

TARGETING – Part Sixteen: ELF, FREQUENCIES, VIOLET, PURPLE, MIND CONTROL

...

In 1963, **Dr Robert Beck** explored effects of external magnetic-fields on brainwaves showing a relationship between psychiatric admissions and solar magnetic storms. He exposed volunteers to pulsed magnetic-fields similar to magnetic-storms, and found a similar response. US 60 Hz electric power ELF waves vibrate at the same frequency as the human brain. UK 50 Hz electricity emissions depress the thyroid gland.

- A) **7.83 Hz** (earth's pulse rate) made a person feel good, producing an altered-state. ****Remember I shared that Magnus Olsson said that his targeters would sometimes hit him with frequencies that would make him feel really good, extremely happy.****
- B) **10.80 Hz** causes riotous behaviour and
- C) **6.6 Hz** causes depression.

Just in case you may not believe this. I did a random search and someone was asking in a physics forum what frequency the body resonates at. Seems different body parts have different frequencies but I found the following comment interesting:

TVP45

Various parts of the body do indeed have sympathetic frequencies (I edited this because resonant is not the correct term). In the late 50s and early 60s, the US Army did research on using this as a tactical weapon - for example inducing diarrhea as a way of quickly demoralizing enemy troops.

I used to do a classroom demonstration (in more innocent times when you could still do stuff like this) with low frequency sound. I knew, for example, the frequency response of the bladder and could usually send several students scurrying for the loo.

Puharich made ELF waves change RNA and DNA, breaking hydrogen bonds to make a person have a higher vibratory rate. (((He made ELF waves change RNA and DNA))) He wanted to go beyond the psychic 8 Hz brainwave and attract psi phenomena. **James Hurtak**, who once worked for Puharich, also wrote in his book *The Keys of Enoch* (which would be an occultic take on Enoch) that ultra-violet caused hydrogen bonds to break and this raised the vibratory rate.

Think about what they discovered about ULTRA VIOLET - 1999 Hong Kong movie about a terrorist plot to seed clouds with a deadly chemical. Hmmm Does this sound familiar? “Purple Storm” – raining down on us.

Research on Puharich: To many the word paranormal immediately conjures up images of haunted houses and ghosts. However, paranormal is defined as events or phenomena (such as telepathy or clairvoyance) that are beyond the scope of normal scientific understanding. ***Believe it or not, since the 1940's, intelligence agencies all over the world have spent millions of dollars researching the paranormal.*** (That's right, our military and governments have been studying and researching just like Hitler did to increase their occult knowledge and power.) In their search for answers, they initially went to one man: Dr. Andrija Puharich.

Just imagine, an esteemed medical doctor out of Northwestern University (this university is a Tavistock School), who's hired by top intelligence agencies, funded by some of the wealthiest families in the world, researches psychedelics before

anyone else, publishes 6 books and is credited with over 50 patents, yet no one knows his real story.

(VIOLET WAVES) Pineal gland and crown is associated with the “purple/indigo chakra”, Purple Rain, The Color Purple – THEY HAVE BEEN TELLING US!!

Purple is a 6 and the occult love 6’s. Remember the more they have in their religion it means the spell, curse is magnified that much more.

Rev. 13:17-18 – And that no man might buy or sell, save (except) he that had the mark, or the name of the beast, or the number of his name (or the number of the name of it – Interesting that the Int. Bible says “It” instead of “his”). Here is

wisdom, Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is six hundred threescore and six (and the number of it is 666).

The one eyed purple people eater. They tell us plainly but we don't take it to heart. Remember they have made it clear that they are not human and they feed on us. We are called useless cattle. Phil Schneider was one who brought this information out. There was a line in a movie where one of them said "you know what we are and now you know what you are". Nano is an interesting little word. Spell it backward the way the occult would and you see on/On (Heliopolis) – the city of the sun. Also since the occult study God's Word so that they can pervert it and do the opposite of it to bring more curses on themselves and more of satan's power flowing to them you will see the name Onan.

Genesis 38:7-10 - And Er, Judah's firstborn, was wicked in the sight of the LORD; and the LORD slew (killed) him. And Judah said unto Onan, Go in unto thy brother's wife, and marry her, and raise up seed to thy brother. And Onan knew that the seed should not be his; and it came to pass, when he went in unto his brother's wife, that he spilled *it* on the ground, lest that he should give seed to his brother (not giving seed to his brother). And the thing which he did displeased the LORD (he did evil in the eyes of the LORD): wherefore He slew him also (and He killed him also).

They love wicked people in the Bible, they honor them in names of their children and places and things. So all of that wickedness is wrapped up in the nano that they are spraying on all of us and putting in our food supply, clothes etc.

L: Purple Rain, PR notice his satanic logo on the motorcycle. R: They hide clues in all that they do. Kennedy noticed the white elephant in the hair. That is a programming cue.

Prince was an illuminati slave, but also he wrote slae/slay here. And the V is set apart. V = 6 in Hebrew, 5 in Roman numerals which stands for Jupiter/satan, snake tongue/split tongue, vril, holding it up with two fingers it is like deuce /dues (which also means 2) which is for god, their god satan.

deuce²

[doos, dyoos]

noun

1. devil; dickens (used as a mild oath):
Where the deuce did they hide it?

