

PAT ROBERTSON, JOSEPH PRINCE, MOTHER GRACE – Part One

This message has been a long time coming but I finally felt moved to get it out there. As I worked with it more and more came out and it just grew. I like to be thorough when I teach. We are going to learn so many things in this series and refresh ourselves on a lot too.

I did contact each of these ministries ahead of time to do just what the Bible says to do.

Matt.18:15-17 - Moreover if thy brother shall trespass against thee, go and tell him his fault between thee and him alone: if he shall hear thee, thou hast gained thy brother. But if he will not hear *thee*, *then* take with thee one or two more, that in the mouth of two or three witnesses every word may be established. And if he shall neglect to hear them, tell *it* unto the church: but if he neglect to hear the church, let him be unto thee as an heathen man and a publican (as the nations and a tax collector).

The way our ministries are it is hard to go in private but I did try to do that first. I'm not able to speak with him privately with two or more witnesses.

1 Tim.5:19-21 – Against an elder receive not an accusation, but before two or three witnesses. Them that sin rebuke before all (reprove before all), that others also may fear. I charge thee before God, and the Lord Jesus Christ, and the elect angels, that thou observe these things without preferring (showing favoritism) one before another, doing nothing by partiality.

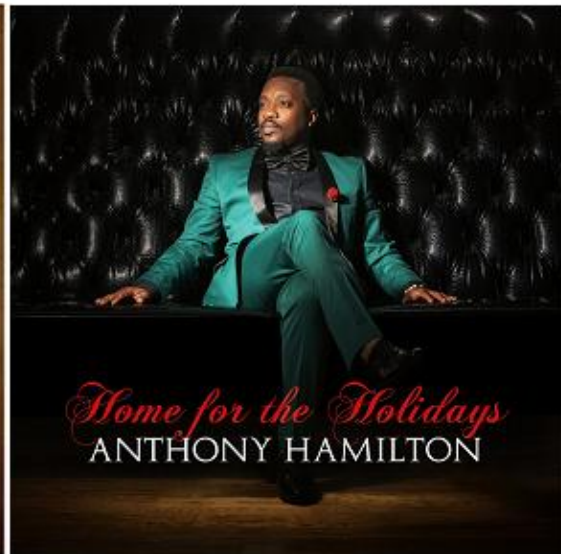

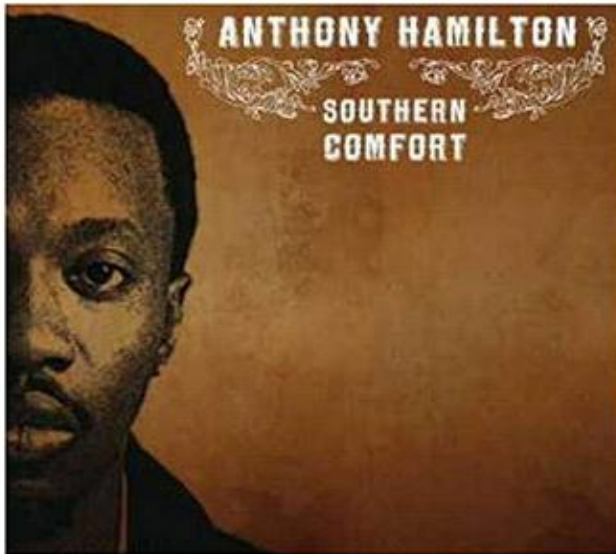

I let them know of their sin. Joseph Prince ministries responded with a form letter thanking me for writing to their ministry. Then they began to send junk mail to the church. Pat Robertson's ministry did respond on his behalf saying he was not now nor has ever been a freemason. Of course they would deny it but we will see otherwise in this message.

****Please play this 700 club clip – pastor Shirley Ceasar. I use the word “pastor” loosely here.**** (about 6.5 min’s)

She was so thrilled to be honored by the world with a star on Hollywood’s walk of fame. Those stars represent satan as a fallen star from heaven and all those that clamor after getting a star are seeking man’s approval, man’s praise saying “you have arrived.”

She sang with Anthony who is not a Christian singer. L: showcasing the illuminati all seeing eye of lucifer, saluting the god he serves R: Lifting up the pagan holidays. A real Christian has no business pairing up with a worldly person. This does not bring honor to God. Anthony isn’t using his talent for the Lord’s glory.

She wrote a song called “mother Emmanuel” – this is a false teaching movement trying to deceive people into believing part of the Godhead is feminine. Like I always say, there ain’t no mother in the situation. Emmanuel is God with us and that is one of Jesus’ titles. They have an agenda and are honoring a mother alright. We’ll see who that is in a minute. Why would Pat Robertson or the 700 Club employees be silent and promote this on their “Christian” show? Because they are out to deceive you. Just like the clip we showed in the suicide message where the lady sat there saying God told her to move the gun from her head to her heart and shoot there instead. He allowed that because he is part of an agenda to deceive you and get your money.

Earlier this week I watched this clip and by the time I was finishing the message the channel was taken down.

I did find what I wanted you to see so let’s take a look at it.

