

## OUTREACH UPDATE - KENYA, UGANDA: JUNE – AUGUST 2018

Thank you all our dear friends and family for your prayers. I travelled back safely after a successful mission trip to Uganda. We thank God for the big door He has opened for us to do ministry at Kasevere village at Buhuni, Uganda. Please continue praying for our church and junior school in Uganda. Sorry I did not take any pictures there, my phones went off power.

We are trusting God to provide to enable us to build a church & school buildings on our own church land we bought last year to help us move from the rental building we are currently using which is expensive. This church is in a very poor remote village. He requested prayer and said if God opens your heart to give anything, it is greatly appreciated.

Wish you all God's blessings.

Pastor Erustus & Sarah

Thank you all our dear friends and family for your prayers and support. I traveled back from Uganda safely and i thank God for the wonderful sunday service & leaders meeting we had yesterday at our Conquerors church at Kasebere village, Buhuni market , Uganda.

We are facing the challenge where to meet for the church meetings which has really affected the growth of this church. One of our key leaders brother Antony has offered us this small grass thatched mud house in his home to hold our church meetings as we trust God to start building a church structure in our own land we bought last year.

Kindly pray with us as we start to collect building materials in preparation of building God's house for this church from next month, August. We will appreciate your support too, no giving is small to us. With love Pastor Erustus & Sarah
