

TARGETING Part 27: FREQUENCIES, SCALER WEAPONS, FORMER GANGSTALKER SHARES

**Please play from 11:59 to 18:18 Harald Vella gave this talk in 2015 about a “leaked” document by NASA regarding chemtrails and future warfare and technology that exists right now that is being used against us. This is about the war between the government and the people, transhumanism, nanoparticulates giving them the ability to track us down every single second and reading our thoughts and what we feel, smart dust can go into humans to kill them

YOU ARE THE TARGET. NANOTECHNOLOGY and FREQUENCIES USED AGAINST US IN WARFARE BY OUR MILITARIES AND GOVERNMENTS. This is already in play and this is planned already for continued future warfare as well.

I want you to understand you are in this warfare now. Do you know you are at war? Do you care? Are you telling anyone about it? Have you done your research and prayed about it?

Genesis 3:1 - Now the serpent was more subtle (crafty, shrewd, sneaky, cunning) than any beast of the field which the LORD God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every (Int’l B. any) tree of the garden?

He was attacking God’s Word here and he hasn’t stopped. He is sneaky and conniving. I think back to 5 or so years ago to when I was asleep to all of the pagan holidays. When God began to reveal all of that to me and then He began to reveal the mind control to me and the SRA that has been going on I wondered how had I lived on this earth this long and not known any of these things? Because he has sneakily hidden it back from our eyes. He has done so much by now that he is standing right in the churches.

2 Thess. 2:4 - Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is (Int'l B. "a") God.

This is about the antichrist during the tribulation. I can see this happening so easily. He has his witches and masons standing in the pulpits, leading worship service and yet for the most part they seem to go unchallenged.

I just want to talk to you for a minute.

You must understand that this is a spiritual war that is manifesting in this realm. Your only hope is Christ Jesus. He is the Way of Salvation. Without Him you will die and condemn yourself to the lake of fire for all of eternity. If you don't die, you will be completely taken over by the beast system and turn your mind completely over to satan and eventually when you die you will still be condemned to the lake of fire for all of eternity.

I'm targeted, my family is targeted because this is real and it is happening now. satan is trying to tear this world down and everything in it. We have been accepting what he's doing. ...Well people just happen to have computer looking wires coming out of their bodies now. OR ...Oh lots of people have alzheimers and respiratory problems. ...That's just life etc. We have people's health and bodies breaking down so much sooner now in their 30's and 40's and being told they are getting old. No, that's not it. There's something else going on that we have not been aware of. It has been a silent, unchallenged war against us and this earth. It is the plan that satan and his fallen angels and those that serve him have been pulling off. Spraying the metals on all of us, putting it in our food, in the air and water and animals. Cranking up the chemicals in our food, hormones in our food and water supply, fluoride in the water, animal parts and fluids into vaccines along with aborted baby tissues and fluids. We are living in what seems to be a nightmare. If you wake up and realize most of the news is fake and you really think about the reality of that it will hit you hard. When you learn that they have been staging fake shootings and fake wars and just fabricating the news. There are no reporters that go out and ask questions and investigate anything. If they do they are quickly dealt with and by dealt with I mean murdered. You have no

way to vet out a news story about war overseas unless you actually know someone in the overseas country. They are making up stories about disease outbreak and war and shootings. They have been lying so long this doesn't seem to phase them any more. The American people on the whole are asleep to all of this. If you say something is a false flag or a fake news story the people who are asleep want to fight or call you crazy. Our social medias are just platforms for them to gather more information on us and run tests. They read our e-mails, our texts, our online chats, posts, and every other thing to see how well their plan is being pulled off. They already know who is a problem and who is asleep.

****Please play from 30:50 to 44:51 Harald Vella talks about the chemicals in the chemtrails being rained down on us. This is fallen angel technology and there is no deactivation code for this technology that they have been releasing into the environment and atmosphere to work against us. He talks about how the nanoparticles are used with scalar waves (rf weapons and scalar physics) and how plant life are absorbing too many uv rays and this is stopping the plants cell division. They are working to access our nervous system via nanoparticulates, using mercury to strip our nervous systems and rebuilding it with the aluminum, barium and strontium so we are more sensitive to the electromagnetic field. The nanobots are giving them direct access to the nervous system.**** (about 13 min's)

