

TARGETING – Part Two: DIRECTED ENERGY WEAPONS, LASERS, FREQUENCY WEAPONS

PICKING UP WITH PATTY’S STORY AGAIN:

I started having bizarre health issues...I would go to sleep and I would wake up with heart palpitations (hits with DEW weapons to heart). For six months I told the doctor I felt like I was being cooked from the inside out (Radiation). I ended up bed ridden for 6 months. They called it chronic fatigue. Then I was getting what felt like cracks to the head (Electrical Currents and Dew Weapons to the head) and a head ache like no other head ache. I was blacking out, passing out, had a seizure, falls, but nothing ever showed at the doctors. I developed Fibromyalgia. (Started testing DEW Weapons)

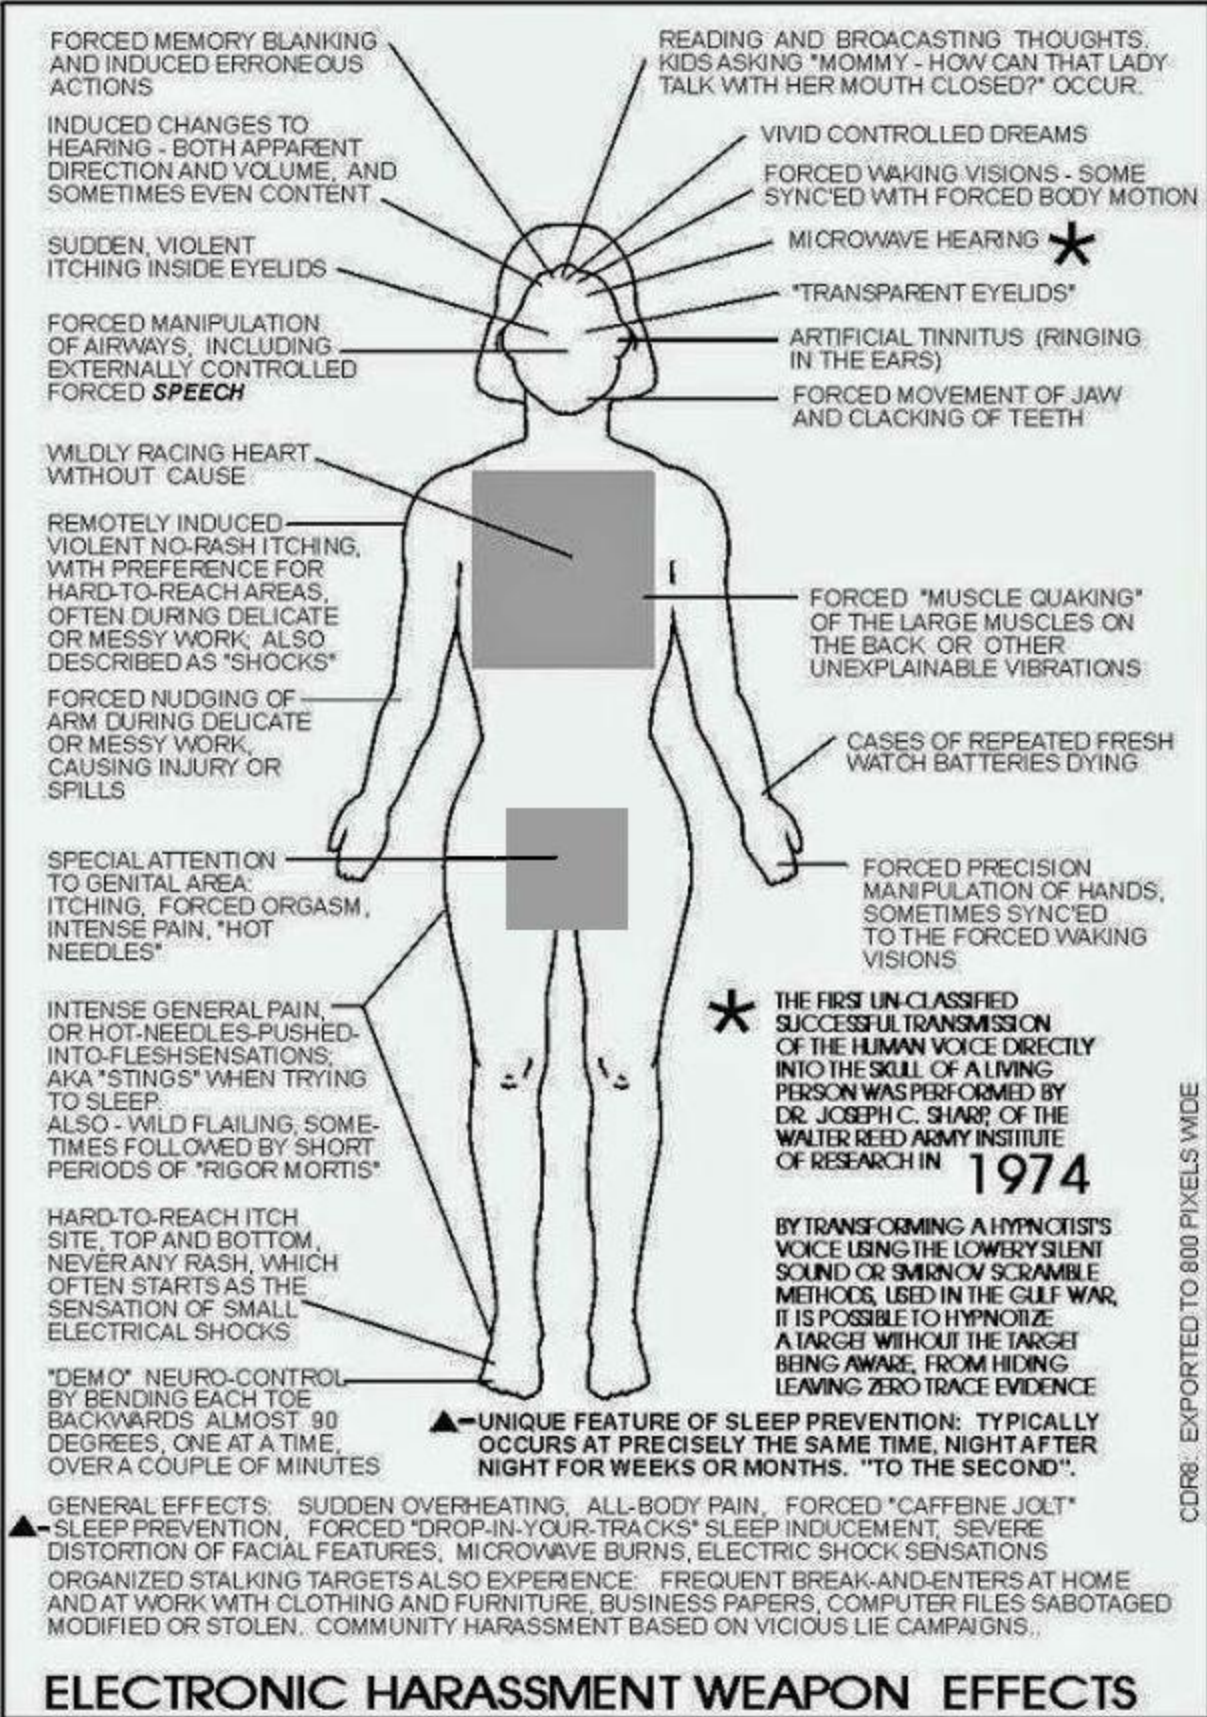

Conveniently “they” have come up with a term to dismiss all of this. It’s called electromagnetic hypersensitivity. Oh some people are just more sensitive to cell phones, wi fi, the cell towers and things like that. This is their cover to keep torturing and killing people. Most are unaware of this still today so they are trying to keep it under wraps and just make out like nothing is going on. Remember they legalize their crimes.

Psalm 94:20 – Shall the throne of iniquity have fellowship with Thee, which frameth mischief by a law?

They legalize their projects and pass criminal laws before anyone has a chance to know about it. They also tie bad and corrupt laws to good things that people

want so they can get them passed. Then they say, well my hands were tied. They are testing their military/police weapons on citizens around the world. Citizens that did not give consent to be experimented on, tortured and even murdered.

I knew something was wrong. Then my finances were under attack. Got a new boss who fired me while I was 3rd in the nation in sales. Had one thing after another until my savings and 401k was gone. Like really bad luck but as a Christian don't believe in luck.

THEY WANT TO COMPLETELY RUIN AND ISOLATE THE PERSON. They want to turn everyone against them, boss, co-workers, family and friends etc. MAKE THEM FEEL HOPELESS and ALONE.

Then I noticed everywhere I went people were angry to me. Public displays and open displays of hatred from people I didn't know. It is called (Street Theater) but I no longer got any kindness.

Ms. Saffire shared that she went to 3 or 4 stores one day and these same people showed up at every place she went to. She shared about two women who were Chinese in Wal-mart trying to figure out something about a product and she helped to explain it to them. She said they were speaking English with thick broken accents. The next day one of them showed up at her house knocking on the door and when she answered the woman spoke perfect English. She said in the store one time a man came right up to her and whispered in her ear, "it's all in your head," and walked away. These are some of the things they do to targets.

