

PAT ROBERTSON, JOSEPH PRINCE, MOTHER GRACE

– Part Two

Last week we were talking about mother grace who the occult worships which led us to talk about Nimrod as well. You cannot talk about one without the other. So let's continue on Nimrod just a little longer.

PROPHECY STILL TO COME:

Micah 5:5-6 - And this *man* (Christ) shall be the peace, when the Assyrian shall come into our land: and when he shall tread in our palaces, then shall we raise against him seven shepherds, and eight principal men (anointed ones of man). And they shall waste the land of Assyria with the sword, and the land of Nimrod in the entrances thereof: thus shall He deliver *us* from the Assyrian (from Assyria), when he cometh into our land, and when he treadeth within our borders.

Christ is still dealing with Nimrod and those that love and serve him and his wife all the way at the end of the Bible:

Rev.2:6 – (Jesus speaking to the church of Ephesus) But this thou hast, that thou hatest the deeds of the Nicolaitans, which I also hate.

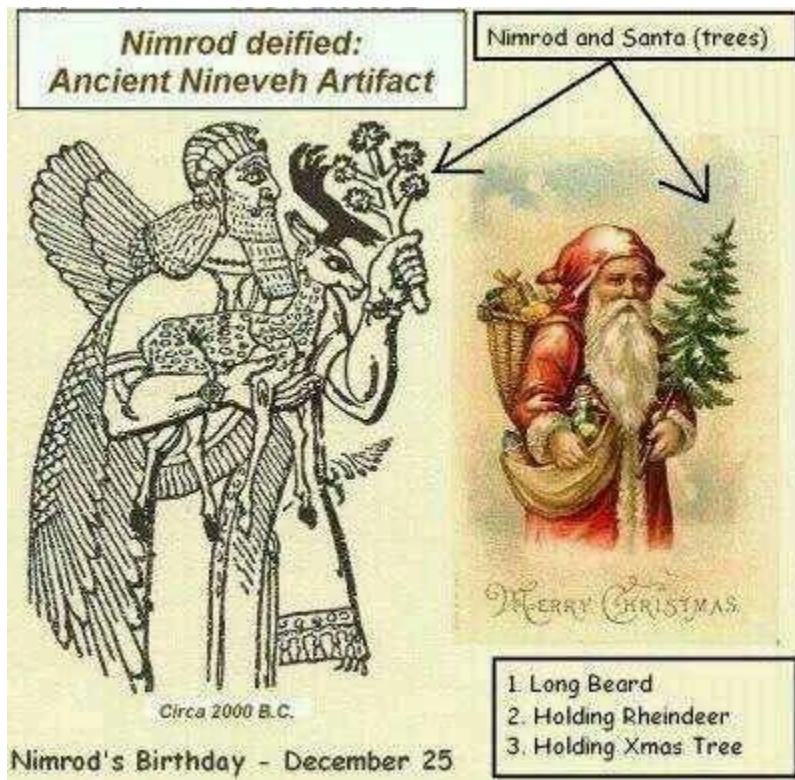

Rev.2:15-16 – (Jesus speaking to the church in Pergamos/Pergamum) So hast thou also them that hold the doctrine of the Nicolaitans, which thing I hate. Repent; or else I will come unto thee quickly, and will fight against them with the sword of My mouth.

It is hard for us to piece things together today as to who Jesus was talking about. We aren't connecting the dots so much thousands of years later and that suits Satan just fine. Places in our Bibles many times don't match up with any place now and the Bible doesn't make it clear that Nimrod and Ashtareth were married and had Tammuz. We don't connect them to the sun gods and moon gods that are still worshipped today but that is who they are.

I began to learn about who the Nicolaitans were when I began to dig and research on the truth about Christmas. God broke it all open and my world has not been the same since.

Nicolaitan means "a follower of Nicolas." It comes from two Greek words, *nikos* and *laos*. *Nikos* means "conqueror" or "destroyer," and *laos* means "people." The original Nicolas was a conqueror or destroyer of the people!

