

UPDATE on PASTOR DALBEER'S HOUSE MAY 2019

Those of you who support and follow this ministry know that we began building a house for Pastor Dalbeer and his family last November. I had been saving back money for almost a year. His land lord evicted them because he wanted to sell the house and land that they were living in. They were blessed to be able to find a house to rent in the town that they have been living but it often floods. So their belongings have been getting flooded and ruined. We are hoping to get the house finished soon so they can get out of that situation.

Please see the progress that has been made on the house since last November.

Putting in the sewage.

For the sewage, taken in December 2018.

The next pictures are of the downstairs taken in January 2019.

The downstairs

The Downstairs

Downstairs

The downstairs. The downstairs will have the kitchen, a bedroom, bathroom and a hall and the living room.

These next pictures are updates from February:

Downstairs window

Working downstairs

Inside the downstairs

Downstairs doorway

March update: House is going good the windows have been installed and doors will be installed soon and after that we will be having paint work left that will be done too soon.

Windows downstairs

Another view of the windows.

You can see some of the surrounding homes there in the reflection. It seems like they make narrow houses that go up.

Windows and a doorway.

The next pictures are from April:

Materials

The next pictures are work going on up to May:

Working on the ceiling for the downstairs.

Working on the kitchen.

Pastor Dalbeer in the kitchen of his new home.

Praise God for everyone who has been helping to accomplish this great work.

1 Thess.5:12 & 1 Tim. 5:17

The cost of the materials has gone up so we haven't been able to finish the house yet. And the rate exchange of a US dollar to the Indian rupee has gone down. So our money isn't going as far. Please pray and believe with us for God to bring the cost of the materials down and to increase the buying power of what we send to Pastor Dalbeer.

God bless you and thank you for standing with this ministry in Jesus' name.