Then I noticed people were watching me and following me 24 hours a day. Then the cars multiplied and they were always with me. Sometimes driving aggressively, like I was in a locked down position. *Saffire shared that they would park outside her apt. and aim their cars at her apt. and flash the lights or honk the horns. *

Then I went through a mind control experiment too difficult to make brief. But they were trying to change my belief system. And they tried to change me from a good mom and Christian woman to a cougar (older woman after much younger men) and a porn star. But they couldn't get me to go into the porn. I was fighting the mind control (Long story). During this time they used that experiment and used it against me. Since they couldn't get me to go along they used what they had and then slandered me in the community so I would be isolated. And it worked even though I never gave in to all they were trying to do.

Psalm 69:4 – They that hate me without a cause are more than the hairs of mine head: they that would destroy me, being mine enemies wrongfully, are mighty: then I restored that which I took not away. (Giving something back that you did not even take like being guilty of a crime you didn't commit)

They had already tested weapons on me but after they slandered me and destroyed me financially they started testing non lethal Dew weapons on me 24 hours a day. Lasers, masers, data weapons, radiation by microwave weapon, electric zappers, radiation beams by drones at night, hits from cell phone towers and satellites, Dazzler, Radio Frequencies to disturb brain and nervous system, plasma beam weapons, and other DEW Weapons (Directed Energy Weapons).

Then they started using data weapons on my boys too. They have no concern for human life, not even for children.

Luke 17:1 - Then said He unto the disciples, It is impossible but that offences will come: but woe *unto him*, through whom they come! It were better for him that a millstone were hanged about his neck, and he cast into the sea, than that he should offend one of these little ones.

The stalkers in the cars carry weapons. They drive by shooting them at my home. They follow me in the car and use them on me, follow me into the grocery store and use an electric zapper or a weapon that gives me a thump to the head.

I have a beam on my head at all times.

This is not everything that I have survived through but gives you an idea. Until the stalking got really severe I was not sure what was going on.

I have been put into a non consensual experiment program that is funded by the government. The government hires independent agencies to conduct the tests. So their hands are clean. But they are not because they fund them. The agencies then hire psychos to hire people to carry out these terrible tests. They are like the supervisors. Then they hire stalkers to carry it out. It is called Organized Gang Stalking. You are actually human trafficked into anything they want.

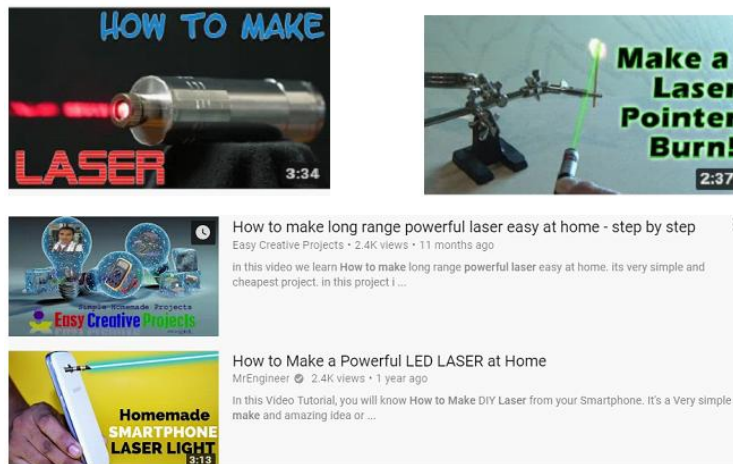

Psalms 56:1-7 - Be merciful unto me, O God: for man would swallow me up; he fighting daily oppresseth me. Mine enemies would daily swallow *me* up (My watchers panted for me all the day): for *they be* many that fight against me for many are proudly fighting over me), O thou most High. What time (the day) I am afraid, I will trust in thee. In God I will praise His word, in God I have put my trust; I will not fear what flesh can (will) do unto me. Every day they wrest (pervert) my

words: all their thoughts *are* against me for evil. They gather themselves together (stir up strife), they hide themselves, they mark my steps, when (as) they wait for my soul. Shall they escape by iniquity? in *thine* anger cast down the people, O God. *words in() are from the interlinear Bible – usually a truer translation than KJV right now.*

If you listen to Dr. John Hall's stuff then google (look up) some of the following things you will get a good idea of what is happening.

CLOSING

We are stopping here today but I want you to remember that they also use their sites like HAARP stations around the world paired with their GWEN towers and RF weapons to target all of us.

To fight against this you must first be a child of God's. Not just head knowledge, but believing unto obeying His Word. Having Jesus Christ as your testimony. If you don't know what it means to be a Christian then please listen to the teaching I did called "New Christian Basics." Then you have to stand on God's Word. You find scriptures that speak to you about your situation and you say them out loud. Memorize them. Let God know you know His Word, pray it back to Him and let Him know you are standing on His promises to you.

Isaiah 54:17 - No weapon that is formed against thee shall prosper; and every tongue *that* shall rise against thee in judgment thou shalt condemn. This *is* the heritage of the servants of the LORD, and their righteousness *is* of Me, saith the LORD.

Keep believing them even if it seems like your situation isn't changing.

Eph. 6:13 - Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand.
