

PASTOR DALBEER'S HOUSE

PRAISE REPORT!

Glory to God and thank you to everyone who supports this ministry. We are happy to announce that Pastor Dalbeer of our outreach ministry in India, has been able to start building his house. He has never had a home of his own.

Just recently after many years Pastor Dalbeer's land lord decided to sell the land where Pastor Dalbeer was living.

We prayed and hoped he would change his mind. He didn't. There are not many available places or land in the city where Pastor Dalbeer lives. He was able to find a place in the city and move there. It has flooded there already, coming in on him and his family and their belongings. They are sleeping on the ground. He is hoping to meet with another land lord to see if he can move to a different place but the land lord has been out of town.

I have been saving some money all year long from what comes in to the ministry , for a house fund for the Pastors. They have given up everything to serve the LORD completely. Neither Pastor Dalbeer nor Pastor Erustus have ever had their own homes, or land.

We were blessed last year to be able to help each Pastor to have their own land. Now I have been praying and believing for God to open hearts and to provide for them to be able to have their own homes.

They have continued to do the work of the LORD and their ministries are growing. The gospel is going out, lives are being saved and changed under these ministries. Miracles are happening and people are coming to Christ through our outreach ministries.

Please see the pictures and praise God with us for the work that has begun on Pastor Dalbeer's home.

We started the work with God's blessing on the place because without His blessing any work is incomplete.

Foundation work started for the building. All the boundary of the building is filled in with the help of rock, cement and sand.

1 Tim. 5:17 - Let the elders (pastors) that rule well be counted worthy of double honour, especially they who labor in the word and doctrine (teaching).

Please pray with us that provision will be made so that he can finish the work on his home quickly.

Thank you again to all of you who support this ministry.
