

## OUTREACH UPDATE KENYA and UGANDA 2017

### PRAISE TESTIMONY!!!

Our dear friends and family I would like to take this opportunity to thank each one of you who supported our ministry work last year 2017. God helped us to plant 2 branch churches at Ebubole village market centre, Mumias Town and Sikata market centre, Bungoma Town. With your help and prayers we were able also to build mud walled church structures, supplied the churches with plastic chairs and with public address system. God helped us also to buy church and school land for our Kasevere village, Uganda church and the Victorious Academy School we started in Uganda. We bought plastic chairs for the kids at our Uganda school and fed the children always when I visited Uganda. We paid our teacher's salary, clothed and paid school fees for the needy children.

Pastor has just bought these chairs and is going to use that rented motor cycle to haul them to the church.

Here is Pastor about to transport these chairs to supply one of the churches. Can you imagine doing this? Riding this bike like this for miles?

Pastor used to have to rent a car to help transport the equipment for the newly planted churches. He is sitting here waiting for a car to come.

God was so gracious to give us a van which has made our ministry work easier as we travel to oversee the 5 churches we have planted, travel to go and preach and teach in conferences and Seminars. With your help we were able to get Pastor Erustus and Pastor Sarah a 2007 Toyota Voxy Van in 2017.

Please enjoy some pictures we took last year during our ministry work here in Kenya and Uganda.

We will finish the letter at the end of this update.

Praying for the congregation at Mumias. And no, just because they have a checkerboard floor here does not mean Pastor is with the Illuminati, I assure you, he is not although like me, he is accused of it.

We are now trusting God to move and provide so that we can build on the new land we bought in Uganda a church structure and classrooms for our school children. I and Sarah are now Pastoring the Conquerors Covenant Saints Church at Sikata market centre, Bungoma Town which is build on a leased land which we pay a Monthly rent of \$20. We are waiting upon God to provide to enable us to buy this land for the church and we also want to build a spacious church structure to accommodate the increasing number of brethren and also buy more plastic chairs and Public Address System.

Without you we could not and still this year cannot accomplish our visions and plans without your prayers and support. We thank you all for your love, prayers, fellowship, encouragement and monetary help you have continued to give us. God bless you, the work of your hands, families and ministries. May God do great things this year 2018.

With love Pastor Erustus & Sarah