Violet – Purple

Puharich presented the mental effects of ELF waves to military leaders, but they would not believe him. ****I find that hard to believe.**** He gave this information to certain dignitaries of other Western nations. The US government burned down his home in New York to shut him up and he fled to Mexico. However, the Russians discovered which ELF frequencies did what to the human brain and began zapping the US Embassy in Moscow on 4 July 1976 with electromagnetic-waves, varying the signal, including focusing on **10 Hz**. (10 Hz puts people into a hypnotic state. Russians and North Koreans use this in portable mind-control machines to extract confessions. **A machine was even found in an American church to help the congregation believe!**) I hope you can understand that most churches are totally apostate, doing the work of satan with freemasons and witches standing at the pulpits.

According to Wikipedia only the US, Russia and India have these ELF facilities, I don't buy that for a minute.

This is the Duga Radar Station¹ in Ukraine. All around our world the military/governments have taken land and erected these huge antenna farms. The Russian "Woodpecker" signal was traveling across the world from a transmitter near Kiev. The US Air Force identified 5 different frequencies in this compound harmonic Woodpecker signal that was sending signals through the earth *and* the atmosphere.

Nikola Tesla revealed in 1901 power could be transmitted through the ground using ELF waves. Nothing stops or weakens these signals. The Russians retrieved Tesla's papers when they were finally returned to Yugoslavia after his death.

Please play this video – on the Russian Woodpecker, RF weapons, ELF(about 15 min's)

**** ANYTHING YOU CAN DO WITH DRUGS YOU CAN DO WITH THE RIGHT ELF WAVES – THEY CAN HEAL OR HURT WITH THIS TECHNOLOGY/ CAUSE AND EFFECT BETWEEN A MAGNETIC FIELD AND A BIOLOGIC FUNCTION– WHAT WE SEE THEM DOING IS MOSTLY USING IT TO HARM****

Can induce hallucinations and cause people to do things they would not normally do.

The military hospitals around the world are continuing the research that Hitler was doing. None of the horrible crimes against mankind have stopped. They have not stopped using this equipment or any of their technological weapons, nor has any other country. They are only perfecting them and making more. We would have to be naïve to believe they quit. They can alter your mind and bodily functions. Period. The scientist in the video said in 3 weeks I could put together a weapon that would take care of a whole town. The Woodpecker was designed to interfere with human brain functions. Listening to the sound of it reminded me of the noise from the Las Vegas False Flag shooting by Stephen Paddock. Don't let those reports of no funding and not being used fool you. Black ops is not hindered in any way. They are using these weapons on us, all of us, all around the world as well as using it to control and manipulate the weather.

Puharich continued to monitor the Russian ELF wave signal while in Mexico and the **higher harmonics produced in the MHz range** (5.340 MHz). He met the CIA and started working for them. **He and Dr. Robert Beck designed equipment to measure these waves and their effect on the human brain.** Puharich started his work by putting dogs to sleep. By 1948/49 he graduated to monkeys, deliberately destroying their eardrums to enable them to pick up sounds without the eardrum intact. He discovered a nerve in the tongue could be used to facilitate hearing. He created the **dental tooth implant** which mind-control victims are now claiming was surreptitiously placed in their mouth by controlled dentists **causing them to hear 'voices in their head.'** The implant was placed under dental caps or lodged in the jaw.

Tim Rifat wrote in his *Microwave Mind Control* in the UK article <http://www.brazilboycott.org/> that cellular phones use 435 MHz. UK police use 450 MHz exclusively. **Dr. Ross Adey** used this for CIA behavioral modification experiments. Police have a vast array of antennae to broadcast this frequency all over the UK. Adey used 0.75mW/cm² intensity of pulse modulate microwave at a frequency of 450 MHz, **with an ELF modulation to control all aspects of human behavior.** 450 MHz radar modulated at 60 Hz greatly reduced T-lymphocyte activity to kill cultured cancer cells. (again they can heal or destroy with this technology) A study of USA 60 Hz power lines repeated this finding.

They know how to stop your body from fighting against disease such as cancer. They know what frequency to hit it with if you become their target. Remember the farmer who proved that the vaccines they were pushing to keep cattle healthy were actually causing mad cow disease and so he did not allow his cattle to be vaccinated. He died from brain cancer at 53 years of age.

CLOSING

The Purple Heart is a United States military decoration awarded in the name of the president to those wounded or killed while serving, on or after April 5, 1917, with the U.S. military. Three stars at the top for satan's false trinity, there are oak leaf clusters on it which are for zeus/Jupiter/satan, purple is for

Aphrodite/asherah and the heart is for tammuz. Interesting to note that in the Babylonian tongue the word heart sounds like bal.

2 Thess.2:7-12 – For the mystery of iniquity (lawlessness) doth already work: (already at work in Paul’s day – only gotten stronger and darker)only he who now letteth will let (only he restraining now), until he be taken out of the way (until out of the midst it comes), And then shall that wicked (the antichrist/lawless one) be revealed, whom the Lord shall (will) consume with (by) the Spirit of His mouth, and shall destroy with (and nothing by) the brightness of His coming: Even him, whose coming is after the working of satan (the coming according to the working of satan) with all power and signs and lying wonders (frequencies / creating aurora’s/controlling minds/controlling weather/creating weather – these are power and signs and lying wonders), And with all deceivableness (deceit) of unrighteousness in them that perish (those being lost); because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion (a working of error), that they should believe a (the) lie: That they all might be damned (judged) who believed not the truth, but had pleasure in unrighteousness.

There are theories out that it is Holy Spirit or Michael the archangel or the Church holding all of this at bay even though it is ramping up to the tribulation. God is in control and He has a set time. If these people don’t repent, hell and then the lake of fire awaits them.

A word of encouragement:

Psalms 31:24 – Be of good courage, and He shall (will) strengthen your heart, all ye that (who) hope in the LORD.