In this video clip we realize that Harald is not a Christian because he went to see the medium. However he is still bringing true scientifically researched information. *****Have you noticed the produce yet? Kennedy and I can see the dots on everything. Apples, pears, even grapefruits – all have dots all over them. This is not normal. Some of them are so bad you can even feel them when you run your finger across the skin of the fruit. The chemtrails are changing what we eat. It is changing the nature of your food. They have gotten rid of real wheat and what we call wheat is not the same as Biblical wheat. No wonder we are so sick now. And the poor animals that live outside have this stuff rained down on them too. They are taking a major hit too.*****

****Please play from 3:26 to 4:42 A.C. Griffith – talking about scaler weapons changing personalities.****(about 1.5 min's)

<https://www.youtube.com/watch?v=Z5hMsQ1IR7Q&list=PL189E4E3C33E44506&index=3>

He said with the scaler weapons, you can actually insert another personality in the person. Has the person been satanically ritually abused and caused to split that way? Have they been through MK Ultra and split that way? Are they using frequencies through scaler weapons and causing them to split that way? Or is it actual demons? Remember the chart we have shown where they can cause you to speak and yet your lips aren't moving. Wouldn't someone think you were demon possessed if they witnessed that? What a mess or oh what a tangled web satan has spun.

CLOSING

****Please play from 19:42 to 24:39 and from 43:20 to 47:06 A former gangstalker shares: technology can control your mind, thoughts, emotions remotely. Voice boxes can be manipulated/the system is being used against gangstalkers to take away their conscience****(about 6.5 min's)

<https://www.youtube.com/watch?t=12s&v=1aKRPcWAfbw&app=desktop>

Notice he said they can see what the person sees and hear what the person hears as well as manipulate their emotions and thoughts. They are documenting their tests to see how successful they are at achieving the desired outcome or result. He shares in this video that it is being used on the city of Seattle, WA right out in the open on the whole city. Radiating the teeth right out of the mouth of people who are targeted. Psychological program, a hands off terror program, totally remote and done by frequencies and gang stalking. Hard to prove anything was going on at all. He feels the program will go nationwide and everyone will be subject to it, one decision away at all times from becoming a targeted individual yourself. He believes at some point it will be a super computer programmed to run the targeting. **Stop looking for troops and tanks and riot gear, it will be remote torture**

through frequencies and computer programs to control the population.

Take a good look at this picture. Look at all of these police badges. Freemasonry is a satanic religion based on sexual perversion from the ancient mystery religions of Egypt/Babylon/Sumaria/Mesopotamia. We keep thinking they are going to start up Marshall Law to round us up. They are already killing us and torturing us. Why do we think they are going to get on ground level and come after us when they can just hit you with a frequency?

The perpetrators are offered money, drugs, women/men, best jobs, you can be one of “us” and you are protected and above the law. This is organized crime. The gangstalkers are on the side of the government and are welcomed into a system where they will be highly rewarded, success, you have arrived. You can be a part of history, a part of the ruling class.

False signs and wonders will be done by this technology to pull people away from God and draw them to false prophets.

Most people right now are already controlled. They can't think for themselves, they can't concentrate or pay attention for more than 5 minutes. They believe the news and you just cannot get through to them.

Gal. 6:7 - Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap.

This is where the world gets the word karma, right out of God's Word. It is the concept that what you do in life will come back to you. "What goes around, comes around." "Do good, get good / Do bad, get bad." If you sowed to the flesh, then you will get corruption – hell and then the lake of fire. If you sowed to the spirit then you will be rewarded with everlasting life.

satan has read the book, he knows what his end will be. But those that are serving him and getting their rewards and accolades now, may think they are mocking God. They may think it is fun to fool people and do what they are doing with this technology and being part of the "it" crowd. They may be thinking they are having the ride of their lives. But they will reap a reward of everlasting damnation. None of this has gotten by the eyes of God.

Rev. 22:12 - And, behold, I come quickly; and my reward *is* with me, to give every man according as his work shall be.

Rev. 20:15 - And whosoever was not found written in the book (Int'l B. Scroll of Life) of life was cast into the lake of fire.

Whoever did not serve Jesus Christ in this life will live on forever and they will be tormented forever. The worm that eats on them will not die and the fire that burns them will not be quenched and that means will not be put out. There will be no relief. Can you imagine being in pain and you can't get it to stop. Like putting your hand into a fire and not being able to pull it away. Watching the skin melt off and feeling the excruciating burning pain. Like being electrocuted but not knocked off of the power of it, just stuck on permanent torture. Like being stabbed and bleeding to death but the stabbing never stops. You don't want this for eternity.
