

TARGETING – Part 21: PROJECT SOUL CATCHER, MIND CONTROL, PSYCHIC WARFARE, GODS

satan has dressed up mind control and made it like a shiny new toy so that it will be tempting and everyone will want it. What happens when everyone begins to “opt in” to this voluntarily so they can be smarter or so that their children can excel? Will you be able to say no?

Every computer hacking technique is applicable to humans and human networks.

(They can hack your brain just like they hack a computer.)

Pg. 4

“Brain-nappings”, as the cultish like human effects weapons testing group of the Science and Technology Department of the CIA enjoy calling it, have traditionally been communicated to the public as hauntings, possessions, evil alien abductions, and in the recent decades, satanic ritual abuse cults. **Clearly we know that all of these things are real. But now satan is mimicking all spiritual things through or with technology. So the waters are muddied.**

Page 30

States that the archangel Gabriel is known as the angel of death in some Bibles. And it talks about the s.a.t.a.n. weapons system (pg 30 & 31) = silent assassination

through adaptive networks. How they are working to improve their kill ratio and they are using citizens to do their testing on.

Notice how the military has made everything about religion?

SOUL CATCHERS and RECORDING the ENTIRE LIFE of EVERY HUMAN

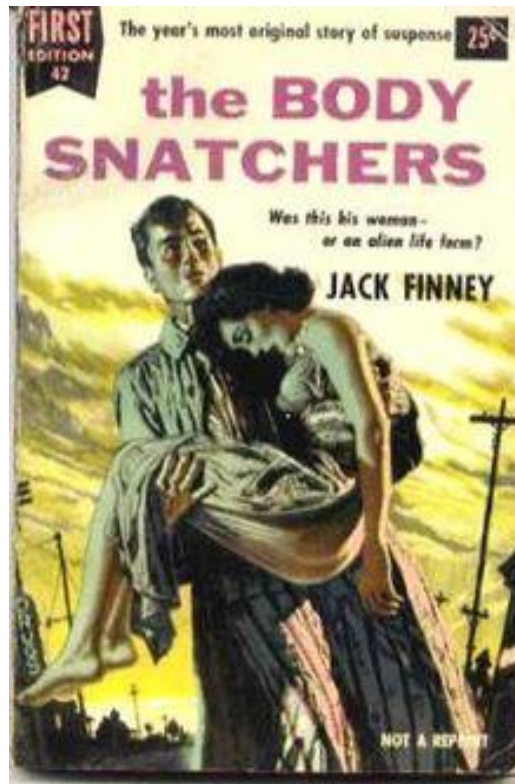

A cybernetic researcher in England developed an implantable microchip called “The Soul Catcher”. Its purpose is to record the electrical signals of the body for a person’s entire lifetime. This means that every thought and every heartbeat will be saved for eternity. Many civilian researchers don’t know that a much larger wireless version is already operational. However, if the neural link programs are not just recording, a better name for the system would be “The Soul Stealer” or “Body Snatcher”, turning humans into robots. This is appropriately part of the military system called s.a.t.a.n. (silent.assasination.through.adaptive.networks – taking you over – hooking you into the hive mind – you becoming a brainless slave to satan’s system – no freewill – no thinking for yourself – he’s been testing his system – people have been being brought online already)

Potentially millions of “souls” can be catalogued and “saved”. They love their religious metaphors in the department of defense. (He is playing down the fact that they have set everything up based on religion. That is what it has always been about. There are only two choices. If you have not submitted your life completely to Christ Jesus, then you are serving satan even if you don’t know it or think that you are a good person. Without Jesus Christ you are on your way to hell. Christ Jesus is the sacrifice that God offered the world so that He could reconcile them back to Himself. He is the only way.)