ALL those on tv are witches and freemasons. They support each other and work together. Remember satan owns the air waves, the frequencies, the programming, he promotes and lifts up his own. Some of them are cloned and many are programmed to have a lead alter that presents as a Christian. If you are not aware of cloning or programming then you should listen to the messages I have done on cloning and mind control.

Joseph said, "We have the same heavenly Father and the same mother grace."

When you hear these things you should have a check in your spirit. They sneak these things in subtly and only those with Godly discernment are catching any of this. They may teach many things that are good and true but they are also mixing in false teaching to lead many astray. Remember they don't teach straight lies, that would stand out too much.

1 John 5:7 - For there are three that bear record in heaven, the Father, the Word, and the Holy Ghost (Spirit): and these three are one.

God is a Spirit and He chose to identify with the male gender. The Trinity is always referenced in Scripture as male.

There is a trinity which consists of a father, mother and son and it is one type of satan's false trinity.

Top: Eye of Osiris on lintel of The Church of Anunciation in Nazareth along with the dove for semiramis and the cross of tammuz. Bottom: Church History Museum across West Temple Street in Salt Lake City. It was built in the mid 1980's. You see the same symbols of the Egyptian deities here. The father (nimrod), mother (ashtaroth) and son (tammuz) of satan's false trinity are represented here.

The mother that our world leaders are worshipping still today is the wife of Nimrod. Top government officials, top military officials, top banking and corporate officials, the Vatican, mega church leaders have all sworn oaths, been initiated into or born into freemasonic families or illuminati bloodline families. They make up the secret societies, Jesuits and witches. They are satan's elect and they are running this world already. When Nimrod was murdered and cut into pieces Ashtareth came up with a way to continue being worshipped and the religion she cultivated is still going strong today. It is the mystery Babylon religion. All mystery religions or esoteric cults came out of Babylon from Nimrod and his wife and ultimately satan was behind it all pulling God's children into this idolatry.

See the symbolism behind Trump? That is a baphomet star, the arrows are in the shape of lightning bolts, a symbol for Zeus or satan, and there is the trident that stands for Nimrod, Ashtareth and Tammuz. You usually see Neptune or Poseidon holding it. This is the leader of the nation that all of the world looks to and he is showing the symbolism of who our allegiance is really to and it isn't God. Do you think these men and women in government don't know what all of this imagery

and these statues represent? They certainly do and that is why they keep them and show them openly in photo ops.

Valor is **defined** as strength or courage, particularly in the face of great danger. An example of **valor** is the quality that soldiers have when they go into battle.

valor defined - Valor dictionary definition

[https://www.yourdictionary.com > valor](https://www.yourdictionary.com/valor)

This ties to Nimrod being mighty or great or strong. Same as with Valentine's which is but another of his names. The root of the word valentine is val and that stands for strength or might or strong.

Genesis 10:8-12 – And Cush begat Nimrod: he began to be a mighty one in the earth (a hero in the land). He was a mighty hunter (great hunter) before the LORD: wherefore it is said, Even as Nimrod the mighty hunter before the LORD. And the beginning of his kingdom was Babel, and Erech, and Accad, and Calneh, in the land of Shinar. Out of that land went forth Asshur (Out of that land he went forth to Assyria), and builded Nineveh, and the city Rehoboth, and Calah, And Resen between Nineveh and Calah: the same *is* a great city. (*Some translations make it clear that Calah was the great city.*)

We learned in the “Not a Mandela Effect” message that Cush was worshiped as a god on earth called Mani or Meni the Numberer and he taught people how to worship his son. Nimrod was a tyrant, an oppressor. He hunted people and animals. People, to serve him and build his kingdom. He was against God and that was what the tower of Babel was all about, rebelling against God. The tower was to show God that he could build something big enough to reach the heavens and that even a flood would not stop him. So God confused the languages and stopped that little project.

Genesis 11:1-9 - And the whole earth was of one language, and of one speech. And it came to pass, as they journeyed from the east, that they found a plain in the land of Shinar; and they dwelt there. And they said one to another, Go to (Come), let us make brick, and burn them thoroughly. And they had brick for stone, and slime (asphalt) had they for mortar. And they said, Go to (Come), let us build us a city and a tower, whose top *may reach* unto heaven (into the heavens); and let us make us a name, lest we be scattered abroad upon the face

of the whole earth. And the LORD came down to see the city and the tower, which the children of men builded (which the sons of Adam had built). And the LORD said, Behold, the people *is* one, and they have all one language; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do. Go to (Come), let Us go down, and there confound their language (mix up their language), that they may not understand one another's speech. So the LORD scattered them abroad from thence upon the face of all the earth: and they left off to build the city. Therefore is the name of it called Babel; because the LORD did there confound (mix up) the language of all the earth: and from thence did the LORD scatter them abroad upon the face of all the earth.

CLOSING

This is what the Tower of Babel might have looked like and on the right is the modern EU Parliament Building. They say they hide the truth in plain sight. Aren't they telling us openly who they serve? We are in a spiritual war and the leaders of this world are against God just as Nimrod was. They are still trying to "get it done," what he began so long ago.
