

# TARGETING – Part Fifteen: DAVID WATT, TED GUNDERSON, REMEDIES

## **AFTER HE WENT TO DR. STANINGER:**

Hi Cherre , i just wanted to let you know about me here , they did destroy my laptop and i did buy a new one and they went into that to , ,so my laptop is in repair now ,im on internet coffee , i hope i will not have to wait for long time after repair ,please pray for me ,this is getting very desperate situation here ,they use this weapon inside of the house ,and this woman are in contact with this people ,and they are getting really desperate ,they know about the Test Results and Dr. Hildigarde Stainger and DR. Dale Griffiths ,they have going through my email .they have never walk that far before ,not like this .

God bless i looking forward to my laptop back that means so much to me to be able to be in contact with others .

## **WHO IS TARGETING HIM:**

i mean i live in house of person who is involved into using this technology 5 years ago ,she became my girlfriend and we started to date and so many things have happen since then ,well we not dating any more i just rent downstairs a room and another guy also rent a room there ,im not dating this woman anymore well ,i did really (realize) that she was placed out to become my girl friend and she also have been in contact with my family members and behind my back , also many months ago i did went out my appeasement here and i did see people upstairs holding laser weapons and they were pointing them downstairs , and i knew in my heart then what kind of operation this was, That was shock to me really, well i live for Jesus so we not in any that kind of relationship with her .i have to trust God ,she threat me if i love her then she will lie about my work with family and get my back to Iceland. so im in exile here please pray for me .

\*\*They do this a lot. They set people up to date or marry certain people. Sometimes the person in the satanic family knows all about it and goes along with it. But sometimes they don't. I remember hearing a testimony of a lady who was being targeted and she was looking back over her life and said she thought the men she dated, that she actually met them and decided to date them on her own. But later she learned that the occult had set her up with every man that had ever been in her life.\*\*

David shares more: i have u know brain implants and they can read my thoughts , i know they know they have lost ,be-couse they use mind control and in they mind control ( through sound system ) They know the test from dr. Hildigarde Stainger and they evidanse from the test , and they do ask though mind control about what do that mean ? This test ?

01/05/2016

Thanks Cherie yes i have make good progress in proving all of this!! they use sound system for mind control they know all this. They use this electronic implants that attack the central nervous system , in that they getting careless to have this on none stop, or they use this into ravage and as temper weapon for there anger , well i have been since young child i went under implants not like but difference implant that work in differentiate way , and they believe they own my like there pet and i did supersize them with this and my battlefield , and what ever they will do to me ,they can never take my freedom away from me , also i did

win this be course of God and he is with me into my battlefield and he have lead me ,and i m tankful be course this is much more and victory over then ,be course of this evidense and prove that i did made they could never steal my back to Iceland ,they would use this a against me of course if i would a use my wright name under wright name of course , Also i mean be course of this target individual and know i have test with evidanse that goes under international law (FBI ) That means i turn the this evidanse to FBI office here , and i reamber way back one of the FBI agent i spoke to was saying this weapon became outbreak in 1996 in USA

And after that they take cases with evidanse ..that is the biggest victory ,

(Ted Gunderson) he said me Johann i cant work case any more ,but i spoke with my friends In FBI they willing to take over your case under major investigation is that ok with you i said yes of course and i m very thankful for that , i said but i did not ask him witch office were they from . Well shortly after i heard that Ted Gunderson past away and then shortly after that i did call FBI office here in Toronto a woman agent came into the phone she did ask me about my name she said there is open investigation on your case though USA office why are calling us.\well i could not get witch office unless show my passport to them to show that this me.

\*\*Please play this video on gang stalking by Ted Gunderson – He shares about his targeting because he was working to expose the ones behind occult crimes and SRA as well as targeting. They were following him, poisoning him, breaking in to his hotel room and places he lived, recording him, stalking and harassing online, paying people to bear false witness against him etc.\*\*(about 5.5 min's)

Ted Gunderson was taken out by arsenic. He was a good guy, working to do the right thing.

With Nano Bucket After one month of doing all of this you will start feeling better.. About 3months later you will see the signals breaking up.

Drink bay leaves boiled in water with electrolytes and drink about 1 gallon a day.

Stuff is going to release from your body.

This entire protocol if you are focused can be complete (I believe you can be retested) and that you will have no more signals. But you can use your own

EXTECH AND JM-20 PRO TO MONITOR YOUR PROGRESS

I use the ECO water that puts hydrogen molecules into the water.

## **CLOSING**

The occult abused David as a young child. They were torturing and sexually  
abusing him to break him so he could be programmed. They were using satanic  
symbols and making him look at them. That is why our world is filled with all of  
these satanic symbols today. To trigger those that are programmed to them and  
for the satanists to show their allegiance to their master – satan. The freemasons,  
secret societies, esoteric mystery religions of Egypt, Babylon, Sumeria – speak  
without saying a word.

Some people think witches are not redeemable. Since we have been talking about SRA and the occult I wanted to bring this out.

**Acts 8:9-24** - But there was a certain man, called Simon, which beforetime (a long time) in the same city used sorcery (conjuring), and bewitched (amazed) the people of Samaria, giving out that himself was some great one (saying he was great): To whom they all gave heed, from the least to the greatest, saying, This man is the great power of God. And to him they had regard, because that of long time he had bewitched (amazed) them with sorceries (conjuring). But when they believed Philip preaching (the gospel) the things concerning the kingdom of God, and the name of Jesus Christ, they were baptized, both men and women. Then Simon himself believed also: and when he was baptized, he continued with Philip, and wondered (was amazed), beholding the miracles and signs which were done. Now when the apostles which were at Jerusalem heard that Samaria had received the word of God, they sent unto them Peter and John: Who, when they were come down, prayed for them, that they might receive the Holy Ghost: (For as yet He was fallen upon none of them: only they were baptized in the name of the Lord Jesus.) Then laid they *their* hands on them, and they received the Holy Ghost (Spirit). And when Simon saw that through laying on of the apostles' hands the Holy Ghost (Spirit) was given, he offered them money, Saying, Give me also this power, that on whomsoever I lay hands, he may receive the Holy Ghost (Spirit). But Peter said unto him, Thy money perish (perdition) with thee, because thou hast thought that the gift of God may be purchased with money. Thou hast neither part nor lot in this matter: for thy heart is not right in the sight of God. Repent therefore of this thy wickedness, and pray God, if perhaps the thought of thine heart may be forgiven thee. For I perceive that thou art in the gall of bitterness, and *in* the bond of iniquity. Then answered Simon, and said, Pray ye to the Lord for me, that none of these things which ye have spoken come upon me.

The disciples knew this man was practicing witchcraft. If it was not possible for a witch to be saved then Philip would never have baptized him. And even when he made the mistake of thinking he could pay for the Holy Spirit, there was still hope for him because Peter said REPENT and pray for forgiveness.

**\*\***No matter what happens in our lives, especially in the lives of a targeted person, as much as you are able, forgive those who are targeting you. Holding in the anger only hurts you. Let it go. Pray for their salvation – it is spiritual. We aren't fighting against flesh and blood. If they were saved they wouldn't be targeting you. Then you can pray and quote King David prayers – ask God to work and fight on your behalf. He knows how to fight best for you because He knows the enemies.**\*\*** A Psalm that I pray in spiritual warfare is Psalm 35.

## **PRAYER**