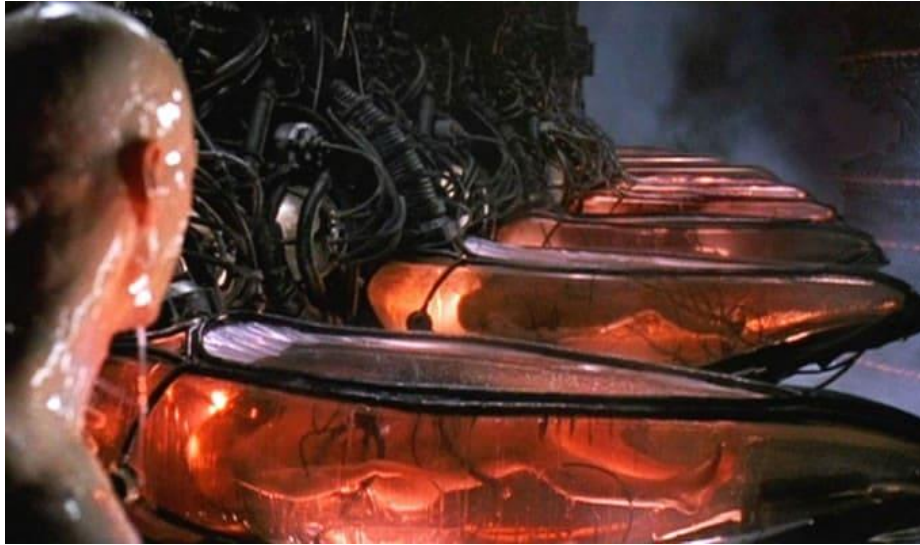

Donald Marshall already shared with us that they could download a person’s consciousness onto a chip and put it into a clone and then just program the person from there going forward. Phil Schneider shared that the aliens/fallen angels demons/nephilim mixture are feeding on us. They call us bags of food. This all reminded me of this:

Was this his woman – or an alien life form? Remember Robert Duncan shared in his book that they roll out the truth to us in the movies so that we can get used to the idea when they finally reveal it to us.

The Body Snatchers is a 1955 [science fiction](#) novel by American writer [Jack Finney](#), originally serialized in [Colliers Magazine](#) in 1954, which describes real-life [Mill Valley, California](#) (called in the original film by the fictional name of "Santa Mira") *santa is an acronym for satan* being invaded by seeds that have drifted to Earth from space. *Remember where the fallen angels came from. They are all named for the planets. They are coming from space or the 2nd heaven.*

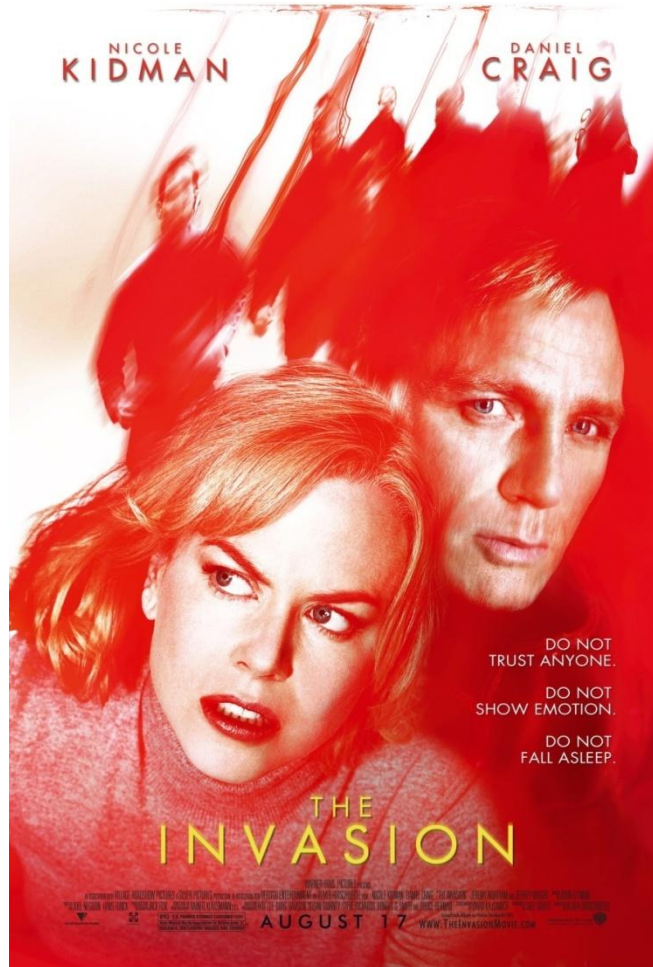

The seeds, grown from plantlike pods, replace sleeping people with perfect physical duplicates with all the same knowledge, memories, scars, etc. but are incapable of human emotion or feeling. The human victims disappear forever.

