

TARGETING – Part Six: GOVERNMENT TRAINED PSYCH DR'S, ALIEN DISCLOSURE

Last week we talked about how therapists have been giving wrong diagnoses and that it is coming more out in the open now that you can test for implants and imprints from directed energy weapons to help those being targeted prove their cases.

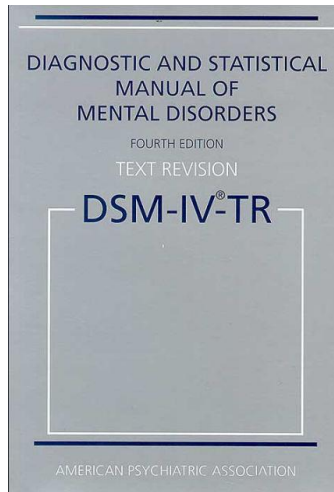

This is Magnus Olsson being scanned for implants. He is one of the first more popular targets that I researched online after Patty had written to me. Of course this scan isn't the same type that they will do in a dr's office but none the less at the time, it gave more than enough proof that something was in his body that wasn't supposed to be there.

Back to the research: Increasingly there are individuals whose tests are showing they are indeed imbedded with advanced nano materials, and they are indeed emitting signals and/or resonating with external signals in ways that are just not natural for a human body. This is a reality in the present that should not be ignored.

However, without the knowledge that externally controlled machines within the body can massively affect physical and mental functioning, diagnosticians of all health-related disciplines continue to NOT look for the presence of such possible causative factors. This is the established norm today.

How could these technologies possibly be in widespread use without being widely detected? Dr. Luukanen-Kilde, from the perspective of a Chief Medical Officer of a sovereign nation (Finland), offered this view in December 2000:

One reason this technology has remained a state secret is the widespread prestige of the psychiatric DIAGNOSTIC STATISTICAL MANUAL IV, produced by the U.S. American Psychiatric Association (APA) and printed in 18 languages.

Psychiatrists working for U.S. intelligence agencies no doubt participated in writing and revising this manual.

*Please play from 9:58 to 14:28 (the end) Rauni K. talks about how everything the secret services are doing to the civilians is written into the manual that psychiatrists/psychologists are using, as schizophrenia etc. to cover up their crimes. Our energy field (spirit) around us. Our militaries and governments have

been heavily into studying all parts of the spirit and spirit realm (paranormal & supernatural)– being led by fallen angels and demons. *(about 4.5 min’s)

Remember we brought the scientists doing the horrible experiments and torture in Germany under Hitler, we brought them right over here to the U.S. and employed them in our colleges, universities, CIA, FBI, NSA, hospitals etc. We are paying them to continue doing those same things and even more horrific crimes against mankind.

“Energy body” – she said your spirit does not have sexual organs. She knows because she astral projected and looked at herself and others. Spiritual beings are not sexual beings. Sex is something God gave to us in these flesh bodies so that we could procreate and fill the earth. No we are not androgen nor is God.

Genesis 1:27 - So God created man in His *own* image, in the image of God created He him; male and female created He them.

How is a woman made in God’s image if God is a male? He chose to identify with the male gender. Each person is body, soul and spirit and in this way, we are made in His image.

Luke 20:34-35 - And Jesus answering said unto them, The children (sons) of this world (age) marry, and are given in marriage: But they which shall be accounted worthy to obtain that world (age), and the resurrection from the dead, neither marry, nor are given in marriage:

We will be like the angels:

Mark 12:25 - For when they shall rise from the dead, they neither marry, nor are given in marriage; but are as the angels which are in heaven.

There is NO REINCARNATION.

Hebrews 9:27 - And as it is appointed unto men once to die, but after this the judgment:

Homosexuality can be explained but it is not from having a different body at a different time. It is because we are in a fallen world, we chose to do things satan's way and not God's way. Everyone is born into sin and with generational curses on them. We have to educate ourselves with God's Word and walk in His ways and break the curses off of our lives so that we can truly be set free.

Psalm 51:5 - Behold, I was shapen in iniquity; and in sin did my mother conceive me.

Numbers 14:18 - The LORD *is* longsuffering (slow to anger), and of great mercy, forgiving iniquity and transgression, and by no means clearing *the guilty*, visiting the iniquity (sin) of the fathers upon the children unto the third and fourth *generation*.

John 8:32 - And ye shall (will) know the truth, and the truth shall (will) make (set) you free.

She mentioned "you just focus on the eyes, you immediately connect" because the "energy" comes through the eyes.

Matt. 6:22-23 – The light of the body is the eye: if therefore thine eye be single (pure/clear/sound – spiritually healthy), thy whole body shall be full of light. But if thine eye be evil, thy whole body shall be full of darkness. If therefore the light that is in thee be darkness, how great *is* that darkness!

