holly king and Wood is about “their” holly king & oak king. I’m sure also because they are about fertility and perversion that “wood” is also an intentional pun for male alertness. And we cannot forget that this industry is filled with pedophiles, molesters, homosexuals and rapists etc.

Looking in my 1828 dictionary one of the definitions for wood was idol. That’s because idols were carved from wood. Hollywood is built on idolatry.

Remember how fast the people were making the golden calf as Moses was up on the mount talking with God. We are not to have idols – we are to place nothing before or above God.

1 Cor. 10:6-9 – Now these things were our examples, to the intent we should not lust (desire) after evil things, as they also lusted. Neither be ye idolaters, as were some of them; as it is written, The people sat down to eat and drink, and rose up to play (dance around/orgies - perversion). Neither let us commit fornication, as some of them committed, and fell in one day three and twenty thousand. Nether let us tempt Christ, as some of them also tempted, and were destroyed of serpents.

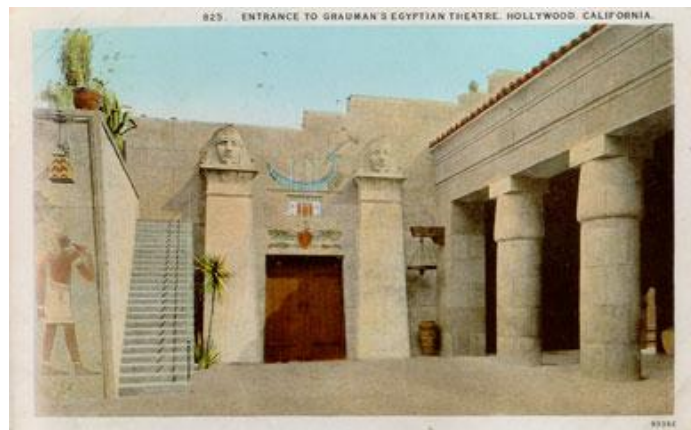

Traditionally, a yule log was burned in the fireplace on Christmas Eve and during the night as the log’s embers died, there appeared in the room, as if by magic, a Christmas tree surrounded by gifts. The yule log represented the sun-god Nimrod and the Christmas tree represented himself resurrected as his own son Tammuz.”

Holly & Santa Claus

Holly was used by the Druids to hang in windows to keep evil spirits away. Holly was considered the sacred plant of Saturn during the height of the Roman Saturnalia festival. They would decorate images of the god Saturn, and Christians would eventually decorate their homes as a way of avoiding persecution from the Romans. *The early church failed to stand up against this wickedness – the cowards did anyway. And look where we are today.* It is also considered as a sacred fertility symbol. The holly is associated with male fertility while its counterpart ivy represents the female aspect.

There was also a pagan mythological being called the Holly King who was eventually transformed into Santa Claus. He had an adversary named the Oak King and the two would battle with the Holly King at peak strength during the winter solstice (Christmas time). This is very similar to the tale of the phases of Semiramis (ashtaroth) in which she trades with Nimrod for power during the cycles of the year, as it waxes and wanes. Like the Holly King, Santa Claus is 'all knowing' through knowledge of who's been good and bad, with powers of omnipresence and ability to traverse the planet in one night. He has eight reindeer with horns on their heads (aka 'stags', drawing similarity to the stag god Nimrod again).

Grauman's Egyptian Theatre opened in 1922. Hollywood got moving with the film industry in the early 1900's.

Today. Notice the Egyptian hieroglyphs reflecting “their” gods and beliefs.

Inside the theatre, in honor of their sun god nimrod/baal/apollo/satan.

All seeing eye of the sun god in the ceiling. This is on the ceiling inside the theatre. Can you see the all seeing eye of lucifer there? It is the same one on the back of the US dollar bill. When Hollywood covers one eye this is what it is all about, in honor of their god Horus and Ra – the sun gods.

Grauman's Chinese Theatre opened in 1927 after the success of their Egyptian Theatre. Grauman's Chinese Theatre is at Hollywood Walk of Fame and Hollywood Boulevard. Part of the heartbeat of the industry. It certainly reflects what the industry thrives on and who their god is.

Above the doors is this demonic dragon image. That is always satan (Rev. 12:9). There is some sort of plaque above this image and below it but I couldn't find info. on them.

These satanic faces are on either side of the dragon. They resemble baphomet with the thing coming straight up out of their heads.

Further out view to see the faces of wickedness all around this place.

When you pan further out you see this image. It is another demonic type of face with a trident on top in a circle. Inside the wall is an idol on a base being exalted.

These are on the walls that protrude out around the entrance. Dragons are sculpted here and in the middle and 6's.

Looking, taking pictures – idolatry.

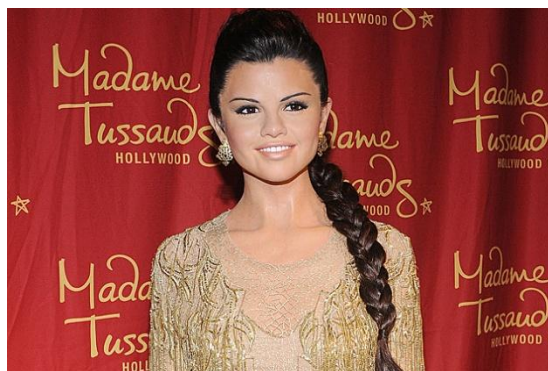

See the trident on top of the theatre, it is incorporated throughout the theatre. Their movies and art and all that they do reflect the gods they worship. L: Movie “The Little Mermaid” with Neptune/Poseidon and his trident. R: Neptune/Poseidon

Hollywood today, it has not left it's idolatry behind. Hollywood and Highland Shopping Center – This is Home to the Academy Awards, the Dolby and TLC Theatres are here. Do you see the pictures of the Egyptian gods on the wall of the archway? How about those white elephants? Elephants are also used in programming.

