

TARGETING – Part 23: PROJECT SOUL CATCHER, PSYCHIC WARFARE, SUICIDE

Page 237

People are actually getting burns all over their bodies from DEW (directed energy weapons) as well.

Page 249

Psychic warfare, as a term, is greatly misunderstood. It merely means mind warfare which includes perception and cognitive interactions using chemicals, drugs or electromagnetic signals precisely timed to disable, kill, or take control of the target like any machine.

We like to think that our government consults with men of God and that they pray over them. But the truth is that the military runs the government and they consult with those that have supernatural powers, not those given by the Holy Spirit but by satan's hand.

Page 251 – He calls God a superstition

Cerebral cortex cloning (often misnamed and oversimplified as EEG cloning) is like having an enemy within one's own mind. Remember why research into split personalities is important to the CIA. It is interesting to note in human cultures that those who believe in demons, goblins, gods, and other superstitions are often unlikely to believe in the science of the mind and the technologies used to manipulate brain signals. Generally people cannot conceive of objects more complex and larger than themselves without assigning a personification. This is a much studied weakness in cultures useful in mass manipulation of beliefs for temporary alignment of a ruling power's purpose.

In 1996, as the cold war died down (never was a cold war – that is just for our entertainment) many teams of highly specialized former psychotronic military and intelligence agents came out in the open in the US and in both Western and Eastern Europe and started to disclose the operation of..mind-to-mind covert operations in which they had been involved...

Remember the video on "Men Who Stare at Goats" and the research I brought out about the green berets using their minds to burst animal hearts and once they perfected that, they moved up to humans.

Donald Marshall was the first person I remember hearing talking about them killing people from a distance. It all makes much better sense now when you know what they have been doing through frequencies. The remote heart attack is mentioned as only a theory on page 4 of the introduction of Project: Soul Catcher Volume Two.

In Other Research:

After WWII the US had an Operation called ALSOS who went over to Germany to try and find as much information on German military projects. It is a known fact that Hitler and his regime were studying heavily into the occult and black magic.

The high-ranking Nazi leader was obsessed with the occult. On Himmler's orders, SS officers raided Germany's occupied territories for artifacts related to magic, even ransacking museums in Poland, Ukraine, and the Crimea for mystical texts. Nazi scientists at *Ahnenerbe* (*Ah-nen-er-ba*) scoured the globe for items like the Holy Grail

grail

/grāl/ 

noun

noun: **Holy Grail**

1. (in medieval legend) the cup or platter used by Jesus at the Last Supper, and in which Joseph of Arimathea received Christ's blood at the Cross. Quests for it undertaken by medieval knights are described in versions of the Arthurian legends written from the early 13th century onward.
2. a thing that is being earnestly pursued or sought after.
"profit has become the holy grail"

and the Lance of Destiny, the spear thought to have killed Christ.

The Holy **Lance**, also known as the **Lance** of Longinus (named after Saint Longinus), the **Spear of Destiny**, or the Holy **Spear**, according to the Gospel of John, is the **lance** that pierced the side of Jesus as he hung on the cross.

[Holy Lance - Wikipedia](https://en.wikipedia.org/wiki/Holy_Lance)

The luciferians thrive on this stuff. If Christ isn't God, then why do they care about the spear that killed Him? That is precisely one more thing that shows us He is Who He said He was.

The research went on to say that at this time we entered into a psychic arms race with Russia. **Remember the United States goes around taking sacred religious artifacts hoping to gain magical/mystical powers from them as well. Possibly they are seeking blood to clone Jesus or nimrod. This is all building up to the tribulation. Looks like the U.S. and Russia studied the Nazi's and picked up right where they left off. Phil Schneider revealed that our militaries are working together now and training foreign troops on our own soil. This is so that they can bring in the NWO. We are in psychic warfare now with witches running the show. Not against other countries, but with the world militaries against us.*

Decorated World War II hero Ninel "Nina" Kulagina was the Soviet Union's most famous psychic, rumored to have the ability to stop an animal's beating heart using psychokinesis — the supposed ability to perturb matter with the mind.

The research ended with this:

“In essence you have this idea, which really became the core and theme of ‘Phenomena’ which is: Is it fact, or is it fantasy?” Jacobsen says. “Or, will advanced technology, this remarkable system of systems of technology the government has developed — which includes computer technology, biotechnology, and nanotechnology — will this rubric of advanced technology allow us to solve this age old mystery: Whether or not extrasensory perception exists biologically?”

Just like supposed scientists at CERN, our military and government are trying to figure out God. It is all spiritual. We see this more and more as we learn what our governments and militaries have been up to. As we learn that weapons, cities, days of the week and months of the year are named for fallen angels and nephilim/titans. More and more we see the idolatry of the Bible has continued right up until present day. The same old occult never died out.

satan is trying desperately to figure out a way to beat God and all of Heaven. He never will.

CAN THEY “CATCH A SOUL”?