Some people believe that the original Nicolas was Nimrod—the original arch rebel, who conquered the people and founded a man-made civilization within two centuries after the Flood ([Genesis 10:8-12](#))! While he was alive, Nimrod put himself in the place of [God](#), or as the biblical text puts it, "he was a mighty hunter before the LORD" (verse 9). When he died, his admirers continued to worship him as a divine hero. They called him "Baal," a name found throughout the Old Testament, meaning "master" or "lord." *It also is the name for the sun god.*

Nimrod pictured here holding things that are symbols of his.

Nimrod also had other names. One, commonly used throughout Asia Minor, was "Santa" (see *Lempriere's Classical Dictionary*.) "Santa Claus" is but a shortened

form of "Santa Nicholas" or "Saint Nicholas." Many unknowingly honor this Nicholas even in our day by observing customs associated with December 25. [Christmas](#) originally was the *Saturnalia* or birthday of Nimrod. Of course, these customs handed down from ancient paganism have been renamed and made to appear innocent and good!

According to William L. Langer's *Encyclopedia of World History*, Nimrod was also known as "Santa" throughout Asia Minor. Another name for Nimrod, used in Greece, was "Nikolaos." The name Nikolaos (Nicolas) is a combination of the Greek words *nikos* and *laos*, which together mean "victory over the laity" or "conqueror of common people." So "Santa Claus" or "Saint Nicholas" is really a manifestation of the ancient cults of Babylon.

According to *Langer's Encyclopedia of World History's* (article titled "Santa"), "Santa" was a common name for Nimrod throughout Asia Minor. This was also the same fire god who came down the chimneys of the ancient pagans and the same fire god to whom infants were burned and eaten in human sacrifice among those who were once God's people.

Lev.18:21 - And thou shalt not let any of thy seed pass through *the fire* to Molech, neither shalt thou profane the name of thy God: I *am* the LORD.

Molech or Moloch is the same as baal, the sun god or Nimrod.

Jeremiah 19:5-6 - They have built also the high places of Baal, to burn their sons with fire *for* burnt offerings unto Baal, which I commanded not, nor spake *it*, neither came *it* into My mind (My heart): Therefore, behold, the days come, saith the LORD, that this place shall no more be called Tophet, nor The valley of the son of Hinnom, but The valley of slaughter.

"Old Nick" has long been recognized as a term for the devil.

In [Revelation 2:6](#) and [15](#), we read about a "doctrine of the Nicolaitanes," which Christ twice tells His Church "[He] hates." Let's analyze the word Nicolaitane. It means "follower of Nicholas." *Nikos* means "conqueror, destroyer." *Laos* means "people." Nicolaitanes, then, are people who follow the conqueror or destroyer—Nimrod. If you have believed that following Christmas is an innocent Christian custom, let this truth sink in!

Did this worship die off? No, it is stronger than ever now. Christians or so called Christians have grown so cold toward God that they say “that’s not what it means to me” and continue to participate in it all. Telling themselves that God is ok with their idolatry.

Top L: The Jesuits would have you believe that IHS means “In His Service” only that is not the truth of what it means. This is the very thing that is done in freemasonry to deceive those entry level initiates into believing they are joining a group that is about Christianity. The occult usually have more than one meaning for their symbols. It really stands for Isis, Horus, and Set. Top R: The symbol of the Royal Arch masons is a triple tau. Today we are taught that it is the last letter of the Hebrew alphabet. We are told by the unsaved Jews who teach their kabbalistic, zohar and Talmudic traditions that it is the mark of God. God has been revealing their deceptive ways all through Biblical times and even Jesus rebuked them. They haven’t slowed down a bit. That tau is not the mark of God but rather of the sun god Horus or rather Tammuz.

