

CHRISTMAS – Part Two: PRESENTS and DECORATIONS

DECORATIONS

Both of these tree toppers stand for Ashtaroth/Easter/Semiramis. Women angels are not mentioned in the Bible and when you hear of women angels it is coming from a religion called “New Age” and it is used to draw you away from Christ. New Age is not anything new, it is actually the ancient mystery religions of Egypt and Babylon.

The Star of **Ishtar** or Star of **Inanna** is a symbol of the ancient Sumerian goddess **Inanna** and her East Semitic counterpart **Ishtar**. Alongside the lion, it was one of Ishtar's primary symbols. Because **Ishtar** was associated with the planet Venus, the star is also known as the Star of Venus.

[Star of Ishtar - Wikipedia](https://en.wikipedia.org/wiki/Star_of_Ishtar)
https://en.wikipedia.org/wiki/Star_of_Ishtar

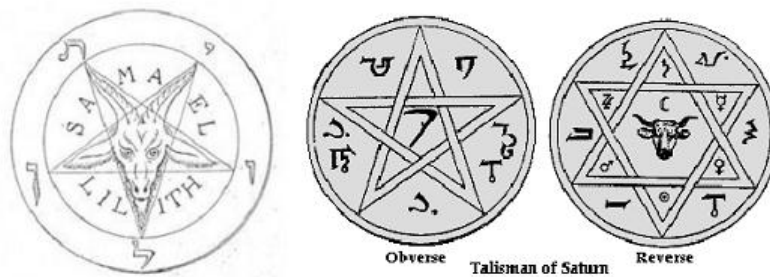

This is Shamash, the Akkadian god of the sun. In Sumerian known as Utu. He along with the moon god, Sin (Sumerian: Nanna), Ishtar (Sumerian: Inanna), the goddess of Venus, was part of an astral triad of divinities. Shamash was the son of Sin.

We cannot forget that the pagans made idols and worshipped these deities according to their symbols. Last week we learned how Ashteroth said that when Nimrod was murdered his spirit went to the sun and that she was impregnated by a single ray of the sun thus having a deity in her womb and a virgin birth. Mocking what God would do through Mary in bringing His Son, Jesus Christ to this earth to sacrifice Himself for the sins of the whole world.

So the sun god and Ashteroth both have star symbols. As well there is a moon god in this mix, sometimes he is the moon god and sometimes she is the moon goddess.

This star is for the sun gods and for Ashtaroth as well. It is the witchcraft star, for “the goddess” as she is worshipped by witches and this is the symbol they use. It also represents lucifer because he is the fallen star and this is one of his symbols too.

Witches worship the goddess who is Ashtaroth and she has 1000's of names. They also worship the "great god pan" who is satan and he also has 1000's of names. This is also known as the star of venus.

This is sun worship.

The excuse for all the lights is that Jesus is the light of the world. But when you know all of this started in idolatry against God, and in worship to the sun god, who is satan, then you realize the lights symbolize him as the light bringer to the occult or luciferians, the illuminated ones / illuminati. Not to mention the money

spent on all the lights. Money spent frivolously. We are to be good stewards of what God entrusts to us. We will each stand and give account for how we used what He blessed us with.

MONEY spent frivolously for nothing. How does this honor Jesus Christ?

Ashtaroth told her followers to hang balls on the tree in worship to Nimrod who was cut into pieces and sent around to the cities that he ruled as an example not to be evil and wicked like him. And to prove he was not a god. But she made up a

story and managed to keep the people worshipping her and now even him in death. The balls were to symbolize the one part she could not find which was his male genitals and so she memorialized them by ordering symbols of them to be hung on the tree and she erected monuments to his male body part all over the world in the form of steeples on churches and obelisks like the Washington Monument. Even the obelisk in front of Peter's Basilica came from Egypt. They line them up and move them across this world and use them to draw in more satanic power. The freemasons who rule our world worship the gods of Egypt who are fallen angels and titans/nephilim still to this day. That is why that Egyptian obelisk is sitting outside of St. Peter's Basilica in Rome. They put their monuments, statues, arches etc. in places where they believe they can draw in more satanic power, like portals letting the evil come through more. Like what they are doing outat CERN with Sanskrit tablets and shiva out front and the logo 666.

PRESENTS

Many still want to argue and say they are doing all of this to celebrate Jesus just like in the Bible. But we don't see exchanging presents to each other in Scripture. I made a comment about this and how does this honor Jesus. Kennedy said, well they will just say, well I'm a child of God so giving myself presents is blessing His child.

THE MAGI / WISE MEN TRAVEL TO SEE THE KING

Matthew 2:11 - And when they were come into the house, they saw the young child with Mary his mother, and fell down, and worshipped Him: and when they had opened their treasures, they presented unto Him gifts; gold, and frankincense, and myrrh.

Jesus, Joseph and Mary were already living in a house by the time the magi or wise men reached them. They brought gifts to Jesus in worship of Him. They fell down and worshipped Him as a King.

2 Chronicles 9:1 - And when the queen of Sheba heard of the fame of Solomon, she came to prove (test) Solomon with hard questions at Jerusalem, with a very great company, and camels that bare spices, and gold in abundance, and precious stones: and when she was come to Solomon, she communed (spoke) with him of all that was in her heart.

If a fleshly king, a man, is honored like this, how much more would Jesus, Who is God and King of all the world be honored, Who left heaven and came to dwell among men to save them.

Isaiah 60:6-9 – (A) The multitude of camels shall cover thee, the dromedaries (young camels) of Midian and Ephah; all they from Sheba shall come: they shall bring gold and incense; and they shall shew forth (proclaim) the praises of the LORD. All the flocks of Kedar shall be gathered together unto thee, the rams of Nebaioth shall minister unto thee: they shall come up with acceptance on Mine altar, and I will glorify the house of My glory. Who *are* these *that* fly as a cloud, and as the doves to their windows? Surely the isles (coasts) shall wait for Me, and the ships of Tarshish first, to bring thy sons from far, their silver and their gold with them, unto the name of the LORD thy God, and to the Holy One of Israel, because He hath glorified Thee.

Psalms 72 is partly about King Solomon and is about Jesus. It has partly been fulfilled in Christ 1st coming and more is yet still future.

Last week we learned that after the sun god (Nimrod) died, he would return each year and leave presents upon his tree. Also, that the pagans would leave gifts under the alter (tree) of Nimrod/sun god/baal to appease him so that he would bless their home. Here we are today, claiming to be Christians doing the very thing that is an abomination to a Holy God.

These children have more than enough.

This little girl has plenty. Isn't it enough to give our children things they need and maybe a few wants throughout the year?

Oh then there is the packaging, the paper, the bows and accessories to dress and decorate the present. This all adds up to a lot of money.

It is always exciting to get a present and God is not against presents. But at this time of year we have to be honest about what it really is all about and it isn't Jesus. In America our children get presents for their birthdays, tons of presents at Christmas and things all throughout the year as well. I continue to say we are living as the rich man in the Bible. We need to open our eyes and get our heart on our Father and be about His business and get out of all of this idolatry.

Here is Pastor Dalbeer with the children in THM India having a meal.

With your help THM India was able to provide this food to a school in one of the villages where we held a health camp. These children like the children in our hostel are thankful for food and clothes and shelter and to be taught about Jesus and to get to learn in school.
