

## OUTREACH UPDATE AFRICA: MARCH – MAY 2018

We have spent our evening today in a very enriching home fellowship at a house of mama Rose who recently joined our Conquerors church at Sikata market Bungoma Town. Have a look at the pictures have posted. The devil had attacked her with stroke, but the merciful healed. Now she can talk and walk. Please pray her total healing and family.

I give thanks and praise to God whose hand is moving mightily here saving and healing many souls for His own glory. Thank you Jesus!!!

We give thanks to God for our son Ruphus who is growing up well. He is now 6 weeks old. God is love, and we love you too our dear friends & family!!! —

Our dear friends and family praise our Lord Jesus Christ!! We appreciate you all for your continued support and prayers for our ministry work here in Kenya and Uganda. For the last 2 years we have rented land on which our Conquerors Covenant Saints Church, Bungoma Town is build. We are paying a monthly rent of \$ 20.00 Now we are praying God to provide so that we buy 1/2 hactre of land where this church is build and the owner is willing to sell us the land.We envision to build our headquarter for our ministry work here in Kenya and Uganda on this land here in Bungoma Town. This will be good land size for church building, offices, store, caretakers house, hostel etc.

Kindly we request for your prayers and support. God bless you all!!!  
With love, Pastor Erustus & Sarah

This is picture of our Sikata market, Bungoma Town Church building standing on the 1/2 hactre of rented land. We are trusting God to enable us to buy and build.

Someone gave a donation of Bibles to the ministry there.

I take this Precious opportunity to thank our dear friends who have assisted us to get 22 Swahili language Bibles for our Church members who don't have Bibles to read and study. This is the best gift you can give a person!!! There is still a big need for both Swahili & English language Bibles but we thank God for providing these for our dear brother and sisters desiring to grow in God's word.

God continue to bless you all our dear friends and family for your kind support and prayers always for our family & ministry work. God loves you so do we!!!
