

HALLOWEEN: BEWARE of SATAN'S DISGUISES

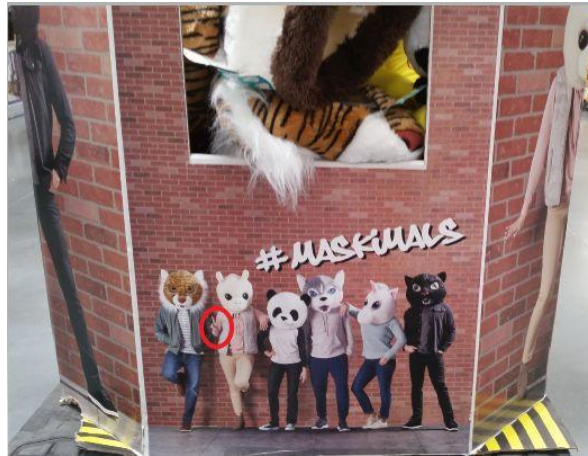

A few weeks ago we were at Wal-Mart for something and I saw this and knew I had to teach on it.

Animal pj's for grownups. So you can be an animal when you go to bed. So you can take on this animals characteristics or blend with it. The wolf represents satan and his ministers in the Bible. Unicorn is a mythological animal and was not in our Bibles until the Mandela Effect. The cow represents baal. Remember when the Israelites made the golden cow and bowed down to worship it as a god.

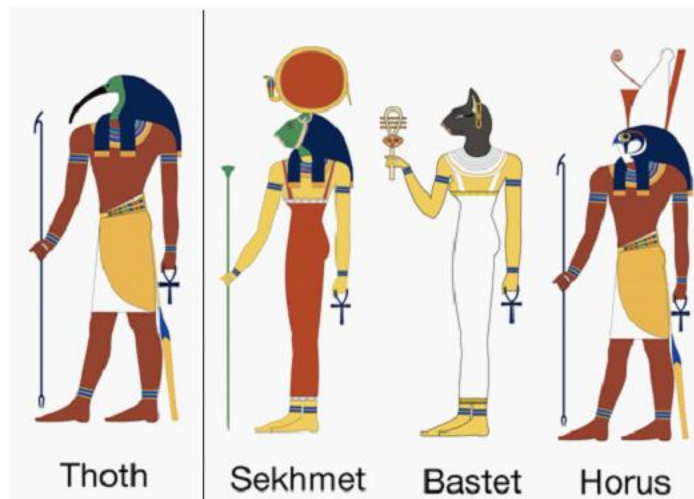

These are called “maskimals”. Remember satanists get more demonic power from satan the more things they do backwards, in reverse, flipped upside down,

hidden in plain sight. Hidden in the word mask is the word mas which means death. Just like in Christ-mas – it is the luciferians laughing at Jesus dying on the cross. All the while worshipping their sun god baal at that time of the year. Christians are ignorant of this or they just don't care. So hidden in the word maskimals is death and the word mal which means bad, wrongful, evil.

The rabbit might be making the peace sign which we know was introduced into society by the luciferians and it stands for deuce/deus meaning 2 and god – their god lucifer. It is V for the split tongue of the snake. V for vril which are reptilians/fallen angels. It has many meanings and none of them are good.

Maskimals are just a modern version of what went on in ancient times. The fallen angels were worshipped as gods and the pharoahs were worshipped as god on

earth. The different animal heads represented their different forms of power, embodying the spirit of that animal.

Today we think nothing of dressing up like this or putting this on our children.

They always hide the truth in plain sight. Remember the movie “The Mask”. Stanley finds a wooden mask near the city's harbor.

Placing it on his face transforms him into a bizarre, wisecracking green-faced zoot-suited trickster known as "The Mask", who is able to cartoonishly alter himself and his surroundings at will.

Stanley later consults a psychiatrist who has recently published a book on masks and it is discovered that the object may be a creation of Loki, the Norse god of darkness and mischief. After recovering the mask, Stanley uses its special powers...

This is annubis, the egyptian god of the dead. We always thought this stuff was just fun and cute and innocent. Why? What happened to looking at things first with our spiritual eyes? We are so far away from the things that were going on in Noah's Day that we really can't make the connection of what Jesus spoke of. As in the days of Noah so shall it also be at the coming of the Son of Man. (Matt.24:37) This type of evil and wickedness was prevalent. The idolatry never left the Israelites and continues to this day. More and more we see the darkness out in the open strutting in the daylight for all to see.

Witch doctors, medicine men, shaman call on evil spirits to help them in their healing methods. They are inviting demons to work through them.

Please remember what Tim Thompson shared about masks and halloween costumes. satanists/witches pray curses over them and demons into them. These things are not made by christians but by those that know the meaning and what happens by owning them and using them. satan wants to bring you down anyway he can. What you spend your time and money on, is a covenant. You are agreeing with darkness by spending money on these things and bringing them into your house and by placing them on yourselves and your children. You are showing God that you like wickedness. This is not holy. You are opening doors in your lives to satan and his minions to come in and do whatever they want. You may not notice anything for a while, but be assured he is there. He only comes to kill, steal and destroy.

Please remember Halloween is satan's high holy day. Even now, satanists are gathering their sacrifices, not just animals but people. Please listen to the other messages we have done on Halloween and come out of this wickedness. Even fall festival is just a new "Christianized name" for the same wickedness to be brought into the house of God by people who don't want to let go of worldly things or are in ignorance. I was once ignorant to all of this but not anymore. Don't defile God's house with this stuff, teach the children God's ways and stay out of satan's web of lies. Pastors and parents will answer to Jesus Christ for what we have allowed into His house and what we have taught to the children.