Donald would fall asleep and said it was when he was in REM sleep that they switched on his clone at the cloning center. Also, people that experience sleep paralysis which is actually a demonic attack, it happens in your sleep. It is when we are relaxed and more open to attacks. Donald shared that they are growing people at the cloning center in about 5 months now. They are taking skin cells and hitting them with frequency or something to this effect to stimulate them to grow. He said sometimes they just take a person's body and put their own consciousness in it.

The duplicates live only five years and cannot sexually reproduce; consequently, if unstopped, they will quickly turn Earth into a dead planet and move on to the next world. *Donald also shared that the clones that they are growing don't live long because they start to break down quickly. And we know the aliens/fallen angels/nephilim have been experimenting on humans and animals trying to figure out how to live on forever, how to keep their race going because they can't reproduce.* One of the duplicate invaders claims this is what humans do — use up resources, wipe out indigenous populations, and destroy ecosystems in the name of survival.

The novel has been adapted for the screen four times; the first film, *Invasion of the Body Snatchers* in 1956, the second in 1978, the third in 1993, and the fourth in 2007. **Notice how many times they are retelling this story. They really want to get it out there, really driving it home.**

Do not trust anyone, Do not show emotion, Do not fall asleep. Fallen angels and demons are cold hearted and emotionless.

Daniel 4:13 – (Nebuchadnezzar) I saw in the visions of my head upon my bed, and behold, a watcher and an holy one (I.B. a watcher even a holy one) came down from heaven;

Note: This language of calling an angel a “watcher” matches with what is written in the Book of Enoch. In the KJV it is only used in the book of Daniel.

Designing Demi-gods: Active NSA, CIA, DOD Systems (a demi god is: a being with partial or lesser divine status, such as a minor deity, the offspring of a god and a mortal, or a mortal raised to divine rank.)

E.D.O.M.

Malachi 1:1-5 - The burden of the word of the LORD to Israel by Malachi. I have loved you, saith the LORD. Yet ye say, Wherein hast thou loved us (I.B. In what way)? *Was* not Esau Jacob's brother? saith the LORD: yet I loved Jacob, And I hated Esau, and laid (I.B. have made) his mountains (I.B. a desolation) and his heritage (I.B. inheritance) waste for the dragons (I.B. jackals) of the wilderness. Whereas (I.B. If/since) Edom saith, We are impoverished (I.B. beaten down), but we will return and build the desolate places (I.B. ruined places); thus saith the LORD of hosts, They shall build, but I will throw down; and they shall call them, The border of wickedness, and, The people against whom the LORD hath indignation forever. And your eyes shall see, and ye shall say, The LORD will be magnified from (to) the border of Israel.

He hated Esau even from the time of a baby because He foreknew that Esau was going to throw his birthright away for some food. The birthright blessing of the first born was not only a blessing from their earthly father, but from God in Heaven above as well. So the luciferians love Edom because Esau did not care about God and His blessing.

Death doctors, Angels of Death

Why are they using everything from God's Word? The spirit realm is real and satan is mocking and mimicking God and has been naming things after Biblical terms and trying to bring in confusion. Many people don't really study the Word of God to understand all of this.

Exodus 12:23 - For the LORD will pass through to smite the Egyptians; and when He seeth the blood upon the lintel, and on the two side posts (I.B. door side posts), the LORD will pass over the door (I.B. will pass over,), and will not suffer (allow) the destroyer to come in unto your houses to smite *you*.

This passage is speaking of the destroying angel or death angel.

2 Samuel 24:16 - And when the angel stretched out his hand upon Jerusalem to destroy it, the LORD repented him of the evil, and said to the angel that destroyed the people, It is enough: stay now thine hand (stop your hand). And the angel of the LORD was by the threshingplace of Araunah the Jebusite.

King David had taken a census of the people and had to choose what the punishment would be. 70,000 men died because of the sin of the king. (you can read the whole story in II Samuel 24) So this was another time we see an angel taking life.

Dawn of the Damned (this is about the rephaim)

Isaiah 26:19 – Thy dead men shall live, together with my dead body shall they arise. Awake and sing, ye that dwell in the dust: for thy dew is as the dew of herbs (I.B. lights), and the earth shall cast out the dead (I.B. and departed spirits (rephaim) shall make the earth fall.)