Although he is known by many attributes, Ganesha's elephant head makes him easy to identify. Ganesha is widely revered as the remover of obstacles, the patron of arts and sciences and the deva of intellect and wisdom. As the god of beginnings, he is honoured at the start of rites and ceremonies. So you can see why they are putting this imagery out in Hollywood. He has a trident on the forehead and a sun symbol on his right hand – so demonic.

Selena Gomez – idolized as a wax figure.

Zendaya posing with her wax figures.

L: Old Miley Cyrus in wax R: New Miley Cyrus in wax. Worshipped by so many children.

The “new” Miley is a picture of what Hollywood (those behind the scenes) do to those innocent children they get their hands on. They rape, abuse, molest and sodomize them, program them through MK Ultra, Monarch and when they have a break down this is what you get.

L: Old Taylor Swift in wax R: New Taylor Swift in real life

Hollywood wax museum to memorialize the stars.

Castle of Chaos close to the Hollywood Wax Museum. Notice on the witch/wizard on the right there is a sun cross symbol. This is blatant abomination to God who is opposed to witchcraft, sorcery, idolatry.

Universal Studios House of Horrors

I noticed in this image of an Oscar type of statue holding up a star, a snake/reptilian face. Where the arms come up and hold the star it makes like two eyes and where the head is, is like the mouth. You may have to move it out or

closer in. But Kennedy saw it right off too. They hide their demonic imagery in things all the time and we have not known it.

Isn't it clear why they hate Jesus? They serve another god.

Trident again – spoofing on the Rapture.

Kanye West mocking Jesus Christ

We cannot forget that they seek to be recognized, loved by all. They want fame and fortune, recognition from the world. They get a stars on Hollywood's walk of fame and get awards all the time. Pride, and being high and lifted up just like their god lucifer.

They want to get an Oscar. Here are two examples of who he is fashioned after. I am going with Osiris.

OSCAR = SARCO

sarco- before vowels sarc-, word-forming element meaning "flesh, fleshy, of the flesh,"

Sarcophagus means flesh eater

THE OSCARS

Cosmicdoorways.net

The floor of the 2016 Oscars where the winner makes their acceptance speech. Do you see the similarities to witchcraft? It is divided in sections and there are horns and statues and the all seeing eye in the middle. Witchcraft on display before our very eyes.

Witches believe that if you draw a circle and stand in the middle of it you will be protected from the entities you are conjuring up. I have also seen the opposite, that they believe the circle is a portal for the demons to enter this realm and be contained in the circle.

All seeing eye / Golden age.

Sun worship – fire and ice.

Eye of osiris/horus/satan – all seeing eye.

Triangles represent sun/baal worship, secret esoteric religions based on fertility rituals and sacrifice. The triangle facing down is female, facing up is male – also facing down is deity (satan as a fallen star) facing up is man. Two triangles make a diamond and lucifer likes to be known as the shining one, the light bringer – thus illuminati. The diamond also represents the vesica pisces of the of the “queen of heaven” ashtaroth – nimrod’s mother/wife.

Gender: Male **Meaning of Oscar:** "God spear, or deer-lover or champion warrior"

Origin of Oscar: English or Irish **Oscar's Popularity in 2017:** #192

Etymology [\[edit \]](#)

The name may be derived from two elements in Irish: the first, *os*, means "deer"; the second element, *car*, means "loving", thus *deer-loving one* or the like. The name is borne by a character in Irish mythology—Oscar, grandson of Fionn Mac Cumhaill. In Old English, "os" means "god" and "gar" means "spear", thus "spear of god".^[1] *Os-* derived from Proto-Germanic **ansu-z* (god, gods), as in the Old Norse

Statues, wax figures, stars on the pavement, hand prints and foot prints all to worship themselves and their gods – all against God and His Word.

CLOSING

They are not wild children. They do not have colorful dyed hair and ripped up clothes with piercings all over their body smarting off curse words to their parents. They are not foul mouthed and in total rebellion. They represent the children of America, and the world at large that has technology at their fingertips. They are typical Christian children who are not learning enough in their church or at home about the spirit realms and that satan and his kingdom are real. They are not being taught what things to avoid and what happens when they come into agreement by spending their time and money on evil things. They have not been taught about guarding their eye and ear gates. They are not learning about spiritual warfare.

Don't let this be you and your household. Let's learn from them and do better.

There was a time when households served the LORD – everyone in the house. Whatever god the head of the household served, everyone else in that house served them too. Let's do our best to get back to that place and live holy and righteous lives and come out of the worldly things.

Joshua 24:15 - And if it seem evil unto you to serve the LORD, choose you this day whom ye will serve; whether the gods which your fathers served that *were* on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the LORD.
