

TARGETING – Part 22: PROJECT SOUL CATCHER, PHIL SCHNEIDER, ALIENS, FALLEN ANGELS, DEMONS

*Before we get into the message today I want to go back and discuss something I didn't address thoroughly last week. In the book "Project Soul Catcher Volume Two" Robert says that in some Bibles, Gabriel the archangel is the death angel. That is not what it says in my Bible. He is a messenger, in fact that is what the word angel means anyway. He came and told Mary that she would bare the Son of Man, a Holy conception. Not having sex like so many try to say God had sex with her as men and women do in the flesh. No, it was a supernatural conception. God put His seed into Mary supernaturally. Gabriel delivered a message to Elizabeth telling her that in her old age she would bare John the Baptist. And we know that in the book of Daniel, Michael the archangel had to help to fight against satan's principalities so that Gabriel could get through to deliver an answer to Daniel's prayers.

Last week we talked about “The Invasion of the Body Snatchers” and how many times they have remade that movie. They are really trying to tell us something there. It is in so many movies. Remember when I brought out the information about a “walk-in” where the person’s soul leaves their body and goes and trains with the luciferians while a demon “drives” or controls the body and goes to work like normal and does the things that person would normally do. Remember shows like “V” where the aliens looked like humans and also the clip we have shown a few times from Buck Rogers where the Sargons use devices to make a hologram type of thing to disguise them and make them look like humans. The military put out disinfo to debunk the truth for those that can be easily thrown off.

satan is housing his hierarchy in human looking bodies. Whether he makes them through his cloning system, or whether he takes their soul out and puts his demon or fallen angel in it. He is raising his army up and I will say it again: **THEY WALK AMONG US.**

Please play from :40 to 5:13 Phil Schneider, a government geologist working on D.U.M.B.S. (deep underground military bases) has a shoot out with aliens -fallen angels or demons or titans, 66 green berets, black berets and government agents died that day (have heard it was up to 72)(about 4.5 min's)

<https://www.youtube.com/watch?v=tHesmfi56R4>

Phil was told that 66 green and black berets and service agents were killed in the fire fight against the aliens/fallen angels. This could be a manipulation of the numbers since he was hurt and taken out so quickly. Seems like something shady is going on with the number 66. In some of my research some guys were saying it was even up to 72. So we aren't sure of the number, but sure that the event did take place. I'm not so sure the Atlanta CDC was going to help combat anything. But Phil may not have known just how far the deception goes. When he said "they" as in the aliens/fallen angels do die because he shot and killed two of them. They may seem to die, the container or body they are in, but their spirit lives on. He was a geologists and sometimes when he would say how old things are like millions or billions of years old, it seems like he is just going off of what he may have been taught as far as dating artifacts from the earth. Seems no scientists or geologists are in agreement with their dating process.

2ND VIDEO TO INTRODUCE

Please play from 1:08:36 to 1:09:16 He's been shot and shot at, run off the road, pushed off the road, 11 of his best friends had been murdered in the last 22 years and 8 of them were called suicide. (about 1.5 min's)

<https://www.youtube.com/watch?v=tHesmfi56R4>

He gave his own life to get the truth out. There were too many things that did not add up about his death. They did not come out to his apartment when he was found dead. Then when examining his body they missed the catheter cord tied around his neck. First they said it was a stroke, then they went to suicide and

there was an obituary ran that said natural causes. They took urine and blood samples but did not bother to test them. Told his ex-wife she had to wait a year before they would release them to her and when she contacted them back they said they had lost them. There were blood stains on the carpet where his leg brace and chest brace were and a mark on his arm was noted and not followed up on as to how he got it. Sounds like a really bad cover up. He knew his life was in danger and had told his relatives and friends that if he was found dead and they said it was a suicide, they better know and understand that he was murdered.

William Cooper also saw the aliens or rather fallen angels/nephilim mixture and he spoke out about the things he saw. He saw their saucers going into and out of the ocean. He also gave his life getting this information out.

No one seems to have all the answers. We do the best we can with the knowledge God gives us at the time. Phil thought the NWO would be kicked off within at least 2 years of the times he was giving his talks. It didn't happen. John Todd thought it would happen back in the 70's or early 80's and it didn't happen. Some thought it would happen in 2000 and then again when the Mayan calendar ran out in 2012. It doesn't mean the people speaking up about what they know were not bringing us the truth. It just means that satan is not the one who gets to decide the timing of the tribulation, God is.