Operation: "Noah's Ark" – Downsizing the Human Race - this goes along with the Georgia Guidestones**Also remember their fake weather reporting agency called: NOAA**

Many CIA/DOD scripts for neural communication war games use religious metaphor.

The Holy Ghost is often called “Colonel Casper the Ghost”

Jesus complexes use delusion of grandeur, “You are the one.”

Gods, angels, and demons are often called “Gabriel’s visit and satanic cults.”

Religious metaphors from Roman to Christian permeate the naming of many military weaponry, such as an Angel Fire for an anti-missile defense system on jet fighters, HAARP for global communication and directed energy weapon system in Alaska, MEDUSA or Gabriel for voice of God weapons using electromagnetic induction.

This is a statue of the greek god Apollo. This is none other than satan. As you can see he is holding a harp. The harp references have a dual meaning.

Ezekiel 28:13 - Thou hast been in Eden the garden of God; every precious stone *was* thy covering, the sardius (I.B. ruby), topaz, and the diamond, the beryl, the onyx, and the jasper, the sapphire, the emerald, and the carbuncle (I.B. turquoise), and gold: the workmanship of thy tabrets and of thy pipes was prepared in thee in the day that thou wast created.

We know Jesus Christ created everything, even the angels. Satan was honored before he fell. The tabrets and pipes have to do with being musical. Many theologians believe he was over the worship in heaven. He fell because of his pride.

1 Samuel 16:23 - And it came to pass, when the *evil* spirit from God (evil spirit from God is not there in the I.B.) was upon Saul, that David took an harp (I.B. lyre), and played with his hand: so Saul was refreshed (I.B. and there was relief for Saul), and was well (I.B. well to him), and the evil spirit departed from him.

2 Chronicles 5:12 – the singers in the Tabernacle and then the Temple used harps and lyres and psalteries which I think are lyres, in their singing and worship and praise to God.

T.A.M.I = thought and memory interface / This is I AM coded in this. Mocking the Great I AM that I AM which is God's name.

C.H.R.I.S.T. (page 225) = common human routines interference software technology, is a personality segmentation program which uses many factors. But in recent decades it has become feasible to add credit card purchases and other shopping patterns, interest groups, travel, lifestyle, web browsing patterns, phone and email speech prints, TV watching patterns, books and movies, etc. This develops the full picture of the individual and human networks.