****Please play from 26:52 – 30:02 and from 40:31 to 41:42 and from 51:44 to 55:10 and from 58:54 to 1:02:00 ***End with Loop***** Erin Rothschild talks about torture and programming and “Chosen One, Messiah programming.”/ Erin talks about being harassed and DEW (directed energy weapons) on her, her brother is a Rockefeller and he is a reptilian and she claims to be also a reptilian, 50% reptilian, a hybrid (part human part reptilian)/Erin talks about Monarch programming and astral missions/ Project Paperclip, Mengele – to clones and soul scalping. The luciferians have programmed people with the following “End Time”, “Omega” “Chosen One, Messiah” “Apocalypse” programming. She talks about from a very young age remembering meetings between her parents and reptilians. She describes them as tall grays, short grays and straight out reptilians. She says she’s never been treated mean by the reptilians. She is showing them in a positive light. To me this is programming that she hasn’t broken through. This is to carry on the lie that they are good and here to help us to evolve etc. When actually they are just here inflicting harm and feeding on us and working to take us out. *Mrs. Joy has talked to me about having alters that had separated from her and were out in other dimensions or out in the astral realm/spirit realm. They did some programming with her in the astral realm.* She talks about how the government knows how to take out the soul and just put it in another “container (clone or person)”. She share this when they were talking about having a clone going to work but yet “they” are off training or handling other business in DUMBS (deep underground military bases) etc.. This goes along with what is called a walk in. Where they call a demon into a person’s body to go to work or do what the person usually does while the person’s soul (through astral projecting) goes off to train.

This lady reads tarot cards and believes et's are mostly good, as that has been her experience. Tarot card reading is from the occult or new age and is a sin against God. Et's seem to be nothing more than a mixture of fallen angels and demon/nephilim mixture. She was brand new to breaking programming here and even admits she may or may not be fully integrated at this point. This was in 2013.

CLOSING

Let's go back and talk about Darin Smith, the Coast Guard rescue swimmer who took his life because of the targeting. After reading a lot of this book and not seeing Jesus Christ mentioned as Lord and Savior to Robert Duncan and knowing he considered Darin his friend. Sounds like Darin did not know Christ. Those that don't know Christ have no hope and are defenseless in this fight.

The Bible tells us that after Elijah defeated all the profits of baal that Jezebel threatened to hunt him down and kill him. Elijah just wanted to die. He just had an amazing victory and now he was going to have to continue to fight and he was just plain tired. (1 Kings 18 & 19)

1 Kings 19:4 - But he himself went a day's journey into the wilderness, and came and sat down under a juniper tree: and he requested for himself that he might die; and said, It is enough; now, O LORD, take away my life; for I *am* not better than my fathers.

Job also wanted to die.

Job 3:2-11 – Let the day perish wherein I was born, and the night in which it was said, There is a man child conceived. V. 11 Why died I not from the womb? Why did I not give up the ghost (die) when I came out of the belly (womb)?

Job 10:18-19 – Wherefore (Why) then hast Thou brought me forth out of the womb? Oh that I had given up the ghost (died), and no eye had seen me! I should have been as though I had not been; I should have been carried from the womb to the grave.

It is not God's will for you to take your life or to stay in that state of mind. Suicide is a sin against God. He created you for a purpose to bring glory to Himself. If you think you have no purpose or don't know what your specific purpose is, then get busy doing the Father's Will. IF you have to ask what His will is, you haven't read your Bible enough or are a baby Christian.

Neither Elijah nor Job took their own life. They turned to God. They went through a hard time, a hard moment in their life and then they kept going until God said it was time. Job was more blessed in the latter part of his life.

This next Scripture is talking about the Israelites wandering in the wilderness after God had delivered them out of slavery in Egypt and they saw all of His wonders and signs and miracles and all that He had provided for them.

1 Cor. 10:9-10,13 – Neither let us tempt Christ, as some of them also tempted, and were destroyed of serpents. Neither murmur ye (complain against God), and were destroyed of the (by) destroyer. There hath no temptation taken you but such as is common to man: but God is faithful, Who will not suffer you to be tempted above that (beyond what) ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it.

Are you angry at God over your life? Are you bitter with Him or at others because you are not seeing Him move in your situation? Do you think you have suffered enough? Are you even suffering because of Jesus Christ? Being angry at God is a sin. You should be quick to repent of it and ask His forgiveness and make things right with Him. Sin separates you from God and you need His love and protection and blessing flowing in your life.

If God never does one more thing for you, He has done enough already by giving His only begotten Son, Christ Jesus. Get your heart right with God and forgive Him and clear the air between the two of you and seek Him out of a heart of love. Really draw near to Him and watch what He will do.

James 4:6-7 - But He giveth more grace. Wherefore He (Therefore it -Scripture) saith, God resisteth the proud, but giveth grace unto the humble. Submit yourselves therefore to God. Resist the devil, and he will flee from you.

I invite everyone listening to this to pray for those that are thinking about death and dying and suicide and that feel hopeless. That they would get the mind of Christ and get busy about the Father's will and bind up those spirits of depression, oppression, suicide, death, evil and unclean, tormenting spirits and cast them out and off of themselves in Jesus Christ name. Plead the blood of Jesus Christ over themselves and press on. Grow in Christ and do the Father's will. I brought out a lot of what the Father's will is in The Sabbath teaching series. Stay in the Word of God and in prayer daily. God can turn your life around.

Raise your hands to Him, kneel and lay prostrate before Him. He is worthy. One day you may not be able to do these things and you will regret that you did not do them when you could. It is a sin not to worship a Holy God.

You matter. Someone is watching your life. You can affect someone's life for God's glory.