This is a witchcraft symbol. You have the circle for the sun or moon, a star for Isis or Tammuz and in the center is the tau that is the first letter of Tammuz' name and the hammer of Thor who is the same false god. The major corporations of the world are showing openly through their symbolism who they serve.

Tav is the last **letter** of the **Hebrew** word **emet**, which **means** 'truth'. The midrash explains that **emet** is made up of the first, middle, and last **letters** of the **Hebrew alphabet** (aleph, mem, and **tav**: אמת). ... In **Jewish** mythology it was the word **emet** that was carved into the head of the golem which ultimately gave it life.

go·lem

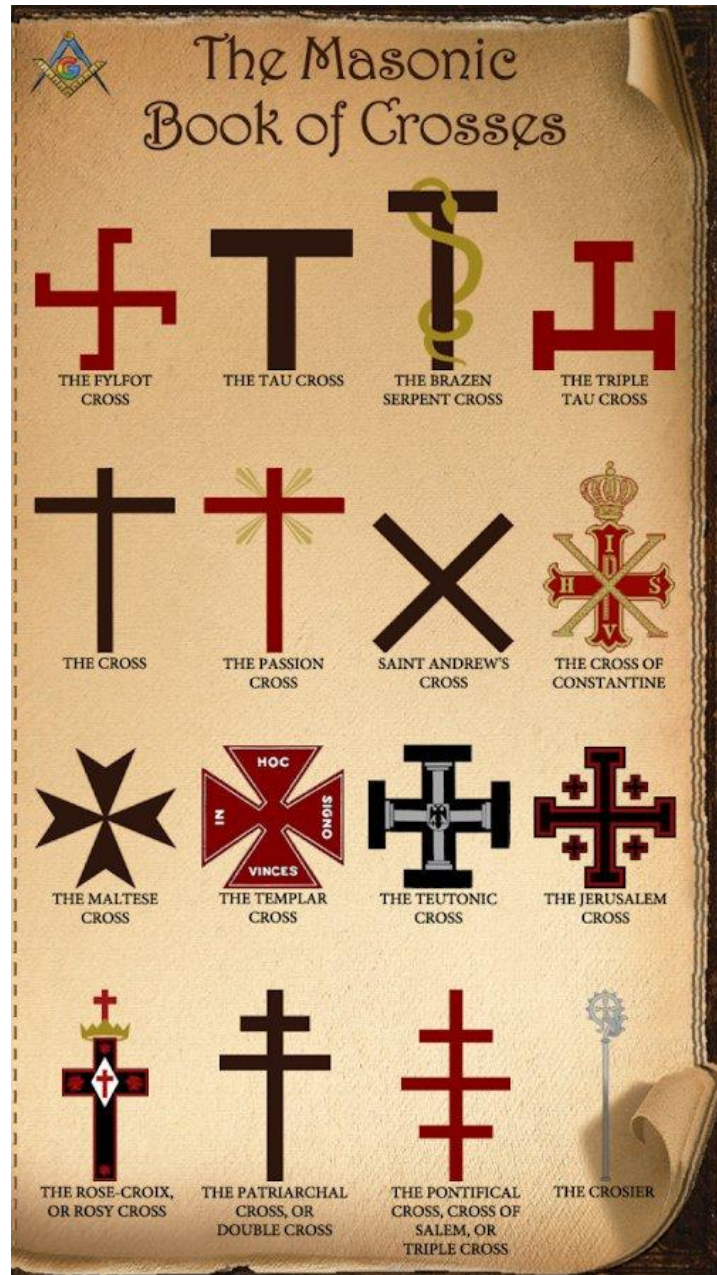

/ˈɡɒləm/

noun

(in Jewish legend) a clay figure brought to life by magic.

- an automaton or robot.

We cannot forget that the Hebrew language of today is not the ancient Hebrew which they say died out completely. But today's Hebrew is a mixing of what they learned in Babylon with Aramaic and it has now become something different. This has allowed for tampering to really take off.