How could someone refuse the mark of the beast, get their head cut off and die for nothing without eternal life? Rauni and those that believe like her are examples of that. She knew truth and was awake but she was deceived spiritually. She did not know Jesus Christ. She did not profess Him and live for Him and spread the truth that she knew for His glory. Of course we don't know what happened in her dying moments if she came to Him or not, we can only hope she did.

*Please play from 1:18 to 4:55 Rauni K. shares about secret service harassing the civilians, using food (gmo's) as a weapon, weather as a weapon, they are suppressing this from us. The governments and military are fully aware and working with fallen angels & demons as extraterrestrials and keeping this from the public, go to conferences and learn truth because the media's are not reporting it. (about 3.5 min's)

https://www.youtube.com/watch?v=7Y-7brlnf_Q

Most civilians are not aware that our own militaries and governments have been fighting against us and experimenting on us. She went to many conferences and met people who know truth and shared this information. She stated that by going to many national and international conferences she gained much information. She met people with inside information and learned many things that they will never televise. This is a way to get real information.

Phil Schneider was doing the same thing, he was going to conferences and sharing what he knew. He openly talked about alien gray's running government meetings in DUMB's (deep underground military bases) and once he saw that, it was all he could take. Remember he had been lowered down into a hole out at Los Alamos Labs and had a shootout with them and was badly injured. That's what he is showing in the picture above, showing where his chest was split open in that fight and he lost fingers and his body was badly burned.

Please play from 6:52 to 9:58 Rauni K. shares that we go to the moon all the time – just not in rockets but rather they are astral projecting (this is witchcraft to leave your body by using your mind to take your spirit out of your body). 200 – 300 years ahead of academia with their technology (Phil Schneider said even further out than that). Dematerialization – took her pictures of the moon with beautiful landscape. Could be demons because she belonged to satan or could be technology. (about 3 min's)

https://www.youtube.com/watch?v=7Y-7brlNf_Q

We are never to be concentrating or focusing our energy and our minds on taking our spirits out of our bodies. This is witchcraft and God forbids His children to do it. Traumatic things may happen or those that serve satan may abuse someone to the point that their spirit leaves their body to avoid what is happening but that is not someone making a conscious decision to do it at will.

Ecc. 12:6-7 - Or ever the silver cord be loosed, or the golden bowl be broken, or the pitcher be broken at the fountain, or the wheel broken at the cistern. Then shall the dust return to the earth as it was: and the spirit shall return unto God who gave it.

Our spirits are connected to our bodies and if you astral project against God's will you could go too far and break your silver cord. You could die while out of your body. There you would be, dead in your sins.

What about them astral projecting, what about all of their advanced technology that we don't know about? They serve the god of this world – satan. He is a fallen angel and they made covenants with the fallen angels in exchange for technology. We do have clues about who they serve and with aerial views we can see more clearly.

L: Secret society saying in latin: “a- day to honor the Goddess by deeds, not peace” M: Here is a picture of the U.S. Capital and you can clearly see it is designed to be in the shape of an owl. R: Athena/Diana/Minerva with the owl,her familiar and symbol. Are they just grown up kids being silly and spending tons of money on the layout of roads and design of buildings and on landscaping to make silly pictures from space? NO.

L: U.S. dollar bill with a hidden owl and cobwebs made in the shapes of diamonds M: saluting their god and goddess R: World leaders doing worship and sacrifice to their god molec/baal. All of this is in worship and honor to satan. Do you stand up for Christ Jesus the way they stand up for their god? Do you say anything about Him to anyone?

If you look into the governments, their flags, military patches, money designs, city layouts from aerial views, building shapes around state capitals, and high ranking government locations – you will see what god they worship.

CLOSING

She said 3 days is a secret service code – IT IS ALL SPIRITUAL. 3 days is all over our Bibles. Jesus rose on the third day or after the 3rd day depending on which

gospel account you read. Jonah in the belly of the whale 3 days and 3 nights. There was thick darkness in the land of Egypt for 3 days. (Exodus 10:22)

Hosea 6:2 - After two days will He revive us: in the third day He will raise us up, and we shall live in His sight.

Gal. 6:7 - Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap.

Naming their weapons after fallen angels, calling v2K the voice of God weapon, using the Bible to make up their codes and doing all they can to deceive men away from God...

Romans 12:19 - Dearly beloved, avenge not yourselves, but *rather* give place unto wrath: for it is written, Vengeance *is* Mine; I will repay, saith the Lord.

Rev. 22:12 - And, behold, I Am come (coming) quickly; and My reward *is* with Me, to give every (to give to each) man according as his work shall be. *What he deserves, a just reward – whether for good or for bad.*