Matt.24:36 - But of that day and hour knoweth no *man*, no, not the angels of heaven, but My Father only.

It is easy to get caught up in the hype of certain people teaching things or in things that sort of look like signs. But we have to be sure and follow God and His Word and not man.

Now in talking about the fallen angels – nephilim/titan mixture being here. Let's look at some Scripture about that.

Hebrews 13:2 - Be not forgetful to entertain strangers: for thereby some have entertained angels unawares. (Interlinear Bible reads this way: Be not forgetful of hospitality, for through this unknowingly some entertained angels.)

We know that already our governments have been working with fallen angels, calling them aliens. They are working with a mixture of fallen angels, nephilim/titans, and demons. Whatever you want to call them, they are all unholy and against God and His people and they are back.

Matt.24:37 – (Jesus speaking) But as the days of Noe (This is a Mandela Effect – it is supposed to say Noah – not Noe) *were*, so shall also the coming of the Son of man be.

What was going on in Noah's day?

Genesis 6:5 - And GOD saw that the wickedness of man *was* great in the earth, and *that* every imagination of the thoughts of his heart *was* only evil continually.

Isaiah 26 talks about the rephaim (spirits of the nephilim or a certain race of giants) living again. And Revelation 9 tells us about the bottomless pit being opened.

2 Peter 2:4-5 - For if God spared not the angels that sinned, but cast *them* down to hell (into tartarus), and delivered *them* into chains of darkness, to be reserved unto judgment; And spared not the old world (ancient world), but saved Noah the eighth *person*, a preacher of righteousness, bringing in the flood upon the world of the ungodly;

Mythology refers to "ancient world" and calls the fallen angels/titan, nephilim mixture "ancients" and "ancient ones".

We know satan is not chained nor held in what is called tartarus or hell because of this next verse:

Revelation 20:1-2 - And I saw an angel come down from heaven, having the key of the bottomless pit (abyss) and a great chain in his hand. And he laid hold on the dragon, that old serpent, which is the devil, and satan, and bound him a thousand years,

The black sciences are so named because they are both considered by the general population to produce evil outcomes and it is a double-entendre for keeping them at top secret classification. Black ops are kept off the financial books of the government and away from public scrutiny on the most part.

The “Shadow government” is a term used to refer to the department of defense and security agencies that utilize the dark technologies in their clandestine domestic operations as well as a replacement government if Washington D.C. gets nuked. (Not sure I believe that line of garbage. The “shadow government” also has to do with the ones who control things from behind the scenes and this is the Jesuits, Luciferians, the Vatican, the secret societies.) Most of the communication infrastructures, with tens of acres of computers, are housed in the semi-secret underground bases in the US and ally territories but the antenna fields are difficult to hide since they are mostly above ground and occupy many miles for the distributed, phased arrays used in large baseline interferometry.

It is this system that helped earn the U.S. the title amongst Arab groups and other nations, “The Great Satan.” Propaganda and disinformation tactics used within the mass information streams has helped squash this connection from being realized or understood by the common folks. (The U.S. does seem to be the military arm of the Vatican. We are considered the bullies of the world.)

CLOSING

If Paul and the early church talked about the last days. We can see we are clearly there now.

2 Tim. 3:1-5 - This know also, that in the last days perilous (grievous) times shall come. For men shall be lovers of their own selves, covetous (loving money), boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, Without natural affection, trucebreakers (implacable), false accusers, incontinent (no self control), fierce, despisers of those that are good, Traitors, heady (reckless), highminded, lovers of pleasures more than lovers of God; Having a

form of godliness, but denying the power thereof (having denied): from such turn away.

We are living in perilous times. We are now witnessing people that are being murdered for speaking out the truth. These people weren't murdered for speaking out about Jesus Christ, but for telling what our own government has been doing in secret. Our militaries and governments are targeting us, murdering us and lying to us. Our government decided to keep the fact that aliens – fallen angels were found alive a secret from us and even deeper than that, to keep it secret that they made treaties with them. Lying to their own citizens. We see them stripping away godliness out of our government, out of the schools, out of the work place. That is despising those that are good. We see the government playing games and entertaining the American people with false flags and hoaxes and staged events. How much longer can this go on? Surely we are close to the return of Christ.