These are all Masonic crosses. Nothing to do with Christ. Remember the capital T and the small t are both symbols for Tammuz. It was never a Christian symbol. God is not known by a symbol, not even the cross. The cross is special now to Christians because our God Christ Jesus willingly went to the cross and laid His life down for us and let the Romans use the symbol of their god against Him. The outcome was victory for all Christians through Christ. Now we are to pick up our crosses, a shameful and hard thing, deny ourselves daily and follow Jesus. If we don't then we are not worthy of Him. (Luke 9:23, Matt.10:38)

Is Isis worship in our Bibles? Yes, remember they were worshipped at the time of the tower of Babel and when God shut down that project and confused the languages then she became known by 1000's of names. Here is a passage about her in the New Testament:

Acts 19:22-41,20:1 - So he (Paul) sent into Macedonia two of them that ministered unto him, Timotheus (Mandela Effect: It should say Timothy as it does in other places) and Erastus; but he himself stayed in Asia for a season. And the same time there arose no small stir (a disturbance) about that way (Christianity). For a certain *man* named Demetrius, a silversmith, which made silver shrines for Diana (of Artemis), brought no small gain unto the craftsmen; Whom he called together with the workmen of like occupation, and said, Sirs, ye know that by this craft we have our wealth. Moreover ye see and hear, that not alone at Ephesus, but almost throughout all Asia, this Paul hath persuaded and turned away much people, saying that they be no gods, which are made with hands: So that not only this our craft is in danger to be set at nought; but also that the temple of the great goddess Diana (Artemis) should be despised (counted for nothing), and her magnificence should be destroyed, whom all Asia and the world worshippeth (habitable world worships). And when they heard *these sayings*, they were full of wrath, and cried out, saying, Great *is* Diana (Artemis) of the Ephesians. And the whole city was filled with confusion: and having caught Gaius and Aristarchus, men of Macedonia, Paul's companions in travel, they rushed with one accord (one mind) into the theatre. And when Paul would have entered in unto the people (mob), the disciples suffered him not (did not allow him). And certain of the chief of Asia, which were his friends, sent unto him, desiring *him* that he would not adventure himself into the theatre. Some therefore cried one thing, and some another: for the assembly was confused; and the more part (majority) knew not wherefore (why) they were come together. And they drew Alexander out of the multitude, the Jews putting him forward. And Alexander beckoned with the hand, and would have made his defence unto the people. But when they knew that he was a Jew, all with one voice about the space of two hours cried out, Great *is* Diana (Artemis) of the Ephesians. And when the townclerk had appeased (quietened) the people, he said, Ye men of Ephesus, what man is there that

knoweth not how that the city of the Ephesians is a worshipper of the great goddess Diana (Artemis), and of the *image* which fell down from Jupiter? Seeing then that these things cannot be spoken against, ye ought to be quiet, and to do nothing rashly. For ye have brought hither these men, which are neither robbers of churches (temple robbers), nor yet blasphemers of your goddess. Wherefore if Demetrius, and the craftsmen which are with him, have a matter against any man, the law is open, and there are deputies (proconsuls are) : let them implead (accuse) one another. But if ye inquire any thing concerning other matters, it shall be determined in a lawful assembly. For we are in danger to be called in question for this day's uproar, there being no cause whereby we may give an account of this concourse (crowding together). And when he had thus spoken, he dismissed the assembly. And after the uproar was ceased, Paul called unto *him* the disciples, and embraced *them*, and departed for to go into Macedonia.

CLOSING

Villa d'Este, 16th century. Here is Isis also known as Artemis, Diana, Athena, Semiramis, Ashtareth, Asherah, Isis, Easter. This is the "mother" they are

referencing, the goddess of fertility. She is an abomination to God. Those in secret societies including the witches on tv worship her still today. We will go deeper into this goddess worship and how it is creeping into the church in the coming weeks.