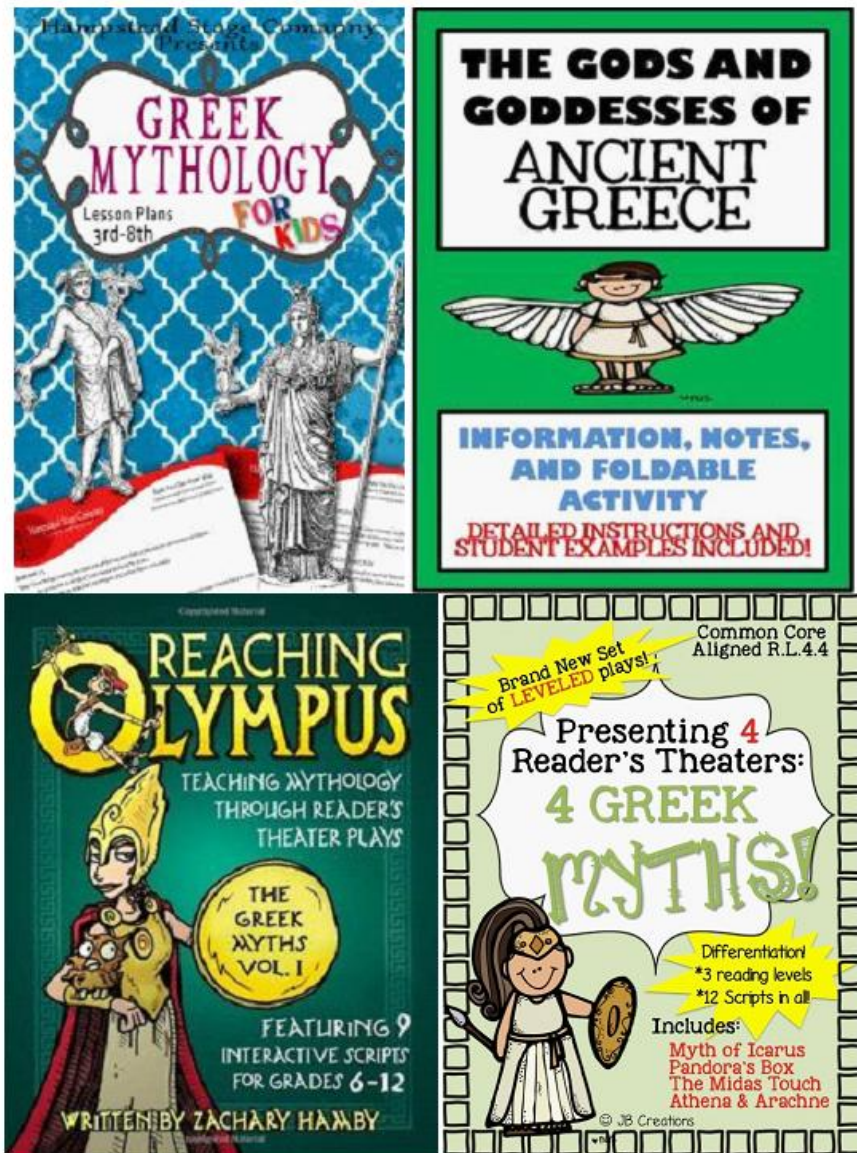

Newer technology allows GPS tracking of individuals, their route patterns, speaking patterns and word choice. This is total information awareness of individuals. With remote mind monitoring even sleeping patterns can be tracked.

From a former DARPA Scientist

"We have been trying to concentrate evil as humans understand it to create weaponry that attacks the information systems of the brain and body. I didn't know what we were fully doing at the time I served. I regret what I did."

CLOSING

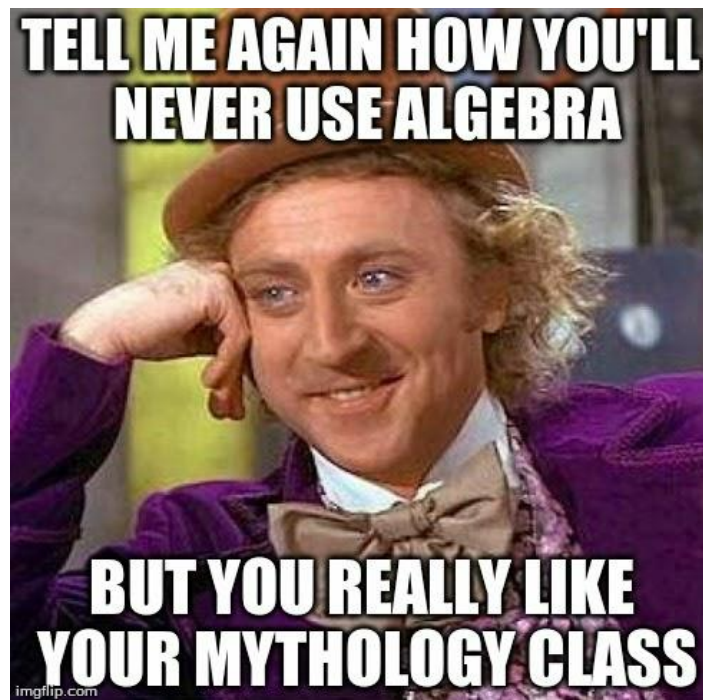

We have to remember they serve the fallen angels and the titan/nephilim mixture still to this day. That is why all of the false gods names are included in their projects, weapons, military badges, city names etc. They also include the God of the Bible and Christ Jesus because they like to mock them.

Guess what is taught in school. Yes, they lift up their gods even as early as 3rd grade. However, Christ Jesus is banned from public school.

Dressing up as the greek gods in high school. By the way, this opens doors for satan to come into their lives and destroy them. They are invoking these spirits into their lives without even knowing it.

This is a high school and on the back wall they have the Vitruvian man. Trying to fit a square into a circle is a freemason thing. This is all new age and humanism – man without God taught openly in school.

Remember those seeds from outer space that grew and began to snatch bodies. They were coming down from space or rather the 2nd heaven. What were they telling us there?

Here is the key to all of this:

Genesis 3:15 - And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head (I.B. He shall bruise your head), and thou shalt bruise His heel.

****This passage never said “it” and it used to say CRUSH, Jesus will CRUSH satan’s head. Now there is a mixture of bruise and crush in different translations.**
