

TARGETING – Part 8: SATAN’S SEMINARIES, CULT CHURCHES, ALTERS or DEMONS

We have been learning that those in the mental health profession have been indoctrinated and trained by the government through the Diagnostic and Statistical Manual of Mental Disorders. The alphabet soup agencies wrote it to hide their experimental testing, torturing and murdering of innocent citizens. A big thing they have covered up is mind control. They are capable of splitting a person’s personality (creating alters inside) through trauma or abuse or with weapons and then they program the person’s mind just like a computer. When this person finds their way to a therapist or doctor for help the dr. just goes by the manual and gives a diagnosis like schizophrenia and they are then sent away, no better off than before. V2K – voice to skull (voice of God weapon), is in this mix as well.

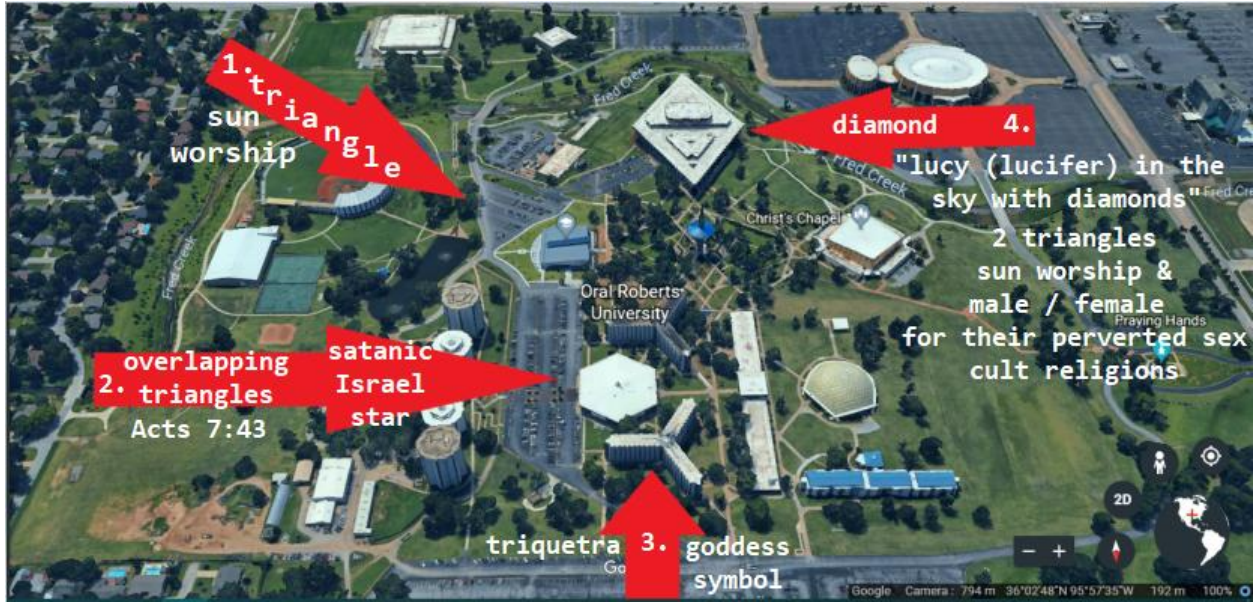

There is a whole chapter in this book devoted to schizophrenia. It was supposed to be a special revelation given by God straight to Ida Mae Hammond. I’m sorry I ever mentioned this book in any of my teachings. But we can learn from it and move on. There is the “All Seeing Eye” or evil eye of lucifer/satan/horus on the cover. The circles going out from the eye are a picture of hypnosis. The pigs

inside the eye are a picture of what satan's elite call us and believe us to be: useless cattle, goyim, pigs – the unclean thing.

L: chart from the book on schizophrenia R: kabbalah. Look at these charts and how similar they are. Numbering, writing on different parts of the hands and fingers etc. This is just witchcraft plain and simple. You even see the occult spirals there that they use in hypnosis and for worshipping their goddess and god.

I never felt right about this chapter because I had been learning about MK ULTRA and V2K and things like this. I knew that people had been abused satanically and traumatized to cause their personalities to split on purpose so that “they,” whoever the handler may be, could program them. So I thought to myself, how come they have not heard about this? MK ULTRA has been around a long time. Well praise God He has a way of showing us the truth. They wrote this chapter to keep the church ignorant of what was going on. To just think the person had demons or was crazy.

Most schools where people are going to learn theology are indoctrinating them into their systems of belief, to benefit the Jesuits. Pictured here is **Oral Roberts University in Oklahoma**.

Look at the definition of the landscaping. There is something going on with all of the symmetry of the diamonds and triangles which all point to sun worship and satan.

Eye of ra – the Egyptian sun god whom the masons and secret societies worship. The people running our world are worshipping satan and it is there for anyone to see who has eyes to see.

Namaste in hinduism: "I bow to the divine in you". That is humanism, as if people are gods. This is not reverencing the God of the Bible but rather humans as god. This is sometimes expressed, in ancient Hindu scriptures such as Taittiriya Upanishad, as Atithi Devobhava(literally, may the guest be god).

Faith Christian Fellowship Church across from ORU – sex organs – pure perversion.

I just can't say enough bad things about this place. Look at all the diamonds, triangles and satanic objects pumped into the campus of this place. R: prayer tower – really it is a stylized obelisk which represents a phallus and it is penetrating through the circle. In these false religions it is all based on sexual perversion – the book of the dead.

