

OUTREACH UPDATE KENYA JAN - FEB 2018

Praise our living God brothers and sisters. Today we traveled to Ekeru Market, Mumias Town to visit the Arise and Shine Junior School that supports the education of some poor and needy children. The school is under the leadership of Florence who is one of the key leaders of our Ekeru Market, Mumias Town church branch. Please have a look at some of the pictures we took today while at the school.

We blessed the kids of this school with 30 plastic chairs, books and some pencils.

Pastor is passing out some biscuits to the children.

They are so happy to receive any treats at all.

The children in their school.

We also bought school uniforms , shoes and socks for two orphans. The orphans, Nicolas and his sister Anne are pictured here with Pastor Erustus and the owner of the school, sister Florence. Nicolas is suffering from sickle cell disease both are under the care of their old poor grandmother after the death of their parents a few years ago. Pastor shared, as God provides I intend to be paying their school fees plus other needs.

The school management is trusting God to provide they plaster the earth floor classrooms, pay teachers salaries, buy stationery, buy more plastic chairs and eventually build permanent classrooms.

Kindly remember them in your prayers and if God touches you to support we will give them whatever you send us. God bless you all.

EBUBOLE VILLAGE, MUMIAS TOWN CHURCH

Friends and family I take this chance to thank you all for praying with us. I traveled safely to Mumias Town and back to Bungoma during the weekend to launch our recently planted church at Ebubole village, Mumias Town.

We had a wonderful time and service, Jesus receive all the praise and honor!!!

What a powerful weekend we had in building God's Kingdom.

After the Sunday service we had a nice fellowship over some soft juice drink together with the Sunday school children. Have posted some pictures hope they will bless your hearts.

We are now trusting God to continue moving and providing to help this church get electricity, put a barbed wire fence around the church land, add 30 plastic chairs and build the Pastor's/caretakers house on the land. As always we appreciate your continued support and prayers. Grace and peace to you all from God and the Lord Jesus Christ.

PRAISE TESTIMONY!!!

Our dear loving family and friends join us in celebrating God's goodness and love for blessing us with a bouncing baby boy - Ruphus Favour James, Erustus Junior. Posted some pictures hope they will bless your hearts. Thank you all for your continued prayers, love and support. We wish you a wonderful weekend. With love, Pastor Erustus & Sarah

God has now blessed Pastor with 4 little girls and a baby boy.

This is a picture of the elder Michael who came to our Conquerors church Sikata market, Bungoma Town on Sunday for service after praying for him last week, he is turning 101 years old this 2018. Have posted his picture still strong, walking and with a very good eye sight & very jovial. I visited his home yesterday and today he joined us for a house fellowship meeting. He loves God and desires to continue following Jesus Christ till his death.

Kindly remember him and his family at large in prayers. He desires his family and generation to accept and follow Christ. Glory to God!!!

This reminded me of Moses:

Deut. 34:7 - And Moses was an hundred and twenty years old when he died: his eye was not dim, nor his natural force abated.

Please keep this outreach ministry in your prayers.
