The government in 1996 had over 64,000 of these helicopters. WHY so many??/ surveillance of U.S. citizens with the CEIR technology and satellites using infrared technology – can see a dime on our kitchen floor from 150,000 miles out /The face on Mars was proven to be real proving there had been other life forms living there and yes there ARE BASES on MARS. CEIR (computer enhanced imaging radar) is satan mocking God.

Let's take a look at that in Scripture. The following Scripture is about a time before Saul became king of Israel. He and his servant are out looking for his father's lost donkeys and they can't find them. At this time Samuel was the Prophet of God.

**1 Samuel 8-9** – And the servant answered Saul again, and said, Behold, I have here at hand the fourth part of a shekel of silver: that will I give to the man of God, to tell us our way. (Beforetime in Israel, when a man went to inquire of God,

thus he spake, Come, and let us go to the seer: for he that is now called a Prophet was beforetime called a Seer.)

**2 Chron. 16:7-10** - And at that time Hanani the seer came to Asa king of Judah, and said unto him, Because thou hast relied on the king of Syria, and not relied on the LORD thy God, therefore is the host of the king of Syria escaped out of thine hand. Were not the Ethiopians and the Lubims a huge host, with very many chariots and horsemen? yet, because thou didst rely on the LORD, he delivered them into thine hand. For the eyes of the LORD run to and fro throughout the whole earth, to shew Himself strong in the behalf of *them* whose heart *is* perfect toward Him. Herein thou hast done foolishly: therefore from henceforth thou shalt have wars. Then Asa was wroth with the seer, and put him in a prison house; for *he was* in a rage with him because of this *thing*. And Asa oppressed *some* of the people the same time.

The seer was God's Prophet and God spoke through him. He would give them visions and dreams and His Words to speak to the king and to His people.

This document from the movie says "Dark Bird" – Centralized Global Observation. In the movie the guy says "The ability to read minds is a matter of national security."

When we were ministering in the nursing home many of the people in there received phones from the government. And they came and were putting tv's in every room. They are leaving no stone unturned.

I think they are trying to poison me through cockroach infestation. I've tried every single thing possible to get rid of the cockroaches, in terms of buying every type og bug spray, but it gets worst instead of better. I've told the land-lady and she will have a Terminex spray guy come out and that doesn't work. I've checked with neighbors in the surrounding apartments in the same building as me, and they don't have a roach problem. How is it possible for just my apartment to be heavily infested with roaches, but not the neighbors who are in the same apartment building as me? I think these roaches are being interjected into my apartment by

these gang stalkers who are targeting me. I think that the landlady and bug spray people may even be in on it. I have tried to find YouTube videos regarding cockroach infestation and targeted individuals, but couldn't find one. If you have any information on this, please let me know

You are noncondusive to the environment you gotta go. Can't you see the government/military using this technology on people? The military today is not fighting like King David and his army fought. They have made agreements with fallen angels and are using fallen angel technology on us at their will. As well we can see that witchcraft seems to have increased as well since the days are darker.

#### **CLOSING**

The occult teaches those that they torture and program, that there is "no where to run, no where to hide," that there is no place you can go to ever escape them. If you go to the police, it's them. Go to the FBI, it's them. Go to your church, it's them. Go to a family member, it's them etc. They are playing "the now where to run, nowhere to hide" out on a larger scale with all of us. We have not been aware of all the technology and artificial intelligence and chemicals they are using on us to take over our minds and try to keep us from God. satan is working to have you plugged in to his hive mind/cloud network, to become one with it and once you are fully assimilated there will be no place to withdraw from it. No where you can go to get away from it. No moment can you have peace or have a thought of your own.

They are mocking God, Who is all seeing, all powerful, all knowing and all present.

**Hebrews 4:13** - Neither is there any creature that is not manifest in His sight: but all things *are* naked and opened unto the eyes of Him with whom we have to do (or of Him to Whom we must give account/reckoning).

So satan is using his technology along with his fallen angels, demons, titan/nephilim mixture and people who willingly serve him to pull this off and give the belief that he is all seeing as the eye on the back of the US dollar bill alludes to. He wants us to feel trapped. In the system he's putting in place, where the nanotechnology assembles inside people's bodies, where the A.I. (artificial intelligence) is mapping people's brains as they use their computers, smart phones, smart tv's, wifi etc. and frequencies are sending and receiving from individuals, all reporting and feeding into the hive mind. So that he can use every little scrap of information he can retrieve about you to trap you and take over your mind completely causing you to be his slave.