“They” are sitting even in the so called churches, so that the Manchurian candidates (programmed slaves of the illuminati) cannot get help to deprogram. Don’t forget there are many so called ministers who are also programmed and some don’t even know it. They also have fake deliverance ministers set up just to keep the people programmed. So they are not really getting help. No one will know, that in many cases if someone has alters inside, it was done to them on purpose as part of the military/government’s plan. Because our militaries and governments serve satan, it is his plan ultimately that they are carrying out. Remember when a certain date or event or code word is spoken then these

programmed Manchurian candidates are supposed to go into action and carry out what they have been programmed to do.

I have been burned so much by these masons and witches. I was like every other asleep Christian thinking Frank Hammond and his wife were real and true Christians. We have to realize that this is a worldwide network. They (witches/masons/Jesuits/secret societies) have infiltrated all of academia, business, government, military and the church. They are working together to fool you and keep you deceived and away from CHRIST JESUS.

The distinction between DID and schizophrenia is that DID (having alters inside) is not related to a chemical imbalance. It is strictly brokenness and a coping mechanism .. whereas schizophrenia is most often demonic, as well as possibly chemical imbalance... much like bipolar. DID is not helped by drugs ... it takes a work of healing (by God) of the internal (emotional, mental, spiritual) wounds caused by trauma.

2 Timothy 1:7 - For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind (self control).

Most mental disorders are happening because we are in a fallen world and the people have no knowledge of God. They are not breaking off generational curses. They are not binding and loosing and casting out demons. Their prayers aren't answered because they aren't obedient but remain in unbelief, in their sins.

God did not give anyone split personalities or mental disorders. We also now have things like chemical imbalances going on because we are not getting nutrition. Remember the chemtrails they are spraying on the world, the nanotechnology that is being put into our food, that they are irradiating our food killing any nutrition we might have gained. Spraying crops with poisons and putting fluoride in our drinking water and animal materials and aborted babies in vaccines etc. "They" have trained the medical professions and indoctrinated

them not to be able to truly help us but instead to push drugs to increase the problems.

Yes... the whole "church front" thing could take up a whole other series! lol They function very much like your "Alex Jones" characters... they seem to be on the right side, put out a lot of truth with a nice helping of UNtruth (disinfo, subtle twisting of Scripture) ... enough to pull certain people in to their loop. It keeps people from getting the complete truth. The one we were in, from all outward appearances, were a conservative old time "holiness" church... but their "holiness" was like the hook to keep people there who for the most part, wanted to please God (most of whom were programmed) ... works-based approval, works-based salvation ... so it gets your eyes totally onto self and your ability to be good enough. Meanwhile, that is what the cult wants... because if you can replace Jesus with self in a very subtle way like that... it is no longer a salvation by grace through faith in Jesus Christ, but a false works-based (backwards) "salvation." Works follow those who believe... but do not save us. Our good works shouldn't glorify us, but glorify God. They are the fruit of a heart that loves Jesus and is submitted to Holy Spirit. Because of this tactic, people stay there (being handled by a cult pastor, cult deacons, etc) striving, working... out of fear that no other church can help them "live right" and be pleasing to God.

Exactly! And you know, Cherie ... all psychology is tainted with this. They deliberately hide the truth. On the spiritual side of this, they made sure the churches were full of programmed pastors, teachers, etc ... who plant ideas that DID does not exist but that it's all demonic possession. So SRA/MK victims that go into a church seeking help ... or even just seeking truth, salvation ... they will enter one of these churches pastored by a programmed handler, and have their programming reinforced, be regularly triggered during sermons. And when these go for prayer, they are subjected to dramatic "deliverance ministry" where they and their alters are verbally assaulted and spiritually traumatized (accused of being demons) and then they are silenced. That happened to me in the cult-front

"Christian" church years ago, when I first began getting memories of SRA. I was not consciously aware of the church's involvement. In the beginning, when programming began breaking down, switching became more outwardly visible (whereas before, it was more streamlined, undetectable). I went (with my husband) to my friends, the co-pastor and his wife, for prayer. What happened was extremely traumatic... as they "prayed over" me (basically, that means, giving me instructions of what I should and should not do, telling me I was allowing this to happen, seeking attention, etc, etc) .. I began to switch, a frightened child alter came to the forefront (huddled in fetal position on the floor), and then she was accused of being a demonic manifestation ... and when I finally made it back to the forefront, my "friend" the co-pastor, said to my husband that "this will not happen again" and made me repeat after him that "it is finished." NOW, I realize... this man was a handler, and he was making it known to my husband (also my handler, as spouses nearly always are) that this better not happen again... he better do his job (in other words)!! NOTE For alters, who are often taught by the cult to believe they are evil, tainted, unlovable, unsavable ... being called a demon ("evil") very much reinforces what they were taught by the cult/programmers ... that God doesn't love them and cannot save them and they deserve to be hurt (because they are evil). No wonder they have made sure to hide the truth about DID from the Church!

CLOSING

2 Cor. 11:12-15 - But what I do, that I will do, that I may cut off occasion (opportunity) from them which desire an occasion (an opportunity); that wherein they glory (that in which they boast), they may be found even as we (as we are). For such *are* false apostles, deceitful workers, transforming themselves into the (not there) apostles of Christ. And no marvel; for Satan himself is transformed into an angel of light (for satan transforms himself into an angel of light). Therefore *it is* no great thing if his ministers also be transformed as the ministers of righteousness (his ministers transform themselves as angels of light); whose end shall be according to their works.
